### Our Mission

*To make a positive difference in the community by efficiently managing public resources and providing effective services that exceed the expectations of our citizens.*

### Our Core Values

*Excellence  
Stewardship  
Integrity  
Service  
Loyalty*

June 15, 2015

To the City Council and Citizens of Alpharetta:

We are pleased to present our Annual Operating and Capital Budget (line-item budget detail) for Fiscal Year 2016 (the "Budget") of the City of Alpharetta, Georgia. Our recommendations are based on direction provided at the City Council Retreat as well as a thorough review of our current financial status, revenue trends, economic data, and our standard of providing top level service while maintaining our focus on keeping Alpharetta an affordable option for our citizens and stakeholders.

This budget is the culmination of years of financial stewardship by the City Council, City Administrator, city departments, and includes the following:

- ✓ Tax-burden reductions for our homeowners and business owners including:
  - Maintenance of the city's \$40,000 homestead exemption which saves our homeowners \$2.6 million annually. This savings equates to a 1.7 mill reduction for the average homeowner (see section entitled *Taxpayer Savings* for more information).
  - Maintenance of the city's millage rate at 5.750 mills (flat with FY 2015) including funding \$3.9 million from General Fund operations for capital initiatives. The capital funding includes \$2.4 million for a recurring capital program (e.g. milling and resurfacing of city streets; traffic equipment replacement; drainage maintenance; etc.) and \$1.5 million for additional pay-as-you-go capital funding (\$544,500 increase over FY 2015).
- ✓ Funding totaling \$10.1 million available for capital investment within our city (includes the \$3.9 million in recurring/pay-as-you-go capital discussed above) which is available for your review and described in detail under the *Capital Initiatives* section of this report;
- ✓ Continuation of the same high service levels our citizenry, business owners, and stakeholders have to expect from our city; and
- ✓ Expanded service levels within the Recreation & Parks Department and Public Safety Department are available for your review and described in detail under the *Operating Initiatives* section of this report.

## **BUDGET PROCESS AND OVERVIEW**

The Fiscal Year 2016 Budget process began with an update of the city's financial condition, which was presented during the City Council retreat (January 18-19, 2015). During this update, a financial plan was established which prioritized the use of available fund balance to most effectively position the city for financial success in the future. This information was also shared with the city's department directors during budget kick-off meetings.

As provided monthly to the City Council through the Financial Management Reports, the Finance Department has closely monitored our revenue and expenditure trends, indicating spending would continue to be closely managed for FY 2015 to ensure operations are funded at an acceptable level while also maximizing available funding for recurring capital initiatives (e.g. milling and resurfacing of city streets, stormwater maintenance, etc.). Accordingly, the Finance Department analyzed departmental spending needs and calculated target budgets for each department.

City departments responded to the direction provided by the Finance Department and submitted base operating budgets (non-personnel) for each activity and program in line with current revenue estimates that cover the city's primary cost drivers (e.g. healthcare, City Center property management/utilities, etc.).

The FY 2016 Budget is balanced for all funds and totals \$96.6 million with the breakdown by fund type as follows:

– General Fund:	\$ 63,495,856
– Special Revenue Funds:	9,407,508 (1)
– Debt Service Fund:	3,564,998
– Capital Project Fund:	8,943,236 (1)
– Solid Waste Fund:	3,305,455
– Risk Management Fund:	1,264,200
– Medical Insurance Fund <sup>1</sup> :	<u>6,658,514</u>
Total	<u>\$96,639,767</u>

(1) Amounts contained herein represent new appropriations for FY 2016. Unexpended FY 2015 appropriations for Council approved projects are re-appropriated annually pursuant to city policy.

Several of the major points of the FY 2016 Budget are as follows:

- **Property Taxes:** The FY 2016 Budget is based on maintenance of the city's millage rate at 5.750 mills. Property tax digest growth is estimated at 2% with additional new construction values forecasted for recent development within the city (e.g. Avalon).

The property tax revenue estimates are net of the city's \$40,000 homestead exemption which saves our homeowners \$2.6 million annually (e.g. equates to a 1.7 mill reduction for the average homeowner). The city's homestead exemption is more than double the amounts offered from our companion cities and goes great lengths in keeping Alpharetta an affordable place to live and raise a family.

<sup>1</sup> Please refer to the *Budget Narrative* section for more information on this Fund.

- Operating expenditures of the General Fund are up 3.5% over FY 2015. This figure includes the incremental budgetary impact for election fees, City Center maintenance and operating costs (full-year utility costs and maintenance of the facilities, park, and grounds), and operating initiatives. After adjusting for these new incremental budgetary impacts, the base operational budget growth totals 3.2%.
  - Management of personnel and compensation program to align with current market environment:
    - ✓ Personnel
      - 437 full-time equivalents (funded); and
      - 12 full-time equivalents (un-funded; budgetary savings of \$800,000); positions to remain vacant pending a workload justification and identified funding source.
    - ✓ Continuation of a performance-based merit program of 3% on April 1, 2016, per authorized/funded position (estimated cost of \$220,000 citywide<sup>2</sup>). This merit program is contingent upon a mid-year review of revenue trends to determine if sufficient funding is available. Research of national and local wage growth data indicates the 3% rate is a responsible average (i.e. not among the highest or the lowest).
    - ✓ Coverage of group insurance premiums (8.5% premium increase; \$236,123<sup>3</sup> incremental budget impact citywide). The premium growth is due to claims patterns that are trending at 90% of premiums (industry standard is 80-85%), general medical cost inflation, and costs associated with the Affordable Care Act. Unfortunately, the city has experienced large claims at twice the actuarial assumed average over the last 12 months. The claims are primarily of a non-chronic nature outside of the reach of wellness initiatives.
    - ✓ Increase in the actuarially determined defined benefit pension contribution of 4%, or \$100,000, compared to FY 2015. This increase is due to new pronouncements and their impact on certain assumptions which offset accrued liabilities as well as adjustments recommended by our actuary. Funding for FY 2016 totals \$2.4 million which is less than the \$3 million funded in FY 2012.

---

<sup>2</sup> This represents the financial impact in FY 2016 (i.e. April-June 2015).

<sup>3</sup> The General Fund increased \$245,963 while the other operating funds (combined) decreased -\$9,693 due to changes in coverages (e.g. family, single, etc.) by multiple employees.

- Targeted growth (3.4% or \$440,933) in departmental maintenance and operations budgets (General Fund) including FY 2016 operating initiatives<sup>4</sup>.
- The departmental operating capital/lease budget primarily represents funding for the city's capital lease obligations (fire trucks, finance software, public works and community development software, etc.) including FY 2016 operating initiatives<sup>4</sup>.
- The Other Uses category includes the following: contingency (approximately 1% of the operating budget); Risk Management claims funding (this allocation represents funding for insurance premiums; funding for claims and administration/brokerage fees has been allocated to departments through the personnel services category); funding of debt service on the Gwinnett Technical College contribution (Alpharetta campus); and a continuation of funding for the Police Athletic League (\$35,000) and Friends of the Library (\$10,000).

Please refer to the *Budget Narrative* tab for a detailed narrative of the FY 2016 Budget, including a multi-year personnel listing by department.

### **BUDGET AND MILLAGE RATE HEARINGS**

As set forth under Georgia law and the City Code, citizen input is solicited during the process of adopting the budget through publicly advertised meetings as follows:

- April 27, 2015: Distribute 2016 Recommended Budget
- May 4, 2015: Council Meeting
- May 18, 2015: Council Meeting
- May 26, 2015: Council Meeting
- June 1, 2015: Public Hearing and Council Meeting (Budget/Millage)  
*1<sup>st</sup> reading of Budget Ordinance*  
*1<sup>st</sup> reading of Millage Rate Ordinance*  
*E-911 Resolution*
- June 8, 2015: Public Hearing and Council Meeting (Budget/Millage)
- June 15, 2015: Public Hearing and Council Meeting (Budget/Millage)  
*2<sup>nd</sup> reading of Budget Ordinance*
- July 13, 2015: Two Public Hearings (Millage only)
- July 20, 2015: Public Hearing and Council Meeting (Millage only)  
*2<sup>nd</sup> reading of Millage Rate Ordinance*

---

<sup>4</sup> Please refer to the *Operating Initiatives* section for more information on this Fund.

## **BUDGET ISSUES AND PRIORITIES**

The FY 2016 Budget formalizes numerous key financial factors which have been themes for several years within the government:

- Bond ratings;
- Sustainability of existing services;
- Cost of government;
- Taxpayer savings;
- Debt service payments;
- Expansion of departmental service levels;
- Maintaining an effective capital improvement program;
- Proper use of fund balance; and
- Funding recurring capital from operating budget.

### **Bond Ratings**

The city's AAA bond rating was reaffirmed by *Moody's* and *Standard & Poor's* during March 2012 in conjunction with the sale of \$29 million (par) of General Obligation (GO) Bonds, Series 2012, for the City Center project and the February 2014 sale of \$18 million (par) of Series 2014 GO Refunding Bonds (refunded the callable portion of the Series 2006 GO Bonds) that resulted in a present value savings of 5.4% in interest costs over the life of the bonds.

Alpharetta is one of only 189 cities in the United States (and one of two in Georgia) to earn a AAA bond rating (*Moody's*). The AAA rating represents the highest rating available to municipalities and translates to significant savings to our citizens and stakeholders through reduced borrowing costs. Case in point, the true-interest cost of the Series 2012 Bonds approximates 2.98% which is among the lowest our financing team has witnessed for bonds carrying a 20-year term.

This rating demonstrates the strongest creditworthiness relative to other US municipal or tax-exempt issuers and reflects the city's current sound financial position as well as strong financial management practices guiding our ongoing decision making. These practices are supported by formal policies to guide budget and procurement practices, capital investment, and debt management. Other positive factors include a relatively strong economic base, moderate debt burden, and manageable capital needs. The FY 2016 Budget is mindful of these factors and the importance of maintaining the highest rating, not only for our citizens but also our bondholders.

### **Sustainability of Existing Services**

The City Council, City Administration, and City Departments have displayed impressive financial stewardship over the years through an established philosophy of budgetary evaluation. This philosophy entails reviewing the needs of the city relative to a standard

that services and associated costs should not be appropriated unless they are justified as strategic goals of the organization that serve to accomplish our guiding principles.

This philosophy is the foundation of our budget process as evidenced by the Finance Department's direction to departments that base operating budgets should be submitted in line with the city's revenue trends. City departments responded to the direction provided by the Finance Department and submitted base operating budgets (non-personnel) for each activity and program in-line with current revenue estimates that cover the city's primary cost drivers (e.g. healthcare).

As with many employers, one item that is affecting the sustainability of services is healthcare costs. The City of Alpharetta has been proactive in the latest wellness initiatives to help reduce these costs in the long run and as such has been recognized by the Atlanta Business Chronicle as one of "Atlanta's Healthiest Employers". To mitigate the rising costs of healthcare, the city is focused on the following initiatives:

- Continuation with our consumer driven HRA (Health Reimbursement Account) and HSA (Health Savings Account) healthcare plans supplemented with a wellness program. Together these programs engage the employee and his/her family into making more informed decisions about their medical care and overall health.
- Incentivizing our wellness program for all employees who elect city health coverage. This includes the completion of a health risk assessment questionnaire, biometric screening, and in-person meetings with a trained wellness coach. Failure to enroll (employee and covered spouse) results in the application of a material surcharge to the medical premium paid by the employee.
- Amending our surcharge for employee and spouse coverage of those identified as high risk (including tobacco use) for chronic disease via the biometric screening. The employee/spouse can avoid the surcharge by actively meeting with a wellness coach through the year or by enrolling in a tobacco cessation program.
- Instituting a Minimum Premium Plan model with our insurance carrier (CIGNA) that reduces premium taxes while maintaining coverage benefits.

As detailed above, the city is focused on wellness initiatives to ensure a healthy workforce while lowering long term healthcare costs. Positive wellness trends include:

- Tobacco use at 6% (national average is 18%);
- In-network utilization up from 95% to 96%;
- 95% of eligible employees and 88% of their spouses have been screened; and
- Overall healthcare spend has been \$1.4 million less than the National Trend over the past 5-years.

## Cost of Government

The city has historically acknowledged the need to provide a taxation rate commensurate with the government's level of service. The FY 2016 Budget is based on maintenance of the city's millage rate at 5.750 mills.

The table to the right provides a historical snapshot of millage rate levies.

The portion of the millage rate funding debt service (Debt Service Fund) will decline from 0.80 mills in FY 2015 to 0.75 mills in FY 2016 (0.05 mill reduction). Estimated growth in the property tax digest

Fiscal Year	Operating Millage Levy	Debt Service Millage Levy	Total Millage Levy	% Increase (Decrease)
2016	5.000	0.750	5.750	0.0%
2015	4.950	0.800	5.750	0.0%
2014	4.870	0.880	5.750	0.0%
2013	4.820	0.930	5.750	0.0%
2012	4.215	1.535	5.750	0.0%
2011	4.215	1.535	5.750	0.0%
2010	4.215	1.535	5.750	0.0%
2009	4.215	1.535	5.750	-8.0%
2008	4.508	1.740	6.248	-5.3%
2007	4.150	2.450	6.600	-5.7%
2006	4.550	2.450	7.000	0.0%
2005	4.700	2.300	7.000	0.0%
2004	4.750	2.250	7.000	-3.2%
2003	4.900	2.330	7.230	-3.3%
2002	5.060	2.420	7.480	-5.1%
2001	4.930	2.950	7.880	0.0%
2000	5.170	2.710	7.880	

(including new construction), coupled with available cash in the Debt Service Fund, allows for a reduction in the millage rate dedicated for debt service. The FY 2016 Budget proposes to program the debt service millage reduction into the General Fund for additional funding of capital initiatives (discussed below).

The portion of the millage rate funding operations and recurring/pay-as-you-go capital investment (General Fund) will increase from 4.95 mills in FY 2015 to 5.0 mills in FY 2016. Property tax revenue estimates for FY 2016 total \$18.8 million (excluding motor vehicle taxes). Of this amount, \$288,640 is included for the annual debt service on the Gwinnett Technical College contribution (Alpharetta campus), \$2.4 million for a recurring capital program (e.g. milling and resurfacing of city streets; traffic equipment replacement; drainage maintenance; etc.); and \$1.5 million for additional pay-as-you go capital funding (\$544,500 increase over FY 2015). The capital funding will be transferred to the Capital Project Fund to properly account for the activities.

The city has estimated a 2% increase in digest values with additional new construction values forecasted for recent development within the city (e.g. Avalon).

## Taxpayer Savings

The FY 2016 millage rate, coupled with the city's substantial Homestead Exemption, goes great lengths in keeping Alpharetta an affordable place to live and also strategically positions us relative to neighboring areas.

The city's homestead exemption totals \$40,000 and saves our homeowners over \$2.6 million annually (e.g. equates to a 1.7 mill reduction for the average homeowner). The city's homestead exemption is more than double the amounts offered from our companion cities and goes great lengths in keeping Alpharetta an affordable place to live and raise a family.

### Debt Service Payments

The city's primary method of funding large scale capital projects is through the issuance of general obligation bonds ("GO Bonds") upon referendum approval by our voters. GO Bonds have been issued to fund numerous large scale projects including public safety facilities, parks and recreation facilities, and transportation improvements that continue to define Alpharetta as a desirable community to work and live. Principal and interest payments for fiscal year 2016 are budgeted at \$3,559,998 with the following forecast: 2016 - 2032<sup>5</sup>: \$3,508,819 (annual average).

The debt service amounts listed above include savings provided through the advance refunding of the Series 2006 GO Bonds that was completed during FY 2014. This refunding provided a present value savings of \$842,459 or approximately \$80,000 annually through maturity.

### Expansion of Departmental Service Levels (Operating Initiatives)

Recommended operating initiative funding for FY 2016 totals \$115,758 (net of revenue anticipations) and has been programmed into the General Fund budget (Recreation and Parks Department and Public Safety Department) and the DEA Fund budget. Please refer to the *Operating Initiatives* section for a detailed listing of operating initiatives including descriptions.

#### FY 2016 Recommended Operating Initiatives

	Revenue	Expense	Net Budget Impact
<b>General Fund</b>			
Recreation and Parks			
Food Truck Alley Event Expansion	\$ 9,492	\$ 20,750	\$ (11,258)
Old Soldiers Day Parade Event Expansion	-	6,500	(6,500)
Outdoor Recreation Programs	33,000	25,000	8,000
Public Safety			
Fire Truck Lease Purchase (replacement for Engine #3)	-	55,000	(55,000)
	<b>\$ 42,492</b>	<b>\$ 107,250</b>	<b>\$ (64,758)</b>
<b>DEA Fund</b>			
Public Safety			
Taser Replacement Program	\$ -	\$ 51,000	\$ (51,000)
	<b>\$ -</b>	<b>\$ 51,000</b>	<b>\$ (51,000)</b>
	<b>\$ 42,492</b>	<b>\$ 158,250</b>	<b>\$ (115,758)</b>

<sup>5</sup> Represents final maturity of the city's existing debt (General Obligation Bonds, Series 2012).

### Maintaining an Effective Capital Improvement Program (Capital Initiatives)

The FY 2016 Budget includes funding of \$10.1 million for capital initiatives. As part of the capital planning process, departments submitted capital/one-time initiative funding requests totaling \$21.1 million. Recommended capital projects total \$9 million with an additional \$1.1 million set aside for future capital initiatives. Please refer to the *Capital Initiatives* section for a detailed listing of capital initiatives including descriptions.

#### FY 2016 Capital Improvement Program

	Source and Use			
	General Fund	E-911 Fund	DEA Fund	Total
<b>Sources:</b>				
Available Fund Balance	\$ 5,018,236	\$ 482,500	\$ 183,000	\$ 5,683,736
(1) Recurring Capital Program	2,425,000	-	-	2,425,000
Pay-as-you-go Capital Contributions	1,500,000	498,500	-	1,998,500
	<b>\$ 8,943,236</b>	<b>\$ 981,000</b>	<b>\$ 183,000</b>	<b>\$ 10,107,236</b>

<b>Reserve:</b>				
Future Capital/one-time Initiatives	<b>\$ 1,140,724</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 1,140,724</b>

(1) Represents funding programmed within the General fund budget to cover recurring capital needs

(2) All Capital Initiative funding will be transferred and accounted for within the Capital Project Fund

### Proper Use of Fund Balance

General Fund - Based on audited financial statements for the year ended June 30, 2014, the city's fund balance totaled \$20.9 million. Of this amount, approximately \$4.1 million was appropriated in the FY 2015 Budget for capital/one-time initiatives and \$11.8 million has been designated as an emergency account based on a conservative policy of 21% of total appropriations (i.e. roughly 2½ months of operating expenditures). It has been the city's policy to utilize the remaining fund balance above the emergency requirement for one-time capital expenditures. Available capital/one-time initiative funding for FY 2016 totals \$5 million.

### **Funding Recurring Capital from Operating Budget**

FY 2016 includes appropriations totaling \$3.9 million within the General Fund for capital initiatives. The capital funding includes \$2.4 million for a recurring capital program (e.g. milling and resurfacing of city streets; traffic equipment replacement; drainage maintenance; etc.) and \$1.5 million for additional pay-as-you go capital funding (\$544,500 increase over FY 2015). By programming the capital program into the operating budget, the city is announcing to its citizens and stakeholders that capital investment in our roads and infrastructure is a priority that should be funded with certainty as opposed to relying on fund balance which may or may not be accumulated.

In closing, this budget is committed to continuing our focus on providing effective and efficient savings to our citizens and stakeholders.

Respectfully Submitted,

David Belle Isle  
Mayor

Robert J. Regus  
City Administrator

Thomas G. Harris  
Finance Director

# **OPERATING INITIATIVE** **REQUESTS**

# City of Alpharetta FY 2016 Budget Operating Initiative Requests

## Executive Summary

Recommended operating initiative funding for FY 2016 totals \$115,758 (net of revenue anticipations) and has been programmed into the General Fund budget (Recreation and Parks Department and Public Safety Department) and the DEA Fund budget. Operating Initiatives not recommended for funding total \$141,400.

## **RECOMMENDED OPERATING INITIATIVES**

### General Fund

#### **Recreation and Parks**

##### **Food Truck Alley Event Expansion   Expenditures: \$20,750   Revenues: \$9,492**

This weekly gathering takes place on Old Roswell Street with a variety of rotating food trucks and music each week. Approximately 8-10 food trucks will roll out some amazing eats with seating available on the street. This initiative is for the fourth Thursday of each month representing (7) of the (28) food truck events. The goal is to create a larger food truck event once a month so that we can involve additional Downtown businesses and to attract additional attendees to Downtown Alpharetta. By making the event larger, on the fourth Thursday, it will add additional rentals (tables, chairs, stage, and tents) and electrical requirements. The performance of this event will be measured by number of attendees, participating downtown businesses, sponsors, and community organizations involved. Expanded event costs are partially offset through advertising/sponsorship revenue from the Alpharetta Convention and Visitors Bureau in the amount of \$9,492 (\$1,356 per expanded event).

The scope of the event is not expected to change unless we try to incorporate the businesses when the New City Center project (East of Hwy 9) is completed. One other possible variable is if the attendance should increase it may create a need for additional staff (i.e. Police and Public Works).

##### **Old Soldiers Day Parade Event Expansion/Construction Remediation   \$6,500**

Alpharetta's most historic event to honor All Veterans of All Wars is in its 63<sup>rd</sup> year and will take place from City Hall on Highway 9 down Old Milton Parkway to the American Legion. For this year's event we need to plan for variables due to the location of the New City Hall and construction along Hwy 9. The initiatives associated with the New City Hall are new staging, patriotic banners, and patriotic bunting in front of, and leading up to, the City Hall town green. The initiatives associated with construction along Hwy 9 are fencing along the construction zones. At this time we do not fully understand the on-street requirements to ensure the safety of the event, as we will not be able to gauge the Fulton County construction progress until June or July. Until then, we are planning for additional fencing and possibly to re-route the parade if necessary. Either way we may need extra funds to properly keep spectators away from construction zones or in new viewing areas (new parade route). The performance of this event will be measured by number of attendees, participating parade units, sponsors, and community organizations involved. The

scope of the event is not expected to change unless construction within the New City Center project (East of Hwy 9) creates a similar scenario in FY 2017.

**Outdoor Recreation Programs   Expenditures: \$25,000   Revenues: \$33,000**

This request is for the provision of quality, cost-effective outdoor programs in city parks. Programs would include: Dry land fly fishing and Wilderness first aid classes (2 times/year); Outdoor adventure camp (6 dates/year); paddle boarding and kayak rolling (17 dates/summer); and cycling classes (4 times/year). These programs would provide an outlet for the community to engage in innovative programming. Currently, Tree Climbing is the only outdoor program offered through the department and participation in this program continues to increase. Citizens have requested more outdoor programs. With REI, Orvis, and Alpharetta Outfitters nearby, outdoor programming is becoming more popular to Alpharetta citizens.

Registration will be processed in ActiveNet which tracks the number and demographics of participants. These new programs will help the department meet the programming standards for CAPRA. By offering outdoor programs, the department will provide a greater variety of programming to residents. These new programs will empower the participants to experience safe and exciting outdoor activities. The Outdoor Adventure Camp will be offered when Fulton County School is out to provide an all day camp for working parents.

A contracted instructor would be paid 75% of resident registration fees. In FY 2017 and beyond, we would request an increase in Professional Services to offer more classes/camps, such as a camp the week of Fulton County Spring Break. These programs are forecast to be revenue positive.

**Public Safety**

**Fire Truck Lease**

**\$55,000**

This request is for funding of an annual lease payment for the replacement of Fire Engine #3. Engine #3 is an HME pumper that was acquired in 2005, has over 125,000 miles, and has required numerous repairs within the last several years. This truck's performance history is so poor; it is not a candidate for a reserve engine and instead will be surplussed upon delivery of the new pumper.

The new Fire Truck is estimated to cost \$475,000. The lease has a 10-year term with estimated annual payments of \$55,000.

The City has 6 Fire Pumper Trucks, 1 Fire Ladder Truck, and 1 Air/Light Truck. All but 3 Trucks have been built into the operating budget through 10-year capital lease purchases and will be replaced upon expiration of the underlying leases. The plan is to build the three remaining Fire Pumper replacements into the operating budget starting with this initiative and continuing through FY 2017. At that point, the City will have replacement of all its Fire Trucks programmed into the budget.

**DEA Fund**

**Public Safety**

**Taser Replacement Program**

**\$51,000**

Public Safety use of the Taser electronic control devices has and will continue to reduce higher use of force incidents resulting in fewer injuries to officers and suspects and fewer uses of force related complaints.

The Tasers presently in service are more than five years old and worn out. The current model is no longer in production, replacement parts are scarce, and the software is no longer supported. Replacement models cost approximately \$1,400 each but can be purchased outright at a discounted total cost of \$196,500 for 150 units. Adding a recommended extended warranty and maintenance agreement brings this to \$235,000 for the purchase option.

Alternatively, the Tasers can be leased at a cost of \$51,000 annually that includes numerous benefits including a 5-year warranty, spare Taser units, and additional software support. The Department recommends the lease approach for the benefits described above as well as establishing a permanent replacement provision in the operating budget. This lease payment will be made by the DEA Fund annually.

## **OPERATING INITIATIVES NOT RECOMMENDED FOR FUNDING AT THIS TIME**

### **General Fund**

#### **Recreation and Parks**

##### **Special Events Coordinator (part-time to full-time)      \$35,000 (net cost)**

The Special Events Division proposes transitioning one existing part-time Special Events Coordinator position to full-time status. Provisions within the Affordable Healthcare Act (AHA) place strict limits on the number of hours that employees can work without the employer providing healthcare benefits. Currently, the City's Special Events staff includes two part-time positions that routinely work hours in excess of the AHA limits. In order to maintain current service levels, even after accounting for the use of outside events management contractors, these hours must be accounted for. Based upon service demands, staff has determined that the transitioning of an existing part-time position to full-time status is a more efficient and cost effective solution than hiring an additional part-time staff member to cover the required work hours beyond the AHA limits. Funding totaling \$35,000 is needed to cover costs associated with the upgrade of one part-time (current) Special Events Coordinator position to full-time status (\$65,000 annualized budget allocation of full-time position less \$30,000 current budget allocation of part-time position).

#### **Public Works**

##### **Public Works Technician I (previously unfunded; 2.0 FTE)      \$106,400**

This request is to fill the two authorized but unfunded Public Works Tech I positions. Currently the Public Works Department has over 200 work orders in the queue. The Department monitors how long each work order takes to complete. This data enables staff to gauge the anticipated completion date of the work orders in the queue. Work orders involving stormwater repairs, sidewalk repairs, and minor roadway repairs are approximately 6-months behind. These two additional positions will not enable the Department to fully catch up, but will enable work orders to be completed in less time.

Costs are estimated at \$53,200 for salary/benefits for each position (operating expenses such as uniforms are minimal and will be covered within the operating budget).

# **CAPITAL INITIATIVE** **REQUESTS**

# City of Alpharetta FY 2016 Budget Capital Initiative Requests (Narrative)

## Executive Summary

General Fund	
Recurring Capital Program	\$ 2,425,000
Pay-as-you-go Capital Contribution	1,500,000
Available Fund Balance	5,018,236
DEA Fund <sup>1</sup>	183,000
E-911 Fund <sup>2</sup>	<u>981,000</u>
<b>Total Sources:</b>	<b>\$10,107,236</b>
<b>Recommended Capital Initiatives*:</b>	
Recurring Capital Initiatives	\$ 5,864,500
General Capital Initiatives	<u>3,102,012</u>
<b>Total Uses:</b>	<b>\$ 8,966,512</b>
Reserve for Future Capital/One-Time Investment:	<b>\$ 1,140,724</b>

*\*Capital initiatives not recommended for funding total \$12,175,000.*

## Recurring Capital Initiatives

Priority 1:  
Imperative/  
Urgent

Priority 2:  
Essential/  
Needed

Priority 3:  
Important

### Public Works

#### **Recurring Traffic Signal System Maintenance \$35,000**

Priority 1: This request is for the continual maintenance and repair of vehicle detectors (sensors that tell the traffic signal a car is waiting) and traffic signal communications throughout the city. Vehicle detectors are required to be repaired and/or replaced in order to maintain traffic signal responsiveness. Traffic signal communications enable the intersections to work together and smooth traffic flow.

#### **Recurring Milling and Resurfacing \$1,500,000**

Priority 1: This request is for the on-going maintenance of milling and resurfacing of city streets. Resurfacing of city streets increases the life expectancy of the roads. Without resurfacing, roadways will deteriorate and be more costly to repair. It is anticipated that this project will be augmented through an LMIG grant (additional \$500,000 that will be appropriated upon grant submission/approval).

The city maintains a road rating database similar to that of the Georgia Department of Transportation. In using this approach, each road receives a rating from 1 to 100, with lower scores representing a greater need for maintenance. Staff is in the process of updating the rating to reflect the impacts of the two ice events earlier this year.

<sup>1</sup> Funding for Public Safety Equipment (replacement) of \$91,500 and Public Safety Equipment (new) of \$91,500.

<sup>2</sup> Funding for Public Safety Radio Replacement (\$565,000), E-911 VOIP Phone System Upgrade (\$400,000), and Public Safety Equipment (replacement; \$16,000).

**Recurring Traffic Control Equipment \$75,000**

Priority 1: This request is for the repair/replacement of traffic signal parts and supplies. Purchase of this necessary equipment will provide ongoing maintenance to the city's existing traffic system.

**Recurring Traffic Striping and Signage \$175,000**

Priority 1: This request is for the (a) replacement and repair of traffic/Bike-lane striping and traffic control signs and the (b) restriping of city roadways after milling and resurfacing. This funding will provide ongoing maintenance to the city's existing traffic system.

**Recurring Traffic Calming/Intersection Safety Improvements \$35,000**

Priority 1: This request is for the identification and implementation of safety improvements in neighborhoods and at high crash rate intersections. Additionally, funds will enable staff to implement necessary traffic calming measures within the city. Projects will consist of roadway striping, signage, channelization, and minor widening to mitigate existing safety deficiencies. Program will enhance public health and safety for users of the city's transportation system.

**Recurring Tree Planting and Landscape Improvements \$100,000**

Priority 1: This request is for the annual tree and landscape improvements which includes, but is not limited to the removal of dead trees, stump removal, light grading, soil preparation and planting in medians, right-of-ways and city properties. FY 2016 request consists of the new roadway section of Main Street (Hwy 9) from Marietta Street to Academy Street. Plantings will include trees, shrubs and groundcovers. Approximately 65 trees will be planted in FY 2016 (this price does not include the approximately \$40,000 from tree bank for the trees).

**Recurring Stormwater Pipe Repair and Replacement \$750,000**

Priority 1: This request funds all contracted projects where a stormwater pipe will be sliplined, repaired in place, or replaced due to deterioration. It also covers pipes that must be replaced due to inadequate size to carry the stormwater without flooding impacts on public or private property including roadways. Finally, it also covers installation of new pipes in areas determined to need storm pipe due to topography and impacts caused by concentrated flow of stormwater.

FY 2016 will include storm pipe replacement and repair at two locations and various smaller contracted out repairs throughout the city. The first is on Burnett Way. This project includes both sliplining and pipe replacements for 700 linear feet of pipe across 5 residential front yards on Burnett Way. The second is across Mayfield Road near the elementary school. In this case a metal culvert carrying a live stream has rusted along the bottom. The project would extend the pipe to the north to accommodate future roadway and sidewalk work. This project is approximately 70 feet of 60" pipe.

**Recurring Stormwater Drainage Maintenance \$200,000**

Priority 1: This request is for the continual maintenance and repair of small drainage work within the city. This account is used for items like: (1) smaller repairs such as grouting, paving inverts, and replacing tops; (2) vacuuming

sediment/debris out of pipes to restore capacity; (3) annual maintenance on the city's stormceptor units, oil/water separators, and city-owned detention ponds (as required by the Georgia Environmental Protection Division); (4) Water Quality lab testing (as required by the Georgia Environmental Protection Division).

**Recurring Stormwater Inspections** **\$100,000**

Priority 1: The National Pollutant Discharge Elimination System (NPDES) Stormwater Permit requires Alpharetta to complete a number of inspections to protect our stormwater system. These inspections include site visits to private industrial facilities, private carwash and auto body repair shops, city ponds and stormwater management facilities, private ponds and stormwater management facilities, and city maintained storm structures and pipes. These inspections help us identify maintenance repair work, help us prioritize our crews and CIP lists, and help us recognize private violations of the stormwater ordinance. This project would include hiring a private consultant to complete the inspections so that City staff can focus their efforts toward planning, maintenance, and enforcement activities.

**Recurring Stormwater Studies** **\$200,000**

Priority 1: This request funds various drainage, flood, and watershed studies that are required by state and federal regulations. Watershed studies identify capital projects to improve water quality in impaired streams. Additional studies include dam breach analysis, bacterial source testing, emergency planning and estimating damage, GIS maintenance, inventory updates, stream delisting, etc. These studies also identify future capital improvement projects or provide specific information that can be used by the City to meet regulatory compliance or further our service to our citizenry.

FY 2016 includes funding for a Watershed Improvement Plan for Long Indian Creek. Watershed improvement Plans are regulatory studies to identify causes of water quality deterioration and suggest future projects to improve the impaired watershed. Long Indian Creek was added to the Environmental Protection Division (EPD) non-conforming list due to elevated levels of fecal coliform bacteria. A Watershed improvement Plan is required for most available grant funding opportunities. Watershed Improvement Plans are updated every 5-years.

**Recurring Fleet Replacement (F-750 Box Dump Truck)** **\$115,000**

Priority 2: This request is for the purchase of an F-750 Box Dump Truck with Sand Spreader Insert to replace a 1991 F-800 Dump Truck. The 1991 F-800 Dump Truck has 23,236 miles and is in need of replacement due to age and typical wear. Dump trucks are consistently loaded with and haul heavy loads and therefore are more subject to body and frame failure due to fatigue. The replacement truck will be dual purpose so it may be used as dump trucks during the spring and summer months and have the spreader inserts installed for use during the winter months for ice and snow events.

**Community Development**

**Recurring Fleet Replacement (F-150s; Qty: 2)** **\$50,000**

Priority 1: This request is for the replacement of one 2001 Ford F-150 (92,221 miles) and one 2003 F-150 (67,509 miles) for the Inspections and Code

Enforcement divisions. These vehicles warrant replacement based on age and maintenance/repair costs.

### **Information Technology**

#### **Technology Replacement (all city departments) \$300,000**

Priority 1: This request is to provide for the annual replacement of technology for all City departments. As in prior-years, funding for technology replacement is placed in one capital project account to allow for more efficient management (as opposed to being spread across multiple departments based on an estimate of replacement needs which may or may not equate to the actual need during the fiscal year). The City currently has 451 computers in operation (261 desktops; 190 laptops). The main component of the FY 2016 request includes funding for the replacement of approximately 100 PCs, 82 cellular phones, 107 iPhones, 102 iPads, and wireless access points throughout city facilities (although actual replacement will be driven by equipment condition).

The current City standards for technology replacement (based on funding availability) are as follows: servers (5-6 years); SANS – Storage (5-6 years); desktop PCs (4 years); laptop PCs (3 years); iPad tablets (2 years); iPhones (2 years); large scale multi-function printers (MFPs) (5-7 years); small scale MFPs (5 years); small printers (3-5 years); desktop UPS (electrical service backup) (3 years); Network UPS (closets) (4 years); Wireless Access Points [WAPs] (5 years); network routers/switched/firewalls (5 years); telephony gateways (5-6 years). Larger replacement initiatives are not included in this appropriation (e.g. CISCO network devices).

#### **CISCO Network Devices (replacement) \$300,000**

Priority 1: This request is for CISCO network equipment replacement for the data center at Public Works (PW). The equipment to be replaced provides system-wide functionality and includes: the central core switch/router (catalyst 6500/7600 replacement) at PW, core switch/router (catalyst 3750 replacement) at Public Safety, switches for Recreation and Parks, City Hall, etc. (catalyst 3560s), a variety of network controllers, WAP antennas for wireless Wi-Fi, various power supplies, giga-ports for switches, and miscellaneous connective components at all locations. This will provide greater reliability, reduced annual costs, and greater efficiency and capability for the use of system applications for the city.

#### **Public Works Data Center Backup Storage (replacement) \$170,000**

Priority 1: This request is for replacement of the primary data storage at the Public Works (PW) data center. This storage is for the local production data storage used by the VMware Hosts to run our applications. This is a large scale SAN that will be sized at the time of the replacement and includes the storage drive enclosure that is secured in our existing racks as well as the drive components that are removable. This equipment is scheduled to be replaced every 5–6 years (normal maintenance life) in order to provide for both reliable and efficient service, but also to provide newer technology that has greater capability and hardware that requires less power and gives off less heat.

**Public Safety****Fleet Replacement (Qty: 25)****\$685,000**

Priority 1: This request is for the forecasted annual replacement of police and fire sedans, light trucks and motorcycles. The replacement need is driven by the mileage and mechanical condition of the vehicles. Emergency response vehicles are expected to last at least 110,000 miles; administrative vehicles are generally run somewhat longer.

The forecast need over the next 5-years based on a mileage threshold of 110,000 miles is as follows: FY 2016 (25 vehicles); FY 2017 (25 vehicles); FY 2018 (14 vehicles); FY 2019 (14 vehicles), and FY 2020 (14 vehicles). Due to the anticipated replacement spike in FY 2016, the city has been smoothing the replacement funding over the prior several years. Specifically, the city insulated the capital budget from major spikes in FY 2016 and FY 2017 by funding an amount equivalent to the annual replacement of 20 vehicles over the last several fiscal years and allowing the unspent funds to pool in the replacement account until needed.

Emergency equipment such as light bars and partitions are moved from old cars to new whenever possible, though this can be affected by changes in vehicle models (e.g. moving from Impalas to more economical Malibus for administrative applications) and by changes in body style which preclude re-use of certain components. A provision for new equipment (e.g. cameras) as needed is included in the request. Please Note: the FY 2016 request includes \$85,000 specifically for completing the addition of body-worn cameras for all officers, a process begun in FY 2015. The FY 2016 request includes a replacement server for storage of audio and video files, an expense that was previously envisioned for FY 2017.

Forecast costs represent the Impala police sedan, which will be scheduled for production through the 2016 model year. Available vehicles and costs beyond then are not known at this time and may affect costs. This estimate will be updated in subsequent years to reflect then-current information.

**Public Safety Radio Replacement****\$565,000 (E-911 Fund)**

Priority 1: This request is for the replacement of 89 existing Fire portable radios, 10 fire truck mobile radios, and 6 fire base station radios to expand coverage range and strength with the new North Fulton radio system. The portable radios will be compliant with new FCC requirements (discussed below) and GPS-enabled. Presently, Public Safety vehicles are tracked via GPS but individuals are not. The new radios will ensure that Fire personnel can be located at all times, which is a major safety enhancement. The new radios also have audible channel confirmation, which will reduce incidents of personnel getting "lost" when changing channels. The total cost of replacing fire and police portable/console radios is estimated at \$1.2 million. The FY 2015 capital budget included \$585,000 for replacement of police radios. This request is to fund the fire services component.

In total the City has 429 radios in service (combination of 287 portable radios for police, fire, public works, etc., as well as 129 mobile/vehicle mounted radios and 13 console radios for public safety), most of which are used by Public Safety.

While most are less than ten years old, all predate a Federal Communications Commission rule requiring adoption of a relatively new technology. This technology, called Time Division Multiple Access (TDMA), expands shortwave capacity and reduces interference among competing systems such as radios, cell phones and other wireless devices. All 700 MHz radio systems, which include the new North Fulton system and all the units using it, must be compliant with the TDMA rule by January 1, 2017. As of the date of this document, the FCC has not provided a time extension for compliance.

The FY 2015 request replaced all Police portable radios (quantity of 137 radios), which the Department knows will be necessary. The FY 2016 request replaces 89 existing Fire portable radios, 10 fire truck mobile radios, and 6 fire base station radios.

**Public Safety Equipment (replacement) \$196,500 (E-911; DEA; GF)**

Priority 1: This request is primarily for scheduled replacement of public safety equipment that is essential for the safety of police officers and firefighters which has expired, failed inspection, is uneconomical to repair or otherwise must be taken out of service. The FY 2016 request encompasses fire turnout gear (\$55,000), helmets (\$25,000), hose and small equipment (\$9,000), police weapons (\$38,000), gas masks (\$20,000) and emergency communications equipment (\$16,000). The request also includes replacement of existing speed detection equipment (\$33,500).

Funding is split between the General Fund (\$89,000), E-911 Fund (emergency communications equipment \$16,000), and DEA Fund (police weapons \$38,000; gas masks \$20,000; and speed detection equipment \$33,500).

**Heart Monitor Replacements (Qty: 2) \$60,000**

Priority 2: This request is for replacement of two 12-lead heart monitors currently in service. The units to be replaced, which were originally put in service in 2011, are essential to Advanced Cardiac Life Support and part of the American Heart Association's standard of care for cardiac events. The units have a five-year life expectancy and an estimated cost of \$30,000 each. At present there is one on an apparatus at each fire station.

**Recreation & Parks**

**Fleet Replacement (Qty: 3) \$160,000**

Priority 2: This request is for the replacement of one 1999 Freightliner bus (currently has over 147,000 miles and A/C is constantly in need of repair and has already been rebuilt several times) and two 2000 Ford F-250s (one has over 101,000 miles and repairs are coming closer and closer together, the other has over 75,000 miles and needs major transmission work). These vehicles warrant replacement based on age and repair costs. Repair costs for these vehicles are escalating and replacement parts can be difficult to locate.

Replacement criteria is as follows: 1) when the department director determines it is no longer cost effective to retain the vehicle; 2) when either mileage or age reaches or exceeds 10-years of service or 125,000 miles; and 3) motorized equipment damaged in accidents shall be inspected by the Safety/Risk Administrator to determine feasibility of repairs as compared to replacement cost.

**Athletic Scoreboards (maintenance/replacement) \$20,000**

Priority 2: The city owns and maintains thirty-one athletic and equestrian scoreboards.

Staff has developed a plan for systematic replacement of scoreboards. The replacement cost is estimated at \$8,500 per baseball/softball scoreboard (includes shipping and installation) and \$20,000 for a football scoreboard (includes shipping and installation). Maintenance/refurbishment of scoreboards is estimated at an additional \$1,000 to \$2,000 annually.

This request is for the replacement of scoreboards at the Wills Park baseball fields (fields 1, 2, C, & D). Staff is researching the possibility of utilizing the existing poles which will lower costs significantly. That, coupled with a funding commitment from the Alpharetta Youth Baseball Association (TBD), will assist the department in replacing the four boards identified above at a net cost to the City of the \$20,000. Scoreboard replacement may vary from what's included herein if it is in the Director's opinion that a higher priority replacement is needed (e.g. due to mechanical malfunction) or if additional funds are available.

**Park Equipment Replacement \$73,000**

Priority 2: This request is for the replacement of three pieces of equipment including: one 2004 JD 4100 Tractor for the Greenway (over 2,500 hours of usage); one 1996 John Deere 6x4 Trail Gator (over 3,900 hours of usage); and one 1996 LX885 Skid Steer Loader for North Park.

**General Capital Initiatives****City Administration****Downtown Beautification/Façade Imp. Grant Program \$50,000**

Priority 2: This request is for seed funding for the Downtown Beautification grant program which is used to incentivize downtown building renovations and improvements (including façade improvements). This small city investment has resulted in numerous private renovation projects in downtown over the past 15 years.

**Economic Development Toolkit (Development Authority) \$75,000**

Priority 1: The City of Alpharetta provides local incentives through its economic development toolbox and facilitated by our team of experienced economic development professionals. New or growing businesses that demonstrate a serious economic impact through job creation and capital investment qualify for these programs.

FY 2016 funding is primarily for the High Impact Permit and Inspection Grant program extended to Fiserv (currently estimated at \$55,000). This grant program was created by the Alpharetta Development Authority to incentivize new or expanding businesses that are deemed high impact to the City of Alpharetta in terms of local job creation, high-wages and real property capital investment. Projects exceeding \$5 million in real property capital investment would qualify for a Base Permit Fee reduction of 20%-45% with a cap of \$250,000.

**Economic Development Toolkit (City)****\$25,000**

Priority 1: Funding will be used for projects related to business assistance for existing and future businesses, initiatives and programs that support development and re-development throughout the city and corridors of influence such as the downtown Alpharetta and business retention and expansion programs.

**Downtown Sculpture Program****\$75,000**

Priority 2: As a means of creating additional visual interest throughout Downtown Alpharetta, promoting the district's emerging music scene, and providing for "picture moments" that can distinguish Downtown Alpharetta from other communities, it is proposed that a program of public art installations focused on music and dance be adopted by the City. The program would feature 10 "life-size" musical instruments cast in bronze and 10 "in ground" sculptures based upon dance steps of the Rhumba, Foxtrot, Tango, Waltz, Mambo, Cha Cha, Jive, Lindy Hop, Quickstep, and the Samba.

Implementation of the program could be accomplished over a period of time and will leverage funding from a variety of private, public, and grant sources. Total program costs are estimated at \$300,000 (currently estimated at \$150,000 in public contributions with the remaining \$150,000 raised from other sources). At this time, an investment of \$75,000 is being requested to show the community the City is serious about moving forward with this initiative. These funds will provide a basis for leveraging funding from private/grant sources.

**Senior Citizen History Project****\$25,000**

Priority 2: This project entails video recording the stories and oral history of our citizens and their memories of the Alpharetta Experience. This project will continue into the future and involve the recordings of a number of citizens each year as seniors are willing to express their emotions, memories and recollections of the Alpharetta they have known. As time progresses, the videos will be compiled so they can be used as an online story of our past and its respected citizens who have helped to shape our city. This documentation can also be used within the History Center as an oral history of Alpharetta's development over time. We are hoping to record 50 citizens within the next year.

**Community Development****Lilly Garden Terrace (Trailer Street) Extension (Design)****\$40,000**

Priority 2: This request creates economic development opportunities by improving traffic circulation through Downtown Alpharetta. This project extends Lily Garden Terrace (Trailer Street) east from Canton Street to Main Street at Cumming Street, creating an additional east/west alternative to Academy Street/Milton Avenue and providing connections to Westside Parkway and Windward Parkway. This project includes one travel lane in each direction, five foot sidewalks on each side (approximately 750 linear feet of sidewalk), and a six foot planting space.

FY 2016 Funding is for design. Right-of-way (\$800,000) and construction (\$550,000) costs would be part of future funding requests.

**Design Services****\$50,000**

Priority 2: This request is to provide funding for various studies and professional services that arise each year from Council and/or Department initiatives. Such services may include revisions to Comprehensive Plans, Small Area Plans, project designs such as plazas, landscape architecture, hosting a series of public input sessions, conceptual design standards, etc. These types of studies and professional services are essential and will assist in forecasting the current market environment, recommend standards that will assist in policy decisions, improve project completion timelines and functionality to maintain the high level of performance by City Staff that our citizens and business owners are accustomed to.

**Information Technology****Application and Desktop Virtualization (Proof of Concept) \$90,000**

Priority 2: The Application and Desktop Virtualization initiative will provide greater reliability, possible reduced annual costs, and enhanced system applications security. Through the virtualization of the desktop, each user's profile and desktop are stored centrally in the data center to be available for use from any pc or remote system given the appropriate security measures. This technology is rapidly becoming the standard deployment for organizations as they move more applications and capability to the "Cloud" and seek to provide more reliable and efficient service.

This request will also lead to the deployment of virtual application technology. The ability to manage city software applications from a central platform rather than deploying the system to every desktop will save significant amounts of time needed to "touch" each desktop and/or deploy the systems individually over the network. This way, each user accesses the software they need using the latest updates and tested systems. This will provide greater reliability, reduced annual costs, and greater security with respect to the city's software applications. This initiative should lead to decreased costs in annual desktop system replacements (reduces need for certain computer components such as a hard drive).

FY 2016 funding is for the development and testing (proof of concept) of virtual application and desktop technology. Citywide deployment is estimated at \$300,000 and would be part of future funding requests. The initial test system will be primarily deployed in the new city hall.

**Public Works****Major Intersection Improvements****\$250,000**

Priority 2: This request would allow the City to quickly address major intersection improvement projects, such as adding turn lanes at major intersections. Specific improvements include: installing dual lefts from eastbound Haynes Bridge Road to northbound North Point Court; eliminating the bulb-out at the bank entrance along westbound Westside Parkway to permit a long right turn lane to eliminate stacking in the through lane.

**Adaptive Traffic Signal Control (State Route 9)****\$51,512**

Priority 2: The Department of Public Works identified the Main Street (SR 9) corridor as a transportation corridor that could benefit from adaptive traffic signal coordination. A project called SR 9 Advanced Transportation Management

System (ATMS) came about where the Cities of Sandy Springs, Roswell, Alpharetta, along with the Georgia Department of Transportation (GDOT) partnered together to design and implement an Adaptive Traffic System along SR 9. The overall goal of this project is to create a smart corridor that uses the latest advances in technology in order to improve the driver's experience and minimize the impact of regional congestion currently experienced. The preferred software for the Adaptive Traffic System was determined to be SCOOT by Siemens. When SCOOT was deployed along SR 9, it was determined SR 9 moved fairly well, however Alpharetta's streets adjacent to SR 9 suffered. The Department of Public Works requests to install SCOOT at signalized intersections adjacent to SR 9 to develop a grid network of Adaptive Traffic in Alpharetta's Downtown. The intersections proposed are (1) Canton St. at Mayfield Rd, (2) Milton Ave at Roswell/Canton St, (3) Academy St at Haynes Bridge Rd, (4) Old Milton at Haynes Bridge Rd, (5) Old Milton at Roswell St, (6) Post Office Drive at Old Milton. These six intersections are the core for developing a grid network for Downtown. However, licenses are sold in packages of 10, and the Department will work with the vendor to determine which additional intersections would benefit from SCOOT.

Costs are estimated at \$250,000. However, the current capital budget has funding totaling \$198,488 which leaves an unfunded balance of \$51,512 which is the amount requested herein.

#### **Stormwater Ordinance Update**

**\$100,000**

Priority 1: Downtowns are unique wherever you go and individuals do not want to see detention ponds everywhere. Additionally, if we are discussing redevelopments and there are no drainage issues downstream then why must we force developments to construct ponds everywhere? This initiative will enable Community Development and Public Works to hire a consultant to examine our current ordinance and submit the necessary paperwork to the State and other agencies to modify our ordinance to make it applicable to downtown and redevelopment. By no means am I stating we abolish our stormwater requirements. What we are looking to achieve is a more practical approach to stormwater and we need to obtain approvals through the various State Agencies. These approvals will provide Community Development new tools and parameters to work with when reviewing plans for redevelopment in downtown. In short, we are looking to replace the current one-size-fits-all approach to stormwater with a separate downtown/redevelopment ordinance and still keep the traditional approach for those developments on undeveloped land..

#### **Sidewalk Improvements (Unallocated)**

**\$313,000**

Priority 1: This allocation of \$313,000 in sidewalk construction funds, combined with FY 2015 appropriations of \$687,000, provides total funding of \$1 million and will be placed in a reserve account pending the finalization of a citywide sidewalk prioritization matrix. Once finalized, the sidewalk prioritization matrix will provide the basis for a priority raking of sidewalk projects based on stated criteria (e.g. connection to schools, connection to greenways, homeowners served, cost, etc.). Design costs will be directly dependent on which sidewalks are selected.

**New Traffic Signal at Westside Pkwy (Fiserv/HP Entrance)      \$250,000**

Priority 2: This request is for the installation of a new traffic signal on Westside Parkway between Windward Parkway and Cumming Street. The signal would be used to consolidate access and improve service for the HP and Cingular Way office complexes. Included within the project is installing left turn lanes and a raised median.

**Lowboy Trailer (replacement/upgrade)      \$75,000**

Priority 1: This request is for the purchase of a Lowboy Trailer to allow for the hauling of multiple pieces of heavy equipment such as backhoes and a milling machine to-and-from work sites. The current method of transporting these pieces of equipment is no longer adequate. The Public Works Department recently purchased an asphalt milling machine which needs to be hauled on a lowboy type trailer. Due to the milling machine's high center of gravity, the current "high deck" trailer setup is not as safe and is more difficult to load/unload. The current trailer we are using for the milling machine is inadequate and is a severe safety risk. We also have some larger equipment that could be loaded, hauled, and unloaded more safely with a lowboy style trailer. The lowboy setup will also allow personnel to safely and efficiently transport multiple pieces of equipment during one trip, which cannot be done using our current equipment.

**Variable Message Boards (Qty: 4)      \$60,000**

Priority 1: This request is for purchase of four new Variable Message Sign trailers. These signs are used to assist the public during special events, such as the Taste of Alpharetta and the Christmas tree lighting. The signs notify the public before the event of its time, location, and road closures. During the event they are used to provide advance notice of detour routes and parking location. These sign boards also include modems to allow City personnel to update the sign boards during an event to reflect changing conditions, such as parking lots being full. Due to the significant increase in special events as well as construction activity, the Department of Public Works has to borrow VMS boards from neighboring jurisdictions quite often in order to place adequate signage for events and or other construction activities.

**Downtown Enhancements      \$35,000**

Priority 1: This request is for the design, installation, and repair of streetscape/aesthetic enhancements on City property throughout the downtown area. Improvements consist of new trash receptacles, kiosks, benches, arbors, and landscape enhancements to city owned property.

**Design Services      \$110,000**

Priority 1: This request is for various design services associated with minor projects unable to be completed by city staff. Such services include structural designs and or evaluations, sub-surface geotechnical investigations, miscellaneous right-of-way/easement research. Utilizing experts in various fields enables city staff to make the appropriate decisions related to resolving construction issues. Additionally, the information gathered by the design professionals allows staff to properly design or address issues in the field.

**Public Safety****E-911 Phone System Upgrade to VOIP****\$400,000 (E-911 Fund)**

Priority 1: This request is to replace and upgrade the E-911 phones to a VOIP system that is compatible with next Generation 911 service. This is the final phase of a nation-wide integration of 911 services with cell phone technology. New functionality includes better GPS data from cell phones (caller location rather than cell tower) and, significantly, the ability to receive text messages. The current system cannot be upgraded to provide these services and, as such, is at the end of its technological life. E-911 Funding will be used for this initiative.

**PS Headquarters Improvements****\$221,000**

Priority 1: Public Safety Headquarters is approximately fifteen years and has the original carpet/flooring and HVAC units. The carpet is subject to heavy traffic 365 days/year and needs to be replaced. Most of the non-carpeted flooring can be maintained for several more years with some minor maintenance (e.g. re-grouting tiles). The cost of new carpet and other repairs is presently estimated at \$70,000. All of the HVAC units at Headquarters and the Jail are beyond their service life, and repair and maintenance have become constrained by parts availability. All of these units must be replaced over the next three years with eight needing replacement in FY 2016 (\$80,000) and the rest deferred to FY 2017 and FY 2018 (\$50,000 each). Security fencing must be added to the north wall between the jail and Headquarters, as the ornamental fence there now does not meet standards for a jail guard line (\$7,000). Related to this, the motors for the overhead sally port doors must be replaced (\$14,000). Finally, approximately \$50,000 is included for improvements to the building exterior on the northeast side.

**PS Facility Roof Repair/Replacement/Wall Restoration****\$32,000**

Priority 1: Roof repair/maintenance to the PVC/Metal Roof segments at Fire Stations 1-4. Detailed scope includes:

- (4) PVC roofs: 4250' sq ft per roof = total 17,000' sq ft  
Roof Maintenance: Installation of protective walk pads, roof cleaning by power washing, drain cleaning, all debris to be bagged and removed from roof re-caulking and resealing all areas that require on-going maintenance for warranty compliance (ex: counter-flashing joints). There will be 10 years left in the Garland PVC roof warranties after these repairs.
- (4) Metal roofs: 4800' sq ft per roof = total 19,380' sq ft
  - Clean out all gutters and blow out downspouts.
  - Re-seal all gutter seams. Install TPO liners if necessary.
  - Clean and prepare all panel termination edges at gutters.
  - Completely seal all termination edges with urethane sealant
  - Seal all fastener heads with urethane sealant.
  - Seal all ridge cap seams with urethane sealant
  - Install all new foam closures at ridge cap

These repairs will buy these roofs another 5 -10 years

**Public Safety Equipment (new)****\$91,500 (DEA Fund)**

Priority 2: The request is multiple projects related to intelligence-led policing, investigating serious incidents, and for new police equipment.

The first project is the purchase and/or upgrade of intelligence equipment intended to facilitate better analysis of law enforcement needs and deployment of resources (\$32,500). The second project is accident reconstruction equipment for investigating serious injury crashes (\$8,500). The third project is enhanced equipment for police officers in high-risk incidents consisting of weapons lights (\$22,500), thermal imaging cameras (\$8,000) and breaching equipment (\$20,000).

**Recreation & Parks****Parks Facility Roof Repair/Replacement/Wall Restoration****\$183,000**

Recreation Commission Priority #1

Priority 1: This request is for the roof repair/rehab/replacement at multiple Parks and Recreation facilities.

- **Masonry Wall Restorations:**

Wacky World Restroom building (\$8,000): 2,500' sq ft

North Park Adult Activity Center (\$10,000): 3,000' sq ft

North Park Arts & Crafts building (\$10,000): 3,000' sq ft

- Pressure wash wall areas to where new materials are going to be applied.
- Repair all cracks in block larger than 1" inch using specified crack repair materials.
- Repair all cracks in block less than 1" inch using specified urethane sealant.
- Remove existing sealants from wall, window, door joints: reseal with urethane sealant.
- Apply Base coat of elastomeric acrylic masonry coating and allow two hour cure.
- Apply Top Coat of elastomeric masonry coating.

These wall restorations will beautify the buildings aesthetically and keep wind driven rain out of the walls. Receives a 10 year warranty

- **Roof Restoration/Maintenance:**

Community Center (\$105,000); 20,000' sq ft

- Clean and prepare all rubber roof areas.
- Tear out and replace wet insulation areas found by infrared scan.
- Apply 4" inch width Unibond ST cover tape to all roof seams and flashing corners.
- Apply 6" inch width base coat of high strength urethane coating over all seams on roof.
- Apply Top coat of white reflective high strength urethane coating to entire roof.
- Reseal all rooftop penetrations.

This roof restoration will prolong the life of this roof by 10–15 years as well as reflect heat off of the building thereby reducing energy costs. Receives a 10 year warranty with 15 year option.

- **Roof replacements:**

Wills Park Concession at fields A-D (\$8,000): 2,000' sq ft

Wills Park Tennis Restroom building (\$15,000): 4,000' sq ft

Wills Park Lion's Club Pavilion 3 (\$7,000): 1,800' sq ft

- Completely remove old roof down to plywood decking.
- Install rubberized underlayment underlayment in accordance with specifications.
- Install 30 yr architectural shingles in accordance with manufacturer's specifications.
- Remove and dispose of existing gutters, drip edges and downspouts.
- Install new 6" inch k style gutters, drip edges, and 3" x 4" downspouts.
- Install new step flashing with counter-flashing.
- Replace pipe boots and rooftop vents.

All will receive a 30 year warranty.

- **Roof Repairs**

North Park maintenance barn (\$10,000): 2,500' sq ft

Webb Bridge Park maintenance barn (\$10,000): 2,500' sq ft

- Remove Any loose or delaminating previous repair materials
- Wire brush any surface rust where new materials are to be applied.
- Replace loose/missing fasteners with larger bolts and neoprene washers.
- Install Unibond cover strip tape to all roof seams.
- Apply high strength urethane coating to all screws, seams, rake edges and gutter edges.
- Install all new foam closures at ridges.
- Coat rusting roof areas with rust inhibitive paint.

These repairs should extend the life of these roofs by 10 years or more.

## **Webb Bridge Park Erosion Control/Parking Lot Repaving \$195,000**

Recreation Commission Priority #2

Priority 1: This request is for the repaving of parking lots at Webb Bridge Park and associated stormwater improvements. The existing parking lots are currently paved with pervious asphalt intended to reduce stormwater runoff. The existing pavement is costly to maintain, does not function as intended regarding stormwater, and generates a large amount of loose gravel. The scope of this project includes removing loose gravel, repaving with 1.5" thickness of Type E asphalt, restriping, and various stormwater improvements. The resurfacing would improve the structural adequacy of existing paving and provide a new

appearance for striping. It would provide a safer walking surface for all users of the park. The stormwater runoff improvements would help improve water quality and address downstream erosion and sedimentation issues. The three parking lots are being resurfaced and improved in phases. The FY 2014 and 2015 capital budgets included funding for design, phase 1 improvements to the lower field parking lot, and phase 2 improvements to the upper field parking lot.

The request for FY 2016 is to fund stormwater improvements to the Webb Zone Parking Lot that would include the creation of two bio retention cells along the perimeter of the parking area. These improvements serve to improve water quality and reduce sedimentation of the park pond thus reducing the frequency of necessary dredging.

### **Miracle Field Drainage Improvements**

**\$150,000**

Recreation Commission Priority #4

Priority 1: This request is for construction of drainage improvements to the Miracle League Field. Drainage runoff on the northeast side of Miracle Field has caused an erosion issue. Currently, the back of the field is bordered by a concrete swale with terraced timber retaining walls. Timber walls have a shorter expected lifespan than concrete block or poured-in-place concrete walls. It also appears that after some settling, cracks have formed in the concrete swale. This is allowing water to seep behind the timber wall. Additionally, the concrete flume discharges into a plastic pipe that is lying on the ground surface and shows signs of erosion around and under it. This project will replace the walls, replace and bury the piping, will utilize the old temporary sediment pond to provide a micropool water quality feature and will add a rock channel to reduce erosion from the neighboring headwall. Design was funded as part of the FY 2013 capital budget. The FY 2016 funding request is for construction of the underlying improvements.

### **Design Services**

**\$25,000**

Recreation Commission Priority #5

Priority 2: This request is to provide funding for various studies and professional services that arise each year from Council and/or Department initiatives. Such services may include revisions to Recreation Master Plans, construction plans for recreation amenities including pavilions, gazebos, etc. These types of studies and professional services are essential and will assist in forecasting the current market environment, recommend standards that will assist in policy decisions, improve project completion timelines and functionality to maintain the high level of services our customers are accustomed to.

### **Replacement Signage (Rebranding)**

**\$55,000**

Recreation Commission Priority #6

Priority 2: This request is for the replacement of park/building signage throughout the city with updated signage that reflects the city's new logo and brand. This will include over 25 signs across multiple locations. Signs to be replaced: (two at the Crabapple Government Center; \$5,000); (one at Cogburn Park; \$2,500); (three at North Park - two double sided signs and one at the Adult Activity Center; \$8,000); (one at the entrance to Union Hill Park; \$2,000); (one at entrance to Webb Bridge Park; \$5,000); (Seven double sided signs at Wills Park: Community Center; \$3,000, Pool \$2,500, Athletic Complex \$2,500, Admin Office \$2,500, Mansell

House \$2,500, Wills Park Recreation Center \$2,500, and the Wills Park Equestrian Center \$2,500); (one at the entrance to Silos Park \$2,500); (one at the entrance to Rock Mill Park \$5,000); (one at the entrance to the Greenway at Ethan Allen \$2,500); (one at Brooke Street Park \$2,500); and (new signs at the pocket parks: Canton/Old Canton, Roswell/Old Roswell, Memorial Park at the Police Station, Maddox Park near the Mayor's Office, Olde Milton Park and the Westside Park; total of \$2,000).

**Alpharetta Library at Mayfield Rd (Design)**

**\$50,000**

Recreation Commission Priority #11

Priority 2: This request is for design funding for the Alpharetta Library facility and grounds (after the City takes possession of the facility in late summer/fall). The plan for use of the facility is undetermined, but public input will be sought during the design phase.

**Wills Park Batting Pavilion (Design)**

**Exp. \$25,000 Rev. TBD (AYBA)**

Recreation Commission Priority #20

Priority 2: This request is for the design of a batting pavilion at Wills Park. The pavilion will house 5 large batting cages, 1 pitching lane, and a soft toss area. This pavilion will be on a concrete slab with a roof but no walls. It will be enclosed in a black vinyl link fence and lighted for night time usage. The size of the pavilion is approximately 7,000 sf. It will be constructed near fields 1-4.

Construction costs are estimated at \$225,000 and would be part of future capital funding requests. Alpharetta Youth Baseball Association will contribute funds towards this project, but there is no written commitment at this point.

**CAPITAL INITIATIVES NOT RECOMMENDED FOR FUNDING AT THIS TIME**

**General Capital Initiatives**

**City Administration**

**Downtown Business Lending Program**

**\$75,000**

Priority 2: The Downtown Business Lending Program provides micro-loans for businesses looking to locate in the Downtown District. While this program is funded by the city, the administration/lending functions will be managed through a partnership with a local bank.

**Community Development**

**Downtown Parking and Wayfinding Signage**

**\$125,000**

Priority 3: This project is intended to develop and implement a comprehensive parking sign package for Downtown Alpharetta. Major components include monument signage at city parking lots, wayfinding signage directing the traveling public to city lots, and time restriction parking signage. Decorative sign poles and bases will be identified. In addition, a signature logo will be proposed in order to coordinate the entire downtown parking infrastructure. The proposed design guidelines will be presented to the downtown business association and approved by the Design Review Board. Deliverables from this project will include the following:

- Downtown Parking Sign design Guidelines;

- Installation of monument signage at the two City Surface lots (Old Roswell lot, Roswell/Marietta lot);
- Wayfinding signage throughout Downtown (Main Street, Academy Street, Roswell Street, Milton Avenue); and
- Time restricted signage for Milton Avenue (2 hour limit/15 min limit).

### **Public Works**

#### **Adaptive Traffic Signal Control Citywide (design)**

**\$400,000**

Priority 3: Poor traffic signal timing contributes to traffic congestion and delay and continues to be a major issue of concern for our citizens. Conventional signal systems use pre-programmed, daily signal timing schedules based on recurring travel patterns. Over time these patterns change due to new development and overall regional impacts. In addition, weather and severe incidents along GA 400 can create traffic patterns which are not managed well with current time of day signal timings.

Adaptive signal control adjusts the timing to accommodate real time traffic patterns to create smoother traffic flow through the corridor even with irregular patterns such as city special events, weather, and significant incidents.

In order to be effective, adaptive signal control does require signal coordination between close spaced intersections that influence the corridors timings. The corridors listed below include those intersections that should be linked to the system. Corridors can be upgraded to adaptive at the same time or over several years.

Old Milton Corridor (14 intersections); North Point Mall System (25 intersections); Haynes Bridge Road (7 intersections); and Windward Parkway (12 intersections).

The FY 2016 request is for funding of design costs. Construction costs are estimated at \$1,600,000 and will be part of future capital budget requests.

#### **Audible Pedestrian Systems**

**\$40,000**

Priority 3: This request is for the installation of audible pedestrian systems. The Public Works Department has been working with two visually impaired citizens in the western area of Windward parkway to improve accessibility of the pedestrian systems. The Department is currently testing an enhanced audible pedestrian system at S.R. 9 and Windward Parkway. The goal is to expand to cover all pedestrian buttons at that intersection as well as at the intersection of Windward Parkway and Westside Parkway.

FY 2016 funding would expand the system to the following intersections:

- S. R. 9 at Mayfield Road;
- S. R. 9 at Cumming Street;
- S. R. 9 at Old Milton Parkway;
- Roswell Street at Old Milton Parkway;
- Canton Street at Milton Avenue;
- Mayfield Road at Canton Street;
- Academy Street at New Haynes Bridge Road; and
- Haynes Bridge Road at Old Milton Parkway.

**Decorative Bridge Treatments over GA 400 (design) \$500,000**

Priority 3: This project will encompass improving the aesthetics of the GA 400 overpasses through replacing the chain link fence with a semi-custom black wrought iron fence, replacing the parapet walls with a stone façade and painting the exterior and undersides of the bridges. The locations of these improvements are: Old Milton Parkway, Webb Bridge Road, Kimball Bridge Road, and Haynes Bridge Road. Each overpass will cost approximately \$1.0 million. Funding for FY 2016 is for the design and permitting for all of the overpasses.

Construction costs are estimated at \$4,000,000 and will be requested in future budget years.

**Fiber Interconnect Signalization Citywide (design) \$250,000**

Priority 1: The Department of Public Works has been working to develop a comprehensive Intelligent Transportation System (ITS) throughout the City of Alpharetta. The primary component of the ITS network is the installation of fiber optic communications which improves coordination between adjacent signals and allows the City to better manage the traffic signal systems from a central location. Currently the City has fiber on all major roadways. To complete communications to all our signalized intersections and complete our fiber redundancy loop for system failures, we need additional fiber on the following roadways: Kimball Bridge east of Rockmill Road; Webb Bridge Road east of North Point Parkway; Mansell Road east of North Point Parkway; Westside Parkway South of Encore Parkway; Haynes Bridge Road south of Mansell Road; Rucker Road west of Wills Road; Harris Road; Wills Road; and a small section of Cumming Street. We are proposing that this installation be bored underground.

The FY 2016 request is for funding of design costs. Construction costs are estimated at \$2,250,000 and will be part of future capital budget requests.

**Flashing Yellow Signals \$225,000**

Priority 1: This request is to upgrade 93 signalized intersections within the City of Alpharetta to the flashing yellow arrow standard. This signal change introduces a flashing yellow arrow during the permissive left turn phase of the signal operation. The Federal Highway Administration had demonstrated that this new application has helped reduce left turn crashes, causes less driver confusion on the decision to turn, and provides additional traffic management flexibility. Implementing the new federal standard for permissive phasing also provides consistency with neighboring jurisdictions. The upgrade will be done over a 4-year period doing the arterial streets the first year then moving to collector and local streets. City would purchase equipment and outsource installation.

**Traffic Camera Expansion \$250,000**

Priority 1: Traffic cameras placed at common congestion points provide the ability to make immediate timing adjustments and the allocation of manpower more efficient. The City's current system was used during the 2014 Taste of Alpharetta. The system allowed the employee to observe the report of congestion and the ability to make adjustments to the signal timing. The employee was then able to monitor the traffic congestion recovery. Without the traffic camera an employee would respond to the intersection, report condition to the employee in the Traffic Control Center and remain at the intersection reporting the results of

the timing modifications. Our technology has also allowed staff to monitor conditions remotely and respond to incidents without having to report to the Traffic Control Center. This has been extremely valuable during after-hour incidents. The ability to make a quick response to unplanned incidents keeps traffic congestion from becoming unrecoverable.

This expansion of the Traffic Camera System at identified key intersections where congestion exists will help reduce delay, especially during irregular patterns such as City special events, weather, and significant incidents. These cameras are strictly to view traffic and are not intended for vehicular detection and will be placed at approximately 30-40 intersections over the 2-year project (total of \$500,000 to be requested between FYs 2016-2017).

**Webb Bridge Rd Widening (Westside Pkwy to NP Pkwy; Design) \$750,000**

Priority 1: This project would widen Webb Bridge Road to a four lane section between Westside Parkway and Morris Road, a total length of approximately 1,600 linear feet. Project would require the replacement of the existing bridge over Georgia 400. Project scope includes modifications to intersections at Morris Road and North Point Parkway. Requested funding for FY 2016 is for the design of the improvements. A large component of the cost of this project is the design of a new bridge over GA 400.

Construction costs are estimated at \$6 million and would be part of future funding requests (e.g. grants). Design costs could be lowered if the City elects not to pursue Federal Funds for construction.

**Kimball Bridge Rd Widening (NP Pkwy to Waters Rd; Design) \$750,000**

Priority 1: This project would widen Kimball Bridge Road to a four lane section between North Point Parkway and Waters Road, a total length of approximately 6,200 linear feet. Project would require an additional bridge over Big Creek.

FY 2016 funding request is for design. ROW/construction costs are estimated at \$8.3 million and would be part of future funding requests (e.g. grants). Design costs could be lowered if the City elects not to pursue GDOT/Federal Funds for construction.

**Morris Rd Roadway Expansion (ROW; Design) \$200,000**

Priority 1: This request is to add a second through lane north bound on Morris Road to just past Preston Ridge where it will tie into an existing second north bound lane. This improvement will allow Morris Road to receive the east to north dual left turn lanes off Old Milton Parkway without dropping one of them at the QT/County Place driveway. This drop lane is a safety concern because it occurs too close to the Old Milton Parkway intersection.

FY 2016 funding request is for design. Construction costs are estimated at \$800,000 and would be part of future funding requests.

**City Center Decorative Sign Posts \$180,000**

Priority 1: This request is to upgrade the sign posts at City Center to the approved decorative black Wadsworth design post. This project will include 55 sign posts located in and around City Center including Academy Street (SR 9 to Haynes Bridge Road) and Haynes Bridge Road (Academy Street to Old Milton

Parkway). As a part of this project, a GIS inventory of the permanent sign locations will be done and sign clutter will be taken into consideration to reduce the overall number of signs.

**Connector Road (NP Pkwy to Edison Dr; Design/ROW) \$275,000**

Priority 1: This project would create a new two-lane roadway with sidewalks connecting North Point Parkway and Edison Drive. Proposed roadway would utilize the existing curb cut for the AT&T property on the east side of North Point Parkway at Dryden Road. Proposed roadway would be approximately 900 linear feet in length.

FY 2016 funding request is for design/ROW. Construction costs are estimated at \$600,000 and would be part of future funding requests. Design costs could be lowered if the City elects not to pursue a GDOT process.

**Emergency Traffic Signal Equipment \$75,000**

Priority 2: This request is for emergency replacement traffic signal parts and supplies. This purchase will provide supplies and equipment to accommodate five intersections in case of a major event such as the recent storms that impacted the east coast and gulf coast. Equipment will consist of traffic signal cabinets, LED traffic signal indicators, brackets, wire, and signal heads. Once this capability exists, normal budgeted replenishment of inventory will be sufficient to maintain this capability.

**Downtown West \$250,000**

Priority 2: Downtown West Improvements consist of constructing pedestrian and vehicular improvements and expanding the width of the brick paver sidewalks along portions of Old Roswell Street. Also includes aesthetic improvements to the Old Roswell Road Parking Lot and the surrounding areas through new landscaping.

**Windward Pkwy Widening (SR9 to Westside; Design/ROW) \$700,000**

Priority 1: This request is for the design of a third travel lane and bicycle lane along both sides of Windward Parkway between S.R. 9 and Westside Parkway. The project length would be approximately 3,800 linear feet. To accommodate the improvements, existing right-turn decel lanes will be converted into a travel lane and the road widened and sidewalk reconstructed where such lanes do not exist. The entire roadway width would then be resurfaced and restriped. Additional right-of-way may be required for construction of the proposed improvements.

FY 2016 funding request is for design/ROW. Construction costs are estimated at \$2.5 million and would be part of future funding requests.

**Bethany Rd at Mayfield Rd Intersection Imp. (Design/ROW) \$500,000**

Priority 1: This request is for the design (survey, geotechnical, engineering) and ROW costs for the construction of roundabouts at the intersection of Bethany Road and Mayfield Road and the intersection of Bethany Road at Mid-Broadwell Road.

Existing traffic volumes now warrant intersection improvements to properly handle the current traffic volumes at the intersection of Bethany Road and Mayfield Road. Additionally, the City has received numerous complaints regarding left turns onto Mid-Broadwell Road from motorists traveling south on Bethany Road and from residents of Pindel Glen Subdivision trying to leave their subdivision. Residents have complained about the speed of vehicles on Mid-Broadwell road and have requested a reduction of the speed limit or the installation of a traffic signal or four-way stop. As these options do not meet warrants, a roundabout is proposed to reduce speeds in the area and assist in left-turn movements. Given the proximity of the two intersections, the roundabouts will be pursued together to ensure proper functionality.

Construction costs are estimated at \$650,000 for the Bethany-Mayfield intersection and \$350,000 for the Bethany-Mid Broadwell intersection and would be requested in future capital budgets. Extensive utility relocations and adjustments are anticipated including eight utility poles, two gas vaults, two telephone pedestals, and two telephone cabinets.

**Mayfield Rd Bike Route - Mayfield Cir to Upshaw Dr \$450,000**

Priority 1: This request is for construction of a bike lane and 8' sidewalk along the north and south side of Mayfield Road from Mayfield Circle to Upshaw Drive. The project length would be approximately 1,700 linear feet. Public Works staff will perform all other design work to construct the project. To accommodate the lane the road will be widened and resurfaced. Approximately three utility poles and an existing retaining wall will require relocation. Once completed, a bike route will be in place from Providence Road to Upshaw Drive along the south side of Mayfield Road.

**Rucker Rd Corridor Imp. (Wills Rd to Charlotte Dr; ROW) \$200,000**

Priority 1: This request is for ROW related to the construction of roadway improvements along Rucker Road from Wills Road to Charlotte Drive.

The project will include:

- Intersection improvements for Charlotte Drive at Rucker Road including the addition of a left-turn lane from Rucker Road to Charlotte Drive and lowering the existing hill to improve driver visibility.
- Intersection improvements for Fairfax Lane and Dennis Drive at Rucker Road including the relocation of Dennis Drive to align with Fairfax Lane and the addition of left-turn lanes on Rucker Road.
- The addition of left-turn lanes.
- The addition of 4' bicycle lanes.
- The construction of approximately 11,900 linear feet of 8' wide sidewalks along both sides of Rucker Road.
- The installation of two pedestrian bridges over Foe Killer Creek.

FY 2016 funding request is for ROW. Construction costs are estimated at \$8 million and would be part of future funding requests (construction costs include \$3,000,000 for the reconstruction of the existing roadway pavement utilizing soil cement).

**Rucker Rd Corridor Imp. (Charlotte Dr to City Limits; ROW) \$350,000**

Priority 1: This request is for the construction of roadway improvements along Rucker Road from Charlotte Drive to the City Limits.

The project will include:

- Intersection improvements for Broadwell Road at Rucker Road.
- The addition of left-turn lanes.
- The construction of approximately 9,850 linear feet of 8' wide sidewalks along both sides of Rucker Road.
- The installation of two pedestrian bridges over a tributary of Foe Killer Creek.

FY 2016 funding request is for ROW. Construction costs are estimated at \$7 million and would be part of future funding requests (construction costs include funding for the reconstruction of the existing roadway pavement utilizing soil cement).

**Morris Rd Roadway Expansion \$1,000,000**

Priority 1: This request would widen Morris Road to a four-lane section between Old Milton Parkway and Webb Bridge Road.

**Old Milton Parkway Intersection Improvements \$50,000**

Priority 1: This request is for the design of intersection improvements for Old Milton Parkway at the following locations:

- Old Milton Parkway at Vista Forest Drive;
- Old Milton Parkway at Park Bridge Parkway; and
- Old Milton Parkway at Southbridge Parkway.

This request would add capacity at the listed intersections to improve safety and improve intersection operations. Improvements would include the addition of turn lanes and vehicle phases at each intersection.

Adding capacity to the side street and left turn phases will reduce stops and travel times for all vehicles.

**Charlotte Rd at Rucker Rd Intersection Improvements \$275,000**

Priority 1: This request is for construction of intersection improvements for Charlotte Drive at Rucker Road. Existing traffic patterns and planned development have created a need for intersection improvements. The proposed project consists of adding a left turn lane on Rucker Road. Constructing turn lanes onto Charlotte Drive will ease traffic congestion during the peak commute times. Design of this project is included in the Rucker Road Corridor Design project which was funded as part of the FY 2014 capital budget.

**Mansell Rd Intersection Improvements \$75,000**

Priority 1: This request is to improve the intersection of Mansell Road at Westside Parkway by extending the existing westbound right turn lane by removing the curb bump-out in front of the bank and rebuilding the storm drain inlet.

**Webb Br Rd Bike Lanes/Multi-Use Trail (Design/ROW) \$225,000**

Priority 3: This request is for survey, geotechnical, and environmental services associated with the design of 4' bike lanes and 8' wide multi-use trails along both sides of Webb Bridge Road from the existing Greenway culvert under Webb Bridge Road east to Webb Bridge Park and the city limits, an approximate length of two (2) miles. This project will include re-construction of existing sidewalks, widening of asphalt pavement, re-construction of curb lines, adjustment of storm drainage and other utility relocations. Additional right-of-way may be required. This project will also provide Greenway connectivity to neighborhoods along Webb Bridge Road and to Webb Bridge Park. Design of the improvements will be performed in-house by City Staff.

FY 2016 funding request is for studies/ROW. Construction costs are estimated at \$2.3 million and would be part of future funding requests.

**Windward Parkway over Big Creek Pedestrian Bridges (Design) \$150,000**

Priority 2: This request is for design costs for pedestrian bridges on Windward Parkway over Big Creek. Currently pedestrians walking along the Windward Parkway sidewalks are directed onto unprotected pavement in order to cross over Big Creek. This project would construct pedestrian bridges to provide a safer pedestrian crossing. Each bridge would be approximately 150' in length and provide a minimum of 8' clear width.

FY 2016 funding request is for design (assumes non-GDOT process). Construction costs are estimated at \$1.2 and would be part of future funding requests.

**Windward Parkway over Big Creek Tributaries Pedestrian Bridges (Design) \$150,000**

Priority 2: This request is for design costs for pedestrian bridges on Windward Parkway over Big Creek tributaries. Currently pedestrians walking along the Windward Parkway sidewalks are directed onto unprotected pavement in order to cross over a tributary of Big Creek between Clubhouse Drive and Admiral Crossing. This project would construct pedestrian bridges to provide a safer pedestrian crossing. Each bridge would be approximately 100' in length and provide a minimum of 8' clear width.

FY 2016 funding request is for design (assumes non-GDOT process).

Construction costs are estimated at \$800,000 and would be part of future funding requests.

**Stormwater Stream Restoration/Water Quality Projects (Design) \$100,000**

Priority 1: The "Stream Restoration and Water Quality Projects" category includes projects identified in the regulatory studies. Project types include installation of stormwater best management practices like detention ponds, bioretention and rain gardens, enhanced swales, and stream bank stabilization. The intent of these projects is to improve the water quality in-stream to a point where the city can reduce or remove in-stream testing from the water body because the pollutant levels have dropped to an acceptable range. The

Watershed Improvement Plans identify projects that are in this category. FY 2016 includes design for the first project in the Foe Killer Creek Watershed.

#### **Pole Barn Extension**

**\$30,000**

Priority 2: This request is for an extension to the existing Pole Barn (an open-sided shed with a roof) at the Public Works facility. Storing equipment and supplies under cover, out of the weather, will extend their useful life. The Pole Barn, via its storage capabilities, will provide for better utilization of the Department's warehouse. The return on investment will be the added useful life of both equipment and supplies.

#### **Compact Mini Excavator (new fleet)**

**\$45,000**

Priority 2: This request is for the purchase of a new Compact Excavator. This equipment will allow staff to perform various digging, grading, demolition, and lifting tasks on jobsites. The smaller size of the compact excavator gives it the ability to operate in smaller spaces and also to be transported more easily. Their light weight and maneuverability allows them to work with less track damage than larger machines. The compact excavator has many attachments available to accomplish multiple tasks on the same jobsite while only having the single machine onsite. Due to many stormwater repairs occurring within easements of residential properties a smaller piece of equipment will minimize the amount of area disturbed as well as decrease the amount of time for the repair to be completed.

#### **Public Safety**

##### **PS Headquarters Parking Lot Expansion**

**\$300,000**

Priority 1: This request is for the construction of an additional parking lot (66 spaces) on city owned land to service Public Safety Headquarters. The expansion is needed to accommodate significantly higher numbers of visitors to headquarters for permits, reports and fingerprints. Project costs include: survey and design, fill and grading, for storm water management, paving, lighting, landscaping, etc.

##### **Reserve Unit Fleet (new; Qty: 1)**

**\$40,000**

Priority 3: Reserve officers perform the same duties as paid officers, and while they draw no salary the Reserve Unit does incur operating costs comparable to other patrol squads. These costs include the need for vehicles and other equipment. This request is for the purchase of one additional patrol car and associated upfitting (e.g. general upfitting such as light bar and partition cage as well as the radio and camera systems).

The Reserve Unit consists of up to 25 sworn officers who have met all the standards of the Department and work interchangeably with paid officers. During calendar year 2013, reserve officers will contribute nearly 8,000 hours of service which is equivalent to four full-time officer positions. The contribution is more valuable than this equivalency implies since most of these hours were worked at times when patrol shifts would otherwise have been short-handed. However, because several Reserve officers often work at the same time, e.g. filling in for a squad that is in training, there is a need for enough cars for them to be productive. Presently it is expected that one additional car will fill the need, with replacements as needed but no further growth.

**High Risk Incident Equipment (new) \$55,000**

Priority 3: This request is for equipment designed to help resolve high-risk incidents such as hostage situations, barricaded gunmen, and mass shootings. With the sincere hope that such tools are never needed, having them in a time of need can make a huge difference in the outcome. The specific request is for a rolling shield (\$30,000), and a camera-equipped robot (\$25,000).

**License Plate Recognition Equipment (new) \$54,000**

Priority 3: This request is for the purchase and installation of License Plate Recognition systems that enhance our officers' safety and productivity. License Plate Recognition delivers the ability to read vehicle license plates and check them against an installed database for rapid identity verification. The license plate recognition system can be used for multiple purposes including locating stolen or wanted vehicles. This rapidly deployable, scalable solution uses rugged mobile cameras that connect to leading-edge optical character recognition (OCR) technology software, allowing you to conduct surveillance under varied lighting and weather conditions. Captured information is immediately processed, and you are alerted only when a "hit" occurs.

FY 2016 funding is for the purchase of one (1) three-camera License Plate Recognition system and one (1) portable two-camera system. Also included is access to a national database (LEARN) and a 1-touch GCIC verification solution (vs. manually running the tag). Three years of maintenance/support costs are built into the purchase price. Future annual maintenance costs are anticipated to total \$525 per camera, \$7,700 for LEARN Database access, and \$1,700 for the Platechecker software.

**Recreation & Parks****Wills Park Drainage and Water Quality Improvements \$500,000**

Recreation Commission Priority #3

Priority 1: This request is for Wills Park drainage and water quality improvements. Wills Park is bisected by a tributary to Foe Killer Creek. This stream has been tested to show elevated levels of fecal bacteria. Foe Killer Creek is included on Georgia Environmental Protection Division's regulated list for not meeting the maximum allowable levels of fecal bacteria. The city regularly tests our stream waters for this parameter.

The FY 2015 capital budget included funding for a study that identified projects to reduce impurities in the stormwater runoff from the park. Additionally, the streams through the park show evidence of severe erosion that has impacted the trails and the frisbee golf course. Improvements identified by the study included detention, bio-retention, buffer enhancement plantings, and treatments targeted at removing and reducing waste from the equine uses. FY 2016 request includes funding for design costs (\$75,000) and construction (\$425,000).

**Wills Park Pool Renovation (construction plans) \$500,000**

Recreation Commission Priority #7

Priority 2: Design/study costs relating to Wills Park pool and bath house renovations was funded in the FY 2014 capital budget. FY 2016 funds are requested for construction documents. Staff's recommendation is to fund construction costs in FY 2017 (estimated at \$6 million). The city could opt to fund

construction by phase over two years (e.g. pool in FY 2017 and bath house in FY 2018) but constructing both phases at the same time is estimated to save 20%-25% in costs while limiting the impact to our customers and maximizing contractor accountability and is staff's recommendation.

Phase 1 improvements include all site work, pool construction, snack bar, and lighting, with existing pool house remaining. Several modifications will be required to accommodate pool equipment and new electrical service either in an enlarged snack bar or separate pump house (cost estimate is \$3,500,000). Phase 2 includes pool house and minor tie-in modifications to fence deck and surrounding areas (\$2,500,000).

**North Park Concession/Restroom Building (Design) \$30,000**

Recreation Commission Priority #8

Priority 2: This request includes funding for the design of a replacement concession/restroom building at North Park softball fields 1-4 (FY 2016). The current concession/restroom facility at North Park softball fields 1-4 was built in the late 1980s and no longer meets community needs (e.g. insufficient size/layout of concession space; insufficient number of restroom facilities; high maintenance needs; etc.).

Construction costs are estimated at \$270,000 and would be part of future capital funding requests.

**Community Center Generator \$200,000**

Recreation Commission Priority #9

Priority 2: The American Red Cross and Salvation Army require emergency shelters that serve the public to have emergency generators servicing the facility. This cost will cover the purchase and installation of a new 400kw Natural Gas Generator.

**Wills Park Baseball Fence (replacements)**

**Exp. \$150,000 Rev. \$25,000 (AYBA)**

Recreation Commission Priority #10

Priority 2: This request is for the replacement of the fences at Wills Park baseball fields A, B, C, and D. The fences are curled/bowed which creates a safety hazard. The fences will be replaced with black vinyl coated fencing. The total project is estimated at \$150,000 with the Alpharetta Youth Baseball Association (AYBA) contributing \$25,000 and the city funding the remaining \$125,000.

**Union Hill Park (Demo of Outdoor Rink) \$108,000**

Recreation Commission Priority #11

Priority 2: This request is for the demolition of the outdoor rink at Union Hill Park. Demolition would include digging up and removing the uncovered outside rink plus removal of all electrical lights and score boards. All demolished materials would be hauled off-site. Lighting and "boards" would be relocated to other park facilities if possible. The area would be graded and leveled. Grass and passive amenities would be added.

**Greenway Boardwalk Repair****\$75,000**

Recreation Commission Priority #13

Priority 3: Funds are requested to replace the existing wood deck at the greenway boardwalk below Mansell Road. This project includes replacing 100+ sections of boardwalk that has weathered and rotted due to the extreme moisture in that area of the greenway. The project also includes repair of some wooden bridges. Existing boards are pressure treated but are slick when wet and need to be replaced for the safety of greenway pedestrians. The boardwalk has been open since 2008. While the normal useful life of pressure treated wood is more than 10 years, the boards in this area are subjected to more moisture than normal and have a tendency to rot quicker than wood exposed to more sunlight.

**Park Master Plans****\$80,000**

Recreation Commission Priority #14

Priority 3: This request is for the development of master plans and studies as recommended in the Recreation and Parks Master Plan 2025 (e.g. Wills Park, Union Hill Park, Windward Soccer Complex).

**Wills Park Restroom Renovation/Replacement****\$175,000**

Recreation Commission Priority #15

Priority 3: Funds are requested to renovate or replace the restroom that services the Wacky World playground, two picnic pavilions, and baseball fields 1-4 at Wills Park. The existing facilities are very old and not sufficient to accommodate the high usage they get on a daily basis. The ventilation system does not always work properly. The existing facilities were in the park when it was owned by Fulton County and they are not up to the standards of other Alpharetta Recreation and Parks restroom facilities.

**Greenway Extension (Windward Pkwy to Union Hill Rd; Design)****\$750,000**

Recreation Commission Priority #16

Priority 2: This request is for design costs related to the greenway extension from Windward Parkway to Union Hill Road. This addition will expand the area used by the public for both recreational use and alternative transportation by approximately 1.75 miles. Also, with the closest bathroom on the North end being the YMCA, staff would like to include a bathroom at the end of Marconi Drive. The restrooms at the YMCA are closed during the winter months and are only opened for weekends during the summer months.

Construction costs are estimated to total \$6 million and would be part of future capital funding requests.

**Community Center Expansion Ph. 3 (Design)****\$245,000**

Recreation Commission Priority #17

Priority 2: This request is for the design of the Phase III expansion to the Alpharetta Community Center as recommended in Recreation and Parks Master Plan 2025. This expansion (23,000 -25,000 sq.ft.) would help meet recreation needs by providing a fitness/cardio area, child play area, and meeting/conference rooms that could be used by the citizens. The Administration Office would be located at this facility which would improve the efficiency of the most used community center. Also included in this phase is more storage that is greatly needed.

Construction costs are estimated to total \$4.6 million and will be part of future funding requests. These improvements will result in increased staffing and operational costs of \$325,000 (year one of operations) which will be partially offset through additional user fees.

#### **Webb Bridge Park Soccer Master Plan**

**\$25,000**

Recreation Commission Priority #18

Priority 2: Funds are requested to conduct a master plan of soccer amenities at Webb Bridge Park. Facilities to be studied include relocation of the septic line from the upper soccer field to a baseball field, cost/feasibility of installing synthetic turf on the upper field, and renovation of the soccer concession stand.

#### **Webb Bridge Park Spectator Seating**

**\$135,000**

Recreation Commission Priority #19

Priority 3: Funds are requested to add spectator seating at the Webb Bridge Park lower multi-purpose field. Currently, spectators have to bring chairs and sit on a sloped hill. Spectators for opposing teams are co-mingled and this has created conflict and confrontations when games get heated. The project includes site clearing and demolition, concrete, rails, benches, electrical, erosion control and landscaping. Design, surveying, and geotech services are also included.

#### **North Park Field 5 Improvements (Design) Exp. \$35,000 Rev. TBD (AYSA)**

Recreation Commission Priority #21

Priority 2: This request is for design costs pertaining to the re-design of Field 5 softball field at North Park. The re-design includes splitting Field 5 (250' fences now) into two smaller fields (125' fence and 95' fence) to accommodate 8-years and under softball teams. This project includes the addition of a softball batting pavilion in this area. The batting pavilion is approximately 4,200 sf (70' x 60') and would house 4 cages. The pavilion would have a roof but no walls. The project also includes grading, clearing, fence removal/replacement, electrical, concrete, creation of a rain garden/detention pond, sodding, field dressing and fine grading.

Construction costs are estimated at \$450,000 and would be part of future capital funding requests. Alpharetta Youth Softball Association may be able to contribute some funds to this project, but there is no written commitment at this point.

#### **Observation Deck at the Greenway (Design)**

**\$10,000**

Recreation Commission Priority #22

Priority 3: This request is for the design of an observation deck overlooking beautiful wetlands near Big Creek Greenway. The observation deck would be located on Georgia Lane, near the intersection of Haynes Bridge Road and North Point Parkway.

Construction costs are estimated at \$50,000 and would be part of future capital funding requests.

#### **Community Center Interior Improvements (Design)**

**\$30,000**

Recreation Commission Priority #24

Priority 2: This request is for design of an interior makeover of the Alpharetta Community Center lobby, hallways, restrooms, and common office space. FY 2016 funding request is for design and construction documents for phase 1

(renovation of restrooms). Construction costs for phase 1 are estimated at \$300,000 and would be part of future funding requests.

The remaining phases include renovation of the hallways, office space, and lobby and are estimated at \$900,000 and would be part of future funding requests.

**GIS Parks Software**

**\$25,000**

Priority 3: Funds are requested for the purchase and implementation of GIS Software tailored to the unique needs of recreation departments. The selected vendor will conduct a data collection program for Recreation and Parks assets using current GIS technology. This software will aid in recreation and parks management, planning, asset management, work order management (asset inventory), natural resources management, public facing web page, and public input. The software will be expected to utilize existing mobile technology (iPhones and iPads) and produce reports and maps of park areas for staff as well as citizens.

**Utility Vehicle for Greenway (4x4 Gator)**

**\$8,000**

Priority 3: This request is for the purchase of one new Utility Vehicle for the Greenway (preferably a 4x4 JD Gator) which would allow staff better access to complete repairs and general maintenance.

# **BUDGET NARRATIVE**

# City of Alpharetta

## FY 2016 Budget Narrative

### Budget Rollup: All Funds

The FY 2016 Budget is balanced for all funds and totals \$96.6 million with the breakdown by fund type as follows:

• General Fund:	\$ 63,495,856
• Special Revenue Funds:	9,407,508 (1)
• Debt Service Fund:	3,564,998
• Capital Project Fund:	8,943,236 (1)
• Solid Waste Fund:	3,305,455
• Risk Management Fund:	1,264,200
• Medical Insurance Fund:	<u>6,658,514</u>
Total	\$ 96,639,767

(1) Amounts contained herein represent new appropriations for FY 2016. Unexpended FY 2015 appropriations for Council approved projects are re-appropriated annually pursuant to city policy.

## General Fund

**Revenues:** FY 2016 General Fund operating revenues are forecasted to grow by 4.3%, or \$2.4 million, compared to Amended FY 2015. The following table compares major revenue categories within the General Fund:

	FY 2015 AMENDED BUDGET	FY 2016 RECOMMENDED BUDGET	\$ Variance	% Variance
<b>Revenues:</b>				
Property Taxes:				
Current Year	\$ 18,100,000	\$ 18,800,000	\$ 700,000	3.9%
Motor Vehicle	650,000	300,000	(350,000)	-53.8%
Motor Vehicle Title Tax Fee	865,000	1,000,000	135,000	15.6%
Prior Year/Delinquent	245,000	249,500	4,500	1.8%
Local Option Sales Tax	13,900,000	14,700,000	800,000	5.8%
Other Taxes:				
Franchise Fees	6,400,000	6,440,000	40,000	0.6%
Insurance Premium Tax	3,025,000	3,150,000	125,000	4.1%
Alcohol Beverage Excise Tax	1,800,000	1,850,000	50,000	2.8%
Other Taxes	1,714,500	1,789,500	75,000	4.4%
Licenses & Permits	1,985,100	2,046,050	60,950	3.1%
Intergovernmental	380,000	380,000	-	0.0%
Charges for Services	2,657,150	2,911,000	253,850	9.6%
Fines & Forfeitures	2,302,100	2,779,000	476,900	20.7%
Interest	50,000	50,000	-	0.0%
Other Revenues	319,456	252,570	(66,886)	-20.9%
Other Financing Sources:				
Interfund Transfer (Hotel/Motel Fund)	1,662,000	1,780,000	118,000	7.1%
<b>Total Operating Revenues</b>	<b>\$ 56,055,306</b>	<b>\$ 58,477,620</b>	<b>\$ 2,422,314</b>	<b>4.3%</b>
Fund Balance Carryforward	4,105,260	5,018,236		
<b>Total Revenues</b>	<b>\$ 60,160,566</b>	<b>\$ 63,495,856</b>		

The following section provides brief narratives on major variances within the revenue categories detailed in the table above.

- Property Taxes: The FY 2016 Budget is based on maintenance of the city's millage rate at 5.750 mills. Property tax digest growth is estimated at 2%.
  - The portion of the millage rate funding debt service (Debt Service Fund) will decline from 0.80 mills in FY 2015 to 0.75 mills in FY 2016 (0.05 mill reduction). Estimated growth in the property tax digest (including new construction), coupled with available cash in the Debt Service Fund, allows for a reduction in the millage rate dedicated for debt service. The FY 2016 Budget proposes to program the debt service millage reduction

into the General Fund for additional funding of capital initiatives (discussed below).

- The portion of the millage rate funding operations and recurring/pay-as-you-go capital investment (General Fund) will increase from 4.95 mills in FY 2015 to 5.0 mills in FY 2016. Property tax revenue estimates for FY 2016 total \$18.8 million (excluding motor vehicle taxes). Of this amount, \$2.4 million is included for a recurring capital program (e.g. milling and resurfacing of city streets; traffic equipment replacement; drainage maintenance; etc.) and \$1.5 million is included for additional pay-as-you go capital funding (\$544,500 increase over FY 2015). The capital funding will be transferred to the Capital Project Fund to properly account for the acquisition/construction activities.

The property tax revenue estimates are net of the city's \$40,000 homestead exemption which saves our homeowners \$2.6 million annually (e.g. equates to a 1.7 mill reduction for the average homeowner). The city's homestead exemption is more than double the amounts offered from our companion cities and goes great lengths in keeping Alpharetta an affordable place to live and raise a family.

Motor vehicle taxes are experiencing declines due to House Bill 386 which is phasing out motor vehicle taxes on all vehicles titled on or after March 1, 2013. The city will still receive motor vehicle taxes on vehicles titled before March 1, 2013 until the vehicle is sold/transferred. The city is forecasting motor vehicle revenues to be fully phased-out over the seven year period ending in FY 2020. HB 386 created a Motor Vehicle Title Fee that is intended to partially offset the reduction in motor vehicle taxes. The title fee is estimated at \$1 million in FY 2016 and represents a significant increase over the FY 2015 budget due primarily to the fact that this fee was implemented late in FY 2013 and very little trend data was available to generate an accurate FY 2015 budget figure.

- Local Option Sales Taxes ("LOST"): Increase of 5.8% is forecasted for FY 2016 from a budget-to-budget standpoint. However, actual collections are estimated at \$14.4 million in FY 2015 which equates to a revised growth rate of 2.1%.
- Franchise Fees: Increase of 0.6% is forecasted for FY 2016 from a budget-to-budget standpoint. Actual collections are estimated at \$6.6 million in FY 2015 which is greater than the FY 2016 budget. Franchise Fee revenue is sensitive to fluctuations in usage (e.g. cool summer significantly lessens the need for air conditioning and associated energy usage). As such, budgetary practice is to be conservative with forecasting these collections so as to insulate the operating budget from the associated short-term collection fluctuations inherent in this revenue source. Collections from GA Power, the largest contributor of this revenue

source (65% of total franchise fees), totaled \$4.4 million in FY 2015 and represents a \$383,440 increase over the prior year (\$4 million was collected in FY 2014). Collections for FY 2015-2017 are growing, in part, due to a three-year rate increase approved by the Georgia Public Service Commission that included the following increases in the average monthly residential rates: January 2014 increased \$2.19; January 2015 increased an additional \$3.61 per month; and January 2016 is forecasted to increase an additional \$2.96 per month for a total increase of \$8.76 per month over the three year period.

- Insurance Premium Taxes: Growth of 4.1% is forecasted for FY 2016 from a budget-to-budget standpoint. However, actual collections during FY 2015 totaled \$3.1 million which equates to a revised growth rate of 1.6%.
- Licenses & Permits: Increase of 3.1% is forecasted for FY 2016 based on current collection patterns and permit activity. Actual collections are estimated at \$2.5 million in FY 2015 which is greater than the FY 2016 budget. License and Permit revenue is cyclical and sensitive to fluctuations in the market (e.g. construction market, employment market, etc.). As such, budgetary practice is to be conservative with forecasting these collections so as to insulate the operating budget from the associated short-term collection fluctuations inherent in this revenue source. The largest revenue source is Building Permit Fees (\$1.1 million forecast for FY 2016; \$1.5 million estimated for FY 2015).
- Charges for Services: Growth of 9.6% is forecasted for FY 2016 from a budget-to-budget standpoint. However, actual collections are estimated at \$3 million in FY 2015. The budgetary growth is based on current collection patterns and is primarily related to revised estimates of recreation and parks program fee collections. Specific revenue sources include: Equestrian Center fees (increased \$42,500 to \$322,500); Athletics fees (increased \$54,000 to \$413,000); Community Center activity fees (increased \$80,000 to \$405,000); \$33,000 in estimated revenue from the newly created Outdoor Recreation Program fees (see Operating Initiative section of this document for more information); and increased collections for Non-Resident Fees.
- Fines and Forfeitures: Increase of 20.7% is forecasted for FY 2016 from a budget-to-budget standpoint. However, actual collections are estimated at \$2.7 million in FY 2015 which equates to a revised growth rate of 2.7%. The growth driver is Court Fines through an increase in enforcement activity.
- Hotel/Motel Taxes (interfund transfer): Growth of 7.1% is due primarily to an increase in business spending on travel and training. Specifically, year-to-date collections are trending 13% higher than FY 2014 and are estimated to total \$4.3 million by year-end (\$1.7 million represents the city's portion). The city (General Fund) receives 40% of this revenue.

**Expenditures:** The following table compares departmental appropriations within the General Fund (please refer to the departmental summaries included herein for detailed budgetary analysis).

	FY 2015 AMENDED BUDGET	FY 2016 RECOMMENDED BUDGET	\$ Variance	% Variance
<b>Expenditures (by Department):</b>				
Mayor and Council	\$ 324,682	\$ 350,069	\$ 25,387	7.8%
City Administration*	2,757,924	2,056,082	(701,842)	-25.4%
Legal Services	500,000	525,000	25,000	5.0%
Community Development	2,439,954	2,391,485	(48,469)	-2.0%
Public Works	7,869,692	7,941,386	71,694	0.9%
Finance	3,072,038	3,160,975	88,937	2.9%
Public Safety	24,548,726	25,385,562	836,836	3.4%
Human Resources	384,469	395,114	10,645	2.8%
Municipal Court	1,035,607	1,052,500	16,893	1.6%
Recreation and Parks*	6,901,622	8,288,752	1,387,130	20.1%
Information Technology	1,469,300	1,523,355	54,055	3.7%
Non-Departmental:				
Contingency	510,800	540,000	29,200	5.7%
Insurance Premiums (Risk Fund)	545,000	607,000	62,000	11.4%
Gwinnett Tech Contribution (Debt Svc)	288,640	290,340	1,700	0.6%
Donations/Contributions	45,000	45,000	-	0.0%
<b>Total Operating Expenditures</b>	<b>\$ 52,693,454</b>	<b>\$ 54,552,620</b>	<b>\$ 1,859,166</b>	<b>3.5%</b>
Interfund Transfer:				
Capital Project Fund	7,467,112	8,943,236		
<b>Total Expenditures</b>	<b>\$ 60,160,566</b>	<b>\$ 63,495,856</b>		

\*Variance due primarily to the transfer of the City's Special Event Division from the City Administration Department to the Recreation & Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). FY 2016 operating initiatives for the Special Events Division totals \$27,250 and is in addition to the reallocation amount discussed above. Revenue generation for the Special Event Division is estimated at \$219,500.

The following table compares expenditure category appropriations within the General Fund.

	FY 2015 AMENDED BUDGET	FY 2016 RECOMMENDED BUDGET	\$ Variance	% Variance
<b>Expenditures (by Category):</b>				
Personnel Services:				
Salaries	\$ 24,817,715	\$ 25,474,142	\$ 656,427	2.6%
Group Insurance	6,909,563	7,155,526	245,963	3.6%
Pension (Defined Benefit)	2,176,655	2,276,470	99,815	4.6%
Pension (401A)	1,262,388	1,377,726	115,338	9.1%
Miscellaneous Benefits	2,584,005	2,716,300	132,295	5.1%
<i>subtotal</i>	<b>\$ 37,750,326</b>	<b>\$ 39,000,164</b>	<b>\$ 1,249,838</b>	<b>3.3%</b>
Maintenance and Operations:				
Professional Services	\$ 2,040,990	\$ 2,143,065	\$ 102,075	5.0%
Repair/Maintenance	1,128,250	1,261,250	133,000	11.8%
Maintenance Contracts	2,159,457	2,219,380	59,923	2.8%
Professional Services (IT)	1,271,341	1,312,726	41,385	3.3%

## Meeting the Internal Needs of Operating Departments

Several of the major points of the FY 2016 Budget are as follows:

- Operating expenditures of the General Fund are up 3.5% over FY 2015. This figure includes the incremental budgetary impact for election fees, City Center maintenance and operating costs (full-year utility costs and maintenance of the facilities, park, and grounds), and operating initiatives. After adjusting for these new incremental budgetary impacts, the base operational budget growth totals 3.2%.
- Management of personnel and compensation program to align with current market environment:
  - Personnel
    - ✓ 437 full-time equivalents (funded); and
    - ✓ 12 full-time equivalents (un-funded; budgetary savings of \$800,000) – positions to remain vacant pending a workload justification and identified funding source.
  - Continuation of a performance-based merit program of 3% on April 1, 2016, per authorized/funded position (estimated cost of \$220,000 citywide<sup>1</sup>). This merit program is contingent upon a mid-year review of revenue trends to determine if sufficient funding is available. Research of national and local wage growth data indicates the 3% rate is a responsible average (i.e. not among the highest or the lowest).
  - Coverage of group insurance premiums (8.5% premium increase; \$236,123<sup>2</sup> incremental budget impact citywide). The premium growth is due to claims patterns that are trending at 90% of premiums (industry standard is 80-85%), general medical cost inflation, and costs associated with the Affordable Care Act. Unfortunately, the city has experienced large claims at twice the actuarial assumed average over the last 12 months. The claims are primarily of a non-chronic nature outside of the reach of wellness initiatives.
  - Increase in the actuarially determined defined benefit pension contribution of 4%, or \$100,000, compared to FY 2015. This increase is due to new pronouncements and their impact on certain assumptions which offset accrued liabilities as well as adjustments recommended by our actuary. Funding for FY 2016 totals \$2.4 million which is less than the \$3 million funded in FY 2012.

<sup>1</sup> This represents the financial impact in FY 2016 (i.e. April-June 2015).

<sup>2</sup> The General Fund increased \$245,963 while the other operating funds (combined) decreased -\$9,693 due to changes in coverages (e.g. family, single, etc.) by multiple employees.

- Targeted growth (3.4% or \$440,933) in departmental maintenance and operations budgets (General Fund) that is primarily attributable to the following:
  - Increase in professional services of \$102,075 due primarily to: costs associated with conducting the November 2015 municipal election; budget increases necessary to cover the expenditure trend over the last several years for various financial management services (asset management services, investment advisor services, etc.); funding for operational initiatives<sup>3</sup>; all of which is partially offset through a reduction in forecasted Georgia Bureau of Investigation (GBI) fingerprint/background check fees as FY 2015 included a spike in alcohol pouring permits and associated background checks related to the opening of Avalon.
  - Increase in repair/maintenance (facility, vehicle, grounds, etc.) of \$133,000 (electric, water and sewer, natural gas, etc.) due primarily to vehicle repair/maintenance within public safety (based on current maintenance trends which have increased along with the targeted mileage expectancy of patrol vehicles) and anticipated maintenance needs for the new City Hall and Parking Garage (this funding was contained within the maintenance contracts account for FY 2015 and is now being broken out to the appropriate accounts based on usage).
  - Increase in maintenance contracts of \$59,923 due primarily to annualized costs for maintenance of the new City Hall, Parking Garage, Park and Town Green (FY 2015 included partial-year costs due to a mid-year move-in).
  - Increase in utilities of \$124,830 (electric, water and sewer, natural gas, etc.) due primarily to anticipated usage requirements of the new City Hall, Parking Garage, and Park/Town Green (including irrigation needs) as well as general growth in utility costs citywide.
  - The departmental operating capital/lease budget primarily represents funding for the city's capital lease obligations (fire trucks, finance software, public works and community development software, etc.) including FY 2016 operating initiatives<sup>3</sup>.
  - The Other Uses category includes the following: contingency (approximately 1% of the operating budget); Risk Management claims funding (this allocation represents funding for insurance premiums; funding for claims and administration/brokerage fees has been allocated to departments through the personnel services category); funding of debt service on the Gwinnett Technical College contribution (Alpharetta

<sup>3</sup> Please refer to the *Operating Initiatives* section for more information.

campus); and a continuation of funding for the Police Athletic League (\$35,000) and Friends of the Library (\$10,000).

The following table provides a comparison of personnel by fiscal year.

	Actual FY 2012	Actual FY 2013	Actual FY 2014	Actual FY 2015	Recommended FY 2016*	Variance

Notes:

- \* Includes 12.0 full-time equivalent positions that are not funded but are part of the City's authorized work force. These positions will remain vacant pending a (1) justifiable needs assessment by City Administration and (2) identification of a sustainable funding source.

Position variance includes the transfer of the Special Events Division to the Recreation and Parks Department effective July 1, 2015 (fiscal year 2016). This move is anticipated to increase overall efficiencies.

The departmental base budgets are discussed below and detailed further under the respective departmental tab of this document.

### **Mayor and City Council**

The Fiscal Year 2016 Budget for Mayor and City Council totals \$350,069 and represents an increase of 7.8%, or \$25,387, compared to the FY 2015 budget, and primarily represents increased group insurance premiums and changes in coverage elections.

The Maintenance and Operations category declined -0.7%, or -\$307, due to a reduction in non-recurring funding (FY 2015 included one-time funding for the citywide rebranding initiative to fund replacement of business cards, forms, etc.). The annual discretionary expense appropriation will remain at \$5,000 for Council Members and \$9,000 for the Mayor.

Base level personnel totals 7.0 full-time-equivalents ("FTE") and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	
Mayor	1.0	1.0	1.0	1.0	1.0	-
Councilperson Post 1	1.0	1.0	1.0	1.0	1.0	-
Councilperson Post 2	1.0	1.0	1.0	1.0	1.0	-
Councilperson Post 3	1.0	1.0	1.0	1.0	1.0	-
Councilperson Post 4	1.0	1.0	1.0	1.0	1.0	-
Councilperson Post 5	1.0	1.0	1.0	1.0	1.0	-
Councilperson Post 6	1.0	1.0	1.0	1.0	1.0	-
	7.0	7.0	7.0	7.0	7.0	-

### **City Administration**

The FY 2016 Budget for City Administration totals \$2,056,082 and represents a decrease of -25.4%, or -\$701,842, compared to the FY 2015 budget due primarily to the reorganization of the Special Events Division to the Recreation and Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations).

The Personnel Services category decreased -12.9%, or -227,849, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; all of which is offset through the transfer of the Special Events Division to the Recreation and Parks Department (reduction of \$357,059). Base level personnel total 11 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	
Assistant City Administrator	1.0	1.0	1.0	1.0	1.0	-
Assistant City Clerk	1.0	1.0	1.0	1.0	1.0	-
City Administrator	1.0	1.0	1.0	1.0	1.0	-
City Clerk	1.0	1.0	1.0	1.0	1.0	-
Economic Development Coordinator	1.0	-	-	-	-	-
Economic Development Director	-	1.0	1.0	1.0	1.0	-
Economic Development Manager	-	1.0	1.0	1.0	1.0	-
Executive Office Coordinator	1.0	1.0	1.0	1.0	1.0	-
Grants Administrator	1.0	1.0	1.0	1.0	1.0	-
Internal Auditor	1.0	1.0	1.0	1.0	1.0	-
Records Manager	-	1.0	1.0	1.0	1.0	-
Special Events Coordinator (1FT;2PT)*	1.0	2.0	2.0	2.0	-	(2.0)
Special Events Manager*	1.0	1.0	1.0	1.0	-	(1.0)
Web Administrator	1.0	1.0	1.0	1.0	1.0	-
	11.0	14.0	14.0	14.0	11.0	(3.0)

\* The Special Events Division is being transferred to the Recreation and Parks Department effective July 1, 2015 (fiscal year 2016). This move is anticipated to increase overall efficiencies.

The Maintenance & Operations category decreased -47.6%, or -473,993, due primarily to the reorganization of the Special Event Division to the Recreation & Parks Department (reduction of \$628,494). While fully offset through the reorganization mentioned above, notable base budget variances include:

- Increase in professional services due primarily to costs associated with conducting the November 2015 municipal election.
- Increase in advertising due to expenses for the November 2015 municipal election and multiple sponsorship initiatives including GAMEVID Expo and Alpharetta Chamber of Commerce.
- Increase in maintenance contracts due to software maintenance costs associated with the website upgrade (Sitefinity) and agenda management software (BIS).

- Decrease in utilities due primarily to cost reallocations as part of the relocation to the new City Hall. City Administration now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for utilities, and maintenance contracts (e.g. janitorial services) for the previous City Administration office space.
- Decrease in non-recurring due to one-time funding in FY 2015 for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.) and the City Center grand opening event.

### **Community Development Department**

The FY 2016 Budget for Community Development totals \$2,391,485 and represents a decrease of -2%, or -\$48,469 compared to FY 2015.

The Personnel Services category increased 1.2%, or \$25,183, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; which is partially offset through targeted position reallocations (and associated salary reductions) within the Department.

Base level personnel total 23.0 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016*	
Administrative Assistant II	2.0	3.0	2.0	1.0	1.0	-

Economic Development Coordinator	-	-	-	-	-	-
Development Services Engineer (Stormwater)	-	-	1.0	1.0	1.0	-
Planner/GIS Specialist	1.0	1.0	1.0	1.0	1.0	-
Permit Technician	-	-	-	1.0	1.0	-
Zoning Administrator	1.0	1.0	1.0	1.0	1.0	-
Zoning Enforcement Officer**	-	-	-	-	1.0	1.0
Recording Secretary	1.0	-	-	-	-	-
Senior Engineer (Transportation)	-	-	1.0	1.0	1.0	-
Senior Planner**	-	-	-	-	1.0	1.0
Specialized Assistant - Permits Plus	1.0	1.0	1.0	1.0	1.0	-
	20.0	20.0	23.0	23.0	23.0	-

\* Includes 1.0 FTE not-funded in the FY 2016 Budget [Building Inspector ]. Funding for this position was eliminated in FY 2011 and will only be filled upon (1) a justifiable needs assessment by City Administration and (2) identification of a sustainable funding source.

\*\* Position reclassification occurred during FY 2015.

The Maintenance and Operations category decreased -21.4%, or -\$73,652, due primarily to the following activity:

- Increase in advertising of \$3,500 to cover legal notices related to growth in zoning and permitting activity.
- Increase in travel/training of \$3,000 due to a continued focus on training and certification.
- Decrease in multiple accounts (building rental, utilities, and maintenance contracts) of -\$76,150 due primarily to cost reallocations as part of the relocation to the new City Hall. Community Development now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for rent, utilities, and maintenance contracts (e.g. janitorial services) for the previous Community Development office space. The reduction in the maintenance contracts account is partially offset through an increase in coffee service expenses as Community Development is responsible for funding coffee service in the City Hall break room which is adjacent to their new office space.
- Decrease in professional services (IT) of -\$4,102 due primarily to a reduction in estimated maintenance and support costs for the CityWorks asset management and permitting software currently being implemented.
- Decrease in non-recurring of -\$2,000 due to FY 2015 including one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

**Public Works Department**

The FY 2016 Budget for Public Works totals \$7,941,386 and represents an increase of 0.9%, or \$71,694, compared to FY 2015.

The Personnel Services category increased 2.5%, or \$108,382, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution.

Base level personnel total 59.0 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016*

Utility Locator**	-	-	-	-	1.0	1.0
	62.0	62.0	59.0	59.0	59.0	-

\* Includes 4.0 FTE not-funded in the FY 2016 Budget [Senior Operations Manager (1.0 FTE); GIS Specialist (1.0 FTE); and Public Works Technician I (2.0 FTE)]. The GIS Specialist position was approved in FY 2009 but never funded due to revenue constraints. Funding for the other positions was eliminated in FY 2011. These 4.0 FTE will only be filled upon (1) a justifiable needs assessment by City Administration and (2) identification of a sustainable

\*\* Position reclassification occurred during FY 2015.

The Maintenance and Operations category decreased -1.1%, or -\$36,993, due primarily to the following activity:

- Increase in facility repair/maintenance of \$40,000 due to anticipated maintenance needs for the new City Hall and Parking Garage. This funding was contained within the maintenance contracts account for FY 2015 and is now being broken out to the appropriate accounts based on usage.
- Increase in professional services (IT) of \$7,767 due to multiple initiatives including a reconciliation of our Microsoft Licensing Agreement to reflect our actual number of users (prior years were low), a migration to Office 365 which will bring multiple operational efficiencies and increased capabilities, and additional bandwidth (circuit connections).
- Increase in general supplies of \$15,750 due to anticipated supply needs for the new City Hall and Parking Garage. This funding was contained within the maintenance contracts account for FY 2015 and is now being broken out to the appropriate accounts based on usage.
- Increase in anticipated electric costs of \$146,800 for the new City Hall, Parking Garage, and Park/Town Green (\$56,800 increase) as well as general growth in utility costs citywide (\$90,000 increase).
- Decrease in anticipated training needs (and associated travel costs) of -\$7,000.
- Decrease in maintenance contracts of -\$234,160 for FY 2016. FY 2015 included partial-year estimated maintenance costs for the new City Hall, Parking Garage, and Park/Town Green within the maintenance contracts account. This funding is now being broken out to the appropriate accounts based on usage. Also, Public Works will not be responsible for funding maintenance on the Park/Town Green and this funding has been reallocated to the Parks Department (\$160,500). Additionally, \$25,000 has been reallocated from HVAC maintenance within Public Works to the same account within the Parks Department. The Parks Department will leverage their staff to manage HVAC maintenance needs within the parks system.
- Decrease in non-recurring of -\$10,000 due to FY 2015 including one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

The Capital/Lease category includes funding for the CityWorks work-order management software lease.

### **Finance Department**

The FY 2016 Budget for Finance totals \$3,160,975 and represents an increase of 2.9%, or \$88,937, compared to FY 2015.

The Personnel Services category increased 4.1%, or \$89,260, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution.

Base level personnel total 24.0 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016*	
Accountant (3FT; 2PT)*	4.0	4.0	4.0	4.0	4.0	-

	25.0	24.0	24.0	24.0	24.0	-

\* Includes 2.5 FTE not-funded in the FY 2016 Budget [Accountant (0.5 FTE - part time); Customer Account Representative (1.0 FTE); and Controller (1.0 FTE)]. Funding for these positions was eliminated in FY 2011 and they will only be filled upon (1) a justifiable needs assessment by City Administration and (2) identification of a sustainable funding source.

\*\* Position reclassifications occurred during FY 2015.

The Maintenance and Operations category decreased -0.2%, or -\$1,837, due primarily to the following activity:

- Increase in professional fees of \$44,650 for asset management services, investment advisor services, auditing services, and temporary labor services and reflects budget adjustments necessary to cover the expenditure trend over the last several years.
- Net increase in multiple accounts (utilities and maintenance contracts) of \$14,530 due primarily to cost reallocations as part of the relocation to the new City Hall. Finance now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public

Works Department. FY 2015 included partial year funding for utilities and maintenance contracts (e.g. janitorial services) for the previous Finance office space. The reduction in maintenance contracts is offset through support costs arising from software implementations in FY 2015 aimed at augmenting multiple facets of finance operations including procurement (online procurement solicitation software), contract management/workflow, and financial transparency.

- Decrease in professional services (IT) of -\$26,414 due primarily to the elimination of HTE support/maintenance costs as the Munis Financial ERP has been fully implemented.
- Decrease in general supplies of -\$10,230 based on current expenditure trends including reductions in postage and office supplies.
- Decrease in non-recurring of -\$8,000 due to FY 2015 including one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).
- Decrease in employee wellness program expenses of -\$12,000 due to the removal of flu shots funding as it is covered under group insurance premiums.

The Capital/Lease category includes funding for the ERP system (Munis software) lease.

### **Public Safety Department**

The FY 2016 Budget for Public Safety totals \$25,385,562 and represents an increase of 3.4%, or \$836,836, compared to FY 2015.

The Personnel Services category increased 3.3%, or \$693,219, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution.

Base level personnel total 218.0 FTEs and represent the following:

	FTEs					
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016*	Variance

	217.0	217.0	218.0	218.0	218.0	

\* Includes 0.5 FTE not-funded in the FY 2016 Budget (Administrative Assistant I - part time). This position was approved in FY 2009 but never funded due to revenue constraints and will only be filled upon (1) a justifiable needs assessment by City Administration and (2) identification of a sustainable funding source.

\*\* Position reclassifications occurred during FY 2015.

The Maintenance and Operations category increased 2.7%, or \$89,311, due primarily to the following activity:

- Increase in vehicle repair and maintenance of \$60,000 based on current maintenance trends which have increased along with the targeted mileage expectancy of patrol vehicles. Raising the mileage expectancy saves capital costs (i.e. vehicle purchases) in the short-term through increasing the life of the fleet but also results in an increase in repair costs as higher mileage vehicles are maintained in the fleet.
- Increase in travel/training of \$19,315 due to a continued focus on training and certification.
- Increase in maintenance contracts of \$20,563 due to a combination of (1) reductions in red light camera lease revenues and corresponding lease payments which is fully offset through (2) additional expenditure requirements resulting from software implementations in FY 2015 aimed at augmenting the enforcement and detection of criminal activity (e.g. evidence tracking software maintenance, criminal investigation software maintenance, etc.).
- Increase in professional services (IT) of \$50,832 due to multiple initiatives including a reconciliation of our Microsoft Licensing Agreement to reflect our actual number of users (prior years were low), a migration to Office 365 which will bring multiple operational efficiencies and increased capabilities, and additional bandwidth (circuit connections).
- Decrease in professional services of -\$70,860. The Avalon development opened during FY 2015 and resulted in an increase in applications for alcohol pouring permits and the associated Georgia Bureau of Investigation (GBI) fingerprint/background check fees. GBI charges \$42.50 for each fingerprint/background check. The City passes through these costs (including a markup for overhead) to applicants. The FY 2016 Budget forecasts a reduction in the # of GBI background checks to a more sustainable trend.

The Capital/Lease category includes funding for the fire truck leases (including operational initiative funding for the capital lease replacement of Fire Engine 3).

### **Human Resources**

The FY 2016 Budget for Human Resources totals \$395,114 and represents an increase of 2.8%, or \$10,645, compared to FY 2015.

The Personnel Services category increased 3.6%, or \$7,987, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution

Base level personnel total 3.0 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016*	
Administrative Assistant II	1.0	1.0	1.0	1.0	1.0	-
Human Resources Manager	1.0	1.0	1.0	1.0	1.0	-
Senior HR Administrator*	1.0	1.0	1.0	1.0	1.0	-
	3.0	3.0	3.0	3.0	3.0	-

\* Includes 1.0 FTE not-funded in the FY 2016 Budget (Senior HR Administrator). Funding for this position was eliminated in FY 2011 and will only be filled upon (1) a justifiable needs assessment by City Administration and (2) identification of a sustainable funding source.

\* Assistant City Administrator (acting HR Director) is funded within the City Administration budget.

The Maintenance and Operations category increased 1.7%, or \$2,658, due primarily to the following activity:

- Increase in professional services of \$4,000 due primarily to funding for a legal review of the Employee Handbook.
- Increase in employee recognition program expenses of \$5,000 based on historical and year-to-date expenditure trends.
- Decrease in utilities of -\$2,330 due to cost reallocations as part of the relocation to the new City Hall. Human Resources now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for utilities for the previous HR office space.
- Decrease in non-recurring of -\$1,500 due to FY 2015 including one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

### **Municipal Court**

The FY 2016 Budget for Municipal Court totals \$1,052,500 and represents an increase of 1.6%, or \$16,893, compared to FY 2015.

The Personnel Services category increased 4.4%, or \$28,653, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; and a reallocation of available funding in FY 2015 to fund a replacement copier.

Base level personnel total 9.0 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	
Court Clerk/Director of Court Services	1.0	1.0	1.0	1.0	1.0	-
Deputy Clerk I	1.0	1.0	1.0	1.0	1.0	-
Deputy Clerk II	5.0	5.0	5.0	5.0	5.0	-
Deputy Clerk III	1.0	1.0	1.0	1.0	1.0	-
Judge	1.0	1.0	1.0	1.0	1.0	-
	9.0	9.0	9.0	9.0	9.0	-

The Maintenance and Operations category decreased -0.2%, or -\$930, due primarily to the following activity:

- Increase in maintenance contracts of \$5,600 for copier consumables based on historical usage trends. Copier consumables (e.g. toner) are funded through maintenance contracts (under a service contract) whereas prior to FY 2015, toner was charged to general supplies (-\$1,000 reduction) and sourced through our State Contract vendor.
- Increase in professional services (IT) of \$2,570 due to multiple initiatives including a reconciliation of our Microsoft Licensing Agreement to reflect our actual number of users (prior years were low), a migration to Office 365 which will bring multiple operational efficiencies and increased capabilities, and additional bandwidth (circuit connections).
- Decrease in printing and binding of -\$4,000 due primarily to a reduction in anticipated funding needs for specialty files, folders, and labels.
- Decrease in non-recurring of -\$4,000 due to FY 2015 including one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

### **Recreation and Parks Department**

The FY 2016 Budget for Recreation and Parks totals \$8,288,752 and represents an increase of 20.1%, or \$1.4 million, compared to FY 2015 budget due primarily to the reorganization of the Special Events Division from the Department of City Administration. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). FY 2016 operating initiatives

for the Special Events Division totals \$27,250 and is in addition to the reallocation amount discussed above.

The Personnel Services category increased 11.3%, or \$434,496, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; and the transfer of the Special Events Division to the Recreation and Parks Department (increase of \$357,059).

Authorized personnel total 54.0 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016*	
Administrative Assistant I	2.0	3.0	3.0	2.0	2.0	-
Administrative Assistant II	1.0	1.0	1.0	1.0	1.0	-

Program Coordinator	4.0	4.0	4.0	-	-	-
Recreation Coordinator*	-	-	-	7.0	7.0	-
Recreation Supervisor II	4.0	4.0	4.0	4.0	4.0	-
Special Events Coordinator (1FT;2PT)**	-	-	-	-	2.0	2.0
Special Events Manager**	-	-	-	-	1.0	1.0
	51.0	51.0	51.0	51.0	54.0	3.0

\* Includes 3.0 FTE not-funded in the FY 2016 Budget [Recreation Coordinator (2.0 FTE); and Customer Service Representative (1.0 FTE)]. Funding for these positions was eliminated in FY 2011/FY2012 and they will only be filled upon (1) a justifiable needs assessment by City Administration and (2) identification of a sustainable funding source.

\* Position reclassification occurred during FY 2015.

\*\* The Special Events Division is being transferred to the Recreation and Parks Department effective July 1, 2015 (fiscal year 2016). This move is anticipated to increase overall efficiencies.

The Maintenance and Operations category increased 30.6%, or \$922,824, due primarily to the reorganization of the Special Event Division to the Recreation and Parks Department (increase of \$655,744). Additional base budget variances include:

- Increase in maintenance contracts due primarily to a reallocation of funding from Public Works for maintenance on the Park/Town Green at City Center as well as HVAC maintenance. The Recreation and Parks Department is responsible for maintenance of the City Center Park/Town Green and will leverage their staff to manage HVAC maintenance needs within the parks system. Additionally, growth in Equestrian Center events

has led to increases in stall cleaning and manure removal contract expenses (offset through additional revenue collections).

- Increase in general supplies and utilities (combined) based on current usage and expenditure trends.
- Increase across multiple accounts due to new programs (Outdoor Recreation Programs) and special event expansions (Old Soldier's Day and Food Truck Thursdays) approved as part of the operating initiatives for FY 2016 (please refer to the Operating Initiatives section of this document for more information).

The Capital/Lease category includes funding for: replacement of septic pumps at Webb Bridge Park; purchase and installation of security cameras at the Wills Park Recreation Center; replacement of 6 life guard stands and 60 lounge chairs for the pool; and general equipment needs (e.g. playground parts).

### **Information Technology Department**

The FY 2016 Budget for Information Technology totals \$1,523,355 and represents an increase of 3.7%, or \$54,055, compared to FY 2015.

The Personnel Services category increased 4.9%, or \$64,813, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; and targeted pay adjustments to several team members in 2015 to bring them in line with the local market.

Authorized personnel total 11.0 FTEs and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016*	
Director	1.0	1.0	1.0	1.0	1.0	-
Database Administrator	-	-	-	1.0	1.0	-

Telecommunications Manager	-	1.0	1.0	1.0	1.0	-
	11.0	11.0	11.0	11.0	11.0	-

\* Position reclassification occurred during FY 2015.

The Maintenance & Operations category decreased -7.4%, or -\$10,758, due primarily to the following activity:

- Decrease in multiple accounts (utilities and maintenance contracts) of -\$12,290 due primarily to cost reallocations as part of the relocation to the new City Hall. Information Technology now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for utilities and maintenance contracts (e.g. janitorial services) for the previous IT office space.
- Decrease in non-recurring of -\$2,000 due to FY 2015 including one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).
- Increase in travel/training of \$4,000 due to a continued focus on training and certification.

### **Emergency-911 Fund**

The FY 2016 Budget for the E-911 Fund totals \$4,279,431 and represents a decrease of -36%, or -\$2,441,390, compared to FY 2015. The main driver of this variance is the reserve (i.e. available fund balance) budgeted in FY 2015<sup>4</sup>. After adjusting for the reserve, the true operational budget growth totals 9%.

The Personnel Services category increased 0.7%, or \$14,937, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; an increase in the actuarially determined defined benefit pension contribution; which is partially mitigated through departmental turnover (and lower salary/benefit requirements).

Authorized personnel total 26.0 FTEs.

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	
Communications Officer*	14.0	14.0	14.0	14.0	13.0	(1.0)
Communications Shift Supervisor	5.0	5.0	5.0	5.0	5.0	-
Communications Training Coord. (Captain)	-	-	1.0	1.0	1.0	-
Public Safety Administrator (Battalion Chief)	-	-	1.0	-	-	-
Division Chief - Technology	-	-	-	1.0	1.0	-
Sr. Communications Officer*	4.0	4.0	4.0	4.0	5.0	1.0
IT Systems Administrator*	1.0	1.0	1.0	1.0	-	(1.0)
Network Analyst II*	-	-	-	-	1.0	1.0
	24.0	24.0	26.0	26.0	26.0	-

\* Position reclassification occurred during FY 2015.

<sup>4</sup> Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. A portion of this Reserve was used to fund the city's share of the North Fulton Radio Initiative. The carry-forward for FY 2016 will occur subsequent to adoption of the budget.

The Maintenance and Operations category increased 4%, or \$40,501, due primarily to BellSouth service costs and reflects budget adjustments necessary to cover the expenditure trend over the last several years.

The Capital category includes funding totaling \$986,000<sup>5</sup> to cover capital initiatives.

### **Impact Fee Fund**

The FY 2016 Budget totals \$46,350.

This fund accounts for fees assessed upon development activity. These fees are collected to pay for system improvements (recreation/parks, streets, and public safety) as detailed within the city's impact fee ordinance. Impact Fees in FY 2016 will be reserved for future system improvements.

### **Drug Enforcement Agency Fund**

This fund accounts for revenues received from the enforcement of drug laws and the confiscation of property from drug offender arrests that can be used by public safety to aid in drug enforcement activity. Funds cannot be used to supplant the Public Safety Department's normal operational budget.

The FY 2016 Budget for the DEA Fund totals \$631,727 and represents a decrease of -74.6%, or -\$1,850,986, compared to FY 2015. The main driver of this variance is the reserve (i.e. available fund balance) budgeted in FY 2015<sup>6</sup>. After adjusting for the reserve, the true operational budget growth totals 16%.

The Personnel Services category increased 4.9%, or \$11,415, due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016 and increases in group insurance premiums. Included in this funding is a Special Investigations Unit (three Police Officer positions) approved in FY 2014.

Authorized personnel total 3 FTEs.

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	
Officer	-	-	3.0	3.0	3.0	-
	-	-	3.0	3.0	3.0	-

The Maintenance and Operations category increased 30.7%, or \$39,522, due primarily to FY 2016 Operating Initiatives (Taser replacement program; please refer to the Operating Initiative section of this document for more information)

<sup>5</sup> Please refer to the Capital Initiatives tab of this document for detailed descriptions of the initiatives.

<sup>6</sup> Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. A portion of this Reserve was used to fund the city's share of the North Fulton Radio Initiative. The carry-forward for FY 2016 will occur subsequent to adoption of the budget.

which is partially offset through a reduction in estimated training and uniform costs.

The Capital category includes funding totaling \$208,000<sup>7</sup> to cover operating/capital initiatives.

### **Hotel/Motel Fund**

The FY 2016 Budget totals \$4,450,000.

This fund accounts for occupancy tax collections from area hotels and motels for the purpose of promoting conventions, tourism, and trade shows, while providing funds to facilitate economic vitality in downtown areas. The city levies a hotel/motel occupancy tax of 6% on total rental charges. The resulting revenue is distributed as follows: City of Alpharetta (40.00%); Alpharetta Convention & Visitor's Bureau (43.33%); and the Alpharetta Business Community (16.67%).

Hotel/Motel Tax collections are forecasted to grow 7% (budget-to-budget) to \$4.5 million due primarily to an increase in business spending on travel and training. However, year-to-date collections are trending 13% higher than FY 2014 and are conservatively estimated to total \$4.3 million by year-end.

### **Debt Service Fund**

The FY 2016 Budget totals \$3,564,998 and includes funding for: the payment of principal and interest on general long-term debt (\$3,559,998) and associated administrative fees (\$5,000).

### **Solid Waste Fund**

The FY 2016 Budget for the Solid Waste Fund totals \$3,305,455 and represents a decrease of -8.1%, or -\$289,463, compared to FY 2015. The main driver of this variance is the reserve (i.e. available fund balance) budgeted in FY 2015<sup>8</sup>. After adjusting for the reserve, the true operational budget growth totals 1%.

The Personnel Services category increased 1.9%, or \$1,199, due primarily to wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016 (although mitigated somewhat through turnover) and increases in group insurance premiums/coverage elections.

<sup>7</sup> Please refer to the Capital Initiatives tab of this document for detailed descriptions of the initiatives.

<sup>8</sup> Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget.

Authorized personnel total 1.0 FTE and represent the following:

	FTEs					Variance
	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	
Financial Services Representative	-	-	-	-	-	-
Customer Account Representative	1.0	1.0	1.0	1.0	1.0	-
	1.0	1.0	1.0	1.0	1.0	-

The Maintenance & Operations category increased 1%, or \$30,933, due to our private solid waste hauling contract (growth in the service base) and the funding of a dumpster to service downtown (fully offset through associated user fees).

### **Risk Management Fund**

The Risk Management Fund is responsible for funding all insurance premiums, workers compensation claims, etc.

The FY 2016 Budget for the Risk Management Fund totals \$1,264,200 and represents a decrease of -12.8%, or -\$186,108, compared to FY 2015. The main driver of this variance is the reserve (i.e. available fund balance) budgeted in FY 2015<sup>6</sup>. After adjusting for the reserve, the true operational budget growth totals 13%. This growth is driven through a combination of insurance premium increases/coverage changes (e.g. vehicle insurance, workers compensation excess liability insurance, etc.) and the actuarially determined funding for claims/judgments liabilities.

### **Medical Insurance Fund**

The Medical Insurance Fund is being created in fiscal year 2016 to properly account for activity under the City's Minimum Premium Plan (MPP) in accordance with Generally Accepted Accounting Principles.

Accounting rules dictate the creation of an Internal Service Fund to track activity under an MPP. As such, this fund does not represent new costs. Rather, it represents a flow of funds from the Operating Funds (e.g. employer/employee premiums) that does have the effect of grossing-up the totals as the appropriations are reflected in multiple Funds.

Under the MPP, the City and the medical insurer (CIGNA) agree that the City will be responsible for paying all claims up to an agreed-upon aggregate level, with the insurer responsible for the excess. The insurer will continue to process claims and administrative services. Through the MPP arrangement, the City is able to reduce premium taxes while maintaining coverage benefits. The MPP is still a fully insured medical plan.

The FY 2016 Budget totals \$6,658,514 and represents premiums (employer and employee) and the associated expenditures (administration, claims, and reserves). The operating funds (e.g. General Fund, E911 Fund, DEA Fund, and Sanitation Fund) all include group insurance expenses that represent the City's costs.

**Notes:**

- (1) Pursuant to the City's financial management policies, fund balance in excess of the City's current 21% Fund Balance Reserve can be used for one-time capital initiatives. Additionally, the budgetary presentation for fiscal years 2015 and 2016 assumes all appropriations will be spent; historically, a portion of the appropriations will go unspent which will augment the fund balance (i.e. the actual reduction in fund balance will be lower than what is presented above).

<i>Personnel (full-time-equivalent)</i>	<i>26.0</i>	<i>26.0</i>
---	-------------	-------------

**Notes:**

(1) Includes non-operating revenue and expenditures such as Carryforward Fund Balance and Non-Allocated/Reserves. The true operational budget growth after adjusting for non-operating items approximates 9%.

(2) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget. FY 2016 Reserve is allocated to cover capital initiatives as well as future Council approved initiatives.

(3) The FY 2015 budget included \$585,000 for radio replacements. FY 2016 represents funding for various types of public safety equipment (replacement/new). Please refer to the Capital Initiative section of this document for detailed information on the E911 funded capital investment for FY 2016.

# City of Alpharetta

<i>Personnel (full-time-equivalent) (3)</i>	24.0	24.0	26.0	26.0	26.0

**Notes:**

- (1) In order to accurately measure anticipated fund balance usage, this schedule omits the Carryforward Fund Balance and Non-Allocated/Reserve accounts.
- (2) FY 2015: The city appropriated approximately \$2.8 million from Reserve (e.g. fund balance) to fund a portion of the city's share of the North Fulton Radio System initiative. This initiative is 100% funded by the City of Alpharetta and is being tracked in a separate project (PEM01) to ensure transparency.  
FY 2016: This funding is being set aside for capital initiatives.
- (3) FY 2014 includes the reorganization of two full-time positions (Public Safety Administrator and Communications Training Coordinator) from the General Fund to the E-911 Fund as their job functions represent E-911 activities.

**Notes:**

- (1) In order to accurately measure anticipated fund balance usage, this schedule omits the Carryforward Fund Balance and Non-Allocated/Reserve accounts.
- Impact Fee monies for FY 2012 were transferred to the Debt Service Fund to offset debt service on general obligation bonds issued to fund (2) system improvements (recreation/parks, streets, and public safety). Impact Fees in FY's 2013-2016 are being reserved for future system improvements.

## City of Alpharetta

### Drug Enforcement Agency Fund

### Statement of Budgetary Comparisons (FY 2015-2016)

	FY 2015 Amended Budget	FY 2016 Recommended Budget	\$ Variance	% Variance
Fines and Forfeitures (1)	\$ 385,000	\$ 448,500	\$ 63,500	16.49%
Interest	1,504	227	(1,277)	-84.91%
Other Financing Sources:				
Budgeted Fund Balance	2,096,209	183,000	(1,913,209)	-91.27%
<b>Total Revenues (All Sources): (2)</b>	<b>\$ 2,482,713</b>	<b>\$ 631,727</b>	<b>\$ (1,850,986)</b>	<b>-74.55%</b>
Personnel Services (3)	\$ 234,205	\$ 245,620	\$ 11,415	4.87%
Maintenance and Operations (3)	138,585	178,107	39,522	28.52%
Capital (3)	1,311,129	208,000	(1,103,129)	-84.14%
Other Uses:				
Non-Allocated/Reserve (4)	798,794	-	(798,794)	-100.00%
<b>Total Expenditures (All Uses):</b>	<b>\$ 2,482,713</b>	<b>\$ 631,727</b>	<b>\$ (1,850,986)</b>	<b>-74.55%</b>

**Notes:**

(1) In past years, the annual budget relied primarily upon available fund balance (i.e. revenue collections in excess of expenditures/commitments). The FY 2015-2016 Budgets include an operational estimate of revenue collections.

(2) Includes non-operating revenue and expenditures such as Budgeted Fund Balance and Non-Allocated/Reserves. The true operation budget variance after adjusting for non-operating items approximates 16%.

(3) FY 2014 appropriations included startup funding for a Special Investigations Unit and associated equipment. FY 2015 appropriations represent baseline operational needs which is lower than the year one startup costs.

(4) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget. FY 2016 includes reserve funds available for allocation by the City Council towards operating/capital initiatives.

## Notes:

(1) The reduction in property tax revenue is primarily related to a decline in the underlying millage rate. Motor vehicle tax revenue is also declining due to the impact of House Bill 386 which phased out motor vehicle taxes on all vehicles titled on or after March 1, 2013. The city will still receive motor vehicle taxes on vehicles titled before March 1, 2013 until the vehicle is sold/transferred. The city is forecasting motor vehicle revenues to be fully phased-out over the seven year period ending in FY 2020.

(2) FYs 2015-2016 utilize available fund balance to offset a portion of the debt service requirements.

(3) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget.

<b>Total Expenditures (All Uses):</b>	<b>\$ -</b>	<b>\$ 6,658,514</b>	<b>\$ 6,658,514</b>	<b>-</b>

**Notes:**

The Medical Insurance Fund is being created in fiscal year 2016 to properly account for activity under the City's Minimum Premium Plan (MPP) in accordance with Generally Accepted Accounting Principles.

Accounting rules dictate the creation of an Internal Service Fund to track activity under an MPP. As such, this fund does not represent new costs. Rather, it represents a flow of funds from the Operating Funds (e.g. employer/employee premiums) that does have the effect of grossing-up the totals as the appropriations are reflected in multiple Funds.

Under the MPP, the City and the medical insurer (CIGNA) agree that the City will be responsible for paying all claims up to an agreed-upon aggregate level, with the insurer responsible for the excess. The insurer will continue to process claims and administrative services. Through the MPP arrangement, the City is able to reduce premium taxes while maintaining coverage benefits. The MPP is still a fully insured medical plan.

The FY 2016 Budget totals \$6,658,514 and represents premiums (employer and employee) and the associated expenditures (administration, claims, and reserves). The operating funds (e.g. General Fund, E911 Fund, DEA Fund, and Sanitation Fund) all include group insurance expenses that represent the City's costs.

## Mayor and City Council

### **Mission Statement**

To make a positive difference in the community by efficiently managing public resources and providing effective services and leadership that exceed the expectations of our citizens.

### **Core Values**

***Excellence:*** We believe that expectations are the starting point; not the destination. Every member of the City of Alpharetta Team shall be dedicated to the pursuit of continuous improvement in our results and how they are achieved.

***Stewardship:*** The citizens of Alpharetta have entrusted to us public resources and empowered us to protect, invest, and leverage them for the good and betterment of the community. We shall do so in a manner that reflects the highest ethics, exacting standards, and unwavering principles.

***Integrity:*** The trust of the public is the foundation of our ability to conduct the business of local government and realize the City's mission. Every member of the City of Alpharetta Team shall maintain her or his reputation for honesty, straightforwardness, fair dealing, and a sincere desire to serve in the best interest of the community and citizens of Alpharetta

***Service:*** The City of Alpharetta is committed to efficient, effective, and responsive service delivery that makes a positive difference in the community and the lives of those we serve. We shall proactively address issues and pursue opportunities, act with humility, and deliver more than what is expected.

***Loyalty:*** Through our every word and action we shall serve, protect, and promote the community and citizens of Alpharetta; advance the City's mission; and support and work in unity with those with whom we serve.

### **Community Vision**

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ Offering the highest quality of environment for our residents and businesses;
- ✓ Fostering strong sense of community including safety and security;
- ✓ Providing a business climate that attracts the top echelon companies.

## City Administration

**BOB REGUS**  
CITY ADMINISTRATOR

BRegus@alpharetta.ga.us

**JAMES DRINKARD**  
ASSISTANT CITY  
ADMINISTRATOR

JDrinkard@alpharetta.ga.us

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals, and objectives to facilitate achievement of our mission.

## City Administration

*Administration, Internal Audit, City Attorney, City Clerk, Public Information, Grants Administration, and Economic Development*

### **Mission Statement**

The mission of the City Administrator's Office is to carry out the policies and implement the goals established by the City Council in providing services to the citizens in the most effective and economical manner while promoting awareness and understanding of services, policies, information, programs, and priorities that results in an informed and participative community.

### **Goals and Objectives**

- ✓ To improve quality of service to citizens of the City of Alpharetta;
- ✓ To improve morale and promote teamwork among all employees;
- ✓ To improve coordination and administration of interdepartmental activities;
- ✓ To promote better communication between all levels of government and the citizens;
- ✓ To use technology to improve processes for citizen input into facets of governance;
- ✓ To expand funding opportunities through grant resources;
- ✓ To increase the public/government interaction through the City's web site; and
- ✓ Oversee the Economic Development efforts for the City.

### **Key Issues**

- ✓ Continue the development of a "customer-driven" organizational culture among the staff;
- ✓ Strengthen the relationship between the City Council and staff - building bridges in communication to facilitate the relationship;
- ✓ Continue the informative, cooperative endeavor of providing the best available information for the City Council to remain effective and successful in their offices;

- ✓ Meet the service provision and service level demand of the citizens while ensuring the most cost effective delivery of those services;
- ✓ Continue efforts toward more effective communication strategies with citizens through enhanced public awareness and public education programs;
- ✓ Seek to work with the local legislative delegation on the introduction or support of legislation that benefits the City of Alpharetta and its citizens;
- ✓ Anticipate the future population and area growth of the City as a result of continued development and annexations, ensuring staff meets the expectations of existing and new residents;
- ✓ Continue efforts toward enhancing the compensation and benefits package to attract and retain the very best employees; and
- ✓ Continue to seek alternative private and public funding sources to procure equipment, improve internal operations, enhance service delivery, and accomplish municipal projects.

# **5-YEAR FINANCIAL SUMMARY**

<b>CITY OF ALPHARETTA</b> <b>RECOMMENDED BUDGET FY 2016</b> <b>CITY ADMINISTRATION</b> <b>Five-Year Financial Summary</b>					
	<b>Actual FY 2012</b>	<b>Actual FY 2013</b>	<b>Actual FY 2014</b>	<b>Amended Budget FY 2015</b>	<b>Recommended Budget FY 2016*</b>
<b>Revenue</b>	\$ 301,216	\$ 253,139	\$ 255,478	\$ 242,500	\$ 15,000
% Change		-16.0%	0.9%	-5.1%	-93.8%
average 5-year percent change		-28.5%			
<b>Expenditures</b>	\$ 1,693,685	\$ 2,281,112	\$ 2,651,746	\$ 2,757,924	\$ 2,056,082
% Change		34.7%	16.2%	4.0%	-25.4%
average 5-year percent change		7.4%			

\*Variance due primarily to the transfer of the City's Special Event Division from the City Administration Department to the Recreation & Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). Revenue generation is estimated at \$219,500.

**Notes**

- Variance due primarily to: wage increases associated with the 3.0% performance based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends), increases in group insurance premiums, an increase in the actuarially determined defined benefit pension contribution, all of which is offset through the transfer of the Special Events Division to the Recreation & Parks Department (note below).
- (2) Variance is due primarily to costs associated with conducting the November 2015 municipal election.
- (3) Variance is due to advertising expenses for the November 2015 municipal election and multiple sponsorship initiatives including GAMEVID Expo and Alpharetta Chamber of Commerce.
- (4) Variance is due to software maintenance costs associated with the website upgrade (Sitefinity) and agenda management software (BIS).
- Variance due primarily to cost reallocations as part of the relocation to the new City Hall. City Administration now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for utilities and maintenance contracts (e.g. janitorial services) for the previous City Administration office space.
- (6) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.) and the City Center grand opening event.
- Variance due primarily to the transfer of the City's Special Event Division from the City Administration Department to the Recreation & Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). Revenue generation is estimated at \$219,500.

			<b>subtotal</b>			<b>\$ 250</b>	<b>\$ 250</b>
			<b>Internal Audit Total</b>			<b>\$ 6,855</b>	<b>\$ 7,498</b>
			<b>City Administration Department Total</b>			<b>\$ 959,984</b>	<b>\$ 521,991</b>

\*Variance due primarily to the transfer of the City's Special Event Division from the City Administration Department to the Recreation & Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). Revenue generation is estimated at \$219,500.

## Community Development

KATHI COOK  
DIRECTOR

kcook@alpharetta.ga.us

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals and objectives to facilitate achievement of our mission.

## Community Development

*Administration, Building Safety, Development Services, Zoning, and Code Enforcement*

### **Mission Statement**

To protect and enhance the lives of Alpharetta citizens by guiding the city's growth and safeguarding the built environment.

### **Goals and Objectives**

- ✓ Enforce the standard building code and zoning code;
- ✓ Provide building inspections within 48 hours of request;
- ✓ Provide efficient plans processing and permitting;
- ✓ Provide quality support to boards and commissions staffed by Community Development;
- ✓ Provide the highest quality of customer service;
- ✓ Maintain and update demographic, statistical and other data, maps and materials;
- ✓ Process all public hearings in the most efficient manner possible;
- ✓ Maintain and process business licenses for the City; and
- ✓ Collaborate with the Economic Development Division (City Administration) to fulfill the vision of the City of Alpharetta as the preeminent place to live, work, learn and play.

	<b>20.0</b>	<b>20.0</b>	<b>23.0</b>	<b>23.0</b>		<b>23.0</b>	<b>23.0</b>		

*Notes*

- (1) Variances are based on year-to-date revenue collection trends.
- (2) Variance due primarily to: wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; which is partially offset through targeted position reallocations (and associated salary reductions) within the Department.
- (3) Variance due primarily to cost reallocations as part of the relocation to the new City Hall. Community Development now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for rent, utilities, and maintenance contracts (e.g. janitorial services) for the previous Community Development office space. The reduction in the maintenance contracts account is partially offset through an increase in coffee service expenses as Community Development is responsible for funding coffee service in the City Hall break room which is adjacent to their new office space.
- (4) Variance is based on anticipated training needs.
- (5) Variance due primarily to a reduction in estimated maintenance and support costs for the City works asset management and permitting software currently being implemented.
- (6) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

## Public Works

PETE SEWCZWICZ  
DIRECTOR

PSewczwicz@alpharetta.ga.us

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals and objectives to facilitate achievement of our mission.

## Public Works

*Administration, Conservation, and Public Works*

### **Mission Statement**

The Department of Public Works is committed to providing cost effective engineering, maintenance and design solutions through the highest possible professionalism which protects, preserves and improves the City of Alpharetta's infrastructure. Our focus shall include traffic, streets, stormwater, and environmental conservation.

### **Goals and Objectives**

- ✓ Improve and maintain the City of Alpharetta infrastructure at the highest possible level and to enhance and promote the quality of life;
- ✓ Provide engineering professionalism to ensure growth and progress for the City of Alpharetta;
- ✓ Provide consistent Public Works functions and operations that afford future excellence in growth and expansion for the City of Alpharetta;
- ✓ Improve intergovernmental relations;
- ✓ Provide more efficient support and response for the citizens of Alpharetta;
- ✓ Develop strategic, long-range plans for the future; and
- ✓ Ensure timely completion of repairs on work projects so the disruption of service to the customer is minimal.

**Notes**

- (1) The departmental reorganization instituted in FY 2013 reallocated all permitting functions from the Public Works Department to the Community Development Department. As such, all permit related revenue (e.g. tree removal permits and soil erosion permits) is now accounted for within the Community Development Department budget.
- (2) Variance due primarily to: wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends); increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution.
- (3) Variance is primarily related to anticipated maintenance needs for the new City Hall and Parking Garage. This funding was contained within the maintenance contracts account for FY 2015 and is now being broken out to the appropriate accounts based on usage.
- (4) Variance is based on anticipated training needs.
- (5) FY 2015 included partial-year estimated maintenance costs for the new City Hall, Parking Garage, and Park/Town Green within the maintenance contracts account. This funding is now being broken out to the appropriate accounts based on usage. Also, Public Works will not be responsible for funding maintenance on the Park/Town Green and this funding has been reallocated to the Parks Department (\$160,500). Additionally, \$25,000 has been reallocated from HVAC maintenance within Public Works to the same account within the Parks Department. The Parks Department will leverage their staff to manage HVAC maintenance needs within the parks system.
- (6) Variance due to multiple initiatives including a reconciliation of our Microsoft Licensing Agreement to reflect our actual number of users (prior years were low), a migration to Office 365 which will bring multiple operational efficiencies and increased capabilities, and additional bandwidth (circuit connections).
- (7) Variance is primarily related to anticipated supply needs for the new City Hall and Parking Garage. This funding was contained within the maintenance contracts account for FY 2015 and is now being broken out to the appropriate accounts based on usage.
- (8) Variance is due to anticipated utility costs for the new City Hall, Parking Garage, and Park/Town Green as well as general growth in utility costs citywide.
- (9) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

\* Positions are not funded in the Budget.

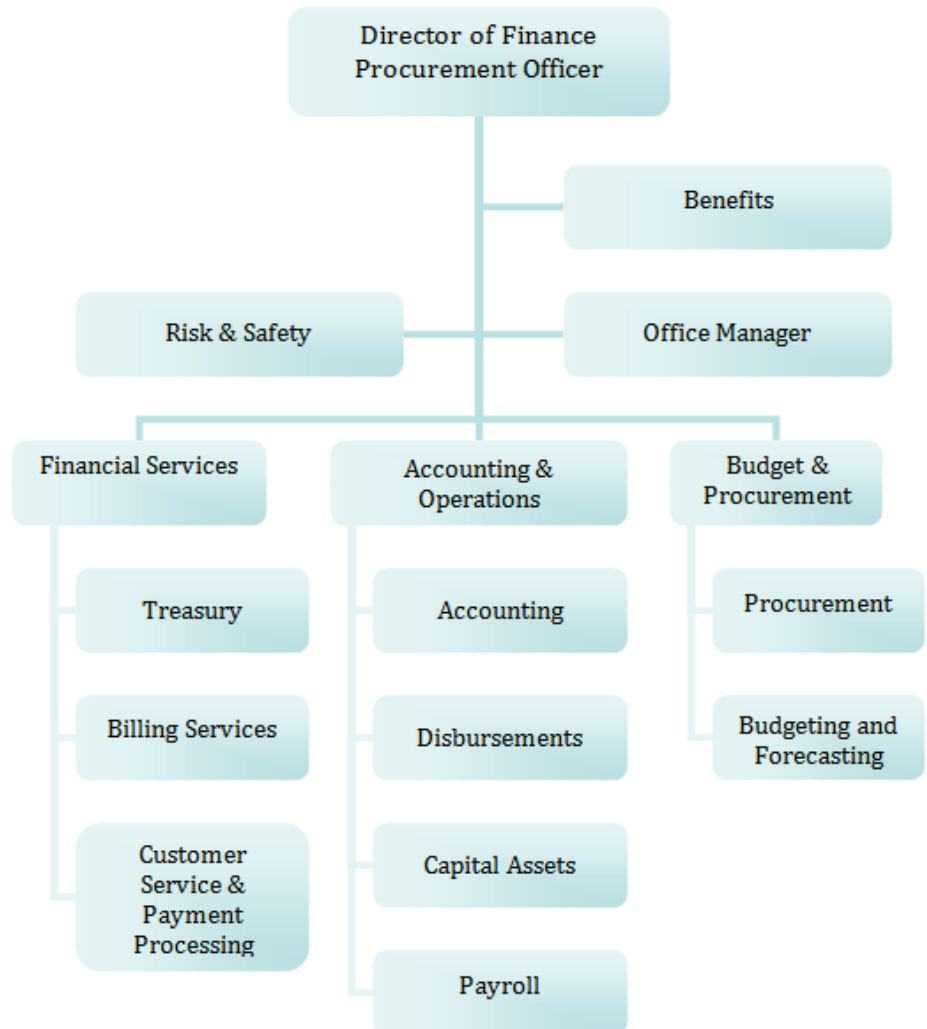

\*\*Three positions were reorganized into the Community Development Department in FY 2013 to improve service and availability to our permit customers(one Senior Engineer (Transportation), one Engineer (Stormwater), and one Arborist).

\*\*\* 1st two items with "n/a" are no longer performed by Public Works. Community Development handles all plan review.

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals and objectives to facilitate achievement of our mission.

## Finance

*Administration, Accounting, Budgeting, Employee Benefits and Compensation, Procurement, Risk Management, Treasury, Internal and External Service*

### **Mission Statement**

The mission of the Finance Department is to plan, receive, monitor, safeguard, invest, account, and expend the financial resources of the City of Alpharetta in the highest legal, ethical, and professional standard practical, and to respond to the service needs of our internal and external customers in a timely, courteous and accurate manner.

### **Goals and Objectives**

- ✓ Implementation of a finance/human resources system that utilizes current technology and provides heightened data analysis functionality and increases overall staff efficiencies;
- ✓ Process and procedure documentation program – conduct a comprehensive review of team processes, procedures, and practices;
- ✓ Expansion of the financial planning process – continue the development of a comprehensive long-term capital improvement program and multi-year budgeting, forecasting, and planning in order to more accurately predict our financial position in future years, and the impact current year decisions have on the city's long-range financial position;
- ✓ Update to Financial Management Program (e.g. policy revisions); and
- ✓ Design and administer innovative and cost-effective benefit programs (e.g. Health Savings Accounts and enhanced Wellness Program) that meet the needs of today's diverse workforce and enhance the city's ability to attract, retain and reward employees.

	<b>25.0</b>	<b>24.0</b>	<b>24.0</b>	<b>24.0</b>		<b>24.0</b>	<b>24.0</b>		

**Notes**

- (1) Variance due primarily to: wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends); increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution.
- (2) Variance is based on funding for asset management services, investment advisor services, auditing services, and temporary labor services and reflects budget adjustments necessary to cover the expenditure trend over the last several years.
- (3) Variance is based on year-to-date expenditure trends coupled with reduced printing estimates (e.g. CAFR copies, PAFR copies, etc.).
- (4) Variance due primarily to cost reallocations as part of the relocation to the new City Hall. Finance now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for utilities and maintenance contracts (e.g. janitorial services) for the previous Finance office space. The reduction in maintenance contracts is offset through support costs arising from software implementations in FY 2015 aimed at augmenting multiple facets of finance operations including procurement (online procurement solicitation software), contract management and workflow, and financial transparency.
- (5) Variance is based primarily on the discontinuation of SunGard software maintenance now that Munis Financial ERP has been fully implemented.
- (6) Variance is based primarily on year-to-date postage expenditure trends.
- (7) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).
- (8) Variance due to the removal of flu-shots funding as it is covered under group insurance premiums.

## Public Safety

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals and objectives to facilitate achievement of our mission.

## Public Safety

*Administration, Police, Fire, and Emergency 911*

### **Mission Statement**

*Public Safety:* Expand joint efforts between Police and Fire, particularly in the area of training, emergency management, and community outreach.

*Police Services* strives to ensure the highest quality of life for its citizens through developing and maintaining partnerships with the community. We take pride in the fact that all contacts with the public are professional and at all times personify the highest levels of honor, integrity, ethics and justice, entrusted to us by those we are sworn to serve.

*Fire and Emergency Services* is a proactive, customer oriented emergency services provider. Our objective is to provide the best possible fire and emergency medical services. Our goal is to maximize the saving of lives, minimize the loss of property and avoid loss whenever possible through prevention and education.

**Director of Public Safety**

### **Goals and Objectives**

#### ***Police Services***

- ✓ Crime Prevention – Partner with the community through the Police Athletic League (PAL), Alpharetta Community of Excellence (ACE) program, Crime-Free Multifamily Housing, and Business Watch programs, building partnerships and mitigating problems through education and enforcement;
- ✓ Uniform Patrol - Increase visible presence in the community with an emphasis on residential neighborhoods;
- ✓ Criminal Investigation - Maintain a case clearance rate above national averages through strong local investigative efforts and appropriate partnerships with other federal, state and local law enforcement agencies; and
- ✓ Traffic Safety - Identify and address traffic concerns through engineering, education, and enforcement. Build the effectiveness of specialty teams including DUI enforcement, bicycle and commercial vehicle inspection.

#### ***Fire Services***

- ✓ Maintain a minimum on-duty staffing level of not less than 25 Firefighter/EMT or Paramedics at all times;

- ✓ Assure all firefighters are certified at the National Professional Qualifications Firefighter II Level;
- ✓ Maintain a minimum of 240 hours of annual training and career development for each career firefighter;
- ✓ Place the first fire apparatus on the scene of an emergency within five minutes of dispatch at least 90% of the time;
- ✓ Place a minimum of 15 firefighters on the scene of a structure fire within seven minutes of dispatch at least 90% of the time;
- ✓ Place an advance life support paramedic on the scene of a medical emergency within five minutes of dispatch at least 90% of the time;
- ✓ Present programs of fire safety education to 80% of all preschool children and 95% of all first and fourth grade students who reside within the City; and
- ✓ Conduct a fire safety inspection and/or design a pre-fire plan for every non-residential occupancy annually.

- Notes:**
- (1) The Avalon development opened during FY 2015 and resulted in an increase in applications for alcohol pouring permits and the associated Georgia Bureau of Investigation (GBI) fingerprint/background check fees. GBI charges \$42.50 for each fingerprint/background check. The City passes through these costs (including a markup for overhead) to applicants. The FY 2016 Budget forecasts a reduction in the # of GBI background checks to a more sustainable trend.
- (2) Variance based on year-to-date revenue collection trends. Growth is being driven through an increase in enforcement citations.
- (3) Variance due primarily to: wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends); increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution.
- (4) Variance based on current vehicle maintenance trends which have increased along with the targeted mileage expectancy of patrol vehicles. Raising the mileage expectancy saves capital costs (i.e. vehicle purchases) in the short-term through increasing the life of the fleet but also results in an increase in repair costs as higher mileage vehicles are maintained in the fleet. FY 2012 included fuel expense within this account.
- (5) Variance is based on anticipated training and certification needs (and associated travel).
- (6) Variance due primarily to a forecasted reduction in red light camera lease revenues and corresponding lease payments. Additional expenditure requirements arise from multiple software implementations in FY 2015 aimed at augmenting the enforcement and detection of criminal activity (e.g. evidence tracking software maintenance, criminal investigation software maintenance, etc.).
- (7) Variance due to multiple initiatives including a reconciliation of our Microsoft Licensing Agreement to reflect our actual number of users (prior years were low), a migration to Office 365 which will bring multiple operational efficiencies and increased capabilities, and additional bandwidth (circuit connections).
- (8) Variance based on year-to-date expenditure trends.
- (9) The city's capital lease (including fire truck leases) portfolio was refinanced in FY 2013 to take advantage of lower interest rates which resulted in lower overall interest expenses. Due to the varying maturities and original amortizations, there will be variances in interest expense from one year to another. Overall, the interest expense is significantly less than in prior years. Main variance due to FY 2016 operational initiatives related to the capital lease replacement of Fire Engine 3 (please refer to the Operating Initiative section of this document for more information).

## Human Resources

---

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals and objectives to facilitate achievement of our mission.

## Human Resources

*Administration, Employee Recruitment and Retention*

### **Mission Statement**

It is the mission of the Human Resources Team to recruit, retain, and develop an efficient, creative, and professional workforce capable of meeting the current and future needs and expectations of the City of Alpharetta and the citizens and customers whom we exist to serve.

### **Synopsis**

To successfully carryout our core mission, the Human Resources Team shall:

- ✓ Ensure that employees are provided the same concern, respect, and caring attitude within the organization that they are expected to share with every customer, both external and internal;
- ✓ Act as a catalyst enabling all employees to contribute at optimum levels towards the success of the community and the City of Alpharetta;
- ✓ Establish, administer, and effectively communicate sound policies, rules, and practices that treat employees with dignity and equality while maintaining compliance with employment and labor laws, organizational directives, and the vision and values of the City of Alpharetta;
- ✓ Consult with senior management and supervisory personnel on human resources matters regarding staffing, organizational effectiveness, training and development, motivation and discipline, compliance, and related matters; and
- ✓ Work in support of the Benefits Team (Finance Department) to develop and provide a competitive salary and benefit package that supports our employees and meets the needs and goals of the City of Alpharetta.

### **Goals and Objectives**

- ✓ Develop and maintain appropriate personnel policies and procedures that provide flexibility in the management of personnel while maintaining compliance with current employment law and practice so as to effectively protect the City;
- ✓ Develop and deliver effective training programs to all employees so as to constantly improve customer service delivery, efficiency of operations, and the overall effectiveness and professionalism of the organization;
- ✓ Identify and develop internal talent;
- ✓ Develop and maintain a Strategic Human Resources Plan to ensure continuity of operations, effective succession planning in key positions, appropriate staffing to

meet City goals and customer service expectations, and anticipate fiscal needs and impacts;

- ✓ Improve operational efficiency and reduce costs by elevating the overall health of our employees; and
- ✓ Elevate and maintain morale by improving communications with employees and fostering an information rich environment.

<i>Notes</i>	
(1)	Variance is due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; and an increase in the actuarially determined defined benefit pension contribution.
(2)	Variance due to funding for a legal review of the Employee Handbook.
(3)	Variance based on year-to-date expenditure trends.
(4)	Variance due primarily to cost reallocations as part of the relocation to the new City Hall. Human Resources now resides in the new City Hall and the associated maintenance/operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for utilities and maintenance contracts (e.g. janitorial services) for the previous HR office space.
(5)	FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).
(6)	Variance based on historical and year-to-date expenditure trends.

## Municipal Court

---

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals and objectives to facilitate achievement of our mission.

## Municipal Court

*Administration, Employee Recruitment and Retention*

### **Mission Statement**

To grow and maintain sufficient staffing, infrastructure and general court services for the City of Alpharetta; to educate and inform persons who attend court; to ensure the citizens' rights are observed and protected; to achieve justice and fundamental fairness in all matters including cases that go to trial and those that are settled pre-trial; and to efficiently and responsibly serve all citizens living in the community.

### **Goals and Objectives**

- ✓ Provide professional, quality service;
- ✓ Monitor court sessions and continue to improve efficiency;
- ✓ Develop operations guide to use internally;
- ✓ Enhance the GBS court Software system;
- ✓ Develop activity reports;
- ✓ Enhance reporting to state and city departments;
- ✓ Review and enhance current reports/forms;
- ✓ Enhance the current data that is shared between Court/Police;
- ✓ Review, improve, and update day to day operations;
- ✓ Provide proper training to insure compliance with all State laws and regulations;  
and
- ✓ Continue to cross-train employees.

Notes

- (1) Please note: Departmental operations often impact numerous revenue sources that are accounted elsewhere within the city's budget. For example, the Municipal Court Department is instrumental in the collection of Municipal Court Fine revenues. These revenues are accounted for in the Public Safety Department but are reliant, in part, on the work of the Municipal Court Department.
- (2) Variance due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016; increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; and a reallocation of available funding in FY 2015 to fund a replacement copier.
- (3) Variance due primarily to a reduction in anticipated funding needs for specialty files, folders, and labels.
- (4) Variance due primarily to increased funding for copier consumables based on historical usage trends. Also, copier consumables (e.g. toner) are now funded through Maintenance Contracts (under a service contract) whereas prior to FY 2015, toner was charged to General Supplies and sourced through our State Contract vendor.
- (5) Variance due to multiple initiatives including a reconciliation of our Microsoft Licensing Agreement to reflect our actual number of users (prior years were low), a migration to Office 365 which will bring multiple operational efficiencies and increased capabilities, and additional bandwidth (circuit connections).
- (6) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

## Recreation and Parks

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals, and objectives to facilitate achievement of our mission.

## Recreation and Parks

*Administration, Adult Activity Center, Aquatics, Athletics, Community Center, Cultural Arts, Equestrian Center, Wills Park Recreation Center, Special Events, and Parks Maintenance*

### **Mission Statement**

The Alpharetta Recreation and Parks Department strives to promote the highest quality recreation programs and park facilities to our citizens consistent with our core values of Excellence, Stewardship, Integrity, Service and Loyalty.

### **Goals and Objectives**

- ✓ Implement Recreation and Parks Master Plan 2025 as funded and prioritized by City Officials;
- ✓ Maintain NRPA/CAPRA accreditation;
- ✓ Develop a short/long term facility maintenance plan for all department facilities;
- ✓ Implement new programs where there is a need to serve residents;
- ✓ Complete conceptual design plans for City Pool;
- ✓ Finalize preferred route for northern Greenway extension;
- ✓ Complete drainage improvement project between Webb Bridge Road and Marconi Drive (LWCF project);
- ✓ Utilize City work order management system; and
- ✓ Increase revenues through increased participation and sponsorships.

# **5-YEAR FINANCIAL SUMMARY**

<b>CITY OF ALPHARETTA</b> <b>RECOMMENDED BUDGET FY 2016</b> <b>RECREATION &amp; PARKS</b> <b>Five-year Financial Summary</b>					
	<b>Actual FY 2012</b>	<b>Actual FY 2013</b>	<b>Actual FY 2014</b>	<b>Amended Budget FY 2015</b>	<b>Recommended Budget FY 2016*</b>
<b>Revenue</b>	\$ 1,820,721	\$ 2,012,114	\$ 2,035,007	\$ 1,885,034	\$ 2,327,000
<i>% Change</i>		10.5%	1.1%	-7.4%	23.4%
<i>average 5 year percent change</i>		6.9%			
<b>Expenditures</b>	\$ 6,120,896	\$ 6,115,651	\$ 6,239,989	\$ 6,901,232	\$ 8,288,752
<i>% Change</i>		-0.1%	2.0%	10.6%	20.1%
<i>average 5 year percent change</i>		8.2%			

\*Variance due primarily to the transfer of the City's Special Event Division from the City Administration Department to the Recreation & Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). FY 2016 operating initiatives for the Special Events Division totals \$27,250 and is in addition to the reallocation amount discussed above. Revenue generation for the Special Event Division is estimated at \$219,500.

**Notes**

- (1) Variance based on a reconciliation of forecasted program attendance and year-to-date revenue collection trends.  
Variance due primarily to wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends); increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; and the transfer of the Special Events Division to the Recreation & Parks Department (note below).
- (2) Variance is based on year-to-date expenditure trends across multiple programs including decreased expenses associated with bank fees and professional studies (funded through capital) which is partially offset through increased instructor/league fees for performing arts, gymnastics, and fireworks.
- (3) Variance is due to anticipated increases in grounds maintenance at Rock Mill Park (e.g. boardwalk).
- (4) Variance is due primarily to a reallocation of funding from Public Works for maintenance on the Park/Town Green at City Center as well as HVAC maintenance. The Recreation and Parks Department is responsible for maintenance of the City Center Park/Town Green and will leverage their staff to manage HVAC maintenance needs within the parks system. Additionally, growth in Equestrian Center events has led to increases in stall cleaning and manure removal contract expenses (offset through additional revenue collections).
- (5) Variance is based on historical and year-to-date expenditure trends.
- (6) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).
- (7) Includes funding for: replacement of septic pumps at Webb Bridge Park; purchase and installation of security cameras at the Wills Park Recreation Center; replacement of 6 life guard stands and 60 lounge chairs for the pool; and general equipment needs (e.g. playground parts).
- (8) Variance due primarily to the transfer of the City's Special Event Division from the City Administration Department to the Recreation & Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). FY 2016 operating initiatives for the Special Events Division totals \$27,250 and is in addition to the reallocation amount discussed above. Revenue generation for the Special Event Division is estimated at \$219,500.

				CITY CENTER PARK MAINTENANCE (INCLUDING FOUNTAINS AND LIBRARY)	-	160,500
				<i>subtotal</i>	<b>-</b>	<b>160,500</b>
<b>City Center Park Maintenance Total</b>					<b>\$ -</b>	<b>\$ 160,500</b>
<b>Recreation and Parks Department Total</b>					<b>\$ 3,006,102</b>	<b>\$ 3,992,134</b>

\*Variance due primarily to the transfer of the City's Special Event Division from the City Administration Department to the Recreation & Parks Department. The Special Events Division includes 3 full-time-equivalent positions (2 full time; 2 part-time) and associated maintenance and operations funding (total FY 2016 reallocation of \$985,553 = \$357,059 for personnel services and \$628,494 for maintenance/operations). FY 2016 operating initiatives for the Special Events Division totals \$27,250 and is in addition to the reallocation amount discussed above. Revenue generation for the Special Event Division is estimated at \$219,500.

Adopted: June 15, 2015

## Information Technology

---

Our Community Vision is to advance Alpharetta as a signature City by:

- ✓ *Offering the highest quality of environment for our residents and businesses;*
- ✓ *Fostering strong sense of community including safety and security; and*
- ✓ *Providing a business climate that attracts the top echelon companies.*

Our Community Vision serves as the guiding principles for the planning and operation of our city government and each department structures its mission, goals and objectives to facilitate achievement of our mission.

## Information Technology

*Administration, Network, and Systems*

### **Mission Statement**

Information Technology's mission is to provide high quality technology products, services and human resources to City departments that enable them to accomplish their goals and objectives. The Information Technology Department strives to continuously improve the delivery of services and minimize costs while accommodating future City growth.

### **Goals and Objectives**

As we accomplish our mission, the City of Alpharetta Information Technology Department will be known to provide high quality services by:

- ✓ Being recognized by City departments as having a high level of skill and knowledge;
- ✓ Providing excellent serves to all City departments as measured by the City's performance standards;
- ✓ Acquiring and supporting proven, sustainable technology solutions that are continually maintained and updated; and
- ✓ Helping City departments to improve and extend the functionality of major systems by offering systems integration and software development services.

**Notes**

- (1) Variance due primarily to: wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends); increases in group insurance premiums; an increase in the actuarially determined defined benefit pension contribution; and targeted pay adjustments to several team members to bring them in line with the local market.
- (2) Variance due primarily to cost reallocations as part of the relocation to the new City Hall. Information Technology now resides in the new City Hall and the associated maintenance/ operating costs are tracked within the Public Works Department. FY 2015 included partial year funding for utilities and maintenance contracts (e.g. janitorial services) for the previous IT office space.
- (3) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).

<b>Full-time Equivalent Positions (1)</b>	24.0	24.0	26.0	26.0		26.0	26.0		

**Notes:**

- (1) Variance based on year-to-date revenue collection trends.
- (2) Variance due primarily to: wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends); an increase in the actuarially determined defined benefit pension contribution; which is partially mitigated through departmental turnover (lower salary/benefit requirements).
- (3) Variance is based on BellSouth service costs and reflects budget adjustments necessary to cover the expenditure trend over the last several years.
- (4) Variance due to multiple initiatives including a reconciliation of our Microsoft Licensing Agreement to reflect our actual number of users (prior years were low), a migration to Office 365 which will bring multiple operational efficiencies and increased capabilities, and additional bandwidth (circuit connections) all of which was offset by the implementation of FireHouse mobile initiatives in FY 2015 that included upfront funding of \$21,660 for software/iPads.
- (5) FY 2015 included one-time funding for the citywide rebranding initiative (e.g. forms, business cards, uniforms, etc.).
- (6) This funding represents a portion of the city's share of the North Fulton Radio System costs. This initiative is 100% funded by the City of Alpharetta and is being tracked in a separate project (PEM01) to ensure transparency.
- (7) This funding is for programming/design of a potential E-911 Facility Expansion.
- (8) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget. FY 2016 appropriations are available to fund capital investment (please refer to the Capital Initiatives section of this document for specific project information).
- (9) Represents funding for various types of public safety equipment (replacement/new). Please refer to the Capital Initiative section of this document for detailed information on the E911 funded capital investment for FY 2016.

**Notes:**

- (1) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget.
- (2) Impact Fee monies for FY 2012 were transferred to the Debt Service Fund to offset debt service on general obligation bonds issued to fund system improvements (recreation/parks, streets, and public safety). Impact Fees in FY's 2013-2016 are being reserved for future system improvements.

Notes

- (1) In past years, the annual budget relied primarily upon available fund balance (i.e. revenue collections in excess of expenditures/commitments). The FY 2015-2016 Budgets include an operational estimate of revenue collections.
- (2) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget. FY 2016 includes reserve funds available for allocation by the City Council towards operating/capital initiatives.
- (3) Variance due primarily to wage increases associated with the 3.0% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends) and increases in group insurance costs.
- (4) This funding variance represents prior-year capital projects that are in process and do not require additional funds through the FY 2016 budget (unspent appropriations at 2015 fiscal year end will carry forward into FY 2016).
- (5) Represents funding for various types of public safety equipment (replacement/new). Please refer to the Capital Initiative section of this document for detailed information on the DEA funded capital investment for FY 2016.
- (6) Represents funding for a Taser Leasing program. Please refer to the Operating Initiative section of this document for detailed information on the leasing program.

	(4) Debt Service Reserve	-	-	-	-	748,267	748,267	-	-100.0%	(748,267)
	<b>Total</b>	<b>\$ 11,636,310</b>	<b>\$ 3,682,976</b>	<b>\$ 21,335,874</b>	<b>\$ 3,585,898</b>	<b>\$ 748,267</b>	<b>\$ 4,334,165</b>	<b>\$ 3,564,998</b>	<b>-17.7%</b>	<b>\$ (769,167)</b>

**Notes:**

- (1) The reduction in property tax revenue is primarily related to the drop in the underlying millage rate as the city's debt service has declined. Motor vehicle tax revenue is also declining due to the impact of House Bill 386 which phased out motor vehicle taxes on all vehicles titled on or after March 1, 2013. The city will still receive motor vehicle taxes on vehicles titled before March 1, 2013 until the vehicle is sold/transferred. The city is forecasting motor vehicle revenues to be fully phased-out over the seven year period ending in FY 2020.
- (2) FYs 2015-2016 utilize available fund balance to offset a portion of the debt service requirements.
- (3) The city's General Fund transferred over \$6.0M to smooth the tax levy necessary to support escalating debt service requirements from 2007-2011. This figure represents the available balance that can be utilized for capital initiatives.
- (4) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget.

**Notes**

- (1) Variance due primarily to: wage increases associated with the 3% performance-based merit program scheduled for April 1, 2016 (contingent upon a mid-year review of revenue trends); increases in group insurance premiums/coverage elections; and an increase in the defined benefit pension contribution.
- (2) This activity is primarily attributable to our private solid waste hauling contract and the funding of a dumpster to service downtown (fully offset through associated user fees). 2016 Variance is due primarily to growth in the city's service base.
- (3) FYs 2014-2016 activity for recycling fees is accounted for under the Solid Waste Collection Fees account.
- (4) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carry-forward for FY 2016 will occur subsequent to adoption of the budget.

Notes:

- (1) Annually after the year-end accrual period (i.e. September), the city carries-forward available fund balance and places in a Reserve account. The purpose is to provide elected officials, city staff, citizens, and stakeholders with a transparent view of the funding available for future initiatives. The carryforward for FY 2014 will occur subsequent to adoption of the budget.
- (2) Variances are based on current year-to-date premium expenditures.

# **MEDICAL INSURANCE FUND**

# **5-YEAR FINANCIAL SUMMARY**

<b>CITY OF ALPHARETTA RECOMMENDED BUDGET FY 2016 MEDICAL INSURANCE FUND (FUND 605) Five-Year Financial Summary</b>					
	<b>Actual FY 2012</b>	<b>Actual FY 2013</b>	<b>Actual FY 2014</b>	<b>Amended Budget FY 2015</b>	<b>Recommended Budget FY 2016</b>
<b>Revenue</b>	\$ -	\$ -	\$ -	\$ -	\$ 6,658,514
<i>% Change</i>		0.0%	0.0%	0.0%	-
<i>average 5-year % change</i>		0.0%			
<b>Expenditures</b>	\$ -	\$ -	\$ -	\$ -	\$ 6,658,514
<i>% Change</i>		0.0%	0.0%	0.0%	-
<i>average 5-year % change</i>		0.0%			

The Medical Insurance Fund is being created in fiscal year 2016 to properly account for activity under the City's Minimum Premium Plan (MPP) in accordance with Generally Accepted Accounting Principles.

Accounting rules dictate the creation of an Internal Service Fund to track activity under an MPP. As such, this fund does not represent new costs. Rather, it represents a flow of funds from the Operating Funds (e.g. employer/employee premiums) that does have the effect of grossing-up the totals as the appropriations are reflected in multiple Funds.

Under the MPP, the City and the medical insurer (CIGNA) agree that the City will be responsible for paying all claims up to an agreed-upon aggregate level, with the insurer responsible for the excess. The insurer will continue to process claims and administrative services. Through the MPP arrangement, the City is able to reduce premium taxes while maintaining coverage benefits. The MPP is still a fully insured medical plan.

The FY 2016 Budget totals \$6,658,514 and represents premiums (employer and employee) and the associated expenditures (administration, claims, and reserves). The operating funds (e.g. General Fund, E911 Fund, DEA Fund, and Sanitation Fund) all include group insurance expenses that represent the City's costs.
