- 5) The Barrow County Emergency Services (BCES), was able to accomplish many goals and objectives this fiscal year. Many of which were large capital projects and others were internal objectives. BCES had established goals and objectives to replace aging fleet, extrication tools & equipment, and 911 upgrades following the Next Generation 911 plan. BCES also completed several internal objectives, such as the Rules & Regulations manual, completion of the burn building (phase II), GA Trauma Grant, multiple EMA grants, and completion of the Barrow County Emergency Service Annual Report. With the approval of the Board of Commissioners, BCES was able to order an E-One Rescue/Pumper. This state of the art apparatus is scheduled to replace Engine #7. BCES also purchased one (1) new medical apparatus and remounted one (1) medical apparatus. One Med unit replaced the current apparatus at station #7 and the other replaced the apparatus at station #6. In addition to the above, BCES also has on order one (1) administrative/command vehicle.
- 6) BCES applied for and received the Assistance to Firefighters Grant in the amount of \$415,728 to replace the aging extrication equipment that is over ten years old. This equipment includes the newest technology available to include battery operated tools which allows for increased mobility. These tools are lighter than our previous sets which will reduce firefighter injury.
- 7) For the Emergency Communications Division (E911) and as a part of the Next Generation 911, the County has converted from the analog telephone system to a new digital telephone system to be in compliance with Next Generation 911 standards. The Board of Commissioners have also approved the GIS Point Layer project which should be completed in the fall of 2018.
- 8) BCES completed phase II of the burn building project. This facility has proven to enhance our staff on firefighter techniques, officer development, and firefighter survival just to mention a few. BCES also received the GA Trauma Grant where we were able to purchase stair chairs and upgraded

FY2018 ACCOMPLISHMENTS

the cot mount system in two (2) medical apparatus. In addition to these, BCES implemented the new Rules and Regulations manual which ties all division together under one umbrella.

- 9) BCES applied for and received several grants regarding Hurricane Irma, with a total cost recovery for the county of over \$104,000. The department applied for and received approval to begin the Hazard Mitigation Plan update which has to be completed every five (5) years. Utilizing grant funding this project will be proceeding within the next few months and is schedule to be completed and an approved plan by 2020.

BARROW COUNTY HISTORY

That area that today is Barrow County was settled prior to the start of the 19th century. An Indian trail that ran through the county attracted settlers. To protect the settlers from the Cherokee and Creek Indians, the state built a frontier fort during 1792 called Fort Yargo, now a state park. Winder, the county seat, was known as Jug Tavern during this time.

Barrow County was the scene of one of the few Union defeats during Sherman's Atlanta Campaign known as Stoneman's Raid.

During the 1880s, rail was expanded and Barrow County played host to two railroads, the Seaboard Air Line and the Gainesville and Midland. One of the railroad builders for the Seaboard Air Line Railroad was John H. Winder of North Carolina. Jug Tavern's name was changed to Winder by the Georgia General Assembly on Dec. 20, 1893 to honor the railroad builder.

Barrow County was created from portions of Gwinnett, Jackson, and Walton counties when Georgia voters approved a constitutional amendment on November 3, 1914 making Barrow County the 149th county in Georgia out of 159. Barrow County was named after David Crenshaw Barrow, Jr., a University of Georgia mathematics and engineering professor who was later Chancellor serving in that position from 1906 to 1925. Barrow died on January 11, 1929 in Athens and is buried in Oconee Hill Cemetery in Athens.

GENERAL FUND - REVISED GASB 54 FUND BALANCE POLICY

The Board of Commissioners recognize that the maintenance of a fund balance is essential to the preservation of the financial integrity of Barrow County and is fiscally advantageous for both the County and the taxpayer. This policy establishes guidance concerning the desired level of fiscal year end fund balance to be maintained by the County and the management of fund balance levels and is applicable only to the General Fund of the County. The County will strive to accumulate a General Fund working reserve at least equal to 25% of the total General Fund Budget with Transfers. This reserve shall be created and maintained to provide the capacity to (1) offset significant downturns and revisions in any general government activity, (2) provide sufficient working capital, (3) provide a sufficient cash flow for current financial needs at all times. Fund balance is a measurement of available financial resources defined as the difference between total assets and total liabilities in each fund. Fund balance is a residual and not necessarily a cash amount. GASB 54 Fund Balance address fund balance reserve for all the governmental funds of the County.

The Governmental Accounting Standards Board (GASB) Statement 54 distinguishes fund balance classifications based on the relative strength of the constraints that control the purposes for which specific amounts can be spent. GASB 54 shifted the focus of fund balance reporting from the availability of fund resources for budgeting to the “extent to which the government is bound to honor constraints on the specific purposes for which amounts in the fund balance can be spent”. Beginning with the most binding constraints, fund balance amounts is reported in the following classifications:

1. Nonspendable Fund Balance – Fund balance reported as “nonspendable” include amounts associated with inventory, prepaid items, long-term receivable, property held for resale (however, if the use of the proceeds from the collection of receivables or sale of the property is restricted, committed, or assigned, then the receivables or property should be reported in those categories), and corpus of a permanent fund (legally/contractually required to be maintained). In other words, nonspendable is the fund balance, as the term indicates, that the respective resources are not available to be spent in any way due to their very nature and /or their lack of availability.
2. Restricted Fund Balance – Fund balance reported as “restricted” represents amounts that can be spent only on the specific purposes stipulated by law or by the external providers of those resources (such as SPLOST referendums, E911, Confiscated Assets, Drug Abuse Treatment and Educational Funds (DATE), Grants Funds, the Law Library Funds, the County Supplemental Juvenile Services Funds and the Special assesement for Bond Debt Payment).
3. Committed Fund Balance – Fund balance reported as “committed” includes amounts that can be used only for the specific purposes determined by a formal action of the Board. The Board as the highest level of decision making authority has the sole authority to commit fund

balance. Constraints can be removed or changed only by the Board. Actions to constrain resources should occur prior to the end of the fiscal year, though the exact amount may be determined subsequently by the Chief Financial Officer. Committed Fund Balance for Barrow County include the following:

- a. Funds in the Maynard St. Building Maintenance Account.
- b. Revenue from sale of vehicles.
- c. Planning & Community Development revenue sources
- d. Drug Supervision fees.
- e. Special programs revenue from PILOT Bonds.
- f. Jail construction funds
- g. Inmate Commissary funds
- h. Contributions from the Barrow County Industrial Building Authority (IBA) and the Joint Development Authority of Winder-Barrow County (JDA).
- i. Revenue from the special assessment for the Fire District
- j. Revenue contributed by the cities and the County for the operations of the 700 MHTZ Radio System
- k. Subdivision Street Lights – Revenue necessary for the operational maintenance of the street lights through a special assessment line on the property tax bill.
- l. Capital project funds

4. Assigned Fund Balance – Fund balance reported as “assigned” represents amounts intended to be used for specific purposes, but not meeting the criteria to be reported as committed or restricted fund balance. The intent is expressed either by the Board or individuals authorized by the Board. Assigned fund balance also includes residual fund balance amounts in the special revenue funds, capital projects funds, and debt service funds. If these funds should have a deficit fund balance, those deficits are required to be reported as unassigned fund balance. The Chief Financial Officer and the County Manager have the authority under this policy to assign funds for a particular purpose.

5. Unassigned Fund Balance – Fund balance reported as “unassigned” represents the residual classification of fund balance and includes all spendable amounts not contained within the other classifications. The Board will strive to maintain an unassigned fund balance in the General Fund at a minimum of 25% of expenditures and transfers. The balance may be drawn down in the event of an unexpected decrease in revenue, respond to unforeseen events, and purchase of immediate capital needs. The fund balance is intended to be spent on one time expenditures and not on recurring expenses. If the fund balance falls below 25% of expenditures, the Board will make it a priority in the next budget year to replenish the fund balance to at 25% of expenditures and transfers.

Unassigned fund balance is reported only in the General Fund except in cases of negative fund balances in other governmental funds. If expenditures incurred exceed the amounts that have been restricted, committed, and assigned to a specific purpose and results in a negative residual amount for that specific purpose, amounts assigned to other purposes in that governmental fund are reduced to eliminate the deficit.

When an expenditure is incurred that would qualify as an expenditure of either Restricted or Unrestricted fund balance those expenditures will first be applied to the Restricted Fund Balance category. When expenditures are incurred that would qualify as a use of any of the Unrestricted Fund Balance categories (Committed, Assigned, Unassigned), those expenditures will be applied in the order of Committed, Assigned and then Unassigned.

FIRE FUND - GASB 54 FUND BALANCE POLICY

The Board of Commissioners recognize that the maintenance of a fund balance is essential to the preservation of the financial integrity of Barrow County and is fiscally advantageous for both the County and the taxpayer. This policy establishes guidance concerning the desired level of fiscal year end fund balance to be maintained by the County and the management of fund balance levels in the Fire District Fund of the County. The County will strive to accumulate a Fire Fund working reserve at least equal to 25% of the total Fire Fund Budget with Transfers. This reserve shall be created and maintained to provide the capacity to (1) offset significant downturns and revisions in the fire district activity, (2) provide sufficient working capital, (3) provide a sufficient cash flow for current financial needs at all times.

Fund balance is a measurement of available financial resources defined as the difference between total assets and total liabilities in each fund. Fund balance is a residual and not necessarily a cash amount. GASB 54 Fund Balance address fund balance reserve for all the governmental funds of the County.

The Governmental Accounting Standards Board (GASB) Statement 54 distinguishes fund balance classifications based on the relative strength of the constraints that control the purposes for which specific amounts can be spent. 3. **Committed Fund Balance** – Fund balance reported as “committed” includes amounts that can be used only for the specific purposes determined by a formal action of the Board.

The Board as the highest level of decision making authority has the sole authority to commit fund balance. Constraints can be removed or changed only by the Board. Actions to constrain resources should occur prior to the end of the fiscal year, though the exact amount may be determined subsequently by the Chief Financial Officer. BARROW COUNTY
Georgia

TO: Board of County Commissioners
SUBJECT: FY2019 Recommended Annual Budget
DATE: June 20, 2018

Chairman Graham and Commissioners,

Presented herewith is the FY 2019 recommended Annual Budget. This budget represents the proposed plan of providing needed county services for the upcoming fiscal year that begins July 1, 2018 and ends June 30, 2019. This budget contains the collective input from all county department directors, elected officials, and outside agencies.

A copy of the recommended budget was filed with the Clerk to the Commission on May 30, 2018 and placed at the Winder Library and has been available for public review and comment. One of the critical purposes of this document is to encourage transparency, open dialogue, and public deliberation as it relates to how citizen tax dollars can best be used to serve the Barrow County community.

Based upon a January 10, 2018 economic forecast report prepared by the Fiscal Research Center at Georgia State University entitled "Economic Landscape for the 2018 Legislative Session", State and regional level economic growth through 2018 is expected to expand at a moderate pace, with an expected annualized growth rate of 2.3 percent. At the local level, modest business and industry growth is expected to continue in Barrow County. Residential housing and commercial permit activity is expected to continue to increase as well.

The FY 2019 budget was prepared in accordance with section 36-81-(1-6) of the Official Code of Georgia Annotated. In addition, while developing the FY 2019 budget the following priorities were taken into consideration:

- Continue to minimize the financial impact of county operations on its citizens through conservative budgeting practices that focus on achieving enhanced efficiency and effectiveness throughout the organization.
- Continue the Pay for Performance system across all County departments with the exception of the Sheriff's Office and Detention Center.

BUDGET MESSAGE

- Provide funding for a salary and compression adjustment within the Sheriff's Office and Detention Center in order to address ongoing staffing shortages and the resulting increased overtime expense.
- Fund capital outlay as indicated in the adopted Capital Improvement Plan.
- Movement of Planning & Community Development and the Streetlight Program from the General Fund to the Special Revenue Fund.
- Continue to provide outstanding government services at adequate levels.
- Maintain a healthy reserve fund balance in accordance with the Revised GASB 54 Fund Balance Policy as adopted by the Board of Commissioners.

In preparation of the FY 2019 annual budget, three advertised work sessions were held with the Board of Commissioners to discuss departmental budget requests as well as those of outside agencies which the County funds. During these work sessions, the Board of Commissioners were provided details and recommendations concerning each funding request as well as information pertaining to the Schedule of Fees to be in effect for the period July 1, 2018 through June 30, 2019.

The Board of Commissioners were also provided recommendations concerning the FY19 capital outlay budget, the purpose of which is to ensure that the County's capital needs, as detailed in the FY 2019-2023 Capital Improvement Plan, are adequately met. The current Special Purpose Local Option Sales Tax (SPLOST) 2012 revenue collection is due to expire on June 30, 2018. In November 2017, County voters approved the re-imposition of SPLOST for a five year period. This continuation of SPLOST revenue collections was critical in order that the County has adequate resources to continue to meet its capital outlay needs, which include an emphasis upon improving critical infrastructure such as roads and sanitary sewer treatment. Below is an overview of the FY 2019 recommended budget.

6. Emergency Services (EMS):
 - a. \$42,516 – for EMS Education Incentive Program. The incentive program was designed to promote recruitment and most importantly the retention of the current staff. It was also designed to serve as an additional incentive for staff to further their education/certifications, which would result in a higher quality pre-hospital medical care.
 - b. \$75,534 – for Built-In Over-time.

7. Animal Control:
 - a. \$39,299 – for a full-time Kennel Technician position.

8. Roads & Bridges:
 - a. \$15,000 – In General Supplies & Materials for increased work on poor pavements on roads/streets/traffic signs.

Moving Barrow County Forward

LOOKING FORWARD TO FY2020

Looking forward to the FY2020 budget process, County staff is projecting a year of promising but cautious economic conditions at the local level. In a January 2018 State economic report prepared by the Fiscal Research Center at Georgia State University, both State and regional-level economic growth is projected to expand at a moderate pace as the economy continues to recover from the Great Recession.

The County's tax digest and sales tax revenue are anticipated to continue to increase as well as residential and retail/commercial building activity. County programs and services are expected to remain constant in an effort to keep the cost of government as low as possible. Looking towards FY2020 and beyond, we will have challenges- however they are good challenges which are a direct result of our success as a vibrant, growing, and diverse community.

In addition, the implementation of the FY2020-FY2024 Capital Improvement Program will be addressed, including an emphasis on critical infrastructure projects such as roadway maintenance, sewer and water system improvements, and buildings and facilities. The programmed replacement of essential vehicles and equipment, utilizing the County's PROFIT\$ Vehicle Replacement Management Software, is also critically important to ensure the County continues to provide outstanding service to the community.

As a community, we are beginning to experience the "growing pains" of an expanding region and we need to be prepared for the demand of public services in the areas of recreation, transportation, and sewer infrastructure expansion. The Capital Improvement Program is analogous to a roadmap, setting the course to being prepared to meet future growth. Without a map, direction, or plan we will waste precious time and resources critical for the future development of our community. Planning is very much the key to our future success.

We have strong and improving General Fund reserve levels, resulting directly from a long tradition of conservatively sound financial and management practices. Our strong financial position provides the opportunity to continue to implement needed infrastructure improvements with proper strategic planning and guidance as to appropriate revenue sources.

We want to extend our thanks to all of Team Barrow who work so diligently to prepare each annual budget and who are committed to continuing to work tirelessly to provide outstanding levels of service to our community. In particular, we wish to extend our thanks to the staff of the Finance Department for the many hours they put into every budget preparation process.

Moving Barrow County Forward

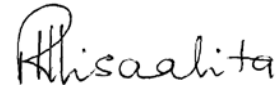

LOOKING FORWARD TO FY2020 (Continued)

Sincere thanks are also extended to the Board of Commissioners for their policy guidance and thoughtful deliberations throughout the budget preparation and formal adoption process.

Respectfully submitted,

Michael Renshaw
County Manager

Rose Kisaalita, CPA
Chief Financial Officer

DEPARTMENT PROFILE

The Board of County Commissioners is composed of seven part-time members. The chairman is elected county-wide and the other six commissioners are elected through district elections for four year staggered terms. The Board, as the county's governing authority, is responsible for establishing policy for county operations, enacting ordinances and resolutions to promote the county's health, safety, and welfare, and approving the annual budget and millage rate which funds the operations of the constitutional officers as well as the departments under the Board's jurisdiction. The county operates under a county manager form of government and appoints a county manager to supervise, direct, and control the day-to-day activities and business operations of the county government.

DEPARTMENT PROFILE

The five member Board of Tax Assessors is appointed by the Board of County Commissioners for six year terms. The Board of Assessors hires a Chief Appraiser to run the day-to-day operations of the department. The Chief Appraiser and his staff determine what property in the county is subject to taxation, prepares annual property tax assessments, prepares the annual tax digest, examines and corrects errors in all real and personal property tax returns, ensures that all property is returned for taxes at fair valuations, and the valuations between individual taxpayers are fairly equalized so that each pays as nearly as possible only his or her proportionate share of taxes. In addition, this department also hears taxpayer appeals regarding property tax valuations, maintains county tax records and maps of 31,539 real property parcels, 2,006 personal property accounts, and inspects 1,571 mobile homes to ensure that the proper decals are attached, compiles building costs, adheres to policies set by the Georgia Department of Revenue, and provides staff support to the Board of Tax Assessors.

DIVISION PROFILE

The Specialty Courts of the Piedmont Judicial Circuit that consists of Barrow, Jackson, and Banks counties and under the supervision of Superior Court, are composed of two courts in Barrow County – felony drug court and mental health court. Both courts' goal is to reduce recidivism through structured and cost effective programs. The **Felony Drug Court** provides a non-traditional approach to working with criminal offenders by offering a judicially supervised intensive outpatient substance use disorder treatment program instead of incarceration. The **Mental Health Court** provides an alternative to incarceration by working with offenders and having them follow a closely monitored personalized treatment plan for their mental health that may also be accompanied by treatment for substance use disorder.

DEPARTMENT PROFILE

Clerks of Superior Court have been elected county constitutional officers since 1798, when framers of Georgia's constitution created the office and provided for election of a clerk in each county of the state to serve 4-year terms.

The Clerk is accountable only to the people who elect him or her. He or she is not an employee or appointee of any county or state commission or any agent or agency of the judiciary. As an impartial county officer, the Clerk provides some of the most important check-and-balances needed in both local county government and the state's judicial system.

The Clerk's duties include, but are not limited to, running the business arm of the local court system; accounting for all monies arising from fines, fees, court costs, and fees required by law; arraying and managing county trial and grand juries, including summoning jurors for service; providing oversight and administrative support to the county Board of Tax Equalization; and processing, protecting, and permanently maintaining citizens' court, land, and other important vital records.

The Clerk of Superior Court's Office also maintains Superior Court and Juvenile Court records, transmits all appeals to the Georgia Court of Appeals and Georgia Supreme Court, and records real estate transactions such as warranty deeds, quit claim deeds, security deeds, assignments, right-of-way deeds, easements, property plats, and power of attorney documents. In addition, this office is also responsible for recording fifas, military discharges, trade names, UCCs (Uniform Commercial Code), and various sorts of liens including mechanic liens, property tax liens, and hospital/doctor liens. In addition, this office collects probation fines, child support payments, property transfer taxes and intangible taxes. This department is also responsible for filing criminal cases, maintaining criminal warrants, and transmitting documents to GCIC, DDS, and DOR. This elected office also files civil cases such as divorces/annulments, adoptions, child support, name changes, habeas corpus cases, suits for damages, garnishments, and repossessions. This office also issues notary public commissions, performs jury management, keeps election ballots for the statutory time limit of two years, and assists the general public with obtaining copies of various court records and any

OFFICE PROFILE

The Public Defender’s Office is an independent agency within the judicial branch of state government. The Public Defender for the Piedmont Judicial Circuit, operating through an intergovernmental agreement between Barrow County (45%), Jackson County (41%), and Banks County (14%) provides legal representation to indigent defendants in various cases. Those cases include cases prosecuted in the Superior Court where there is a possibility that a sentence of imprisonment or probation or suspension of sentence of imprisonment may be adjudged, hearings in the Superior Court on revocation of probation, cases prosecuted in the Juvenile Court where a child may face a disposition in a delinquency case of confinement, commitment, or probation, represents indigent defendants in Probate Court, and direct appeals from the above cases. This office also provides a team member for the Accountability Courts. The county, by state law, must provide this office with office space, utilities, telephone, supplies, interpreters, and other expenses.

DEPARTMENT PROFILE

The Detention Center, under the direction of the elected Sheriff, manages the 372 bed county jail. This law enforcement center is primarily a holding facility for men and women charged with a criminal offense waiting for a court appearance and for persons already sentenced but waiting for a transfer to a state or federal facility. This facility also holds persons found guilty of certain misdemeanors and sentenced to one year or less. The facility does not hold juveniles, as they are transferred to a regional youth detention center in Gainesville. A work detail, using county inmate labor, is operated from this facility to perform litter control along county and state roads and landscape duties at certain county facilities.

DEPARTMENT PROFILE

The Parks, Recreation, and Leisure Services Department provides County-wide recreational programming and services to all residents. Equal access and convenience is ensured by providing programs and services in the geographic center of the County. This department manages the Senior Citizens Center and the 66 acre Victor Lord Park that includes a multi-use recreation center consisting of a gymnasium, stage, two stage rooms, seven meeting rooms, four offices, and a concession stand/kitchenette.

The Department also manages several athletic facilities including ten baseball/softball fields of various sizes, one lighted multi-use soccer complex, six lighted tennis courts, three concession stands, two playgrounds, three pavilions, and an outdoor walking trail. This department organizes numerous youth activities including spring & fall baseball, fall & spring fast pitch, tackle football, flag football, track & field, basketball, volleyball, an annual Daddy-Daughter dance, and other community and school system events. In addition, adult softball leagues are also offered. The department also offers other leisure programs such as fitness classes, tennis, karate, soccer, and cheerleading through private contractors and associations, and rents various facilities for public use.

DEPARTMENT PROFILE

In 2013 the County entered into an intergovernmental agreement with Barrow County School System for the construction of the Innovation Amphitheater. The County contributed \$2,878,939 of the SPLOST2005 funds towards the construction of this amphitheater. Barrow County has the right to use the facility for 45 days each year. The County is desirous of hosting live concert events and activities at the Innovation Amphitheater which requires professional services and consultation expertise for the planning, event management, production, and logistical support for each scheduled event. The County will receive a negotiated percentage of all ticket revenue, concession, and beverage sales for each event. These various revenues, in addition to suite sales and corporate sponsorships, will be used to offset the costs associated with the scheduled County events.

COOPERATIVE EXTENSION SERVICE

7110

DEPARTMENT PROFILE

The local Cooperative Extension Service, under the direction of the University of Georgia Cooperative Extension, provides lifelong learning to the citizens of Barrow County through research-based education in agriculture, communities, youth, families, and the environment. This office provides updated agricultural research material to local agricultural producers, farmers, and homeowners and conducts soil, forage, and water testing to assist county citizens with their particular soil, insect, weed, and plant disease problems. This office also administers the 4-H program to assist youth in acquiring knowledge and developing life skills through hands-on learning experiences that are focused on agricultural awareness, leadership, communication skills, food and nutrition, health, energy conservation, and citizenship.

OUTSIDE AGENCIES

AGENCY PROFILES

Board of County Commissioners funds nine outside agencies that are outside the structure of Barrow County government operations. The county considers these nine agencies essential to the county citizens, and therefore, partly funds their annual operations. The outside agencies are:

Northeast Georgia Regional Commission (1595)

The Northeast Georgia Regional Commission, located in Athens, is one of twelve state-wide regional commissions created to be a focal point for regional issues concerning local government and to be a resource for those governments in a variety of specialized areas. Those areas include government planning, economic development, grant preparation, job training, and aging services. This agency serves 12 Northeast Georgia counties including Barrow County and 54 municipalities.

Barrow County Health Department (5101)

This agency, under the direction of the local Board of Health, determines the county's health needs and develops programs to meet those needs. This Agency administers numerous community health related programs such as health screenings, health services, WIC program, and special health programs for children and infants. In addition, this department has an environmental health unit that reviews plans and inspects tourist accommodations, inspects cleanliness of restaurants, reviews plans and inspects public swimming pools, evaluates and protects private water wells, issues septic tank permits, performs rabies control, investigates health and disease related issues, and performs various public education activities. The county provides this agency with a county-owned building and an annual supplement.

DEPARTMENT PROFILE

The Barrow County Emergency Services Department (BCES) includes Fire Rescue, Emergency Medical Services, Emergency Management and Emergency Communications within one blended departments. Firefighters and Emergency Medical personnel are trained to serve in both capacities and work interchangeably during their workday. EMTs can fight fires and Firefighters can support emergency medical calls. The Barrow County financial documents now separate all Fire Services expenses from the County-wide EMS service & Emergency Communications Center expenses. Through the budget process, we have estimated the proportional amount of man hours and benefit expenses associated with both Fire Service and Emergency Medical Services within one blended department. Firefighters and Emergency Medical personnel are trained to serve in both capacities and work interchangeably during their workday. EMTs can fight fires and Firefighters can support emergency medical calls. The Barrow County financial documents now separate all Fire Services expense from the County-wide EMS service & E911 Center expenses. Through the budget process, we have estimated the proportional amount of man hours and benefit expenses associated with the Fire Service and then determine how much property tax is dedicated to support the Barrow County Fire Service.

The county's fire tax district is used as a method to improve upon the community risk reduction by improvements of the Insurance Services Organization rating schedule under the Personal Property Classifications.

SUBDIVISION STREET LIGHTS

FUND PROFILE

Street Lighting Special Revenue Fund Profile

In 2005, the Barrow County Board of Commissioners established the creation of an unincorporated area-only residential subdivision street lighting program through Barrow County Unified Development Code Section 89-1185. The various provisions of this code section establishes street lighting districts within specific approved residential subdivisions.

The Barrow County Tax Commissioner is authorized to collect the revenue necessary for the operational maintenance of the street lights through a special assessment line on the property tax bill for those properties located within approved street lighting districts. In order to separate these funds and associated expenses from the General Fund, all revenues collected and expenses incurred are properly accounted for within the Street Lighting Special Revenue Fund.

FUND PROFILE

A referendum was held during June 2005 to determine if the county voters wanted to continue the 1% Special Purpose Local Option Sales Tax for a six year period to raise \$97,991,217 for acquisition of the Bear Creek Reservoir with the Upper Oconee Basin Water Authority, roads, new cultural arts center, West Winder By-pass, new health department facility, parks and recreation facilities, sewer facilities, airport improvements, animal control facilities, water projects, and allocations to the cities for their capital projects. This fund is also used to account for \$58,000,000 in general obligation bonds that were also approved by the voters in June 2005 to fund a new criminal justice facility, new 911 center, fire stations and training center, and renovations to old courthouse facilities. During that referendum, 2,992 citizens voted – 1,703 (57%) for the SPLOST and 1,289 (43%) against the SPLOST. At the time of the referendum, the county had 24,244 registered voters. Therefore, the referendum had a 12.3% voter turnout rate. Since the referendum was approved, the SPLOST went into effect on July 1, 2006 and was in effect until June 30, 2012.

DEBT SERVICE FUND

Debt service funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. General obligation bonds fund accounts for property taxes to be used to retire bond principal and to pay interest on general obligation bonds.

FUND PROFILE

Debt service funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. General obligation bonds fund accounts for property taxes to be used to retire bond principal and to pay interest on general obligation bonds.

During the fiscal year ended September 30, 2006, the County issued a \$58,000,000 General Obligation Sales Tax Bond, Series 2005 (the "Series 2005 Bonds"), with interest rates ranging from 3.5% to 5.00%. The Series 2005 Bonds were issued for the purpose of providing funds to pay or to be applied toward the cost of capital outlay projects. The County made interest payments in April and October of each fiscal year, with the principal due in October of each fiscal year. On September 14, 2012, the County refunded a portion of the Series 2005 general obligation bonds. The remaining 2005 Bonds total \$5,275,000 with interest rates ranging between 4.0% and 5.0%, were paid off in fiscal year 2016.

Refunding General Obligation Bond Series 2012 – In September 2012, the County refunded \$37,305,000 of the 2005 General Obligation Bonds. The new bonds issued totaled \$42,845,000 with an interest rate of 2.350%. A savings of \$2,600,770 was realized from this refinancing and was used for the construction of the mandated narrow band radio communication system.

The 2012 GO Bond has been funded with SPLOST funds since 2005. Starting October 1, 2019, it will be paid using a special mileage levy on the property taxes digest.

WATER DEPARTMENT

4400/4401

DEPARTMENT PROFILE

The Water Department's water source is the 505 acre Bear Creek reservoir located in Jackson County and treated by the Upper Oconee Water Basin Authority, of which the county is a member. The **Water Department - Retail** provides clean drinking water and fire protection to over 5,700 retail customers in the unincorporated area of the county. The **Water Department - Wholesale** sells treated water to other jurisdictions on a wholesale basis including Auburn, Statham, Winder, Braselton, and Oconee County. This department maintains over 300 miles of water lines, three pump stations, two 300,000 gallon elevated storage tanks, and a five million gallon ground storage tank. This department also repairs leaks, installs water meters and fire hydrants, tests water for EPD compliance, conducts a flushing program to maintain water quality, and bills customers monthly for their water and wastewater use.

STORMWATER FUND

FUND PROFILE

The Storm Water Utility Enterprise Fund works under a NPDES Phase Two Permit that requires Barrow County to maintain a five year storm water management plan (2018-2022). This plan requires the inspections and maintenance of the storm water sewer system in the unincorporated area of the county, which includes approximately 186 detention ponds. This work is completed with the assistance from the Roads & Bridges Division and state inmate labor. This department enforces the storm water utility ordinance, federal and state laws, which include the clean water act. The department samples 20 creek locations quarterly for water quality and collects storm water inventory data for inclusion in the GIS mapping system. This department also prepares billing information so the Tax Commissioner can properly bill for the annual storm water utility fee.

**SANITARY SEWER RATES – FY2019
EFFECTIVE: JULY 1, 2018**

These rates and fees shall remain in effect from July 1, 2018 until June 30, 2019 unless amended by the Barrow County Board of Commissioners and shall continue in effect beyond June 30, 2019 if not otherwise supplanted by another rate resolution or amendments.

SANITARY SEWER RATES SCHEDULE

Service Type/Volume Treated*	Rate (per 1,000 gallons)
Monthly minimum (0 to 2,000 gallons)	\$ 16.60
Over 2,000 gallons	\$ 5.07

* Volume treated is based on 100% of metered water use.

SEWER CAPACITY CHARGE

Sewer capacity charge is assessed at a \$15 per gallon daily consumption rate. A minimum sewer capacity fee of \$4,500.00 will be assessed for all sewer connections.

- For residential connections, a rate of 300 gallons per day is assumed which is one equivalent residential unit (ERU).
- For Apartment buildings, each individual unit will be assessed as one residential connection.
- Commercial and industrial connections shall provide an engineer’s estimate of planned usage and will be subject to annual audits to confirm volume. If the audit determines volumes exceeds the assessed tap fee, additional charges will be assessed. No reduction or refund for overly conservative estimates.

PAYMENT POLICY

Accepted methods of payment are cash, check, money order and credit/debit cards. Payments can be made in person, by mail or drop box, by phone, automated bank draft, or online. Fees may be applied based on payment method. Options and restrictions are described on the department’s webpage and/or below.

Checks shall be made payable to the Barrow County Water & Wastewater Department.

The credit card machine closes out at 4:30 pm daily and at 4:00 pm on the last business day of the month.

SEWER TREATMENT SURCHARGES

A sewer treatment surcharge rate schedule is in effect for high strength wastewater dischargers.

To calculate a surcharge for BOD5, TSS, P or Ammonia as Nitrogen NH₃ –N , the analytical results of any composite sample for BOD5, TSS, P or NH₃ – N shall be deemed representative of the User’s discharge for the entire billing period in which the sample is taken, unless additional samples are taken either by Barrow County or the User during the same billing period in which event the average of each parameter’s analytical results for that period shall be used to calculate the surcharge for that billing period.

Parameter	Surcharge Threshold	Surcharge Rate
	(mg/L)	(\$ per 1,000 gallons per each additional mg/L above surcharge threshold)
Biochemical Oxygen Demand (BOD5)	250	\$0.00212
Total Suspended Solids (TSS)	250	\$0.00212
Total Phosphorus (TP)	10	\$0.085
Ammonia as Nitrogen (NH ₃ –N)	30	\$0.0212

DEVELOPMENT PLAN REVIEW FEES

**BARROW COUNTY BOARD OF COMMISSIONERS
STORM WATER FEE STRUCTURE
FOR FISCAL YEAR 2019**

Fee = Rate (\$24.00) X ERU (Impervious unit of 3478 sq. ft.)

ERU (Equivalent residential unit)

Impervious Surface (Hardened surface areas that either prevent or limit the natural entry of water into the underlying soil).

The average residential unit was determined to be 3478 square feet. This makes all residential parcels equal to one ERU thus a flat rate was set for all residential parcels. The same equation applies to commercial properties. Eighteen dollars will be charged for every 3478 sq. ft. unit.

*Any parcel of land that has 50 sq. ft. or more of impervious surface shall get a Storm Water Bill.

*Any parcel of land that has less than 50 sq. ft. of impervious surface shall not get a Storm Water Bill

Residential: \$24 per year

Residential with Credit: \$14.40 per year

Commercial: Impervious surface/ 3478 x \$24 = Rate per year

Commercial with Credit: Impervious surface/ 3478 x \$24 = Rate per year with 40% reduction

Example for Commercial:

Parcel has 15000 Sq. Ft. of Impervious Surface.

$15000 / 3478 \times \$24 = \103.51 per year

Example for Commercial with credit:

Parcel has service fee of \$100 per year

40% reduction of \$100 = \$60 per year

**BARROW COUNTY BOARD OF COMMISSIONERS
STORM WATER FEE STRUCTURE
FOR FISCAL YEAR 2018**

Residential Storm Water Rates include, but are not limited to:

- Single family residential
- Two family residential
- Mobile Homes
- Chicken houses

Commercial Storm Water rates include, but are not limited to:

- Businesses or Commercial enterprises
- Industrial
- Apartments
- Public Buildings
- Non-Profits
- Schools
- Churches

Stormwater Credit:

A Storm Water Credit is a reduction in the storm water service fee for properties that meet certain requirements. Such properties shall be eligible for a 40% percent reduction in the storm water service fee.

Credit: 40% reduction in service fee per year
