Re: Proposed FY 2009-2010 General Fund, Water Fund, Sanitation Fund Operating Budgets; Hotel-Morel, Drug Seizure, Hazardous Materials Response Team Special Revenue Fund Budgets

Date: May 18, 2009

Attached for your review and consideration is a copy of the proposed FY 2009-2010 Budget. Finance Officer Jim Triplett is primarily responsible for preparing this document. I want to thank him and the Department Directors for their efforts in preparing this budget document.

GENERAL FUND BUDGET

The proposed FY 2009-2010 General Fund Operating Budget of \$17,482,829 represents an overall decrease of \$1,867,389 or 10% under the FY 2008-2009 Budget of \$19,350,218. A major portion of this decrease is due to the purchase of a new ladder truck for the Fire Department. This purchase was completed in FY 2009 and has been removed from the operating budget. The net decrease to the General Fund Budget after consideration of this capital expenditure is \$869,389, or 5%.

GENERAL FUND REVENUES

Revenue line items throughout the General Fund continue to reflect the severe economic recession our country is experiencing. This budget does not project any growth in the tax digest for the purpose of projecting property and ad valorem tax revenue. The Local Option Sales Tax (L.O.S.T.) is budgeted for a decrease of \$309,888 (7%) from the current budget. Occupation Tax is projected to remain at the current level. Insurance Premium Tax is projected to remain at or near the current level. Building permit revenue is projected to decrease 25% from the current budgeted amount. Building permit activity

continues to reflect the severe negative economic circumstances the construction industry in our country is experiencing. Unfortunately we do not expect any noticeable improvements during the upcoming year for this industry, and accordingly, budget projections reflect this assumption. The Fines and Forfeitures Revenue line item is forecast to decrease by 16% to \$800,000. Utility Franchise Fee revenues continue to be a "mixed-bag" for the General Fund. Franchise fee revenue for Georgia Power is forecast to decrease by 5% due to the recent loss of industry in our City. Franchise fee revenue for Carroll EMC, AT&T, Atlanta Gas Resources, and Cable Television is expected to remain at or near current levels. The amount of reimbursement the City expects to receive from Carroll County for fire protection services will remain at the current level of \$582,180. Grant Income is budgeted at \$487,000 which represents the approximate amount the City expects to receive from the Federal Government to fund firefighter salaries and benefits. Revenues from Recreation Department programs and activities are expected to remain at or near current levels. Interest income is forecast to decrease by 55%. This negative forecast is a result of unprecedented action taken by the Federal Reserve during 2008 in which they instituted multiple decreases in the Prime Rate in an attempt to stimulate the economy.

This budget does not include a millage rate increase. The City millage rate has not increased since 1993. This achievement reflects the City's commitment to hold down ad-valorem taxes to the maximum extent possible without jeopardizing the scope, efficiency, and effectiveness of City services.

GENERAL FUND EXPENDITURES

This budget does not provide for a cost of living allowance (COLA) for City employees. While a cost of living allowance is always a goal of City management, current economic conditions simply do not allow for it this year. Health insurance costs continue to increase at double-digit rates. This budget anticipates an increase of approximately 15% in health insurance costs for FY 2009-2010. Funding the City's retirement plan poses a major challenge for FY 2010. Due to the stock market crash of 2008, the City's retirement plan lost a substantial amount in value. We have received preliminary notification from our plan administrator that an increase in funding contributions of approximately 66% will be required in order to bring our retirement plan funding back to an acceptable level.

Property/Liability insurance costs are projected to increase by 10% due to new buildings and equipment being added to the City's fixed asset inventory.

Energy costs continue to be challenge for the City. As you are aware, costs for gasoline and diesel have varied from \$2 - \$5 per gallon at the retail level over the past 12 months. These large price swings are a result of economic instability world-wide, combined with the political and military unrest that unfortunately seem to be an ordinary part of life today. This budget attempts to forecast energy costs at the current level, combined with our best estimate of how they will trend during FY 2010. The cost of energy for our

facilities (electrical, natural gas) continues to be a challenge for the City's budget. We continue to strive to ensure our operations are as energy efficient as possible, however, this area will consume more of the City's budget in future years.

A summary of the General Fund Revenues and Expenditures are as follows:

SANITATION ENTERPRISE FUND

The financial activity of the City's Solid Waste function is accounted for in an enterprise fund. By definition, an enterprise fund should be self supporting based on fees assessed for the service/product provided. The proposed \$3,906,547 Sanitation Enterprise Fund.

Budget represents a 6% increase from the current budget of \$3,702,790. The proposed budget includes \$250,000 to fund the City's curbside recycling initiative. Landfill fees are expected to remain the same for FY 2010. No rate increases are proposed for sanitation services.

A proposed rate schedule is included as part of this transmittal.

HOTEL-MOTEL SPECIAL REVENUE FUND

The Hotel-Motel Special Revenue Fund supports the economic development/tourism efforts of the City such as Carroll County Chamber of Commerce, Carroll Tomorrow, Carrollton Area Convention and Visitors Bureau, and the Facade Grant funding for the downtown area. The FY 2009-2010 Budget for this fund is \$242,000. The 5% Hotel/Motel Tax levied by the City is the sole source of funding for this fund.

WATER ENTERPRISE FUND

The proposed FY 2009-2010 Water Fund Budget of \$10,617,091 represents a 5% decrease under the current year budget of \$11,152,236. Water and sewer rates are proposed to remain at current levels (no rate increase). A proposed rate schedule is included as part of this transmittal.

As discussed for the General Fund, the Water Fund is experiencing significantly higher costs due to increases in employee benefits (group health insurance, retirement expense, and worker's compensation expense). The Water Fund is also experiencing significant increases in the cost of energy, including electricity, natural gas, gasoline, and diesel fuel. The Water Fund Budget includes \$300,000 to be set aside in the Renewal and Extension Account to fund ongoing initiatives to improve the quality of the City's water and wastewater production and distribution capabilities. This amount is considerably lower than amounts set aside in previous years. Current economic conditions simply do not allow for funding at previous years' levels. We hope to bring funding for this reserve account back to desired levels as the economy improves. Also included in this budget is the annual debt service cost on outstanding revenue bonds and state revolving loans.

A summary of the Water Fund Budget revenues and expenses is as follows:
