## MEMORANDUM

TO: Mayor and City Council

FROM: Casey Coleman, Acting City Manager

RE: Proposed FY 2003-2004 General Fund/Water Fund/Sanitation Fund/Hotel-Motel Special Revenue Fund and Associated Fund Operating Budgets

DATE: May 16, 2003

Attached for your review and consideration is a copy of the proposed FY 2003-2004 General Fund/Water Fund/Sanitation Fund/Hotel-Motel Special Revenue Fund and associated Fund Budgets. Finance Officer Jim Triplett and former City Manager Danny Mabry are primarily responsible for preparing this document and I want to thank them for their diligent work. I also want to acknowledge the responsible manner in which the Department/Administrative Directors and Superintendents prepared their respective Budget requests.

### GENERAL FUND BUDGET

The proposed FY 2003-2004 General Fund Operating Budget of \$22,333,871 represents an overall increase of 4.4% over the current FY Budget of \$21,385,909. As you will recall, beginning last fiscal year revised accounting standards require that the Sanitation and Hotel-Motel Special Revenue Fund be reflected as separate Enterprise Funds. Accordingly, the proposed Sanitation Enterprise Fund for FY 2003-2004 totals \$2,650,450, a 6.9% increase over the current year Budget. The Hotel-Motel Fund is budgeted to decrease by approximately 8% to \$170,200. The Carrollton City School System Maintenance and Operation appropriation is proposed to increase 2.8% to \$8,667,318. The Carrollton Parks, Recreation, and Cultural Arts Department (CPRCAD) appropriation is proposed to increase by 8% to \$2,722,445.

The generally stagnant state of the economy began to more noticeably affect several key revenue items in the previous two quarters of the current fiscal year, particularly growth in the digest (ad valorem taxes), sales taxes, franchise fees, and interest income. After many years of digest growth between 6% and 7%, the digest grew 4% last year. In addition, collection rates which have typically been in the 98% + range are now tracking at the 95% to 96% level. After years of solid growth and stability, even through the first part of the fiscal year, Local Option Sales Tax (LOST) revenues are trending down by approximately 3%. Utility franchise fees have dropped slightly due to production cuts by industry and regulatory changes in

collections. Interest income, which has been maximized in prior years with careful investment, has, of course, decreased significantly as the interest rate has dropped to near record lows.

There are some bright spots in the revenue picture; namely, insurance premium taxes, fines and forfeitures, and intergovernmental revenues. However, in the context of the overall economic climate, the FY 2003-2004 Budget includes a very conservative approach for both revenues and expenditures.

The combined City of Carrollton/City School System millage rate has not been raised since 1993. Since 1993, the City's overall millage rate has actually been lowered on four (4) occasions. The City's current M & O millage rate is the lowest of any city in Carroll County imposing ad valorem taxes. This achievement reflects the Mayor and Council's policy directive to hold down ad valorem taxes to the maximum extent possible without jeopardizing the scope, efficiency, and effectiveness of public services. **While this proposed Budget projects no millage increase, both City and School Board Management feel that it is important to point out that without revenue enhancements, the ability to sustain the continuation at current levels and/or enhancement of public services will be problematic in future years.**

Over the last several years, the Mayor and City Council have made a major commitment to improving employee salaries and benefits. At the direction of the Mayor and City Council, in 2001 the firm of DMG Maximus completed a comprehensive market salary survey for the City's pay and classification system. The survey proposed three (3) alternative revisions to the pay schedule as follows: 100% of market as determined by the survey; 95% of market as determined by the survey; and 90% of market as determined by the survey. In the FY 2001-2002 Budget, the Mayor and City Council approved the 90% of market alternative with plans to phase-in increases to the 100% of market alternative in subsequent Budget years. In FY 2002-2003, the Mayor and City Council funded 95% of market value.

Unfortunately, there is not a sufficient increase in revenues projected in the proposed Budget to fund the 100% of market alternative in FY 2003-2004. The Budget does propose a 3% across the board cost of living (COL) increase for all employees earning satisfactory annual performance ratings. Because of the passage in time between the DMG Market Study and future implementation of the 100% alternative, it may be advisable to update the market survey to ensure comparables remain accurate.

Health insurance rates for employees and dependents continue to rise. This is a national trend and projections are that double digit increases will continue for the foreseeable future. Earlier this year, rates increased **10%**. We passed the full cost of that increase for dependents along to employees in two phases. While our cost sharing remains very competitive, the percentage and real dollar costs to employees for health insurance will likely continue to increase. Your approval of the "Cafeteria Plan" and its implementation last fiscal year has helped increase "take home" pay through deductions on a pre-tax basis.

#### **Other General Fund highlights include:**

- **\$146,000** for the operating Budget of the Neva Lomason West Georgia Regional Library
- **\$15,000** in miscellaneous discretionary transfers to other agencies (CAFI, Red Cross, Carroll County Association of Retarded Citizens, Hospices, etc.).
- **\$68,540** for the ongoing commitment to Main Street/downtown revitalization, including **\$10,000** for continuation of the matching Façade Grant Program.

As in previous years, the FY 2003-2004 General Fund Budget focuses the City's resources on Education and the provision of key municipal services, led by Public Safety and Recreation/Cultural Arts. Approximately 86% of proposed expenditures are for Education, Police, Fire, Street, and Recreation/Cultural Arts activities. A summary follows:

PROGRAM/SERVICE	% OF BUDGET	\$ AMOUNT
Education	38.8%	\$8,667,318
Police	20.6%	\$4,590,074
Fire	14.9%	\$3,324,468
Recreation/Cultural Arts	12.2%	\$2,722,445
Streets/Engineering	4.4%	\$ 988,682
Management/Staff Support	3.9%	\$ 867,133
Planning	1.8%	\$ 400,860
General Administration	2.1%	\$ 478,071
Other Programs/Services	1.3%	\$ 294,820

The Local Transportation Fund has enabled the City to undertake a number of transportation related projects, but eliminates such costs from the Street and Engineering Department Operating Budgets. **This has skewed the General Fund Budget in those areas.** As funds are utilized from this fund, these costs will have to be returned to the respective Operating line items.

### **GENERAL FUND REVENUES**

On the revenue side of the General Fund, the proposed Budget conservatively anticipates a 4% growth in the City's tax digest and a collection rate of 95%. This is reflective of historic growth in the digest and trends in building permit data. As you are aware, 76% of the City's ad valorem tax and automobile tax is earmarked for the Carrollton City School System. General City Government Services and Operations are funded in large by other revenue sources.

The proposed 2003-2004 Budget forecasts small to moderate drops in auto and intangible taxes, franchise fees, permits, and interest income. Increases are forecast for beer and wine taxes, insurance premium taxes, fines, and forfeitures, and intergovernmental revenues. Sales tax proceeds are projected to remain essentially at current levels. A summary of revenues follows:

REVENUE SOURCE	% OF BUDGET	\$ AMOUNT
Ad valorem Taxes	47.7%	\$10,648,105
Sales Tax	15.2%	\$ 3,373,000
Franchise Fees	6.8%	\$ 1,525,000
Intergovernmental Revenues	5.7%	\$ 1,268,180
Automobile Tax	4.3%	\$ 970,000
Fines & Forfeitures	4.9%	\$ 1,100,000
Insurance Premium Tax	3.7%	\$ 830,000
Occupation License Tax	3.4%	\$ 750,000
Lease Proceeds	3.0%	\$ 679,586
Alcohol License Tax	2.7%	\$ 575,000
Miscellaneous Income	1.0%	\$ 240,000
Other Tax Revenues	1.1%	\$ 260,000
Building Permits	0.5%	\$ 115,000

As you are aware, final tax digest data is not available until after you are required by law to adopt the annual Budget. **However, assuming digest growth projections are met, this Budget contemplates no millage increase.**

### SANITATION ENTERPRISE FUND

As noted last year, revised Accounting Standards revisions require that the Sanitation Fund be separated from the General Fund and treated as an Enterprise Fund. By definition, an Enterprise Fund should be self-sufficient based on fees assessed for the service/program/product provided. As part of the General Fund, the Sanitation function was often not self-sufficient. The proposed **\$2,650,450** Sanitation Enterprise Fund Budget includes a rate increase of approximately **5.2%**. The residential garbage collection/disposal fee is proposed to increase from **\$13.30** per month to **\$14.00** per month or **\$.70** per month. The Budget proposes to continue a discounted senior citizen rate of **\$11.65** per month to qualified households.

A complete proposed rate schedule is attached.

### HOTEL-MOTEL SPECIAL REVENUE FUND

As with the Sanitation Enterprise Fund, revised accounting standards require that the Hotel/Motel Special Revenue Fund be separated from the General Fund. This fund, totaling **\$170,200**, supports the Carroll County Chamber of Commerce, the Carrollton Area Convention and Visitor's Bureau, and the City's pledge to the Carroll Tomorrow Program.

### WATER ENTERPRISE FUND BUDGET

The proposed FY 2003-2004 Water Fund Budget of **\$7,507,864** represents a **0.0006** decrease over the current FY Budget of **\$7,512,000**. Water and sewer rates are proposed to increase a blended average of **5.8%**. Water and sewer tap fees are proposed to increase **5.8%**. Water sales revenues continue to decline. The primary reason is that for all practical purposes, the Carroll County Water Authority is no longer purchasing water from the City. Other contributing factors include: a) Closures and/or production reductions by major water users; b) Cessation of drought conditions with the return of above-average rainfall; c)

increased conservation among users; d) the reduction in rates to customers outside the City Limits under service delivery requirements. While this revenue item drops, fixed costs, system improvements, and regulatory requirements do not. We will need to carefully monitor water revenues in light of this decrease. A mid-year rate adjustment may be required.

**The City's utility rates will continue to be competitively priced, near the midpoint of providers statewide and among the lowest in Carroll County.**

The Water Fund will also have to support internal construction project funding through the Renewal and Extension Account (R & E)

Salary adjustments are included on the same basis as the General Fund Budget. A summary of the Water Fund Budget expenditures and revenues follows:

PROGRAM/SERVICE	% OF BUDGET	\$ AMOUNT
Wastewater Treatment	22.5%	\$1,689,775
Debt Service	15.3%	\$1,151,274
Water Treatment Plant	18.9%	\$1,412,179
Renewal & Extension Fund	10.7.9%	\$ 803,181
Systems Upkeep	13.9%	\$1,043,236
General Operations	5.9%	\$ 439,912
Facilities Maintenance	5.3%	\$ 395,908
Water Support	4.0%	\$ 301,399
Operating Transfers	3.5%	\$ 271,000

REVENUE SOURCE	% OF BUDGET	\$ AMOUNT
Water Sales	51.3%	\$3,850,000
Sewer Fees	40.6%	\$3,038,864
Water & Sewer Taps	3.3%	\$ 250,000
Interest Income	2.7%	\$ 200,000
Lease/Rental Proceeds	1.0%	\$ 79,000
Other Fees	0.8%	\$ 65,000
Miscellaneous	0.3%	\$ 25,000

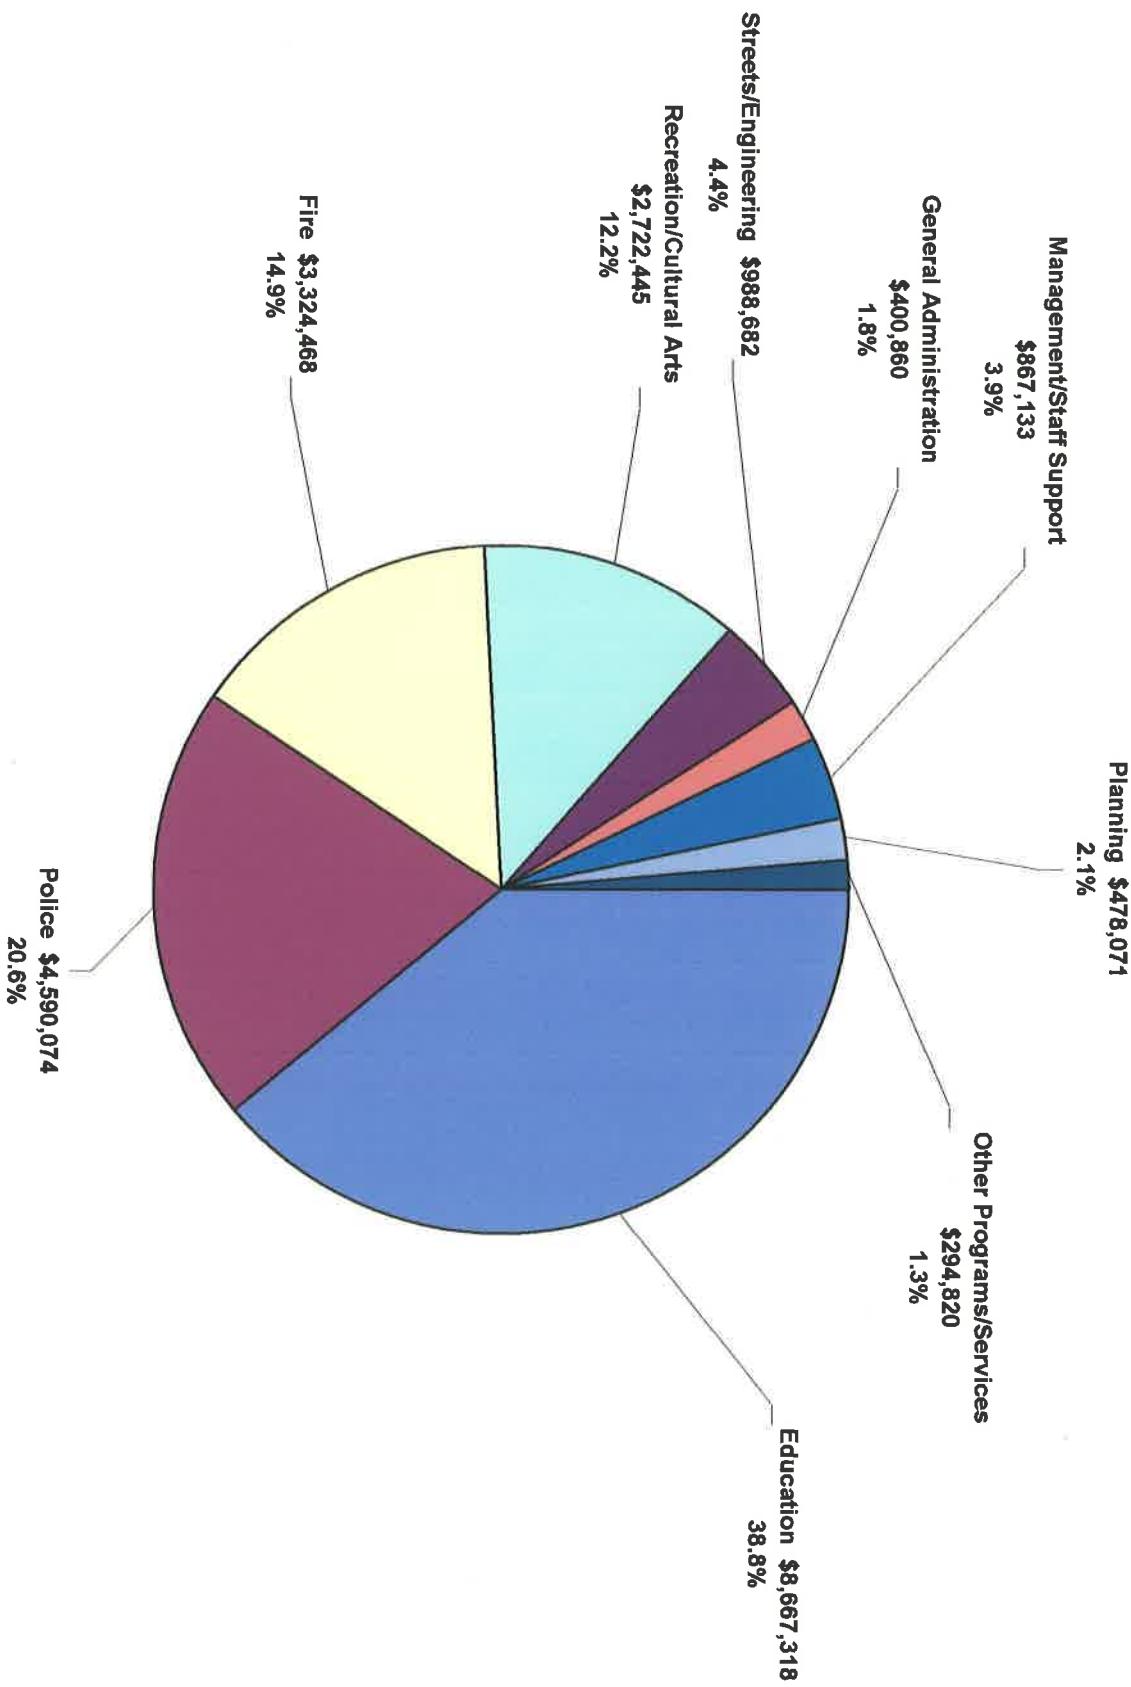

The FY 2003-2004 Budget will be transmitted to you on May 16, 2003. The formal hearing on the Budget is scheduled for June 2, 2003 following public notice via advertisement (copy attached). Final consideration for adoption of the Budget is scheduled for your June 16, 2003 meeting. Jim Triplett, Danny Mabry, and I are available to review these proposals in more detail and answer any questions you may have.

## MEMORANDUM

**TO:** Danny Mabry, City Manager  
**FROM:** Tracy S. Dunnivant, Community Development Director, AICP  
**RE:** Planning and Zoning Department Fees  
**DATE:** April 29, 2003

It has been brought to my attention that the fee schedule for the City of Carrollton in terms of planning and zoning related activities is not in line with the surrounding communities. After conducting a survey, it has been determined that we are considerably lower and in some instances do not even cover the expenses (advertisements, staff time, etc.) associated with the request. Therefore, it is the recommendation of this department that the Mayor and Council consider the following fee structure for implementation in fiscal year 2003-2004:

	<u>Current Fee</u>	<u>Proposed Fee</u>
Variance	\$50.00	\$150.00
Annexations	\$250.00	\$250.00
Special Exception	\$ 0.00	\$150.00
Conditional Use	\$ 0.00	\$150.00
Rezoning	\$100.00	\$350.00 + \$25/acre

In addition, we would also suggest that a fee in the amount of \$10.00 be charged for each zoning certification letter that is requested. Many of the municipalities charge this fee to recoup the time associated with the research and preparation of the letter.

If you have any questions or need additional information, please feel free to contact me.
