ADOPTED

BUDGET STRATEGIC PLAN

ONE CITY. ONE DIRECTION: FORWARD

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Savannah
Georgia**

For the Fiscal Year Beginning

January 1, 2017

Christopher P. Morrill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the **City of Savannah, Georgia** for its annual budget for the fiscal year beginning **January 1, 2017**. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Special recognition is given to the following individuals for their assistance in preparation of the 2018 Service Program and Budget and the 2018-2022 Capital Improvement Program.

Executive Staff

Rob Hernandez	City Manager
Marty Johnston	Chief Operations Officer
Heath Lloyd	Chief Infrastructure & Development Officer
Taffanye Young	Chief Community Services Officer

City Manager's Budget Message

December 7, 2017

To: Mayor and Members of City Council

There is a saying that a goal without a plan is just a wish. Throughout 2017, City Council worked collaboratively with staff and the community to develop some big plans, which will lead to significant change within our organization in 2018 and well into the future. Together, we:

- Developed a strategic plan, [SAVANNAH FORWARD](#), which establishes new priorities, defines what success will look like over the next seven years, and creates concrete strategies on how to get there.
- Created a plan to restructure the City organization, the first major reorganization in recent history, to help us meet goals laid out in [SAVANNAH FORWARD](#).
- Adopted the Parking Matters study, which lays out strategies for improving parking downtown.
- Completed a conceptual vision for the new Arena Development District, which when completed will redefine what we consider downtown Savannah.
- Finalized a plan for the re-establishment of the Savannah Police Department, which will allow us to focus exclusively on public safety needs.
- Developed a fire services fee as a way to more equitably fund fire services in our community.

The 2018 Budget for the City of Savannah provides the necessary resources for putting these and other plans into action.

This \$408 million spending plan funds a new unit to expedite development of the arena and surrounding Canal District. It creates a department to coordinate the logistics of special events and tourism, the number of which continue to grow rapidly in Savannah. This budget brings all of our code enforcement officers – currently spread across multiple departments – under one roof, allowing us to cross train, make better use of resources, and better address compliance. This budget also puts a stronger focus on creating business opportunities for all of our residents, and launches a new unit designed to measure progress and ensure we stay on track.

City Council courageously addressed a projected funding imbalance by authorizing a fire services fee, which will cover 70 percent of our fire department's funding needs. The fire services fee treats fire protection just like we treat water, sewer and sanitation services – everyone pays for the services or benefits they receive, including nonprofits, governmental and educational institutions. It costs a tremendous amount of money to train, equip and then position the men and women who stand ready to respond to any emergency 24 hours a day, 365 days a year. Whether or not a property owner has been lucky enough to never need the services of Savannah Fire, the cost of providing that service remains the same to the City.

With adoption of the fire services fee, we are able to reduce our property tax rate by 8 percent, from the current 12.48 mills to 11.48 mills, which would make it the lowest millage rate in Savannah since 1988. If approved, Savannah City Council will have driven down its property tax rate by 34 percent over the past three decades.

By taking pressure off the City's General Fund, we can continue our progress in reducing crime city-wide, City Council's top priority. This budget adds 14 police officer positions to the City's police department on top of 18 grant-funded sworn positions added in 2017. To enhance garage security measures within the downtown corridor, 10 additional police officers will be brought on in FY 2018 as well.

The 2018 Budget contains funding for the continuation of existing services and initiatives. It also includes funding to address City Council Strategic Priorities and needed service enhancements:

Public Safety

- Anticipates \$2,285,365 from Chatham County for operation of the E-911/Public Safety Communications Center.
- Funds \$1,139,433 for police service enhancements including 14 additional police officers, establishes permanent funding for the Cold Case Investigative Unit, and an information systems analyst position.
- Opens four new police service locations: Downtown, Eastside, Southwest/New Hampstead substation and Savannah Highlands/Northwest substation.
- Funds two new fire engines replacing apparatus that are 12 and 13 years old.

Infrastructure

- Allocates \$500,000 to replace the control system at the DeRenne Avenue Pump Station, allowing personnel to more rapidly and efficiently respond to changing stormwater conditions.
- Provides \$800,000 for increased tree pruning, and tree and stump removal to help reduce the backlog of tree pruning and removal requests, including more than 500 stumps awaiting removal.
- Increases funding by \$1 million for landscaping maintenance services for rights of way and public property to help beautify public areas, key corridors, and neighborhoods.
- Continues needed storm-sewer rehabilitation by providing \$500,000 to repair and upgrade significantly aged infrastructure.
- Identifies \$597,000 for bridge maintenance and road resurfacing projects.
- Provides a grant match for Benton Boulevard at Spring Lakes school/intersection improvements.

Neighborhood Revitalization

- Secures \$410,000 for Joe Tribble Park improvements, including a pond aeration system, paved parking and security enhancements.
- Expands funding by \$1,681,840 for the Savannah Shines neighborhood improvement project under way in Edgemere/Sackville to construct new sidewalks, crosswalks, decorative

lighting, landscaping, and a bike path along Cedar Street, in addition to new curb and gutter between E. 52nd and E. 56th streets, and pedestrian safety improvements at high-volume areas along Waters Avenue.

- Provides \$500,000 in additional funding for next phase of the Waters Avenue Streetscape Enhancement Project from Anderson Street to Wheaton Street, which includes improved sidewalks, decorative crosswalks, ADA compliance ramps, enhanced landscaping, and ornamental lighting fixtures.
- Extends operating hours of two neighborhood community centers, providing increased recreational opportunities for youth.

Economic Strength and Poverty Reduction

- Establishes a Fire Services Fee Financial Hardship Assistance program to assist low-income property owners with paying the costs of the new fire services fee.
- Invests \$643,177 through the City's Community Partnerships Investment Program to fund 31 programs and services provided by 24 nonprofit agencies targeting poverty in Savannah.
- Purchases \$680,400 worth of cultural and arts programming from 12 organizations to enhance tourism and enrich the quality of life for our residents.
- Allocates \$210,000 toward special events, sponsorships and community celebrations.
- Forms a new Human Services department to manage, operate, and coordinate social and supportive services for youth, adults and families through collaborations and partnerships with faith-based and not-for-profit organizations providing community-directed services to families and individuals to assist them in reaching self-sufficiency.

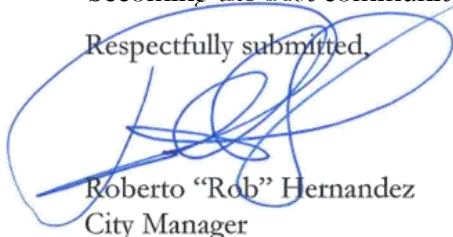

Good Government

- Replaces Budget and Performance Tracking Software System to align the budget, programs and service outcomes with the Strategic Plan.
- Allocates \$1,649,199 to provide for a 2% general wage increase with an additional 1% to be considered mid-year to make the City more competitive in attracting and retaining employees.
- Closes the Broughton Municipal and Gamble Buildings and relocates services to the new Chatham Parkway Service Center.
- Funds \$345,000 in technology-related improvements.

While the 2018 Budget makes progress in addressing Strategic Priorities and closing the gap between resource availability and needs, it does so with some cost. This budget includes elimination of 18 vacancies within the Savannah Fire Department, in addition to 27 other positions across the City organization. It also imposes a partial hiring freeze, while reducing operational contingency funds.

We have much work ahead, and this spending plan does not meet all of our needs. But it is a start, and sets several of our major plans into motion, a path that I am confident will lead to Savannah becoming the best community our size in America.

Respectfully submitted,

Roberto "Rob" Hernandez
City Manager

Reader's Guide

CITY MANAGER'S MESSAGE outlines the issues and assumptions relative to development of the revenues and expenditures of various City funds to achieve community priorities and service delivery focus in 2018.

BUDGET OVERVIEW presents the structure of the City government, an overview of the City of Savannah's demographics, and the various policies and processes used to create the annual budget and guide the management and use of the City's financial resources.

FINANCIAL POLICIES AND STRUCTURE provides a trend analysis and financial projections, summary of revenues by source and expenditures by type, proposed changes in revenue and expenditures, and changes in permanent positions by fund.

OPERATING BUDGET is organized and presented by Service Center and then by Business Unit. Each Service Center section typically begins with a mission statement and overview of that Center's personnel, revenue sources, and expenditures.

BUSINESS UNIT pages follow, and contain an overview of linkages to the strategic plan as well as core services and responsibilities. Revenue and expenditure information and position details are provided for each Business Unit.

Service Centers include:

- **GOVERNANCE**
- **STRATEGIC SERVICES**
- **PUBLIC SAFETY**
- **MUNICIPAL OPERATIONS**
- **INFRASTRUCTURE AND DEVELOPMENT**
- **COMMUNITY SERVICES**

Business Units are funded by the following funds:

- **GENERAL FUND** – Accounts for all revenues and expenditures which are not accounted for in specific purpose funds.
- **PUBLIC SAFETY COMMUNICATIONS FUND** – Accounts for collection of enhanced emergency telephone services fees (E-911) from telephone, wireless, and Voice over Internet Protocol (VoIP) from subscribers whose billing address is in Savannah and is used to support law enforcement dispatching.
- **HAZARDOUS MATERIAL TEAM FUND** – Accounts for revenues that come from area facilities which manufacture, use or store hazardous materials and is used to protect life, property, and the environment from intentional or accidental release of hazardous materials manufactured, used, and stored in the City of Savannah and Chatham County.
- **SANITATION FUND** – Accounts for revenues collected and used to provide the following services: residential and commercial collection, refuse disposal, street sweeping, recycling and litter services, collection/disposal of construction and demolition waste, and property maintenance enforcement.

- **CIVIC CENTER FUND** – Accounts for revenues collected to provide a venue for a variety of cultural, business, social, and sporting events.
- **WATER FUND** – Accounts for revenues collected to produce safe potable water to meet the needs of the Savannah community and other surrounding areas.
- **SEWER FUND** – Accounts for revenues collected to safely pump and treat wastewater to protect the quality of life for Savannah residents.
- **INDUSTRIAL & DOMESTIC (I&D) WATER FUND** – Accounts for revenues collected to provide treated water that meets quality and quantity demands of industrial users.
- **MOBILITY & PARKING SERVICES FUND** – Accounts for revenues collected to operate the City's parking management program that consists of on-street parking, off-street parking, and parking garages.
- **COMMUNITY DEVELOPMENT FUND** – Accounts for revenues derived primarily from the Community Development Block Grant and other federal and state grants and used to address Savannah's distressed neighborhoods.
- **GRANT FUND** – Accounts for revenues received from federal and state sources and used for a designated purpose.
- **INTERNAL SERVICES FUND** – Accounts for the financing of goods and services provided by one department to other departments on a cost reimbursement basis.
- **FIRE SERVICES FUND** – Accounts for revenues derived primarily from the fire services fee and a contribution from the General Fund.

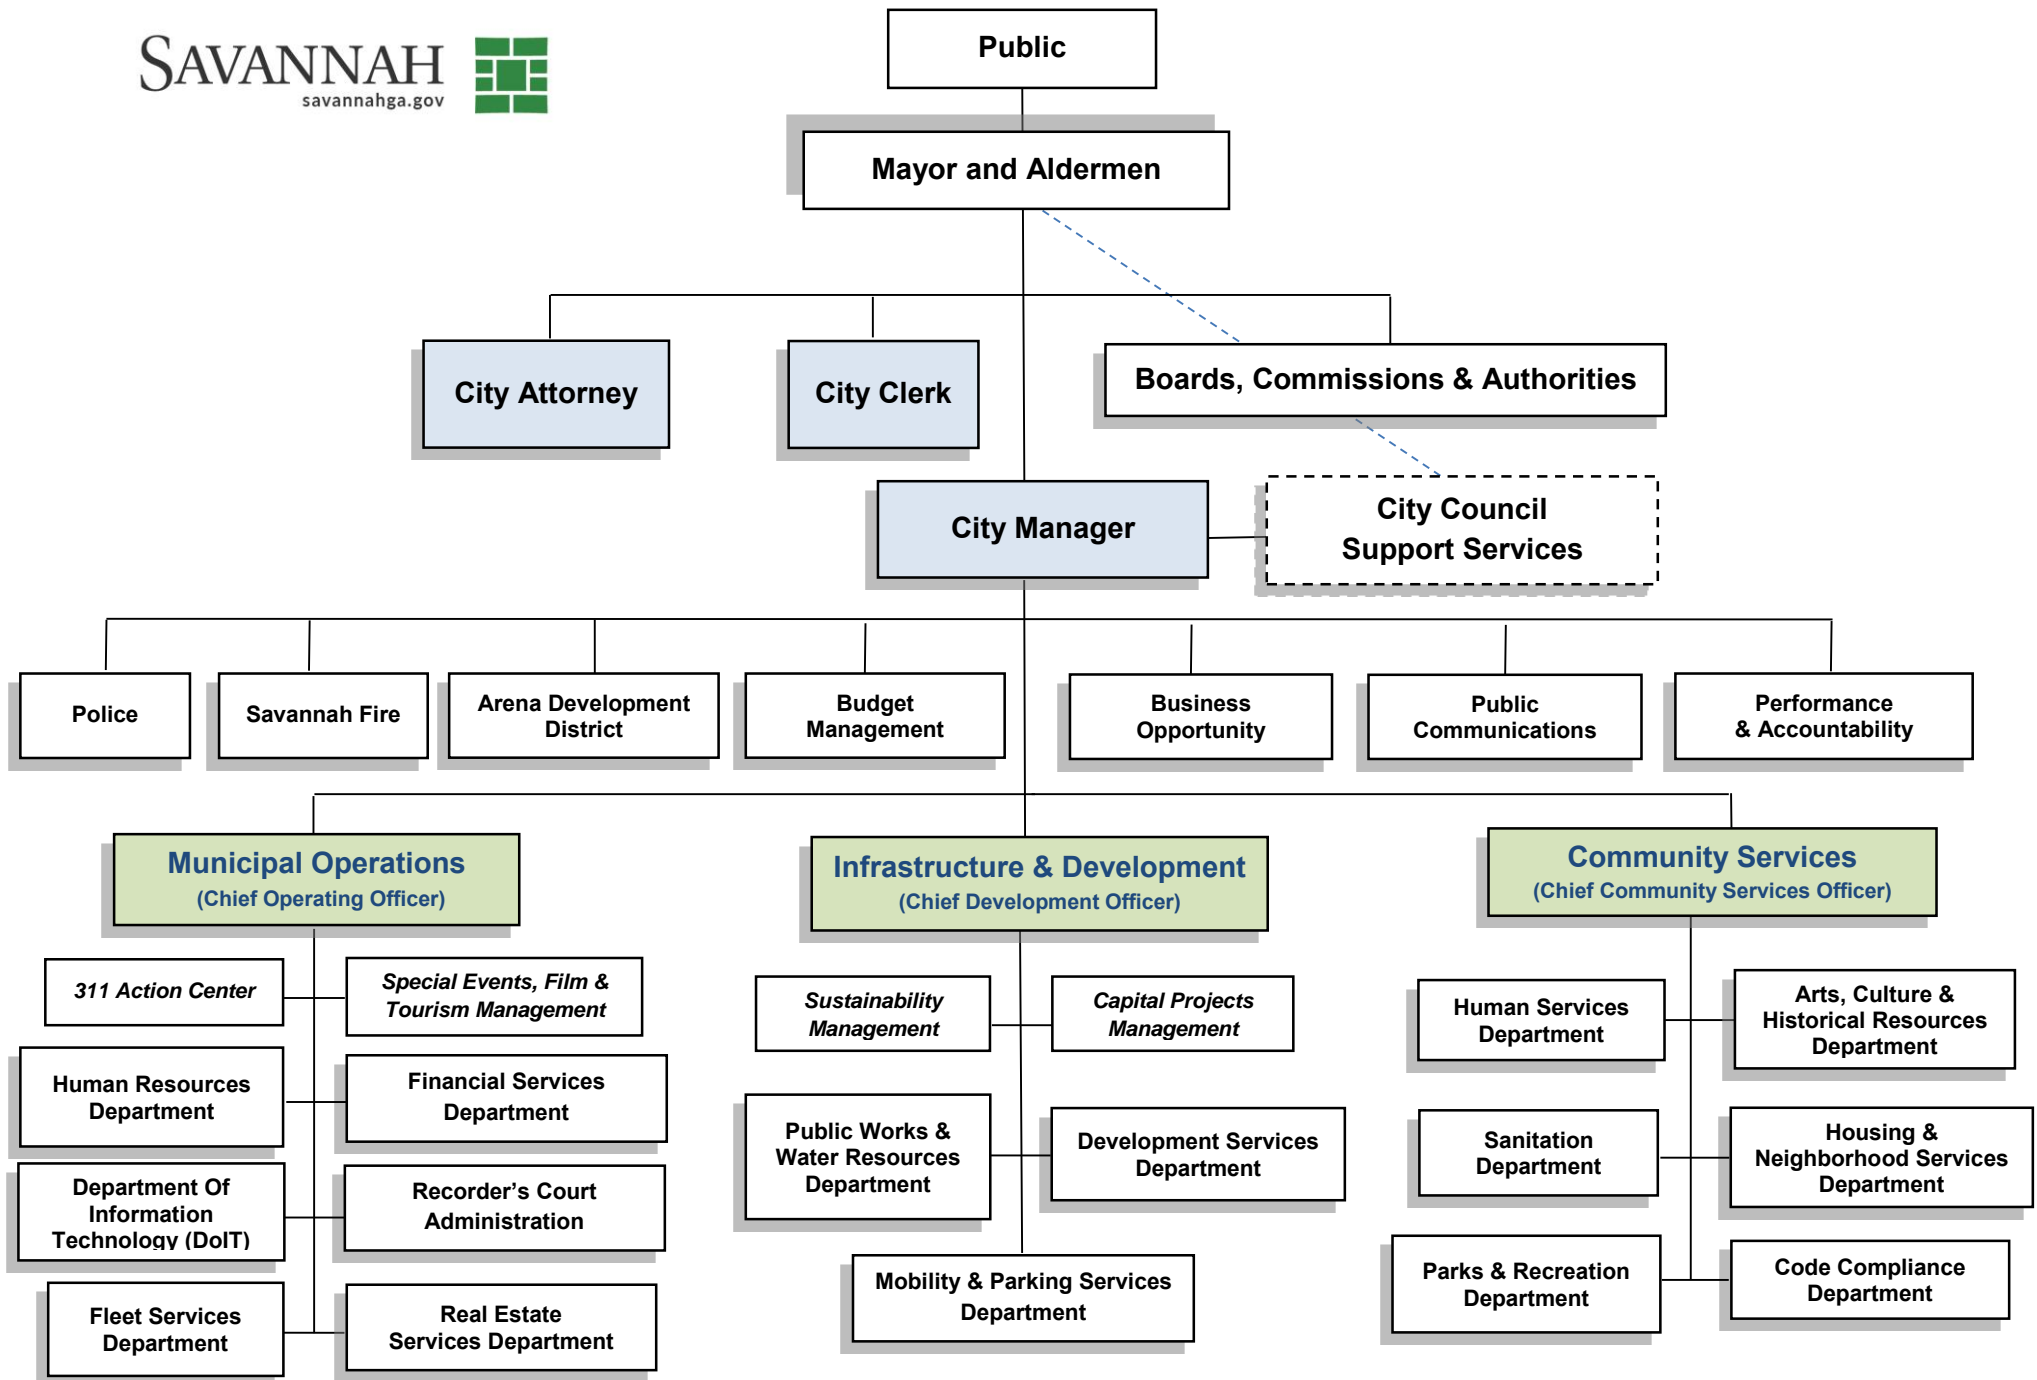

CAPITAL IMPROVEMENT PROGRAM presents a five year plan for maintenance and improvement of manmade infrastructure used for the delivery of essential public services. The first year of the plan is adopted for implementation.

OTHER FUNDS includes the Risk Management Fund, Debt Service Fund, Computer Purchase Fund, Vehicle Purchase Fund, Hotel/Motel Tax Fund, and the Auto Rental Tax Fund. Each are shown within the All Funds Summary. The Debt Service Fund and Risk Management Fund include further details in this section.

BUDGET ORDINANCE is adopted by Council. It summarizes the adopted budget and annotates any changes between the proposed budget and the adopted budget.

APPENDIX includes an overview of the Debt Service Fund, 2018 Vehicle Replacement List, Classifications and Pay Grade, 2018 Salary Grade Table, List of Acronyms, and Glossary of Key Terms.

Budget Process

OVERVIEW

The City's Annual Operating Budget is a fiscal plan which presents the programs and services to be provided to the community and describes the resources needed to perform those activities. The overall goal of the budget is to establish and maintain effective management of the City's financial resources. Revenues that support municipal services are derived from four sources: current revenue charges, increases in existing revenue charges, new revenue sources, and unallocated reserves carried forward from prior years. Various policies and processes are used to guide maintenance of the City's financial resources.

Under the City's organizational plan, policy making in response to the needs of the community is entrusted to the Mayor and Aldermen. Administrative or executive authority is vested in the City Manager to develop, implement, and execute programs and policies established by the Council. The annual budget is prepared under the direction and guidance of the City Manager. State law and local ordinances also impact development of the annual budget.

POLICIES AND PROCESS

The City of Savannah's Council-Manager form of government was adopted in 1954. Under this organizational plan, the legislative responsibility for municipal government is entrusted to a city council. The Savannah City Council consists of the Mayor and eight Aldermen. City Council levies taxes, enacts ordinances, and adopts the annual budget, as well as performs many other legislative functions. The Savannah City Council is also responsible for setting City Council priorities through the City's Strategic Planning process.

The City Manager is appointed by the Mayor and Aldermen to manage the government through the development, implementation, and execution of programs and policies established by the Council. The City Manager recommends the annual budget and work programs in addition to advising the Council on policy and legislative matters.

Various policies and processes are used to guide the maintenance and use of the City's financial resources. They are described as follows:

BUDGET POLICIES

The overall goal of the City's financial plan is to establish and maintain effective management of the City's financial resources. The following section outlines the policies used to guide the preparation and management of the City's annual budget. This section contains a summary of policies pertaining to the operating budget, capital expenditures, revenue, financial accounting, cash management, investment, and debt.

Operating Budget Policies

Preparation of the City's operating budget is guided by the following policies:

- All funds are required to balance. As such, total anticipated revenues must equal the sum of budgeted expenditures for each fund in order for the budget to be considered balanced. Revenues are derived from four sources: current revenue charges, increases in

existing revenue charges, new revenue sources, and unallocated reserves carried forward from prior years.

- All requests for allocations are considered in conjunction with measurable performance criteria and the Strategic Priority they primarily support. Expenditures are approved or rejected on the basis of planned levels of performance. Therefore, it is necessary for each activity within a fund to prepare a performance plan consisting of workload, efficiency, and effectiveness measures.
- Expenditure budgets for enterprise operations (i.e., Water, Sewer, I&D Water, Sanitation, Mobility and Parking Services, and Civic Center) must be funded either exclusively or primarily by user fee revenues. Self-sufficiency remains a long-range objective for these funds.
- Allocations from the General Fund are based on a long-range financial plan which includes an unallocated fund reserve. At the end of 2016, the unassigned fund reserve totaled \$34.1 million. This reserve protects the City against catastrophic revenue losses and major emergency expenditures, as well as contributes to the City's favorable bond rating.
- In addition to the unallocated fund reserve, a proactive approach was taken by creating a Sales Tax Stabilization Fund to reserve sales tax revenue above the historical trend line in good years to be used in years when sales tax revenue comes in below the trend line. This allows the City to avoid dipping into its reserves. As of the end of 2016, the Sales Tax Stabilization Reserves totaled \$5.5 million.

Guidelines for managing the Sales Tax Stabilization Fund are as follows:

- Each year, an amount up to the excess that actual sales tax receipts exceed the projected sales tax revenue will be set aside in the Sales Tax Stabilization Fund.
- Additions to the Sales Tax Stabilization Fund will continue until such time as the balance in the fund equals 25% of the budgeted revenue for sales taxes. The 2018 sales tax revenue budget is \$41,979,600, thus the maximum growth target is currently \$10,494,900.
- Funds will be withdrawn from the Sales Tax Stabilization Fund in an amount up to the deficiency, if any, between actual sales tax revenue and the projected sales tax revenue included in the originally adopted General Fund budget or updated sales tax revenue projection at year end, if necessary. The Sales Tax Stabilization Fund may also be used to account for expenses related to major emergencies or natural disasters.
- Ongoing expenses are never funded by a non-recurring or one-time revenue source. Future and current funding sources are identified for all new programs, services and expansions.

Capital Expenditure Policies

Preparation of the City's capital budget is guided by the following policies:

- A five-year program for capital infrastructure improvements is updated annually. The program identifies anticipated funding sources.

- Capital projects financed through the issuance of bonds will be financed for a period not to exceed the useful “life” of the project.
- The City will coordinate the development of the capital budget with the development of the operating budget. Future operating costs associated with new capital projects will be included in the operating budget forecasts.
- The City will preserve its assets at a level adequate to protect capital investment while minimizing future maintenance and replacement costs.
- The City will establish an appropriate distribution of bonded debt and cash financing in the funding of capital projects.

Revenue Policies

The City's revenue programs are administered by the Revenue Administration Division of the Financial Services Department according to principles which balance the City's need for revenue and the community's ability to provide the necessary financial resources. The revenue policies which guide the City are outlined below:

- The City will maintain a broad revenue base; that is, diversified revenue sources will be established and maintained in order to distribute revenue equitably and protect the City from short-term fluctuations in any revenue source.
- In order to fulfill funding needs without excessive dependence on property taxes, the City will attempt to enlarge the revenue base by seeking new revenue sources. Efforts will be made to work individually as well as with statewide groups to encourage the State of Georgia to adopt legislation which will enhance local government revenues.
- The City will implement user fees in all areas where feasible and productive, as well as set fees at levels related to the costs of providing the services. Moreover, user fees will be reviewed annually as part of the budget process and will, accordingly, be adjusted to maintain or move incrementally closer to full coverage.
- As deemed appropriate, the City will establish self-supporting enterprise funds where the relationship between operating costs and revenues will be clearly identified.
- The City will limit the designation of General Fund revenues for specified purposes in order to maximize flexibility in budgeting and utilize revenues more efficiently.
- The City will maintain effective collection systems and implement aggressive enforcement strategies in order to maximize revenues from available sources.
- Revenues will be projected conservatively in order to ensure that actual revenues at the fund level will consistently equal or exceed budgeted revenues.

Financial Accounting Policies

In developing and evaluating the City's accounting system, consideration is given to the effective implementation of financial accounting policies and, specifically, to the adequacy of internal controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding safeguarding of assets against loss from unauthorized use

or disposition, reliability of financial records for preparing financial statements, and maintenance of accountability for assets.

The internal audit function is the responsibility of the Office of Performance and Accountability which is organized separately from, and operates independently of, the Financial Services Department. The Director of the Office of Performance and Accountability directly reports to the City Manager. The office operates a full program of routine and special internal audits.

Single Audit: As a recipient of federal and state assistance, the City is responsible for ensuring that an adequate internal control structure is in place to secure compliance with applicable laws and regulations related to those programs. This internal control structure is subject to periodic evaluation by the internal audit staff as well as by management.

Budgetary Controls: The City also maintains budgetary controls to ensure compliance with legal provisions. The Office of Management and Budget monitors expenses and revenues, adjusts line item budgets as needed, and prepares various reports for the City Manager and Executive Team.

Cash Management/Investment Policy Scope: The City's cash management/investment policy includes all City funds except pension funds which are guided by a separate policy adopted by the Pension Board. Investment of funds is the responsibility of the Financial Services Department.

Investment Policy Objectives: The primary policy objective is safety of principal. Secondary objectives include adequate liquidity to provide cash as needed and rate of return on investments.

Allowable Investments: It is the policy of the City of Savannah to limit investments to:

- United States Treasury Bills, Notes, and Bonds
- Certificates of Deposit
- State of Georgia Investment Pool
- City of Savannah Special Assessment Bonds
- Repurchase Agreements

Risk Controls: To ensure liquidity and reduce market risks, investments have maturity dates on or prior to the date cash is projected to be required to meet disbursement needs.

Collateralization: Collateralization is used to:

- Secure Certificates of Deposit
- Secure Repurchase Agreements
- Secure Demand Deposits

Investment Fund: The Investment Fund is an agency fund which is the owning fund for all City investments except the Pension Fund and Special Assessment Bonds. Accrued interest is distributed to funds participating in the Investment Fund Pool based on their average equity balance for the month.

The fund also contains a combined cash account from which all disbursements are made and all receipts are deposited.

Debt Policies

The City of Savannah is authorized to issue general obligation bonds equivalent to 10% of assessed taxable values within the City. Bonded indebtedness is well within this limit. As of December 31, 2016, the City had outstanding general obligation bonded debt totaling \$2,000,000. To maintain this favorable position and the current AA+ bond rating, the following debt policies are in place:

- Total long-term debt and major contractual obligations will not exceed 8% of assessed valuation.
- Long-term borrowing will be restricted to capital improvements that are too costly to be financed from current revenues.
- Proceeds from long-term debt will not be used for current ongoing operations.
- Bonds will be retired within a period not to exceed the expected useful “life” of the capital project.
- Additional major obligations should only be undertaken with a new dedicated stream of revenues to support them.
- When feasible, special assessment, revenue, or other self-supporting bonds will be used instead of general obligation bonds.
- The use of any revenue anticipation borrowing will be avoided. If such borrowing becomes necessary, the debt will be retired in full within the same fiscal year as it is incurred.
- Good communication with bond rating agencies and full disclosure on every financial report as well as bond official statements will continue.

BUDGET PROCESS

The annual budget is a fiscal plan which presents the programs and services to be provided to the community and describes the resources needed to perform those activities. Key policies which guide this process are described in the following section.

Budget Preparation

The City of Savannah's fiscal year begins January 1st and ends December 31st. The major steps in the budget preparation process are:

1. The City of Savannah holds community meetings throughout the City as well as launches an online survey to gather citizen feedback on community priorities.
2. The Savannah City Council meets to set strategic priorities and results for the Fiscal Year.
3. City of Savannah staff meets to create an implementation plan for each strategic result to ensure that a roadmap exists to achieve what is most important for our City.

4. The Office of Management and Budget prepares the *Financial Trend Indicators Report* which identifies positive and negative financial trends impacting the City. A *Five-Year Financial Plan* is also prepared. These reports are used as the financial framework for budget preparation.

5. The City Manager and three Chief Operating Officers meet to review current staffing levels. Broad-based changes are recommended, and are then incorporated into the Base Budget.

6. The Office of Management and Budget, with direction and guidance from the City Manager, develops base budget expenditure levels for departments and City-wide revenue projections for the current and upcoming fiscal year. Strategic Plan Implementation Groups and City Departments submit Service Enhancement Proposals to recommend the enhancement of a current activity, establish an activity, and/or obtain equipment associated with an activity. These proposals are reviewed and changes made as necessary to present a balanced budget to the City Manager.

7. A *Five-Year Capital Plan* is prepared and presented to Council. The first year of the plan is incorporated into the *Service Program and Budget*.

8. The City Manager meets with each of three Chief Officers to review proposed work plans, staffing levels, and expenditures for the upcoming year and make any necessary changes. The City Manager also conducts budget meetings including the Chief Budget Officer and an executive leadership team to lead discussion and guide decision making for the budget process. Feedback gained through all budget discussions is then used to prepare the City Manager's preliminary budget recommendation to the Council.

5. The Council conducts a series of workshops and public hearings before making a final decision on the City Manager's budget recommendations. After careful and thorough consideration, the Mayor and Aldermen adopt the *Service Program and Budget* by December 31st.

Budget Execution

On January 1st of each year, the adopted budget is implemented. Concurrently, an analysis of the previous year's actual expenditures is conducted. During this analysis, problem areas are identified and reconciled. Problem areas that have an impact on the current year are closely monitored. Moreover, throughout the year, expenditures, revenues, and performance data are monitored in order to ensure the successful implementation of the City's service plan and more fully prepare for the next fiscal year.

Budget Amendment

As conditions change or circumstances are altered, the budget process allows for amendments. Because the Budget is an ordinance adopted by the Mayor and Aldermen, the amendment process is similar to that used to amend other ordinances. A majority positive vote by Council at two meetings is required.

BUDGET PREPARATION SCHEDULE

A budget preparation schedule is established each year that identifies actions to be completed with associated target dates. This schedule is used to keep the budget preparation process on schedule in order to provide the City Manager's proposed budget to Council for consideration and final adoption within the legal time frame. The detailed schedule is provided on the following page.

ACTIVITY	DATE
Launch of Savannah Forward Strategic Planning Process	April 25, 2017
Alderman District Community Meetings, Focus Groups and Online Public Survey	May 1-31, 2017
Internal Strategic Plan Retreat	June 2-3, 2017
Strategic Plan Implementation Sessions	July 10-14, 2017
Budget Office communicates the 2018 budget procedures to Business Units	July 31, 2017
2018 Community Partnership Program (CPP) Request for Proposals*	August 7-31, 2017
Business Units submit performance data and projected revenue	August 15, 2017
Adoption of the City of Savannah Strategic Plan	August 31, 2017
Business Units submit Service Enhancement Proposals	October 27, 2017
Budget Office finalizes base budget expenditures, revenue projections, and performance data, to prepare the preliminary operating and capital budget for the City Manager review	November 17, 2017
City Manager presents the recommended <i>Service Program and Budget</i> to City Council	November 30, 2017
Council Budget Work sessions	November 30 - December 1, 2017
Public Hearing – 2018 Proposed Budget-In-Brief presented to City Council	December 7, 2017
Public Hearing – Budget in Review	December 21, 2017
Budget and Revenue Ordinances adopted with City Council Amendments	December 21, 2017

* The Community Partnership Program (CPP) was implemented for fiscal year 2018, which replaced the Social Services Grants Program. Through the CPP, the City of Savannah seeks to purchase programs and services from local non-profit entities. Proposed programs must assist in achieving the goals and priorities identified in the City's Strategic Plan and must benefit Savannah residents.

Financial Structure

The City's financial transactions are budgeted and recorded in separate funds. A fund is an independent financial and accounting entity. It is a set of interrelated accounts used to record revenues and expenditures associated with a specific purpose. A fund has a balancing set of accounts and records, cash, and other financial resources in conjunction with all related liabilities and residual equities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations or restrictions. Although funds are independent entities within the financial records of a government, there is no requirement to physically segregate the assets. Funds are classified into three basic types: governmental funds, proprietary funds, and fiduciary funds.

FUND STRUCTURE

GOVERNMENTAL FUNDS

Governmental funds are used to finance the majority of municipal functions. Specifically, the acquisition, usage, and balances of the City's expendable financial resources as well as the related current liabilities are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position rather than upon net income determination. The following types of governmental funds are utilized by the City:

- **General Fund:** The General Fund accounts for resources traditionally associated with government that are not required to be accounted for in another fund. This fund has a greater number of revenue sources, and therefore is used to finance more activities than any other fund. It is often the chief operating fund of a municipal government. The General Fund provides for services such as Police, Community Services, Streets Maintenance, etc.
- **Special Revenue Funds:** Special Revenue Funds account for the proceeds of specific revenue sources, with the exception of special assessments, expendable trusts, or major capital projects. These revenue sources are legally restricted for specified purposes other than debt service or capital projects. The Community Development Fund, Hazardous Material Team Fund, Public Safety Communications Fund, Fire Services Fund, Property Acquisition Fund, Grant Fund, Hotel/Motel Tax Fund, Auto Rental Tax Fund, OPEB Reserve Fund, Confiscated Assets Fund, Economic Development Fund, and Recorder's Court Technology Fund are considered special revenue funds.
- **Debt Service Fund:** The Debt Service Fund accounts for the accumulation of resources that are restricted, committed, or assigned to fund general long-term liability principal, interest, and related costs.
- **Capital Improvement Projects Fund:** The Capital Improvement Projects Fund is used to account for financial resources that are restricted, committed, or assigned to expenditures for capital outlays including the acquisition, renovation, maintenance or construction of major capital projects, such as buildings, parks, streets, bridges, and other City facilities, infrastructure, and equipment.

PROPRIETARY FUNDS

Proprietary Funds are used to account for the ongoing activities of the City which are similar to those often found in the private sector. All assets, liabilities, equities, revenues, expenses, and transfers relating to the City's business and quasi-business activities are accounted for through proprietary funds. All proprietary funds utilize a flow of economic resources as the measurement focus. As such, the accounting objectives focus on the determination of operating income, changes in net assets, financial position, and cash flow. Two types of proprietary funds utilized by the City are:

- **Enterprise Funds:** Enterprise Funds are used to account for activities that are financed and operated in a manner similar to private business enterprises, wherein the expenses (including depreciation) incurred in providing goods or services to the general public on a continuing basis are financed or recovered primarily through user fees. As such, the periodic determination of revenues earned, expenses incurred, and/or net income derived from these self-supporting funds is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

The following Enterprise Funds are maintained by the City:

- Water and Sewer Fund
 - Industrial and Domestic Water Fund
 - Civic Center Fund
 - Mobility and Parking Services Fund
 - Sanitation Fund
- **Internal Service Funds:** Frequently referred to as revolving funds, internal service funds are used to account for the financing of goods and services provided by one department or agency of a government to other departments or agencies on a cost-reimbursement basis. Departments within the City's Internal Services Fund include Information Technology and Fleet Services. The Risk Management Fund is also an internal service fund. These departments are permitted to supply services to outside agencies for a fee.

ACCOUNTING BASIS

Governmental Funds are accounted for using the current financial resources measurement focus incorporated in the modified accrual basis of accounting. Under this basis, revenues are recognized when they are susceptible to accrual or when they become measurable and available. Likewise, expenditures are recorded as liabilities are incurred, with the exception of principal and interest on general long-term liabilities which are recognized when due. Revenues which are susceptible to accrual include: sales taxes, property taxes, service charges, grants, and investment income. Revenues generated from fines, forfeitures, penalties, and alcohol taxes are not susceptible to accrual as they are neither measurable nor available prior to receipt.

The Proprietary Funds, including the Enterprise Funds and the Internal Services Fund, are accounted for on the accrual basis of accounting on a flow of economic resources basis. Revenues are recognized when they are earned, and expenses are recognized when incurred or the economic asset used.

The City also reports various Fiduciary Funds which do not adopt budgets. Fiduciary funds are those in which the government acts as a trustee, such as collecting and tracking workmen's compensation or Social Security payroll taxes, and then depositing those funds with the

State. These funds are accounted for on an accounting basis consistent with the fund's measurement focus. The Pension Trust Fund and the Old Pension Trust Fund are accounted for on the accrual basis. The Recorder's Court Fund, Retiree Benefits Fund, and the Flexible Benefits Plan Fund are reported on the modified accrual basis of accounting.

BUDGETARY BASIS

For Governmental Funds, the basis of budgeting is the same as the accounting basis with noted considerations and is consistent with Generally Accepted Accounting Principles (GAAP). City Council adopts annual budgets for the City's General Fund, Special Revenue Funds, and Debt Service Funds. Budgets for Capital Improvement funds are adopted based on project length.

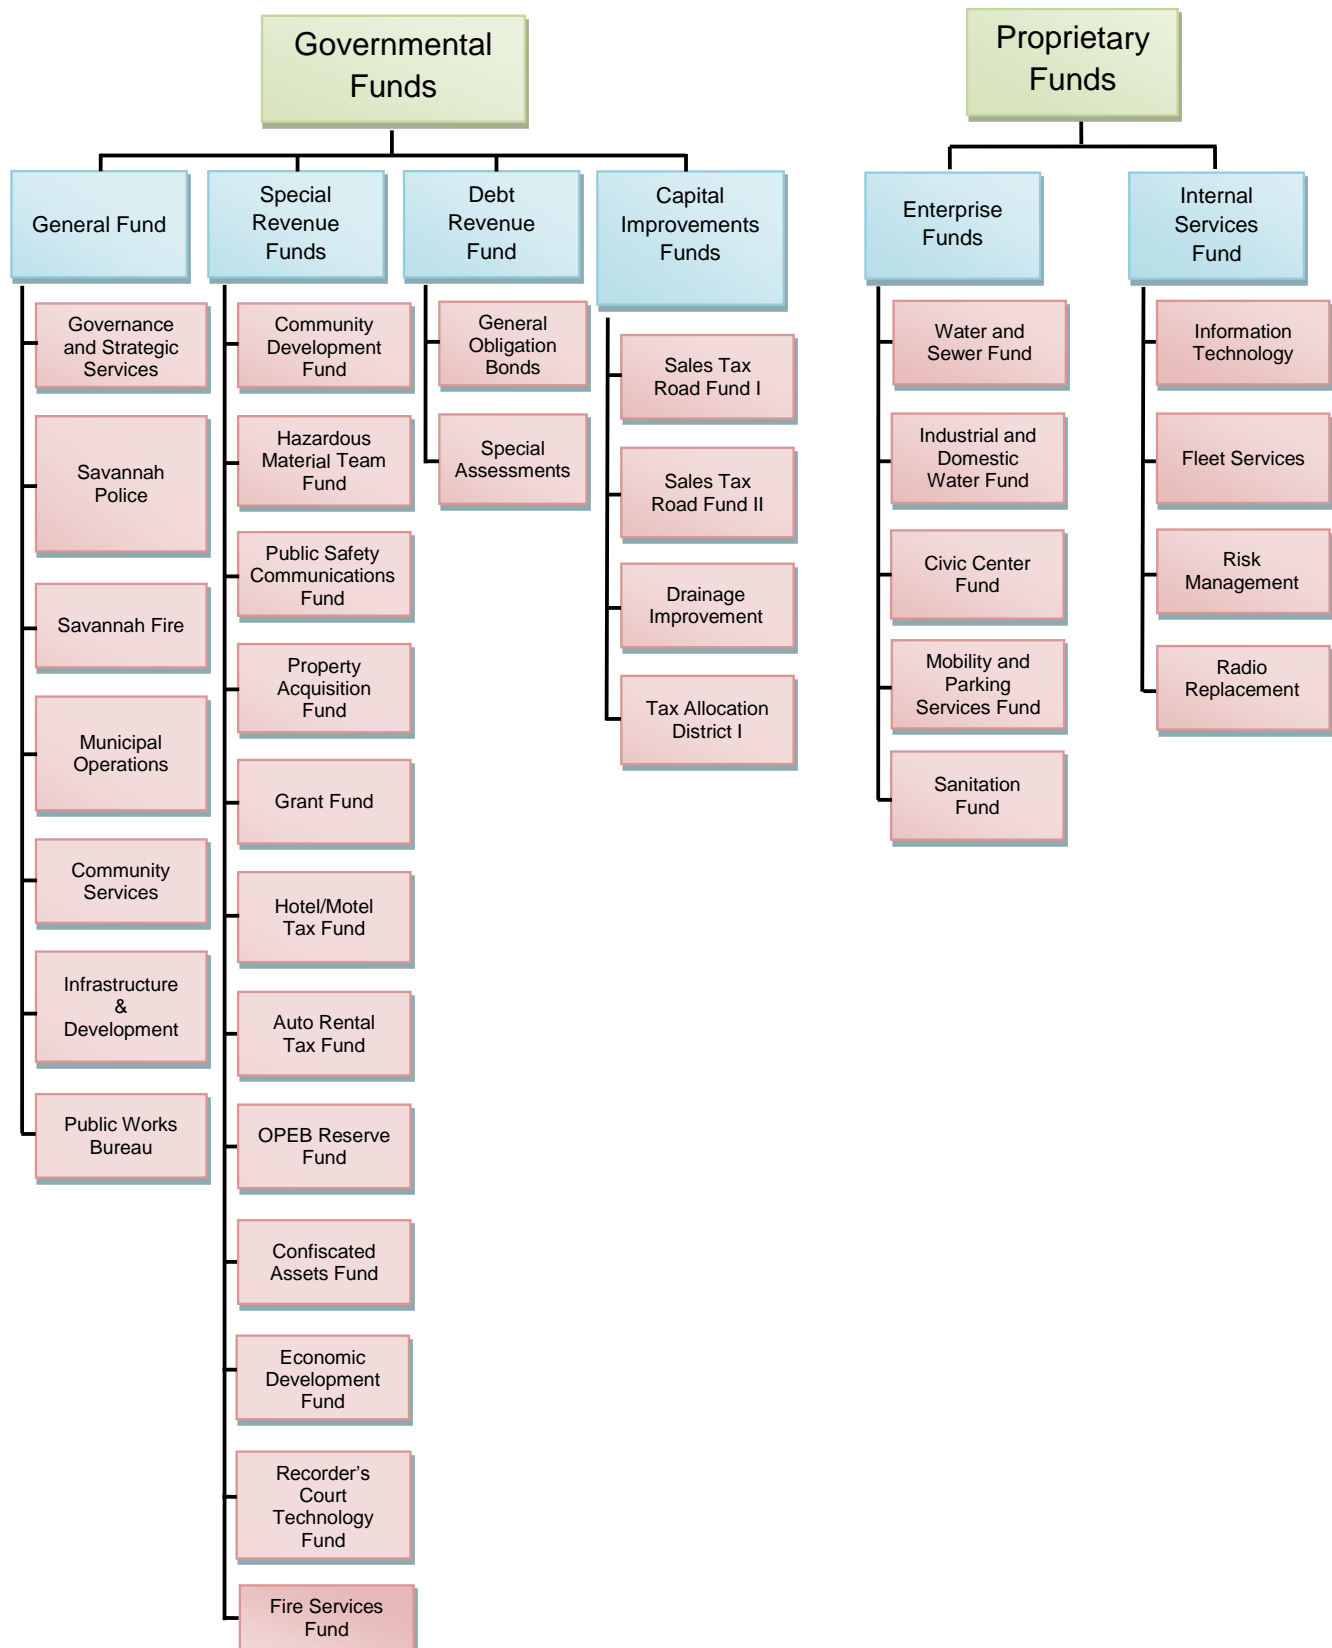

Budgets for Proprietary Funds, including Enterprise Funds and the Internal Services Fund, are developed for planning purposes and are not consistent with GAAP. The major differences used for budgeting Proprietary Funds are as follows:

1. Repayments on debt are budgeted as expenditures rather than as a reduction in liabilities.
2. Depreciation expense on fixed assets is not included in the budget as an expense.
3. Contributions of capital from other funds, private developers, and so forth are not budgeted.

The legal level of control at which expenditures may not exceed the budget is the Department level. Any change in the appropriation level above the legal level of control must be approved by City Council. Changes below the legal level of control require approval by the City Manager or the Chief Budget Officer.

Appropriations lapse at year-end with two exceptions: 1) In the Capital Projects Funds, appropriations are carried forward until project completion; and 2) Encumbered appropriations do not lapse, but are carried forward to the ensuing budget year as budgetary amendments, as noted in the adopted Budget Ordinance.

Budgetary Fund Structure

Financial Outlook

NATIONAL, STATEWIDE, AND LOCAL ECONOMIC OUTLOOK

The **U.S. national economy** continues to modestly expand through 2018 at a pace that leads to further tightening of the labor market. According to the Congressional Budget Office, the rate of 2018 GDP growth (2.0 percent) will be slightly lower than 2017's 2.2 percent and averaging below for the rest of the period through 2027. Although, inflation and interest rates are projected to rise as the amount of unused productive resources in the economy shrinks, consumer spending and capital investment by businesses are expected to drive GDP growth.

The **State of Georgia economy** is strongly linked to the national economy. However, the Selig Center for Economic Growth projects that on average, Georgia's economy will grow significantly faster than the nation's economy as of the time of this writing. There will be some headwinds: The strong, but weakening, dollar will make it difficult for our exporters. Tight labor markets will temper job growth. The Georgia unemployment rate will be relatively flat with 2017's five percent due to the in-migration of workers from other states, increases in labor force participation, and the slowdown in job growth predicted. Major employment sectors in Georgia are: trade, transportation, and utilities; government; professional and business services; education and health services; and leisure and hospitality. Georgia is considered a top state for business. The metro Atlanta area represents a significant portion of the State's economy.

The **Savannah area economy** consists of a diverse mix of industries and services including tourism, the port, healthcare, education, manufacturing, real estate development, and the military which contributes to economic stability. For 2018, strength in port activity, real estate development, capital investment, and tourism should set the stage for growth that is above average for employment and the overall economy. Many of the leisure/hospitality and business/professional service enterprises are small, locally grown firms and their growth reflects substantial business confidence in the underlying economy. The support services offered by firms in business/professional services represent an important source of new demand for labor based on growth meeting the growing needs of other regional businesses and consumers. Savannah's long-term growth prospects are good, as it is an attractive place to live, work, retire, and visit.

FINANCIAL FOUNDATION PRINCIPLES

Because the economic environment can change quickly with lasting effects, a snapshot of the City's financial future accomplishes two important goals: (1) It allows identification of challenges early; and (2) provides information to the Mayor and Council to assist in policy making which is critical in addressing potential problems proactively. The Office of Management & Budget updates *Financial Trend Indicators* which consider demographic and financial trends for the City of Savannah. The *Five-Year Forecast* is also updated using a five year planning period that looks ahead to project future revenues and expenditures.

The overall goal of financial planning by the City of Savannah is to establish and maintain effective management of the City's financial resources. This continues to be accomplished through the use of financial policies and processes that guide decision-making.

FINANCIAL TREND INDICATORS

Adoption of policies that will stimulate economic growth, enhance attractiveness of the City, and address quality of life issues is an integral part of the financial planning process. The following presents key fiscal and economic indicators to examine trends which may affect the City's financial health:

CITY POPULATION

Population change can affect governmental revenues and service demand. According to the U.S. Census Bureau, the City of Savannah's 2016 population estimate was 146,763. The trend during the five-year period from 2012 – 2016 reflects slow and steady population increase. The estimates show population increased by 4,399 during this time period.

EXPENDITURES PER CAPITA

Services provided to meet the needs of City of Savannah residents, businesses, and visitors are a top priority. Changes in expenditures are directly impacted by changes in population and service demands, as well as changes in economic conditions. Expenditures per capita on a constant dollar basis increased during the 2012–2016 period.

Expenditures rose in 2015 in part due to a \$3.1 million property acquisition and significant contributions to CIP projects. Expenditures per capita adjusted for inflation were \$1,117 in 2016 when General Fund expenditures are reduced by actual Chatham County reimbursements to the City for providing police services to unincorporated area population.

Expenditures generally increase and decrease as revenues increase and decrease. Expenditure growth can, in part, be controlled through the budget process.

UNASSIGNED FUND BALANCE

The amount of the City's fund balance or reserves provides an indication of the ability to withstand financial emergencies. The Government Finance Officers Association (GFOA) recommends, at a minimum, that governments maintain an unrestricted fund balance in their general fund of no less than two months (16.7%) of regular general fund operating revenues or expenditures. The unassigned fund balance for the General Fund at the end of 2016 was \$34,096,507 or 17.96% of total General Fund revenue for the year.

In addition to the unassigned fund balance in the General Fund, the City also maintains Sales Tax Stabilization Fund reserves. These reserves were funded from higher than anticipated local option sales tax revenue in previous years and are used to fund sales tax revenue deficits, if needed. At the end of 2016, these reserves totaled \$5,501,000.

Unallocated fund reserves protect the City against catastrophic revenue losses and major emergency expenditures, as well as contribute to the City's favorable bond rating.

Five Year Forecast

GENERAL FUND

By following the City's financial principles, looking back at various trends, and projecting forward five years to prepare for challenges on the horizon, the City's legislative and administrative authorities have been able to work together to make financial adjustments where necessary. The City's financial base includes a diverse revenue stream that prevents the City from relying on a single source of revenue to meet service delivery needs. This mix of revenue has helped the City weather economic downturns. In order for the City to maintain its positive financial position, sound financial planning and prudent decision-making is required.

PROPERTY TAXES

Property taxes are the single most significant source of revenue for the City and make up about one-third of the City's General Fund revenue.

The 2018 Budget is balanced with a 1 mill reduction to the current tax rate of 12.48 mills. Adjustments to the millage rate are reviewed each year in consideration of the City's ability to remain financially sound and competitive in attracting new residents and retaining current businesses.

Property tax revenue over the prior six-year period is shown in the graph below (2017 is the projected amount). The City's millage rate declined from 12.50 to 12.48 mills during this period. The lingering effects of the economic recession on the housing market and property values impacted property tax revenue toward the beginning of this time frame. In 2013, state tax reform legislation began phasing out the ad valorem vehicle property tax in favor of a vehicle title fee, which negatively impacts the property tax revenue category. The rise in 2015 revenue was due to an increase in tax digest assessed values, primarily related to commercial and industrial property. The increase in the 2017 projection is from higher anticipated collection rates of current and delinquent real property taxes. In 2016, the City began phasing in the Freeport tax exemption for personal property taxes, which is expected to cause a slight decline in this revenue source.

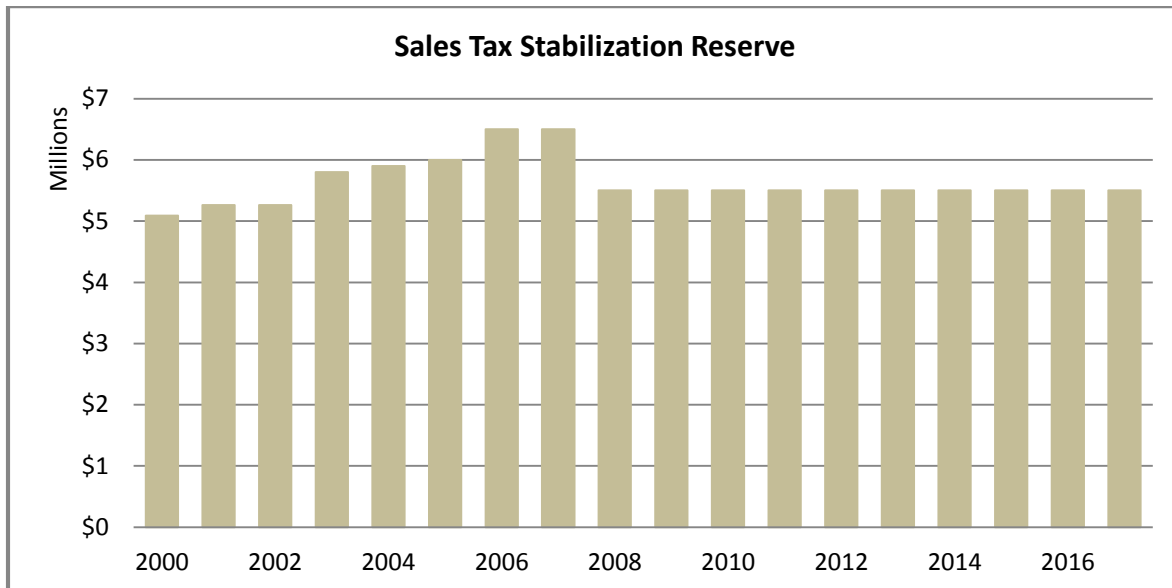

The following graph shows the five-year forecast for property tax revenue. Revenue is anticipated to rise due to projected growth in the tax digest, including new growth and development. Projections include the continued phase-in of the Freeport tax exemption.

SALES TAX

The General Fund's second major revenue source is sales tax. In Savannah, a 7% sales tax is levied. Of this amount, 4% goes directly to the state, 1% goes to Chatham County as the Special Purpose Local Option Sales Tax (SPLOST), 1% goes to the Savannah-Chatham County Public School System as the Education Special Purpose Local Option Sales Tax (ESPLOST), and 1% is shared between Chatham County, Savannah, and the other municipalities in the County as the Local Option Sales Tax (LOST). In 2012, the City received 67.21% of this levy. During 2013, the City's allocation was reduced to 58% per a renegotiated agreement. In years 2014-2022, the City's allocation is 57%.

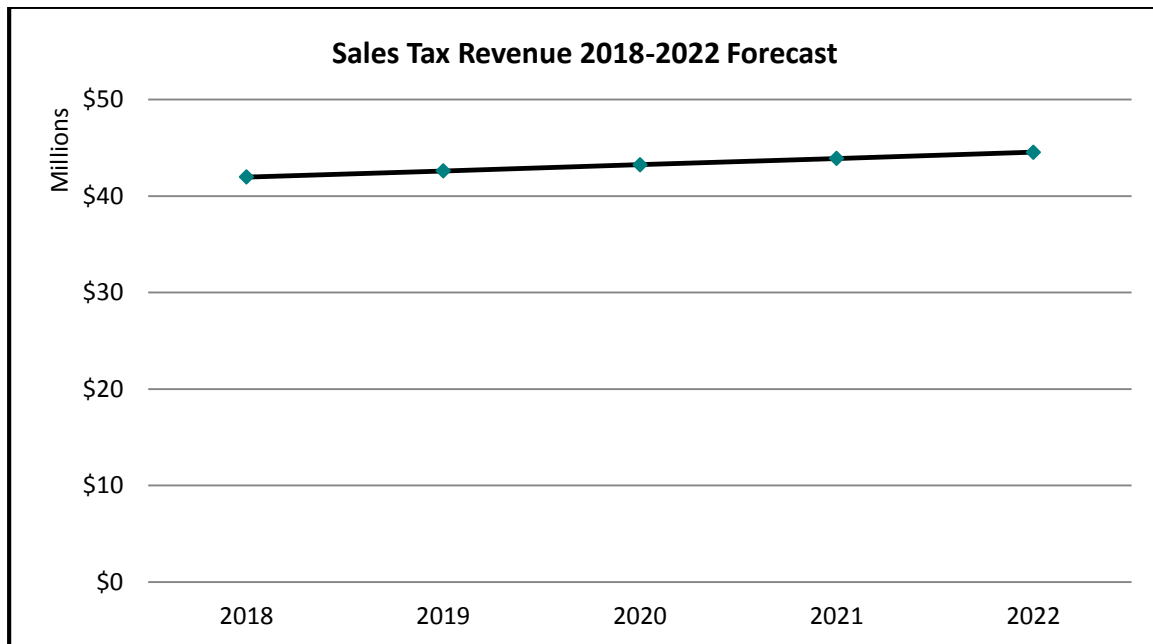

The City also maintains a sales tax stabilization reserve as revenue from sales tax is highly elastic and directly impacted by performance of the economy. The reserve was funded from higher than anticipated local option sales tax revenue in previous years and can be used to fund sales tax revenue deficits. As of the end of 2017, the sales tax stabilization reserve totaled \$5,501,000. No draw from this reserve is planned in 2018.

Sales tax revenue over a six-year period is shown in the following graph (2017 is the projected amount). The decline in 2013 was due to the renegotiated LOST allocation agreement, as well as state tax reform legislation which impacted sales tax on vehicles by implementation of a vehicle title fee. This revenue source is projected to be up just over 7% in 2017 based on actual receipts. This increase is due primarily to strong growth in the spring and summer months, partially attributed to increased tourism.

The five year sales tax forecast includes modest growth based on low inflation. No major changes to this revenue source are anticipated.

FIVE YEAR PLAN FORECAST

General Fund revenue is projected to decline in 2018, but rise modestly over the forecast period, as alternative funding streams are explored. Improving economic conditions should positively impact the property tax digest and sales tax revenue. The tourism sector of Savannah's economy, which affects a variety of revenue sources, is expected to remain strong.

General Fund expenditures are also planned to decline in 2018 primarily due to the relocation of all Fire Service expenses to the Fire Service Fund and a decrease in Personnel services related to a major organizational restructuring, a January 2018 reduction in force, and the demerger of the metropolitan police department. These reductions are projected to carry forward to 2019, before trending upward due primarily to inflation. Increases in personnel expenditures will have a major impact as salaries and benefit costs are projected to trend upward in outlying years as government wages struggle to remain competitive among rapidly growing private sector wages. Expenses for commodities and contractual services are anticipated to increase as a result of inflation. Spending for infrastructure projects is also planned to remain as a significant expenditure, ranging from \$5M to \$8M within the forecast period. The forecast includes a slight drop in expenditures in 2019 related to a \$4 million contribution to the Fire Fee Reserve Fund made in 2018 which will not be required in out-years of the forecast period.

Operational impacts related to capital expenditures have been included within General Fund expenditures, and are reflected below:

	FY18	FY19	FY20	FY21	FY22
General Fund	\$0	\$25,500	\$395,750	\$376,000	\$377,250

While this forecast is based on current available information and assumes economic conditions will continue to slowly improve, it is worth noting that recessions are a normal part of the business cycle which occur every eight years or so. With the last recession ending in 2009, another downturn is quite possible during this forecast period which can negatively impact revenue collections and therefore expenditures.

Any future gap in projected revenues and expenditures is expected to be managed through city-wide efforts that include managing spending while remaining competitive and implementing efficiencies and innovations that result in long-term sustainability.

	2018	2019	2020	2021	2022
Revenue	182,246,578	185,143,771	189,296,451	193,250,067	197,980,358
Expenditures	182,246,578	182,066,081	188,326,862	193,250,067	195,753,004

WATER AND SEWER RATE CHANGES

FUTURE RATE PROJECTION

Water and sewer rates are projected five years into the future. Projected rate increases are necessary to fund anticipated increases in the operation and maintenance of the system and to fund the water and sewer system 2018-2022 Capital Improvement and Maintenance Plan. The rates forecast in the projection for 2018 result in an average monthly increase for the median customer of \$1.12.

Although rate increases are forecast, the annual changes are comparatively modest and the system's rates compare favorably with the rates of similar cities. The projected monthly dollar and percent increase in combined water and sewer bills for three different usage levels appear below.

WATER AND SEWER FUTURE RATE PROJECTION TABLE

Year	Water and Sewer Rate Change History and Projection					
	Monthly Increase in Combined Bill			Percentage Increase in Combined Bill		
	15CCF*	25CCF	35CCF	15CCF*	25CCF	35CCF
2011 (actual)	0.75	1.25	1.75	2.27%	2.44%	2.52%
2012 (actual)	1.50	2.50	3.50	4.44%	4.76%	4.92%
2013 (actual)	1.50	2.50	3.50	4.25%	4.55%	4.69%
2014 (actual)	1.50	2.50	3.50	4.08%	4.35%	4.48%
2015 (actual)	1.50	2.50	3.50	3.92%	4.17%	4.29%
2016 (actual)	1.50	2.50	3.50	3.77%	4.00%	4.11%
2017 (actual)	1.65	2.75	3.85	4.00%	4.00%	4.23%
2018	1.12	1.87	2.62	2.62%	2.77%	2.84%
2019	1.20	2.00	2.80	2.72%	2.87%	2.94%
2020	1.28	2.12	2.97	2.82%	2.97%	3.04%
2021	1.35	2.25	3.15	2.90%	2.90%	3.05%
2022	1.43	2.38	3.33	2.98%	3.13%	3.19%
Average (last 5 years)	\$1.28	\$2.13	\$2.98	2.81%	2.93%	3.01%

* 15 CCFs is the usage of the system's median customer; that is half of the customers use more and half use less.

SANITATION UTILITY RATE CHANGES

RATE CHANGES FOR 2018

Revenue projections for 2018 assume rates for residential and commercial service are increased from 2017 by 3.0%. Residential refuse rates for 2017 are \$33.50 per month. The recommended rate for 2018 is \$34.51, which is an increase of 3.0% or \$12.12 per year. This rate includes curbside refuse collection, curbside recycling service, bulk item service and collection of yard waste.

It is recommended that the commercial disposal fee be increased from \$4.45/cy to \$4.58/cy (3.0%), and that commercial collection rates are raised from an average of \$4.52/cy to \$4.66/cy (3.0%).

FUTURE RATE CHANGES

The following table summarizes the rates for the next several years required to achieve the objective of keeping residential rates as low as possible and competitive with rates charged by private providers outside of the City.

Bill Code	Service	2017	2018	2019	2020	2021
1001	Residential Service (Monthly)	\$33.50	\$34.51	\$35.54	\$36.61	\$37.70
1600	Commercial Disposal Fee (\$/cu. yd.)	\$4.45	\$4.58	\$4.72	\$4.86	\$5.01
Commercial Collection Fees (\$/cu. yd.):						
1500	River Street	\$6.15	\$6.33	\$6.52	\$6.72	\$6.92
1501	Downtown Lanes	5.75	5.92	6.10	6.28	6.47
1502	2-15 CY	3.90	4.02	4.14	4.26	4.39
1516	16-47 CY	3.45	3.55	3.66	3.77	3.88
1548	48-95 CY	3.05	3.14	3.24	3.33	3.43
1596	96+ CY	2.40	2.47	2.55	2.62	2.70

ALL FUNDS SUMMARY

The tables below provide a summary of 2016 actual, 2017 adopted, and 2018 adopted revenues and expenses.

City-wide adopted revenue total for 2018 is \$408,055,141. This is an increase of \$29,970,512 or 7.9% over the 2017 adopted amount.

REVENUE SOURCE	2016 ACTUAL	2017 ADOPTED	2018 ADOPTED	% Change 2017-2018
Taxes	\$ 146,090,028	\$ 148,178,155	\$ 154,833,441	4.5
User Fees	132,799,900	131,482,974	146,939,601	11.8
Interfund Revenue	45,984,916	46,041,964	63,545,985	38.0
Licenses & Permits	16,074,457	16,385,700	16,325,450	(0.4)
Fines, Forfeits, & Penalties	6,518,867	6,538,290	7,073,983	8.2
Grant Revenues	18,388,289	15,185,289	14,084,547	(7.2)

ALL FUNDS REVENUE

The graph below presents a breakdown by category of total revenues for 2018. **Taxes** include Property, Sales and Other Taxes. **User Fees** are made up of the following: Recreation Service Fees, Development Fees, Fees for Other Services in the General Fund, Fire Service Fees, 9-1-1 Fees, Haz-Mat Services, Water Services, Sewer Services, Industrial & Domestic (I&D) Water Services, Sanitation Services, Mobility and Parking Services, and Civic Center Services. **Interfund Revenues** include Interfund Services, Internal Services Charges, and General Fund Contributions.

ALL FUNDS EXPENSES

The graph below presents total expenditures by major code for 2018 prior to adjusting for transfers between funds. Of the total funds budgeted, **Personnel Services** is the largest expenditure category. This category supports salaries and a comprehensive benefits program. Funding for **Outside Services**, **Commodities**, and **Capital Outlay** will be used to provide direct services to citizens.

City-Wide Revenue Changes

City-wide revenue totals \$408,055,141 for 2018. City revenue sources are divided into the following categories with major changes highlighted below:

- **Taxes** represent 38% of City revenue and include property taxes, sales tax, and other taxes such as alcohol taxes and the hotel/motel tax. Real property tax revenue decreases from 2017 Adopted to account for a budgeted one mill decrease in the 2018 forecasted property tax rate. The 2018 budgeted amount for personal property tax includes the continuation of the phasing-in of the Freeport tax exemption. The ongoing impact of state tax reform legislation on the vehicle tax and vehicle title fees is reflected in the projections. Sales tax revenue growth is forecast based on economic conditions and modest inflation. Continued growth is also predicted for Savannah's tourism sector resulting in higher hotel/motel tax revenue, included in the "Other Taxes" category.
- **User Fees** are received for specific services provided by the City and represent 36% of revenue. More than half of user fee revenue is generated by water, sewer, and sanitation services. Rate increases are planned for water and sewer consumption charges in 2018, as well as rate changes/new fees for other selected city services. The 2018 budget includes a fee for Fire Services for the first time, and accounts for \$20 million in user fee revenue. Fees for Other Services – General Fund within the User Fees revenue section declined significantly in 2018, as a result of a reduction in Chatham County police reimbursements due to the police demerger scheduled for February of 2018.
- **Interfund Revenues** are funds transferred to one City fund from another City fund. This includes funds transferred to the Internal Services Fund for the provision of computer and vehicle services, funds transferred for the provision of other services such as sanitation disposal, and General Fund contributions to subsidized funds. The increase in General Fund contributions to other funds in 2018 is primarily associated with the accounting of the new Fire Services Fund, which is primarily funded by User Fees but also requires a contribution from the General Fund.
- **Licenses and Permits** revenue is derived from such sources as alcoholic beverage licenses and utility franchise fees. The most significant revenue source in this category is electric franchise fees, which accounts for more than half of Licenses and Permits revenue. Total revenue within this category is essentially flat in 2018 compared to 2017.
- **Fines, Forfeits, and Penalties** consist primarily of Recorder's Court fines and parking citations. In 2018, fines revenue is forecast to increase related to the H.E.A.T. (Highway Enforcement of Aggressive Traffic) grant and additional traffic enforcement related citations.
- **Grant Revenues** are derived primarily from federal and state grants. Most grant revenues are accounted for in the Community Development and Grant Funds. Grant awards can vary greatly from year to year, and are projected to decrease in 2018.
- **Interest Earned** revenue comes from City investments. Revenue generated from this source is expected to rise per interest rate forecasts for 2018.
- **Other Revenues** consist of various revenue sources. The substantial decrease in this category in 2018 is associated with a 2017 FEMA reimbursement related to Hurricane Matthew, which hit the southeast in October 2016 and required major cleanup efforts by the City.

Fee Changes

Listed below are the 2018 adopted rate changes. Rate changes are included for certain revenue sources within the General Fund, Mobility & Parking Fund, Sanitation Fund, and Water and Sewer Funds.

General Fund Fee changes for revenue sources within the General Fund are as follows:

General Fund		
Cemetery Fees	2017	2018
After-hour fee (filming/photography)	\$225.00	\$250.00
Ashes/Cremains - Prime Rate	\$350.00	\$400.00
Columbarium 102 - Prime	\$1,420.00	\$1,500.00
Columbarium 102 - Standard	\$1,290.00	\$1,340.00
Lot Diagram Preparation	\$35.00	\$50.00
Monthly tour pass (all cemeteries) Small vehicle tour (up to 15 passengers)	\$225.00	\$250.00
Monthly tour pass (all cemeteries) Walking or bicycle tour (up to 15 guests)	\$225.00	\$250.00
Monthly tour pass (one cemetery) Small vehicle tour (up to 15 passengers)	\$150.00	\$175.00
Monthly tour pass (one cemetery) Walking or bicycle tour (up to 15 guests)	\$150.00	\$175.00
Section 1, Greenwich - 2 space lots (Standard)	\$2,250.00	\$2,300.00
Section 10, Greenwich - 6 space lots	\$5,110.00	\$5,320.00
Section 7, Greenwich - 4 space lots	\$3,410.00	\$3,600.00
Section 8, Greenwich - 4 space lots	\$3,410.00	\$3,600.00
Section 9, Greenwich - 6 space lots	\$5,110.00	\$5,320.00
Section S, Bonaventure - 6 space lots	\$5,110.00	\$5,320.00
Tour fee (Up to 30 participants)	\$35.00	\$40.00
Recreation Fees	2017	2018
Athletic Turf Fields Rental Fees - Professional Level Teams	\$0.00	\$100.00 per three hour rental session
Summer Camps	\$60.00 City Resident & \$100.00 Non-City Resident	\$65.00 City Resident & \$105.00 Non-City Resident
Licenses & Permit Fees	2017	2018
General Fund - Miscellaneous (BEER)	\$1,100.00	\$1,500.00
General Fund - Miscellaneous (WINE)	\$400.00	\$600.00
General Fund- Miscellaneous (LIQUOR)	\$3,300.00	\$3,500.00

Mobility & Parking Services Fund The fee changes for the Parking Services Fund are as follows:

Mobility & Parking Services Fund		
Mobility & Parking Services Fees	2017	2018
Meter Zone A to Zone 1	\$1.00 per hour	\$2.00 per hour
(7) Improper parking - Class B violation (V7a-V7i)	\$25.00	\$30.00
Bryan Street Garage - daily rate per hour or portion thereof	\$1.00	\$2.00
Bryan Street Garage - Hotel leased spaces	\$95.00 / \$100.00	\$180.00
Bryan Street Garage - Special event parking	\$20.00	\$30.00
Bryan Street Garage - Thursday & Friday, 5:00pm to 5:00am, Flat rate	\$2.00	\$5.00
Civic Center Parking Lot	\$0.30 per hour	\$0.50 per hour
Commercial Meter Permit	\$0.00	\$50.00
Commercial meter Permit, replacement	\$0.00	\$25.00
Liberty Street Garages - flat rate, 5am to 5am, Saturday & Sunday; Monday after 5am daily rate applies	\$0.00	\$5.00
Liberty Street Garages - Hotel leased spaces	\$70.00 / \$86.00	\$148.00
Liberty Street Garages - Special event parking	\$20.00	\$30.00
Parking Citations Revenue - add Violation Code, V6i - Parking in an oversize vehicle space	\$0.00	\$20.00
Parking Citations Revenue - add Violation Code, V6j - Parking in Recreation Vehicle Space	\$0.00	\$20.00
Parking Citations Revenue - change Violation Code, (1) Parking overtime on meter to Zone 1; parking overtime on meter	\$20.00	\$25.00
River Street Parking Lot - daily rate per hour or portion thereof	\$1.00	\$2.00
River Street Parking Lots - Special event parking	\$0.00	\$30.00
Robinson Garage - Thursday & Friday, 5:00pm to 5:00am, Flat rate	\$2.00	\$5.00
Robinson Garage - daily rate per hour or portion thereof	\$1.00	\$2.00
Robinson Garage - Hotel leased spaces	\$0.00	\$180.00
Robinson Garage - Special event parking	\$20.00	\$30.00
State Street Garage - daily rate per hour or portion thereof	\$1.00	\$2.00
State Street Garage - Hotel leased spaces	\$95.00	\$180.00
State Street Garage - Special event parking	\$20.00	\$30.00
State Street Garage - Thursday & Friday, 5:00pm to 5:00am, Flat rate	\$2.00	\$5.00
State Street Garages - Assigned lane space	\$110.00	\$180.00
Visitor Center Parking Lot - daily rate, first hour free	\$1.00	\$2.00
Visitor Center Parking Lot - Recreational Vehicle Parking	\$0.00	\$20.00
Visitor Center Parking Lot - Special event parking	\$20.00	\$30.00

Mobility & Parking Services Fund		
Mobility & Parking Services Fees	2017	2018
Visitor Center Parking Lot - Sundays, daily rate per hour or portion thereof	\$0.00	\$2.00
Visitor Day Passes - One day pass	\$8.00	\$15.00
Visitor Day Passes - Two day pass	\$14.00	\$24.00
Whitaker Street Garages - Hotel leased spaces	\$80.00 / \$90.00	\$223.00

Fire Services Fund

Fire Services Fund		
Fire Services Fees	2017	2018
Fire Fee	\$0 per billing unit	\$256 per billing unit
Each single family residential unit is defined as one billing unit. Undeveloped properties are also charged at the minimum billing unit. Fire service fee charges for other property types are based upon the total number of Equivalent Residential Units (ERUs) associated with properties within the City. Each ERU corresponds to 1,700 square feet, and is then multiplied by a risk modifier to ensure the fee is reasonably correlated with service needs.		

Sanitation Fund The fee changes for the Sanitation Fund are as follows:

Sanitation Fund		
Sanitation Fees	2017	2018
Landfill Subscription Fee for Unincorporated Chatham County	\$60.00 pro-rated annually	\$75.00 pro-rated annually
Special Trash Collection Fee - Bulk pick-up	\$25.00	\$50.00
Special Trash Collection Fee - Commercial activity	\$25.00	\$100.00

Revenue projections for 2018 assume rates for residential and commercial service are increased from 2017 by 3.0%. Residential refuse rates for 2017 are \$33.50 per month. The recommended rate for 2018 is \$34.51, which is an increase of 3.0% or \$12.12 per year. This rate includes curbside refuse collection, curbside recycling service, bulk item service and collection of yard waste.

It is recommended that the commercial disposal fee be increased from \$4.45/cy to \$4.58/cy (3.0%), and that commercial collection rates are raised from an average of \$4.52/cy to \$4.66/cy (3.0%).

2018 over 2017	
Monthly Increase in Residential Refuse Bill	\$1.01
Residential Refuse - Percentage Increase	3.0%
Commercial Disposal Fee Increase	.13/cy
Commercial Collection Rate Increase – Average	.14/cy
Commercial Refuse – Percentage Increase	3.0%

Water and Sewer Funds The base charges for water and sewer service in 2018 are unchanged from 2017. Only consumption charges are increasing. The impact of the 2018 increase on the combined monthly water and sewer bill for the median inside City customer (who uses about 15 CCFs bi-monthly) is as follows:

Water and Sewer Fund	
	2018 over 2017
Monthly Increase in Combined Water & Sewer Bill	\$1.12
Percentage Increase	2.62%

The increases are necessary to fund anticipated increases in the operation and maintenance cost of the system, and to fund the water and sewer systems' Capital Improvement/Capital Maintenance Plan. The 2017 and 2018 water and sewer rate schedules are as follows:

Water Rates	2017	2018
Water, Inside City:		
Base Charge (bi-monthly)	\$11.06	\$11.06
Consumption Charges (per CCF):		
First 15 CCFs bi-monthly	\$1.03	\$1.07
Over 15 CCFs	\$1.21	\$1.25
Water, Outside City:		
Base Charge (bi-monthly)	\$16.59	\$16.59
Consumption Charges (per CCF):		
First 15 CCFs bi-monthly	\$1.54	\$1.60
Over 15 CCFs	\$1.81	\$1.87

Sewer Rates	2017	2018
Sewer, Inside City:		
Base Charge (bi-monthly)	\$8.80	\$8.80
Consumption Charges (per CCF):		
First 15 CCFs bi-monthly	\$3.20	\$3.48
Over 15 CCFs	\$3.58	\$3.86
Sewer, Outside City:		
Base Charge (bi-monthly)	\$13.20	\$13.20
Consumption Charges (per CCF):		
First 15 CCFs bi-monthly	\$4.80	\$5.22
Over 15 CCFs	\$5.37	\$5.79

What Does A Property Owner Pay?

The tax rate, or millage, is set annually by the governing authority of the taxing jurisdiction. A tax rate of one mill represents a tax of one dollar per \$1,000 of assessed value. Property in Georgia is assessed at 40% of the fair market value unless otherwise specified by law. The 2018 budget is balanced with a City of Savannah millage rate of 11.48 mills, which is \$1.00 less per \$1,000 than the 2017 adopted rate.

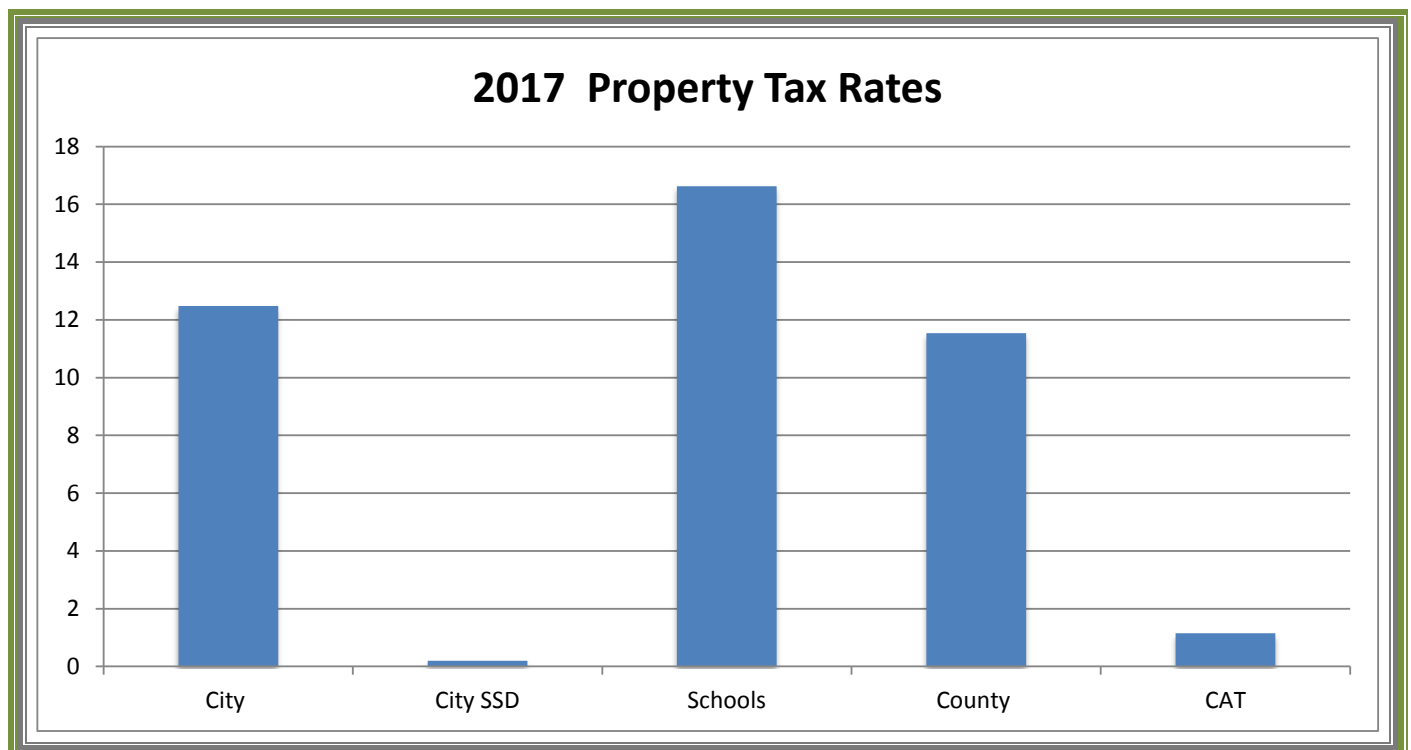

For example, the assessed value of property that is worth \$100,000 is \$40,000. In the City of Savannah where the millage rate is 11.48 mills for year 2018, the property tax would be \$459.20. This is \$11.48 for every \$1,000 of assessed value (or \$11.48 multiplied by 40).

Property Value	Assessed Value	Millage	City Property Tax
\$100,000	\$40,000	\$11.48 per \$1,000	\$459.20

The Savannah City Council will officially adopt a property tax rate for FY18 in the summer of 2018.

The graph below shows City of Savannah direct and overlapping property tax rates for year 2017. Overlapping rates are those of taxing jurisdictions that apply to property owners within the City of Savannah. Not all overlapping rates apply to all City of Savannah property owners (e.g., the rate for the special service district applies only to property owners whose property is located within the geographic boundaries of the special district).

The tables below show City of Savannah adopted millage rates and total assessed property values per the Chatham County Tax Assessor's Office for the years 1996-2017. Property in the county is reassessed annually. The following graph illustrates the City's ability to reduce the tax rate, while providing essential and expanding services, due to increased property values and development within the City. There were also several annexations of property by the City which took place during this time frame.

**CITY OF SAVANNAH, GEORGIA

City-Wide Expenditure Changes

City-wide expenditures total \$408,055,141 which is 7.9% above 2017 adopted expenditures before adjusting for interfund transfers. City expenditures are divided into eight major categories, with significant changes in each highlighted below:

- **PERSONNEL SERVICES** represent 41% of City expenditures and are comprised primarily of funding for salaries and wages for employees and a comprehensive benefits program for employees and their dependents. This category decreased \$2,575,450 or 1.5% below 2017 adopted expenditure, primarily due to a City-wide reduction in workforce. Major changes are described as follows:

The 2018 workforce budget is built on a base of 2,487.6 authorized permanent positions, 143.5 less than adopted in 2017. This reduction is a result of multiple factors, including a reorganization of the City's structure, a reduction in force, and the demerger of the metropolitan police force and reestablishment of the Savannah Police Department.

The budget continues the comprehensive medical benefits plan to employees, dependents, and retirees with an employer contribution of \$21,538,096 which is \$627,323 or 3.0% over the 2017 adopted contribution.

The 2018 budget contains an allocation of \$3,473,441 in recognition of the City's cost of post-retirement medical benefits for employees. This is an increase of \$973,441 from 2017 contribution and is based on actuarial recommendation.

Based on the latest actuarial study, the 2018 budget includes the recommended minimum pension contribution of \$9,226,064. This represents a decrease of \$62,009 from the 2017 contribution.

- **OUTSIDE SERVICES** are services the City receives primarily from outside companies and represent 12% of expenditures. Utilities make up the largest share of expenditures in this category. Other primary accounts include: professional purchased services, rentals, equipment, data processing equipment maintenance, temporary labor-agency, and other contractual services. Overall, funding for services in this category increased \$5,709,797 or 13.2% above 2017 adopted expenditures. The increases in expenditures in this category are related to the implementation of strategic initiatives resulting from strategic planning outlined in 2017.

The primary increases are in the areas of rentals and other contractual services. Approximate \$1.3M is related to new rental lease agreements for the relocation of city staff from City-owned facilities slated for sale and additional precincts required as a result of the police demerger. Another \$1M was added to the budget for mowing contracts through the enhancement process. In addition, the \$3.4M increase in other contractual services is attributed to additional City-wide enhancements and reorganization of City departments.

- **COMMODITIES** are items which, after use, are consumed or show material change in physical condition and are generally of limited value. Overall, this expenditure category decreased \$7,534,605 or 28.7% compared to 2017 adopted expenditures. The substantial decrease is primarily due to storm damage expenses incurred in 2017 related to Hurricane Matthew and Hurricane Irma cleanup efforts, which are irrelevant in 2018.

- **INTERFUND SERVICES** represent services provided to City departments on a cost reimbursement basis. This expenditure category represents 9% of the operating budget. The largest costs are in these sections: Services by Sanitation, Insurance by Risk Management, Computer Services, Vehicle Maintenance Services, and Services by the General Fund. Interfund Services decreased by 2.8% in 2018.
- **CAPITAL OUTLAY** includes items costing more than \$5,000 each and having a useful life of more than one year. The increase of \$1,439,806 or 12.5% in this expenditure classification is due primarily to vehicle replacements and police fleet additions.
- **DEBT SERVICE** accounts for payments of principal and interest to lenders or creditors on outstanding debt. This area increased \$673,134 or 6.4% from 2017 adopted expenditures based on debt service requirements.
- **INTERFUND TRANSFERS** are amounts transferred from one fund to another. Expenditures in this category represent 18% of the total budget and increased \$27,430,584 or 57.8% over 2017 adopted expenditures. The main reason for the increase is the creation of the Fire Service Fund, which requires a \$16M transfer from the General Fund in 2018. Other contributing factors include reinvestment in Capital Improvement Projects, an increase in available contingency, and a larger fleet addition contribution related to the purchase of vehicles for the newly reestablished Savannah Police Department
- **OTHER EXPENSES** are primarily payments and contributions to other city funds, public agencies, and private/non-profit agencies which sell services to or receive a contribution from the City. Planned 2018 funding increased \$1,866,591 or 5.8% in this category. Increases primarily results from net changes in the following accounts: Retirement of the Mobility Management Bond, and increases in the Vehicle Capital-Use Charges accounts due to the purchase of new vehicles.

Projected Changes in Fund Balance

FUND BALANCES 2014-2016

The following table shows 2014-2016 beginning and ending fund balance levels for certain governmental funds. The consistency of positive fund balances indicates stability in these funds.

Fund	Beginning Fund Balance 1-1-2012	Ending Fund Balance 12-31-2012	Net Increase/ Decrease 2012	Beginning Fund Balance 1-1-2013	Ending Fund Balance 12-31-2013	Net Increase/ Decrease 2013	Beginning Fund Balance 1-1-2014	Ending Fund Balance 12-31-2014	Net Increase/ Decrease 2014

FUND BALANCES 2017-2018

The General Fund is the chief operating fund of the City. As in prior years, the 2018 General Fund budget maintains a reserve for emergencies and unforeseen situations. The projected fund balance of the General Fund is approximately \$34.9 million for fiscal year 2018 and equates to 19.2% of total General Fund expenditures.

Included with the General Fund in the tables below are projected 2017 and 2018 fund balances/equities for selected City governmental funds. The Special Revenue entry in the tables consists of the following funds: Grant, Public Safety Communications, Fire Services Fund, Hazardous Materials Team, Hotel/Motel Tax, Auto Rental Tax, Confiscated Assets, Economic Development, and Recorder's Court Technology Fund. The Fire Services Fund is new to 2018, and includes a \$4 million contribution to reserves which drives up the overall Special Revenue Fund Balance by 220.8%.

The 2017 Projected Fund Balance is based upon the 2017 Adopted Budget, and may be adjusted at year-end closeout.

²Total excludes positions for LandBank & Step-Up Savannah Partnerships

General Fund Revenues

WHERE DO YOUR TAX DOLLARS AND FEE PAYMENTS GO? - The City's General Fund revenue portfolio is quite diversified. About 78% of all annual revenues are from taxes such as Property Tax, Sales Tax, or Other Taxes. The remaining revenue sources include fees and charges from residents and businesses, charges to other funds for services provided, and outside funding, like grants.

All numbers indicated above are in \$ millions

General Fund Expenses

SAVANNAH

City Council Strategic PRIORITIES

PUBLIC SAFETY - Public Safety is achieved when City Government and the Community work together to create a City where people feel safe in their neighborhoods and where the crime rate is low. On any given day, the public's safety is of primary importance in the minds of City leaders as they put policies in place, allocate resources and work to provide protection and enforcement for Savannah's residents, businesses and guests. Operationally, keeping the public safe presents an ever-changing set of challenges.

INFRASTRUCTURE - Savannah's future safety and prosperity depends on safe and sound infrastructure, including access to the internet. Flooding is a part of life along coastal regions but the City of Savannah is committed to protecting residential and business structures and streets from its devastating impacts. Our City's streets, sidewalks and facilities are a reflection of who we are and the pride we take in our community. They are also essential to helping residents travel to and from educational and employment opportunities. The City is committed to making these essential investments over time.

NEIGHBORHOOD REVITALIZATION - Savannahians live in neighborhoods, where much of their lives are spent. We raise our families, our children play there and when possible we work there. So, it is essential that the City focus on key neighborhood issues such as access to quality, affordable housing, recreational facilities and programs, as well as the challenges of poverty and blight. Streets, sidewalks and trails connect our neighborhoods, creating a sense that we are 'One City'. The vision is that 'Savannah is an extraordinary place to live, learn and prosper'. The City is committed to that vision and will work to achieve the results to further enhance that as a reality.

ECONOMIC STRENGTH & POVERTY REDUCTION - The City of Savannah is committed to doing its part to raise our residents out of poverty; prepare youth and adults to participate in the economy, and be self-sufficient; line our commercial corridors with viable, appropriate businesses and create a resilient, balanced economy for all.

GOOD GOVERNMENT - The mission of the City of Savannah is to provide exceptional public services to residents, businesses and guests so they may experience a safe, healthy and thriving community. A Government that is committed to analyze and improve its own performance, and inform taxpayers of services they are receiving for their money in terms of results, is the essence of accountability and transparency. The City of Savannah is committed to creating a culture focused on results for customers and ensuring the community receives exceptional public service.

ECONOMIC STRENGTH & POVERTY REDUCTION

GOOD GOVERNMENT

VISION:

Savannah, an extraordinary place to live, learn and prosper.

MISSION:

The mission of the City of Savannah is to provide exceptional public services to residents, businesses and guests so they may experience a safe, healthy and thriving community.

PUBLIC SAFETY

Public Safety is achieved when City Government and the Community work together to create a City where people feel safe in their neighborhoods and where the crime rate is low. On any given day, the public's safety is of primary importance in the minds of City leaders as they put policies in place, allocate resources and work to provide protection and enforcement for Savannah's residents, businesses and guests. Operationally, keeping the public safe presents an ever-changing set of challenges.

GOALS

- 1.1. CALL RESPONSE** By 2021, 95% of all Priority 1 calls will be responded to within seven minutes or less.

- 1.2. REDUCTION IN PART 1 VIOLENT CRIMES** By 2022, residents will experience a reduction in Part 1 violent crimes from 1,121 to 817. (27% reduction; 1,121 is the average of years 2015 and 2016.)

- 1.3. RESIDENTS FEELING SAFE IN THEIR NEIGHBORHOODS** By 2025, 75% of residents will report that they feel safe in their neighborhoods.

- 1.4. MEDICAL 911 BLS AND ALS SUPPORT SERVICES** By 2023, Savannahians making 911 calls for an emergency medical incident will receive first responder or higher level services within five minutes or less, at least 90% of the time.

- 1.5. FIRE RESCUE DEPARTMENT ADVANCED LIFE SUPPORT SERVICES** By 2025, the Fire Rescue Department shall provide an advanced life support (ALS) response within eight minutes at least 90% of the time.

INFRASTRUCTURE

Savannah's future safety and prosperity depends on safe and sound infrastructure, including access to the internet. Flooding is a part of life along coastal regions but the City of Savannah is committed to protecting residential and business structures and streets from its devastating impacts. Our City's streets, sidewalks and facilities are a reflection of who we are and the pride we take in our community. They are also essential to helping residents travel to and from educational and employment opportunities. The City is committed to making these essential investments over time.

GOALS

- 2.1. **RESURFACING SAVANNAH STREETS** By 2022, Savannah streets will be on a 20-year resurfacing rotation.

- 2.2. **SIDEWALKS** By 2025, 60% of high traffic roadways and streets, including routes to schools, in Savannah will have sidewalks on at least one side of the road.

- 2.3. **BUILDING FLOODING** By 2025, the City of Savannah will reduce by 25% structure flooding resulting from a 25-year rain event (8 inches of rain within a 24-hour period).

- 2.4. **STREET FLOODING** By 2025, the City of Savannah will experience a 5% reduction in street flooding resulting from a 25-year rain event (4.9" inches of rain within a 2-hour period).

- 2.5. **CITY FACILITIES** By 2023, 50% of City facilities will meet or exceed City or applicable agency established standards.

- 2.6. **INTERNET COMMUNICATIONS CONDUIT** By 2020, right of way work that takes place in the City of Savannah will include a requirement to install internet communications conduit.

NEIGHBORHOOD REVITALIZATION

Savannahians live in neighborhoods, where much of their lives are spent. We raise our families, our children play there and when possible we work there. So, it is essential that the City focus on key neighborhood issues such as access to quality, affordable housing, recreational facilities and programs, as well as the challenges of poverty and blight. Streets, sidewalks and trails connect our neighborhoods, creating a sense that we are 'One City'. The vision is that 'Savannah is an extraordinary place to live, learn and prosper'. The City is committed to that vision and will work to achieve the results to further enhance that as a reality.

GOALS

- 3.1. REESTABLISH AND PRESERVE NEIGHBORHOODS** By 2022, the City of Savannah, working in partnership with our neighborhood associations and residents, will reestablish and preserve vibrant, livable, sustainable neighborhoods where Savannahians live with pride.
-
- 3.2. CITY-OWNED PROPERTIES** By 2019, the City of Savannah will meet or exceed its own standards for maintaining City-owned properties. (i.e.: streets, sidewalks, trails, etc.)
-
- 3.3. MOBILITY AND NEIGHBORHOOD CONNECTIVITY** By 2023, the residents of Savannah will experience improved and safe multi-modal mobility and neighborhood connectivity as evidenced by the following:
- I. Work with CAT to fill public transportation service gaps within the City to ensure that all neighborhoods are within ¼ mile of a transit stop where appropriate
 - II. 75% of neighborhoods are connected to walking and biking infrastructure (i.e.: trails, routes, sidewalks, lanes)
 - III. 75% of pedestrians shall feel safe walking along and through streets and intersections in the City
-
- 3.4. ACCESS TO RECREATION** By 2021, 75% of Savannah residents and youth will have access to well-maintained playing fields, facilities and recreational programs within 3/4 mile of their neighborhoods.
-
- 3.5. ACCESS TO QUALITY HOUSING** By 2025, the City of Savannah will provide 2,800 households (approximately 350 per year) with access to improved housing.

ECONOMIC STRENGTH & POVERTY REDUCTION

The City of Savannah is committed to doing its part to raise our residents out of poverty; prepare youth and adults to participate in the economy, and be self-sufficient; line our commercial corridors with viable, appropriate businesses and create a resilient, balanced economy for all.

GOALS

- 4.1. **POVERTY REDUCTION** The City will lead a multi-jurisdictional, integrated, multi-year initiative to lift Savannahians out of poverty and break the inter-generational cycle of poverty and crime:
 - I. By 2021, the poverty rate will be reduced by 1% every four years until Savannah's poverty rate is at or below the state-wide level.
 - II. By 2025, there will be a 20% reduction in the number of Savannahians experiencing food insecurity.

- 4.2. **COMMERCIAL CORRIDORS** By 2022, Savannah will complete an assessment of its commercial corridors.

- 4.3. **SOFT SKILLS & WORK READINESS TRAINING FOR SAVANNAH YOUTH** By 2022, 50% of Savannah high school age youth will receive soft skills and work readiness training.

- 4.4. **SOFT SKILLS & WORKFORCE TRAINING FOR UNEMPLOYED & UNDEREMPLOYED** By 2022, 15% of unemployed and underemployed Savannah adults will complete soft skills and workforce training.

- 4.5. **EMPLOYMENT ASSISTANCE** By 2022, 25% of graduates from City and partner workforce training programs will secure employment in living wage jobs as calculated for a single individual.

- 4.6. **RESILIENT DIVERSIFIED ECONOMY** By 2025, Savannah will have a resilient economy, diversified among the following (or new identified sectors): Military; Tourism; Manufacturing; Health; Education; Film; High Tech; Aerospace; Financial Services; Arts and Culture.

GOOD GOVERNMENT

The mission of the City of Savannah is to provide exceptional public services to residents, businesses and guests so they may experience a safe, healthy and thriving community. A Government that is committed to analyze and improve its own performance, and inform taxpayers of services they are receiving for their money in terms of results, is the essence of accountability and transparency. The City of Savannah is committed to creating a culture focused on results for customers and ensuring the community receives exceptional public service.

GOALS

- 5.1. ONLINE DASHBOARD** By 2020, residents will have access to an online dashboard to obtain information on the City's performance in regards to implementation of the Strategic Plan's priorities, goal strategies, action items and performance measures.
-
- 5.2. ORGANIZATIONAL CULTURE** The City's organizational culture will be recognized as customer-focused, responsive and proactive through the following:
- I. By 2019, Savannah residents will have an opportunity to participate in a regularly scheduled, statistically valid customer survey.
-
- 5.3. PERFORMANCE BASED BUDGET** By the end of 2020, 100% of the City budget will be attached to measurable results developed in Department Strategic Business Plans.
-
- 5.4. EFFICIENT GOVERNMENT OPERATIONS - ENERGY EFFICIENT** By 2023, City government will be consciously committed to efficient government operations as evidenced by:
- I. 15% of City's vehicle fleet will be powered by alternative fuels or hybrid technology.
 - II. 30% of City facilities will be certified per the Energy STAR Program.
-
- 5.5. EMPLOYEE RECOGNITION & PERFORMANCE** By 2021, Savannah City employees will be recognized and acknowledged as a high performing organization as evidenced by:
- I. 100% of employee performance will be aligned to performance measures in their Department Strategic Business Plans.
 - II. 100% of employee classifications will be considered competitive with benchmarked communities.
-
- 5.6. CITY CODE UPDATE & REVIEW** Beginning in 2018, the City of Savannah will review and update its Code of Ordinances every five years.
-
- 5.7. AAA BOND RATING** By 2030, Savannah will obtain a AAA Bond Rating.

Proposed Strategic Enhancements

During the FY18 Budget Process, Strategic Plan Implementation Teams requested budget enhancements to better meet the Strategic Goals outlined by Council. Each recommended enhancement was presented to Council as a request for funding. Unfortunately, funding was not available to fund all recommended enhancements.

The following Strategic Enhancements are included in the FY18 Adopted Budget:

PUBLIC SAFETY

Funding Status	Strategic Priority	Strategic Goal	Proposal	Amount Requested	Amount Funded
Not Funded	Public Safety	Medical 911 BLS and ALS Support Services	EMS Consulting Services	\$ 190,000	\$ -

Total All Strategic Enhancements - All Funds				\$ 14,611,478	\$ 9,060,723

Service Center Overview

In 2017, the City of Savannah launched **SAVANNAH FORWARD**, a city-wide initiative to transform the culture of the organization into one that focuses on producing better results for residents, businesses, and guests – in short, our customers. **SAVANNAH FORWARD** sets the direction for strategic, operational, resource and policy decisions through 2025.

To deliver the expected outcomes of **SAVANNAH FORWARD**, the City will undergo a major reorganization in January 2018. This reorganization will allow the City to become a strategically aligned organization that is linked to strategic priorities and desired results.

The City's updated organization links similar functions such as finance, revenue, and risk management; facility management and maintenance; code compliance; community services; and right-of-way and landscape maintenance. It also includes a renewed focus on public safety, customer service, performance and accountability, infrastructure and capital projects, energizing the Arena Development District, improving the permit approval process, and strengthening real estate management and maintenance.

The plan strategically organizes City functions under 6 key Service Centers:

- Governance
- Strategic Services
- Public Safety
- Operations
- Infrastructure and Development
- Community Services

These changes will help in the development of an organizational culture that focuses on the City Council's strategic results and moves Savannah forward.

Governance

“Moving projects from ideas to implementation, good governance is essential to the success of all City functions. The guidance of the Mayor and Alderman, Clerk of Council, and City Attorney’s Office provides the road map for all local government services.”

MAYOR AND COUNCIL

Overview

The Mayor and Council, elected every four years to concurrent terms, set policies and enact ordinances that govern various City functions and activities.

FY18 RESOURCES

Office of the City Manager

Overview

The City Manager's Office is responsible for providing strategic leadership, implementing policies and programs adopted by the City Council; hiring and supervising the City's department directors and administrative staff; proposing a budget for the City Council's consideration; administration of City contracts; and serving as the mayor's and City Council's chief advisor on operational matters. As the chief executive officer of the organization, the city manager supervises all City departments and functions, except for the City Attorney's Office and the City Clerk's Office, to ensure that the City delivers on its mission of providing exceptional public service to residents, businesses and guests so they can experience a safe, healthy and thriving community.

Reporting directly to the city manager are the Chief Operating Officer, Chief Infrastructure and Development Officer, Chief Community Services Officer, public safety departments, Arena Development District, Office of Management and Budget, Office of Business Opportunity, Office of Public Communications, and the Office of Performance and Accountability.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Executive leadership
- ✓ Policy development and implementation
- ✓ Strategic planning and initiatives
- ✓ Special projects
- ✓ Legislative coordination
- ✓ City Council administrative services

Core Responsibilities

- Manage and supervise the administration of all departments, offices and agencies of City government and ensure efficient and effective utilization of the City's resources.
- Keep the City Council informed of the City's finances, public affairs, development, infrastructure and all other city-related matters.
- Recommend policies or programs to the City Council.
- Implement City Council policies and directives.
- Assist the City Council to develop long-term goals for the City and identify strategies to implement those goals.

- Hire, train, discipline and appropriately reward City employees in accordance with applicable laws, ordinances, the City charter and established personnel policies and procedures.
- Annually prepare and submit a balanced budget to the City Council, including a five-year capital investment program.
- Submit to the City Council within 90 days after the end of each fiscal year, a complete annual report on the finance and administrative activities of the City for the preceding year.
- Execute on behalf of the City Council, grants, contracts, contract amendments, agreements, memoranda of understanding, and/or subcontracts.
- Coordinate the City's federal, state, and joint multi-jurisdictional legislative programs.
- Develop, foster, and improve regional and interlocal cooperation.
- Implement emergency plans and procedures and take prompt and necessary actions during times of emergency to protect lives and property.
- Respond to requests for public records.
- Prepare agendas for City Council meetings and work sessions.
- Assist the City Clerk's Office with the public sign-in process at council meetings.
- Provide administrative support to the mayor and City Council including preparing and routing council correspondence; scheduling appointments, meeting facilitation and maintaining calendars; responding to constituent complaints and inquiries; preparing proclamations; and processing mail.
- Process requests for courtesy parking decals.
- Provide support and/or serve on boards, committees, commissions and authorities including the Metropolitan Planning Commission (MPC), Savannah Economic Development Authority (SEDA), Savannah Area Chamber of Commerce, Georgia International and Maritime Trade Center Authority and others as required by the City Charter, legislation, ordinance or agreement.
- Resolve citizen complaints, disputes and problems of service delivery.
- Participate in appropriate local community organizations and activities.

Arena Development District

Overview

The Arena Development District is responsible for leading, directing and administering projects and activities related to the development of a new arena and the surrounding Canal District on Savannah's west side. As one of the largest projects to ever be undertaken by the City of Savannah, the new arena site presents the opportunity to redevelop the Canal District into a vibrant new center of activity in Savannah's core.

Linkage to Strategic Priorities and Results

- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength & Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Real estate development
- ✓ Community redevelopment
- ✓ Project management

Core Responsibilities

- Oversee the completion of the City's new arena and real estate development projects within the Arena Development District from inception to completion.
- Develop and execute a comprehensive real estate development strategy for the Arena Development District to maximize the economic potential of City real estate assets, attract private financing, expand the tax base, and share risk and expense.
- Manage real estate development activities including site development, site ownership and control, predevelopment, financing, public-private partnerships, design, construction, planning and community outreach within the Arena Development District.
- Interact and communicate with the public, elected officials and other stakeholders, including project architects, engineers and contractors, partners, financiers, and construction managers to successfully complete real estate development projects on time and within established budgets.
- Propose and implement, when authorized by City Council, powers and duties pertaining to the following: business improvement district, redevelopment agency, tax allocation district, and/or community improvement district.

Office of Business Opportunity

Overview

The Office of Business Opportunity is responsible for administering and coordinating the City's economic and small business development programs to foster a strong local economy, spur business and job growth and provide for a better quality of life in Savannah. The Office focuses on programs and activities that are geared toward improving economic opportunities and increasing financial well-being for individuals, families, and small businesses of Savannah.

Linkage to Strategic Priorities and Results

- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Economic and small business development
- ✓ Minority and women business enterprise development
- ✓ Business advocacy
- ✓ Contract compliance

Core Responsibilities

- Coordinate the City's economic and small business development efforts with other public-private economic development organizations within the Savannah region.
- Encourage a diversity of economic and small business development activities in Savannah that promote a full range of employment and income opportunities for city residents; ensure that small and disadvantaged business enterprises have fair opportunities to participate in the city's economic development; establish annual goals and objectives for the City's economic and small business programs, evaluate performance, and prepare an annual report on achievements; certify businesses as eligible to participate in the Savannah Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) certification programs; and develop, maintain, and distribute a small and disadvantaged business enterprise directory.
- Provide business outreach, support and direct assistance, where necessary, to facilitate business development in conjunction with other organizations working to attract, retain, and expand business in the city.
- Collaborate with City agencies, businesses, residents, and other community partners to address and improve physical and economic conditions along distressed commercial corridors.
- Oversee training and support services to prospective and existing entrepreneurs through the Savannah Entrepreneurial Center.

Office of Management & Budget

Overview

This Office is responsible for preparing a fiscal plan that provides the resources needed to support City Council's strategic priorities and the service delivery needs of residents, businesses, and guests; ensuring a diversified revenue base that includes securing grant funds to leverage the financing of services; updating the five-year capital plan to support a program of regular maintenance, replacement and growth of the City's infrastructure; grants research and management and participating in various research projects.

Linkage to Strategic Priorities and Results

- ✓ Good Government

Core Services

- ✓ Budget development and administration
- ✓ Performance measurement
- ✓ Capital budget development
- ✓ Grants research, administration, and coordination
- ✓ Financial forecasting and analysis

Core Responsibilities

- Prepare a balanced operating budget and capital program in accordance with applicable laws; coordinate with the chief financial officer in matters related to administration of the budget.
- Analyze and assess fiscal impact of all budget and management policies for departments, divisions, and other agencies of City government; assess and provide recommendations on the effectiveness and impact of programs through analysis and evaluation.
- Prepare, review, and maintain a standardized budget and capital program manual for all departments, divisions, offices, and agencies of City government to ensure uniform budgetary and capital programming procedures.
- Foster continuous research into systems and methods of improving budgetary and policy management.
- Coordinate and support the development and implementation of an organization-wide performance measurement and reporting system.
- Support the Human Resources Department in developing and implementing compensation and benefit programs.
- Research potential grant funding opportunities, provide technical assistance and grant application development assistance to departments in order to strengthen grant applications, streamline the submission process, and act as liaison with funding agencies.

Office of Performance & Accountability

Overview

The Office of Organizational Performance & Accountability provides an independent, objective and comprehensive auditing program of City operations; advance accountability through the provision of assurance and advisory services; and assists agencies in identifying risks, evaluating controls, and making recommendations that promote economical, efficient, and effective delivery of services. The Office's primary responsibilities include conducting internal audits, investigative, performance, compliance and operational reviews; assisting the City's external audit efforts; and ensuring adequate management controls.

Linkage to Strategic Priorities and Results

- ✓ Good Government

Core Services

- ✓ Internal audits
- ✓ Performance and operational reviews
- ✓ External audit coordination
- ✓ Management controls

Core Responsibilities

- Conduct internal operational, investigative, performance, compliance and financial audits of departments, offices, boards, activities and agencies funded by the City in accordance with generally accepted auditing standards.
- Submit by December 1 of each calendar year, an annual audit plan for the upcoming fiscal year to the city manager. The plan shall include the department, offices, boards, activities and programs scheduled for audit during the year.
- Monitor follow-up on reported findings to assure corrective action is taken.
- Coordinate the completion of the City's external audit.
- Assist the city manager, executive officers and department directors in identifying and recommending improvements in management controls and procedures of City government; and in providing consulting services, such as reviews of contracts, proposals, and legislative matters and policy interpretations.
- Provide advice and assistance in the preparation of policy and procedures to all departments and review the adequacy of policies and procedures relating to financial controls.
- Conduct targeted evaluations of service center programs, operations, or activities and assist agencies in identifying and resolving organizational issues.

Office of Public Communications

Overview

The Office of Public Communications oversees the public information initiatives of the City. The Office educates, informs, engages and inspires audiences to help them better understand and participate in their City government. It facilitates media relations, events, marketing and communications; produces Savannah Government Television (SGTV) – the City's government access channel; manages the City's website and social media initiatives; and helps organize internal special events and community meetings with city leaders.

Linkage to Strategic Priorities and Results

- ✓ Good Government

Core Services

- ✓ Community outreach and internal special events
- ✓ Employee communications
- ✓ Graphic design and print services
- ✓ Savannah Government Television (SGTV) programming
- ✓ Media relations
- ✓ Marketing and publications
- ✓ Web content and social media relations

Core Responsibilities

- Develop, coordinate, and administer activities to enhance awareness of City services, promote a unified brand and deliver a common message.
- Develop and administer an employee communications program to keep employees informed, promote positive morale, and build awareness of the City's activities.
- Collect and distribute timely information to a variety of interested parties through broadcast, print, and electronic media, as well as community outreach, in support of City services, programs, and events.
- Develop and maintain professional media relations to foster positive media coverage of City programs and events.
- Manage Savannah's Internet and Intranet web sites by providing standards for content presentation, quality control, content development, and technology improvements for site-wide enhancements that improve customer accessibility.
- Provide emergency public information services when needed.
- Organize internal special events such as news conferences, groundbreakings, ribbon cuttings, open houses, public meetings and celebrations.

Public Safety

“Public safety is achieved when City Government and the Community work together to create a city where people feel safe in their neighborhoods and where the crime rate is low. On any given day, the public’s safety is upper-most in the minds of city leaders as they put policies in place, allocate resources, and work to provide protection and enforcement to Savannah’s residents, businesses and guests. Operationally, keeping the public safe is an ever-changing set of issues and problems to solve.”

SAVANNAH FIRE

Overview

Savannah Fire protects lives and property through fire prevention and safety education, inspection services, fire suppression, hazardous materials incident response, specialized rescue and emergency medical response within the incorporated areas of the City of Savannah, Chatham County Industrial Areas, and in several adjacent unincorporated areas.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Good Government

Key Business Units / Core Services

- ✓ Administration
 - Emergency preparedness
 - Research and planning
 - Public information
- ✓ Operations
 - Fire suppression
 - Emergency medical response
 - Special operations (hazardous materials incident response, technical rescue Operations)
- ✓ Logistics and Support Division
 - Investigations
 - Training
 - Construction plan reviews and Inspections
 - Fire prevention services

Core Responsibilities

- Maintain fire stations and firefighting equipment to ensure prompt and effective response to emergencies within the City and adjacent unincorporated service areas in which the City is required to provide service by law or intergovernmental agreement.
- Conduct comprehensive all hazards emergency planning and activity coordination regarding the City's preparation for and responses to natural, technological and human caused disasters.
- Provide Technical Rescue, Hazardous Materials and Chemical, Biological, Radiological, Nuclear and Explosive (CBRNE) responses to terrorism.
- Conduct fire and life safety code enforcement activities through building plans examination and on-site inspections.
- Investigate suspected arson cases from the onset of the crime through arrest, apprehension and prosecution of suspects.

- Respond to emergency medical incidents, and provide prehospital care to the sick, and injured.
- Provide information to the public and the news media regarding department activities and events, develop, and implement public education/information programs designed to promote fire safety, risk reduction, and community safety.
- Provide direction and control for formulating and implementing department goals, objectives, and policies; carry out administrative functions, including budget, payroll, purchasing and clerical support.
- Offer community health programs such as blood pressure screenings, CPR, and child safety courses.
- Provide initial and continuing training for the promotion of higher efficiency, discipline and morale in the matters of fire prevention, fire suppression and emergency rescue.
- Recover costs associated with the mitigation, cleanup or disposal of hazardous material incidents.

POLICE

Overview

The Police Department promotes the safety of the community and promotes an atmosphere of security through the apprehension of offenders and through the deterrent of crime, working closely with the community, and the assessment and management of public safety risks. The Department is responsible for the enforcement of all laws; investigation of crimes against both persons and property; and the overall physical protection of the public at all times including during emergencies.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Neighborhood Revitalization
- ✓ Good Government

Key Business Units / Core Services

- ✓ Patrol and Special Operations
- ✓ Criminal Investigations
- ✓ Savannah Area Regional Intelligence Center
- ✓ Mounted Patrol and Canine Unit
- ✓ Training and Recruitment
- ✓ Illicit drug intervention
- ✓ Professional Standards and Training

Core Responsibilities

- Preserve the public peace, prevent crime, detect and arrest offenders, protect the rights of persons and property, and regulate and control traffic in accordance with the laws of the State of Georgia and City ordinances.
- Provide a centralized records function, charge and collect a fee for administrative services rendered for or on behalf of any person by furnishing copies of background investigations, photographs taken or processed by it, accident reports, and any other reports authorized to be furnished to members of the public.
- Plan, develop and implement crime prevention programs, independently and in cooperation with other governmental agencies.

- Provide initial and continuing training for the promotion of policy efficiency, discipline and morale in the matters of law enforcement and crime prevention.
- Conduct follow-up investigations, surveillance and crime scene processing.

SAVCOMMUNICATIONS

Overview

The Communications Center is the primary Public Safety Answering Point (PSAP) for both emergency and non-emergency calls for the City of Savannah and the rest of Chatham County, except for Tybee Island. The Communications Center provides dispatch services to police, fire, emergency medical, and first responders. Additionally, the Center provides Criminal Justice Information System (CJIS) support for twelve police agencies in Chatham County that participate in the Georgia Crime Information Center (GCIC) network which is a statewide information sharing initiative. The Center operates continuously 24 hours a day, 365 days a year.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Good Government

Core Services

- ✓ Emergency call answering services
- ✓ Communications dispatch and monitoring
- ✓ Quality Assurance
- ✓ Training

Core Responsibilities

- Receive emergency and non-emergency calls requesting public safety services via telephone and other communications devices, and dispatch appropriate public safety responders to such calls.
- Perform as a centralized point for command and control during emergencies.
- Provide ongoing communications support to personnel in the field, monitor radio traffic on emergency and non-emergency frequencies, and receive and transmit radio calls from field units.
- Ensure that all standards and procedures are adhered to and that delivered services meet performance requirements.
- Obtain information from databases regarding vehicles, warrants, criminal history, NCIC/GCIC information, and driver information.
- Maintain written operating procedures for receiving and responding to all calls.
- Recruit and train employees to perform the duties and functions associated with the Center including the National Incident Management System (NIMS), Emergency Medical Dispatch (EMD), CPR, critical incident call taking, crisis intervention training as well as fundamentals such as caller interrogation techniques, computer aided dispatch software and Enhanced 9-1-1 telephone systems.

Overview

The Financial Services Department, under the supervision of the Chief Financial Officer, provides financial expertise and support to City management and to operating departments of the City. The department prepares monthly interim financial reports, as well as the annual audited Comprehensive Annual Financial Report (CAFR). Finance also disburses City funds through its payroll and accounts payable functions, issues checks to City pensioners, and oversees all of the City's investing and borrowing activities. The department includes the divisions of Accounting, Revenue, Purchasing, and Risk Management.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Good Government

Key Business Units / Core Services

- ✓ Accounting Services Division
- ✓ Purchasing Division
- ✓ Revenue Administration Division
- ✓ Risk Management Division

Core Responsibilities

- Administer all financial affairs of City government in accordance with laws, ordinances, policies, and administrative rules and regulations, including the required procedural and management practices. The accounting records and system must conform to the Governmental Accounting Standards Board (GASB) principles.
- Be responsible for the collection, receipt, custody, deposit, investment, accounting and disbursement of fees, taxes and other funds of the City, which shall be deposited in the City Treasury.
- Invest monies of City government in accordance with laws, ordinances and City Council policies with the goal of receiving maximum return on such investments.
- Issue debt, monitor use of debt proceeds, initiate interest and principal payments, maintain records, and ensure that disclosure and other legal requirements are met.
- Oversee the administration of the City's pension fund, oversee investments and custodial activity, prepare financial reports, and assist pension board members.

- Assist the Office of Management and Budget in preparing and executing the City's budget and capital program.
- Submit for filing with the City Council all reports of the City's external auditors to include audited financial reports, special reports, operational audit reports, grant compliance audit reports, and letters of comment and recommendation.
- Present to the City Council annually, and whenever required by the City Council, a detailed statement of the financial condition of the City, which shall include all receipts and expenditures of the various departments; a detailed statement of the debt of the City, and the purpose for which it was incurred; and an inventory of all personal property, supplies and equipment of the City, with both their cost and estimated current value.
- Establish a policy and procedure for determining and handling uncollectible accounts owed the City. The CFO shall submit, as part of the annual budget, an allowance for bad debts to cover the estimated amount of charges that will be uncollectible during the fiscal year. The CFO shall report the total amount of bad debt write-offs to the city manager annually.
- On or before the 20th of each month and at such times as the city manager may direct, a written report on the financial condition of the City as of the last day of the preceding month.

Accounting Services Division

- Maintain a written inventory of all City fixed assets, and surety bonds.
- Establish and maintain accounting systems and records for City government in accordance with generally accepted governmental accounting principles and procedures.
- Prescribe the method of keeping accounts for all departments and offices of the City, which method shall be uniform as nearly as practicable and conform to the laws of the state.
- Certify, when appropriate, and prior to purchase that sufficient funds are available in the appropriate account for all requested goods, services, or contract payments. Encumber the amounts authorized.
- Reconcile all invoices and travel reimbursements before payment to determine that they were authorized, and to determine that the merchandise, materials, articles, or services enumerated have been received or rendered.
- Maintain accounting records of revenue expenditures and prepare financial documents and reports where applicable for all federal and state governments.
- After receipt of approved pay plans from Human Resources and certified payroll vouchers from agencies, prepare checks for the payment of the payroll and all other lawful claims or charges against the City
- Administer the City's travel policies and procedures.
- Periodically perform an inventory of all City tangible personal property.
- Approve the amount of all petty cash and change funds.
- Procure monthly bank statements from all depositories of City funds, or funds for which the City, its officers, or agents are responsible and reconcile such statements with division records.

Purchasing Division

- Procure or supervise the procurement of all supplies, services and construction needed by the various departments and agencies of the City through solicitation, vendor selection, negotiation, and award.
- Establish and maintain programs for specifications development, contract administration and inspection and acceptance, in cooperation with the City agencies using the supplies, services and construction.
- Prepare for the city manager's signature a manual setting forth purchasing procedures and controls that shall be followed by the departments and agencies of the City.
- Monitor procurement activities to ensure compliance with the Federal, State, and City procurement/contracting laws that govern expenditure of public funds.
- Manage procurement actions to generate broad participation and competition among potential suppliers and contractors, working with the Office of Business Opportunity ensure equal opportunity to all qualified vendors, ensure that small and disadvantaged businesses have maximum opportunity to participate in City contracts, and ensure good quality products and services at competitive prices.
- Monitor vendor performance to ensure accountability.
- Upon authorization from the City Council, sell or dispose of any surplus, obsolete or unused supplies, materials and equipment.
- Provide training to City personnel on purchasing policies and procedures.
- Provide technical assistance and support to firms wishing to secure City contracts.
- Provide inventory management including administrative control of receiving, stocking, and disbursement of commodities to all City departments.

Revenue Administration Division

- Serve as city treasurer and have custody of all public funds belonging to or under control of the City; ensure the timely billing, collection, and deposit of revenue from the City's various revenue sources as defined in the City's annual Revenue Ordinance. Account for and deposit all monies collected by the officers or other employees of the city promptly into the city treasury.
- Administer the revenue programs related to revenue collection, licensing and permitting of alcohol establishments, business tax receipts and utility billing; coordinate with the Code Compliance Department on field investigations.
- Keep accurate detailed account of all taxes, fees, and charges assessed by the City and all monies due the City from any and every source.
- Provide customer service support for residential, commercial and industrial accounts, including but not limited to initiating service, billing and collection for services provided, and termination of service in accordance with City ordinances and resolutions.
- Serve as the city marshal and issue executions as required by City ordinances.
- Issue licenses and collect license fees for local business tax receipts, alcohol beverage tax, and any others as may be prescribed by law or ordinance.

Risk Management Division

- Evaluate exposure to losses, monitor contingent liabilities, analyze and recommend measures to reduce or manage risk.
- Recommend and implement a cost-effective and feasible loss prevention program including a safety program that may aid in preventing injuries and reducing injury severity to City employees.
- Administer the City insurance program (except for employee group benefits such as life/health/dental insurance, which shall be the responsibility of the Human Resources Department).
- Maintain all of the City's insurance records (except for employee group benefits such as life/health/dental insurance).

Department of Information Technology

Overview

Information Technology (IT), under the Chief Information Officer, provides high quality, high-availability radio and network (data and voice) resources to support and enhance the delivery of City services across the organization. This includes planning, implementation, maintenance and support of all the infrastructure components of the radio, data and voice networks. IT also conducts business analyses with user departments to develop solutions to meet business needs. IT manages vendor contracts and provides services to order all technology related hardware and software.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Application support and development
- ✓ IT security and compliance services
- ✓ Information systems planning and implementation
- ✓ Database management
- ✓ Telephone system support
- ✓ Radio system support and maintenance

Core Responsibilities

- Provide ongoing development and support of departmental and enterprise wide application systems and databases for the City.
- Provide consultation services and project management activities to include hosting the Technology Governance Committee and budgetary planning for technology purchases.
- Plan for, implement, and provide adequate information technology resources and services throughout the City.
- Provide telephone service and equipment, to include: design, installation (adds, moves, and changes), repair and restoration service, and contract administration.
- Acquire core computer hardware and software to support City service center requirements.
- Perform troubleshooting and problem resolution on City standard computer hardware, operating systems and utility programs.
- Operate a 24-hour a day, 7 days a week ("24 × 7") computer operations center.

- Install, configure, and maintain computer hardware and software systems and related equipment.
- Manage annual refresh projects for workstations, laptops, servers and data communication equipment.
- Operate a helpdesk to provide assistance and resolution to end users.
- Perform, maintain and execute information systems security functions as related to network and administrative infrastructure security.
- Provide administrative control of the contracted mail and courier services to all City departments and selected outside agencies. Manage mailroom functions.
- Plan for, implement and provide mobile radio, mobile data and SCADA communication services to Public Safety and other personnel.
- Plan for, implement and maintain communications network services required to support the provision of radio services to include IP, microwave and radio tower infrastructure.
- Provide repair and maintenance services for all in vehicle electronic accessory equipment utilized for communications, safety and warning.
- Provide maintenance and repair services for all radio end user equipment to include mobile, portable and SCADA radios and MDT computers and associated equipment.
- Facilitate and coordinate the management and expansion of SEGAARN (Southeast Georgia Regional radio Network). SEGARRN, a regional, multi-county radio network that includes Chatham, Bryan, Bulloch, Effingham, Glynn and Liberty counties, provides all public safety and other local government communications in the region.

Recorder's Court Administration

Overview

The Recorder's Court of Chatham County plays a major role in the local justice system. The court's main functions include providing hearings for individuals cited with violating Georgia traffic laws and local ordinances, accepting guilty pleas from persons charged with misdemeanors, and conducting probable cause hearings for individuals charged with a misdemeanor or felony offense. The judges of Recorder's Court also issue search warrants and criminal warrants to the law enforcement officers with jurisdiction in the City of Savannah and in the unincorporated areas of Chatham County.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Good Government

Core Services

- ✓ Judicial caseload management
- ✓ Fiscal administration
- ✓ Records management

Core Responsibilities

- Responsible for the administration of the planning, direction, and supervision of non-judicial functions of the Recorder's Court. Responsibilities include case flow management, records management, managing budget and accounting functions, statistical and computer system analysis, technology management, grant writing and management, budget projections, public relations, internal controls and personnel management, including the selection, training, evaluation and disciplining of non-judicial staff. The Court Administrator is responsible for providing supervision, administration, and management of the entire court staff.
- Develop, interpret and execute policies, mandates and operational plans, as part of a comprehensive court system to effectively and efficiently support the implementation of state court rules, judicial rulings and/or orders.
- Serve as the official depository and custodian of court records; maintain all original citations and sentencing orders of defendants and serve as the case manager by arranging court appearances, attending court hearings, preparing the case file, obtaining reports and test results, preparing orders for the judge's signature, attending court, assessing fines, accepting payments and updating of records by entering conditions of sentence for each offense.
- Provide administrative support to the Recorder's Court Judges.
- Manage the dockets of the court; assign cases to judges, schedule hearings, assign court resources and staff, to ensure effective and efficient administration of justice in the court.

- Coordinate and consult with City and County information technology departments to ensure court information systems are maintained and operated efficiently.
- Consult with all elected judges of the court in the preparation of the annual budget and submit proposed budget to the city manager and the county manager.
- Develop and publish court operating policies and procedures consistent with local and state court rules of procedure; City and County employment policies; and local and state law.
- Ensure that court records, including traffic court, criminal court, and local ordinance filings are managed and maintained in compliance with local court standards and state law.
- Provide oversight of the fiduciary operations of the court, ensuring compliance with city, county, and state policies and procedures for financial management and internal control.
- Prepare monthly, quarterly, and annual reports as needed or required by the judges of the court; the city and county managers; and the state administrative office of the courts.
- Develop and maintain a cooperative working relationship with other courts in the criminal justice system; the district attorney's office; police agencies; and other stakeholders to ensure that the rights and due process of defendants and crime victims is assured.
- Pursue and collect fines and fees assessed by the Recorder's Court of Chatham County.

Infrastructure & Development

“The future safety and prosperity of Savannah depends on safe, sound infrastructure, including access to the internet. Flooding is a part of life along coastal regions but the City of Savannah is committed to protecting residential and business buildings and streets from its devastating impacts. Our City streets, sidewalks and facilities are a reflection of who we are and the pride we take in our community. They are also essential to helping residents travel to their educational and employment opportunities.”

Office of the Chief Infrastructure & Development Officer

Overview

The Office of the Chief Infrastructure & Development Officer (CIDO) is responsible for providing operational direction on behalf of the city manager and managing day-to-day operations of key business units. The CIDO oversees the efforts of the Office of Sustainability, Office of Capital Projects Management, Development Services Department, Mobility and Parking Services, and the Public Works and Water Resources Department.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Good Government

Key Business Units/Core Services

- ✓ Executive Leadership
- ✓ Capital projects management
- ✓ Infrastructure maintenance, planning and engineering
- ✓ Environmental compliance and sustainability
- ✓ Parking facilities and enforcement
- ✓ Transportation services and planning
- ✓ Traffic management and safety
- ✓ Water, sewer and stormwater
- ✓ Landscape maintenance
- ✓ Planning and zoning review
- ✓ Building permits and inspections

Core Responsibilities

- Manage and direct the activities of the Office of Sustainability, Office of Capital Projects Management, Development Services Department, Mobility and Parking Services and the Public Works and Water Resources Department.
- Develop recommendations on city-wide work methods, operating policies and procedures, program services, and other administrative issues.

- Maximize effectiveness and efficiency of operations by identifying and sharing available resources within assigned departments; develop and implement improvements; determine service delivery levels by addressing problems and complaints and assessing the needs of citizens and the public.
- Research and develop additional revenue sources and implement City objectives through the completion of special projects; determine areas of potential cost reduction, revenue enhancement or program improvement; make recommendations; direct and implement changes.
- Oversee and participate in the development and administration of the assigned segment of the City budget; approve the forecast of funds needed by service area assigned for staffing, equipment, materials and supplies.
- Provide leadership in developing a culture that values people and their differences and is free from inequities and barriers to people reaching their full potential and focuses on delivery quality core services
- Provide leadership in promoting sustainable, environmentally sensitive development and operations in the community and the department.
- Provide staff support to assigned boards and commissions.
- Hear, evaluate and render decisions in employee grievance cases.
- Respond to and resolve difficult, complex and sensitive citizen inquiries and complaints; interpret, analyze, defend, and explain City policies, procedures, programs, and activities; resolve sensitive and controversial issues; respond to public relations requests and coordinate media announcements.
- Ensure that the city has safe, sound infrastructure that produces, treats, and conveys safe drinking and waste water and protects all buildings and streets from devastating impacts.
- Develop strategies that maintain City streets, lanes, sidewalks, and other public rights of way that contribute to the safe movement of vehicular, pedestrian, and bicycle traffic throughout the city.
- Progressively move capital improvement projects towards completion and provide continuous status communication via various sources, with all stakeholders.
- Responsible for the oversight, coordination, analysis and review of development in the City both public and private.
- Provide policy recommendations on process improvements and regulations concerning the current permit and regulatory practices.
- Provide oversight and track development projects processes to ensure commitments are met in a timely manner.

Office of Capital Projects Management

- Manage the development and implementation of capital projects during the planning, design, permitting and construction phases, including coordination with City departments, consultants, regulatory agencies and community groups; responsible for estimating, scheduling and quality control of all capital projects, review and approve consultants' and contractors' payment applications, change orders, budget allocations, construction schedules, and compliance with contract documents.
- Provide architectural and engineering services and technical assistance to all City agencies.

- Provide contract administration of construction contracts for assigned capital projects.

Environment & Sustainability

- Develop, maintain, and track a city-wide sustainability action plan that establishes high level goals and sustainable activities to create a greener Savannah.
- Provide technical assistance and develop pilot projects that identify cost savings, resource conservation, and promote a healthy community.
- Attract external funding for and leverage partnerships that support City sustainability goals.
- Assist with environmental compliance efforts in regulated activities of City operations.
- Foster a culture of community sustainability and resiliency through education, outreach and engagement.

Overview

The goal of the Parking Services Department is to make parking convenient and user-friendly throughout the City while promoting alternative modes of travel in an environmental and economically sustainable manner.

Parking Services manages on-street parking and other parking facilities to balance the needs for residents, businesses and visitors to our city, while promoting compliance with all City parking ordinances. This includes parking meters, parking enforcement, residential and commercial zones, special events parking, valet permit parking and more.

This department regulates an interconnected transportation system that includes all ground transportation service providers such as taxicab, limousine, charter, shuttle, pedicab and horse-drawn carriage companies, as well as water ferries and recreational docks along the Savannah Riverfront.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Key Business Units / Core Services

- ✓ Parking management
- ✓ Parking facilities
- ✓ Multi-modal transportation

Core Responsibilities

- Responsible for on-street parking, parking meters, citation collection, red light camera citation processing and collection.
- Issue permits for parking meter bags, street blocking, construction parking, and construction dumpster and storage container placement on the public rights-of-way to manage negative impacts to traffic flow and on street parking.
- Install and maintain parking meters and enforce the City's parking regulations.
- Operate and maintain parking facilities that provide additional off-street public parking spaces on a daily and monthly basis, provide clean, safe, and affordable parking options, which support mobility and reduce traffic congestion.

Overview

Mobility Services provides a variety of transportation, mobility and safety functions throughout the community to promote livability, and accessibility. Mobility Services is responsible for building, maintaining, and planning transportation in Savannah; including transportation master planning, coordinating with Chatham County and the State Department of Transportation on transportation issues and projects affecting the City.

The department is committed to providing the safest and most efficient, cost-effective and sustainable roadway, bikeway, walkway and transit system for our community.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Key Business Units / Core Services

- ✓ Traffic management
- ✓ Signs, signals, and markings
- ✓ Streets and sidewalks
- ✓ Traffic reviews and permits
- ✓ Multi-modal transportation

Core Responsibilities

- Create, operate, and maintain a multi-modal transportation system, which offers alternative forms of mobility within the City and connects neighborhoods to key recreational, educational, entertainment, health care, and employment centers.
- Oversee the downtown mobility network, which includes the water ferries, streetcars, shuttle buses, recreational docks, bicycles, and wayfinding signage.
- Plan and design City transportation facilities including sidewalks, greenways, trails, and streets.
- Conduct long range planning studies and modeling, facility planning, neighborhood traffic studies, traffic calming studies, right of way use and inspections.
- Coordinate with other City departments as well as the Georgia Department of Transportation, Chatham County, and Metropolitan Planning Organization, on various issues and the planning and completion of transportation projects to improve traffic flow and the safety of pedestrians, bicyclists and motorists.
- Safely and efficiently move vehicular, pedestrian, and bicycle traffic throughout the City.

Overview

Development Services serves the public by ensuring the safety of the built environment through implementation of the City's land development codes. The department is responsible for interpreting and enforcing the zoning, land use, site and plan review standards, codes, laws and ordinances, this includes all aspects of building construction, life safety, electrical, plumbing, and mechanical systems, as well as enforcing the Flood Damage Prevention and Zoning Ordinances, including sign and historic preservation standards.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Good Government

Core Services

- ✓ Building permits, inspections and plan review
- ✓ Historic preservation
- ✓ Planning and zoning

Core Responsibilities

- Promote historic preservation, sustainable living and working environments through planning, environmental protection, new development, and redevelopment.
- Oversee plan reviews, permit issuance, and inspection process through the enforcement of the International Building Code and zoning regulations.
- Coordinate the private development site plan review process among City departments as well as the Metropolitan Planning Commission.
- Issue Business Approvals to businesses within city limits in order to ensure the proposed business use is permitted in the property's zoning district and that the structure meets applicable building and fire code requirements.
- Offer engineering services, surveying services, Geographic Information Systems (GIS) and graphics support services to other City departments upon request.
- Provide permitting and inspection services for building and site development projects.

- Assist developers, consultants, business owners, and builders of commercial, industrial, and residential projects in the city.
- The **Building Services Division** is responsible for administering the various provisions of the International Building Code, including accepting permit applications, reviewing and approving construction plans in accordance with the provisions of the Code, inspecting construction to ensure compliance with the approved plans, and issuing violations for those projects where construction was done without or not in compliance with the approved permits.
- The **Planning, Preservation and Urban Design Division** maintains demographic, land use, economic, and housing inventories and databases to support planning initiatives of City divisions and agencies. The division also provides guidance in design and applies regulatory standards and policies with the intent of ensuring progressive urban design principles, while preserving the City's architectural and historic resources. It receives, reviews, and processes applications for plat approval and all applications for site plan approval to ensure design quality, compliance with required development standards, and compliance with the Zoning Ordinance, including setbacks, height, plot coverage, parking, lighting, landscaping, and signs.
- **Zoning Administration** implements and enforces Zoning Ordinance regulations, including landscaping, Short-Term Vacation Rentals, parking, signs, lighting, business uses.

Overview

The Public Works and Water Resources Department promotes public safety and health by designing, building, and maintaining infrastructure that produces, treats, and conveys safe drinking water and waste water; minimizes the potential for flooding while protecting our natural environment. The department, through the Greenscapes Division, is responsible for maintaining the City's greenways, landscaping and urban forest, squares and monuments.

Linkage to Strategic Priorities and Results

- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Good Government

Core Services

- ✓ Water and wastewater treatment and services
- ✓ Stormwater management
- ✓ Landscape and tree maintenance
- ✓ Utility Engineering
- ✓ Greenways and Trails
- ✓ Rights-of-Way Maintenance
- ✓ Tree Maintenance and Preservation
- ✓ Parks, Open Spaces and Conservation Area Maintenance

Responsibilities

- Provide the City with efficiently maintained infrastructure and systems that are fully functional, hazard-free, and aesthetically pleasing, while meeting current requirements and identifying future needs.
- **Stormwater Management** is responsible for the maintenance/repair of the open and closed drainage system, ensuring compliance with the National Pollutant Discharge Elimination System (NPDES) permit, reviewing private development plans to ensure compliance with pertinent City ordinances, and managing the flood reduction capital improvement program; inspecting and maintaining the public stormwater drainage system which may include cleaning pipes, inlets, manholes, ditches, and canals.
- **Operations and Maintenance** operates and maintains the City potable water and sanitary sewer systems, and environmental monitoring and educational services. obtaining maximum reasonable beneficial use of the water; ensuring safe and adequate water supply; conveying a continuous flow of wastewater to the four treatment plant facilities through a series of sewage pumping stations; operate facilities providing continuous wastewater treatment services; provide premium, cost effective, permit compliant wastewater treatment and reuse water for irrigation sales; operate plants to provide continuous wastewater treatment services to provide premium, cost effective, permit compliant wastewater treatment through the professional operation and maintenance of the three regional wastewater treatment plants; provide safe drinking water that complies with all local, state and federal drinking water regulations.
- **Environmental Compliance and Conservation** ensures compliance with all regulatory requirements assuring the quality and quantity of water needed to support the propagation of fish and wildlife and beneficial recreational uses; and provides educational services encouraging conservation of water.
- **Planning and Engineering** is an enforcement service center for the Georgia Environmental Protection Division (EPD Delegation Authority) and reviews and approves all water and sewer construction plans and specifications to ensure compliance with federal, state and local rules, regulations, and ordinances.
- **Greenscapes** is responsible for vegetation maintenance, mowing, servicing and maintaining rights-of-way, ditches, canals, lanes, and city-owned parcels, parks, and the City's historic squares and monuments. It also manages the city-wide urban forest and Tree Preservation Ordinance. The Division is also responsible for landscape and hardscape installation and tree maintenance programs for the City, including tree trimming, irrigation maintenance/repair, fertilization, pest control, and landscape plant and tree installation. Inspections for the City's tree removal permitting process are also made by the Greenscapes Division. It provides landscape maintenance services for the historic squares, the riverfront, neighborhood parks, medians and entranceways, and provides conservation of public monuments. Urban Forestry services include hazardous tree removal, preventive maintenance pruning, service request pruning, new tree planting, and administration of the Tree Preservation Ordinance.

Community Services

“The people of Savannah live in neighborhoods, much of our lives are spent there. We raise our families, our children play there and when possible we work there. So, it is essential that the City focus on key neighborhood issues like accessible housing, recreation facilities and programs, as well as those things that weaken us like poverty and blight. Streets, sidewalks and trails connect our neighborhoods, creating a sense that we are ‘One City’. The vision is that ‘Savannah is an extraordinary place to live, learn and prosper.’ The City is committed to that vision.

The City of Savannah is committed to doing its part to raise our residents out of poverty, ready youth and adults to participate in the economy and be self-sufficient, line our commercial corridors with viable, appropriate businesses and create a resilient, balanced economy for all.”

Office of the Chief Community Services Officer

Overview

Community Services works to improve the quality of life in Savannah through activities that involve planning and development; neighborhood revitalization; parks and recreation, support services and employment services; and housing rehabilitation and financing. The Chief Community Services Officer provides oversight and executive support to six departments: Arts, Culture and Historical Resources; Code Compliance; Housing and Neighborhood Services; Human Services; Parks and Recreation; and Sanitation.

Linkage to Strategic Priorities and Results

- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Key Business Units / Core Services

- ✓ Executive Leadership
- ✓ Housing development, rehabilitation and financing
- ✓ Support services
- ✓ Neighborhood planning and enhancement
- ✓ Parks and recreation
- ✓ Arts, culture and historical resources

Responsibilities

- Manage and direct operational activities through assigned departments; provide management direction and guidance to department directors in planning, organizing, coordinating and implementing programs affecting assigned areas of responsibility.
- Develop recommendations on city-wide work methods, operating policies and procedures, program services, and other administrative issues.
- Maximize effectiveness and efficiency of operations by identifying and sharing available resources within assigned departments; develop and implement improvements; determine service delivery levels by addressing problems and complaints and assessing the needs of citizens and the public.
- Research and develop additional revenue sources and implement City objectives through the completion of special projects as requested by the city manager; determine areas of potential cost reduction, revenue enhancement or program improvement; make recommendations; direct and implement changes.
- Oversee and participate in the development and administration of the assigned segment of the City budget; approve the forecast of funds needed by service area assigned for staffing, equipment, materials and supplies.

- Provide leadership in developing a culture that values people and their differences and is free from inequities and barriers to people reaching their full potential, and focuses on delivering quality core services.
- Provide leadership in promoting sustainable, environmentally sensitive development and operations in the community and the department.
- Provide staff support to assigned boards and commissions.
- Hear, evaluate and render decisions in employee grievance cases.
- Respond to and resolve difficult, complex and sensitive citizen inquiries and complaints; interpret, analyze, defend, and explain City policies, procedures, programs, and activities; resolve sensitive and controversial issues; respond to public relations requests and coordinate media announcements.
- Motivate and lead a high performing Community Services management team consisting of the departments of Housing and Neighborhood Services, Human Services, Sanitation, Code Compliance, Parks & Recreation Services and Arts, Cultural and Historic Resources.
- Develop strategies that provide citizens with clean, safe neighborhoods and access to quality housing, recreational facilities, leisure opportunities and supportive services.
- Develop partnerships among all levels of government and the private sector, including for-profit and non-profit organizations that help build and sustain our community.
- Evaluate the work, operating practices and progress of the Community Services team and develop plans and procedures to maintain and improve performance standards; oversee short and long-term strategic planning goals and growth management activities.
- Ensure that work program activities comply with budgetary guidelines and that objectives are met; regularly monitor progress through various reporting systems.

Overview

The Arts, Culture and Historical Resources Department provides arts programming, to include visual and performing arts, which reaches all sectors of the community. It offers Savannah's residents and visitors the opportunity to enjoy a rich and varied cultural life through the arts. The department accomplishes this by administering the scope of services purchased from Savannah's cultural agencies, producing and presenting classes, workshops, festivals, youth programs, exhibitions, and performances, providing technical assistance to cultural organizations, and marketing Savannah's rich cultural offerings. The Research Library and Municipal Archives collects, manages, preserves and makes accessible records documenting the City's history; administers the records management program and the City Records Center; and shares the City's history with City employees, citizens and visitors through outreach activities.

Linkage to Strategic Priorities and Results

- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Contracts and grants management
- ✓ Arts and cultural programming
- ✓ Municipal archives and records management

Responsibilities

- Support and promote the development of local, cultural institutions, community organizations sponsoring cultural activities and audiences.
- Provide liaison and administrative support to the Cultural Affairs Commission toward the goal of stimulating increased awareness, development, and use of cultural resources, encouraging new cultural services, and increasing the use of these resources.
- Encourage and facilitate greater and more efficient use of public and private resources for the development and support of the arts.
- Serve as a liaison between the City, other governmental agencies, the private sector, and art and cultural groups, on cultural matters.
- Administer the City's programs of financial support to public and private nonprofit cultural organizations.
- Assist in promoting the City as a tourist destination through the support and advancement of cultural institutions.

- Operate the Municipal Archives as the central repository of the official records of City government, and provide for the coordination of records management and compliance with State law relating to the retention and disposal of Public Records.
- Administer annual records transfers and dispositions in compliance with State regulations and established retention schedules.
- Provide timely and effective response to employee and public reference and retrieval requests.
- Provide engaging and educational opportunities to experience Savannah's history.

Overview

The Code Compliance Department enforces housing, property maintenance, sanitation, and zoning codes to promote a safe, clean, and healthy environment. This includes open or structurally unsound vacant structures, overgrown lots with litter and debris, derelict or abandoned vehicles and unsafe occupied residential dwellings. It utilizes the Recorder's Court of Chatham County in the code enforcement process as required and contracts for the elimination of unsafe and unsanitary conditions resulting from code violations. The Department also educates the public on code compliance requirements.

This service center is also responsible for regulatory enforcement of alcohol and beverage establishments, Short-Term Vacation Rentals, parking and tour permits for motor coaches, animal drawn carriage tours, pedicab, food vendors, vehicles for hire, and towing operators.

It is also tasked with improving the overall "Savannah Experience" for all and coordinating visitor enhancement initiatives.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Neighborhood Revitalization
- ✓ Good Government

Core Services

- ✓ Alcohol Beverage Ordinance Enforcement
- ✓ Business Tax Compliance
- ✓ City Code Enforcement
- ✓ Mobile food trucks, vendors and peddlers
- ✓ Property maintenance standards
- ✓ Public nuisances (noise, trash, weeds, junk and debris, derelict vehicles)
- ✓ Unsecured vacant buildings
- ✓ Vehicles for Hire
- ✓ Zoning Code compliance including Short-Term Vacation Rentals

Responsibilities

- Handle all aspects of the enforcement of the City's Codes with a focus on compliance while adhering to a high standard of customer service; administer the preparation and processing of enforcement actions against violators of the Savannah Code of Ordinances as may be applicable.
- Promote health and public safety by encouraging compliance with environmental, business regulation, historic preservation, neighborhood enhancement codes, and other property standards.
- Provide administrative oversight of Short-Term Vacation Rental ordinance.
- Ensure that vacant houses and buildings meet minimum standards for property maintenance and preservation. Prepare and issue violation notices to property owners and tenants; issue summons to code violators; and provide testimony in Recorder's Court.
- Enforce ordinances applicable to motorized and non-motorized tours, pedicabs, towing/wrecker services, vehicles for hire, shuttles, and food vendors.
- Inspect and enforce nuisance violations (i.e. noise, litter and debris, overgrowth and abandoned vehicles on private residential properties).
- Inspect and enforce sanitation violations that occur at restaurants, bars and all other commercial businesses.
- Inspect and track all vacant houses and property to ensure that owners are complying with City ordinances applicable to the minimum standards required for vacant structures.
- Revise tourism-related City codes and policies to better regulate and improve compliance within the industry; develop and implement a tourism management plan to protect the quality of life, preserve the Historic District, improve the visitor experience, and sustain the tourism industry; coordinate visitor enhancement initiatives.
- Ensure compliance with state and local regulatory codes for businesses involved with dispensing alcohol.
- Educate residents, property owners, and businesses on their responsibilities pertaining to the Savannah Code of Ordinances.
- Aggressively address issues of blight in communities.

Overview

The Human Services Department is responsible for the management, operation, and coordination of social and supportive services for youth, adults and families. The Department oversees collaborations and partnerships with the faith-based community and not-for-profit organizations providing community-directed services to families and individuals to assist them in reaching self-sufficiency. The department also administers federally funded community development and workforce programs and manages the operation of resource centers.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Neighborhood Revitalization
- ✓ Economic Strength & Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Emergency assistance
- ✓ Information and referral
- ✓ Grants management
- ✓ Community partnerships
- ✓ Youth programs
- ✓ Elderly services
- ✓ Employment training
- ✓ Savannah Impact Program

Responsibilities

- Undertake human services, referral, and family assistance activities that collectively assist low and moderate income youths, individuals, elderly, and families.
- Offer programs and services for youth to meet needs and provide positive experiences in a safe environment. This is accomplished by administering the operations of resource centers.
- Seek grant funding to supplement and expand human services delivery.

- Develop and recommend purchase of service agreements with not-for-profit agencies as well as coordinate related activities; provide for the oversight of community partnership agreements, including participation in proposal review; contract negotiation; developing performance outcomes.
- Develop and maintain a coordinated human services system to support the delivery of efficient, comprehensive, city-wide human services programs to City residents and prevent any duplication of services in the community.
- Operate locations that offer residents access to services including the provision of community-based, community-directed services, intake, assessment and various comprehensive services to families and individuals assisting them toward self-sufficiency.
- Coordinate with federal, state, county and public and private not-for-profit and for-profit organizations in the provision of comprehensive community-based support services for residents and apply for federal and state assistance to aid in funding the Department's activities.
- Provide grants management services for federal entitlement and federal Workforce Innovation and Opportunity Act (WIOA) funds allocated to the ten-county Coastal area and to provide administrative support to the Coastal Workforce Development Board (CWDB) comprised of appointed members from the counties served.
- Provide youth, unemployed, underemployed and dislocated workers with workforce training and employment assistance.
- Senior Services offers Adult Day Care and Golden Age Centers for Senior Citizens. Seniors' needs are met by participating in fitness, and leisure activities, congregate meals and transportation.

Overview

The Housing & Neighborhood Services Department provides for the management and coordination of the City's housing and neighborhood enhancement efforts to provide a City of strong and vibrant neighborhoods that is clean, safe and encourages a sense of community. Department activities include comprehensive neighborhood planning, housing rehabilitation and leveraging private investment to support affordable housing development and neighborhood improvement.

Linkage to Strategic Priorities and Results

- ✓ Public Safety
- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Housing development, financing and rehabilitation
- ✓ Neighborhood planning
- ✓ Neighborhood enhancement programs
- ✓ Neighborhood association support

Responsibilities

- Assist neighborhoods in the development of neighborhood plans and implementation of neighborhood projects that improve livability.
- Coordinate acquisition of tax delinquent and distressed real property to support affordable housing development.
- Administer entitlement and other federal and state grant programs that support housing and urban development for the city.
- Manage the City's affordable housing activities, including redevelopment, rehabilitation, housing repair, multi-family, and financing programs.

- Research and implement opportunities for the development and retention of affordable housing in the city and act as the coordinating body for housing and housing-related activities in the City of Savannah.
- Pursue partnerships and local funding sources to leverage private investment for housing.

FY18 RESOURCES

Overview

The Parks and Recreation Department is responsible for providing residents of Savannah and neighboring communities with access to quality recreational programs, well-maintained parks, buildings and open space areas.

Linkage to Strategic Priorities and Results

- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Economic Strength and Poverty Reduction
- ✓ Good Government

Core Services

- ✓ Athletic programs
- ✓ Athletic fields maintenance
- ✓ Social recreational activities
- ✓ Summer camps
- ✓ After-School programs
- ✓ Aquatics
- ✓ Volunteer services

Responsibilities

- Provide cost effective and efficient services of park facilities, community centers and recreation services.
- Enforce all rules and regulations relating to the use of City parks and recreation services and facilities.
- Plan, administer and coordinate City park and recreation-education programs.
- Coordinate activities with federal and state agencies and actively seek federal and state funding for park and recreation purposes.
- Develop and provide affordable, convenient opportunities for cultural and recreational activities that enrich the quality of life for residents of Savannah.

- Athletic Services coordinates youth and adult league play in baseball, basketball, cheerleading, football, softball, and tennis. Athletic Services operates after-school and summer camp activities for youth.
- Therapeutic Recreation offers services for challenged youth and adults. Special Olympic skills and team sport participation are offered for adults. Summer Camps are offered for youth and adults with diverse challenges.

Overview

Savannah's Sanitation Department is responsible for providing solid waste management, recycling services, street cleaning, and litter control services to promote community and environmental health and neighborhood vitality. The Department addresses sanitation issues; ensures timely cleanliness of streets, lanes and rights-of-way; and provide for the efficient management of collection, processing, reclamation, recycling, and disposal of residential and commercial solid waste generated within the city of Savannah.

Linkage to Strategic Priorities and Results

- ✓ Infrastructure
- ✓ Neighborhood Revitalization
- ✓ Good Government

Key Business Units / Core Services

- ✓ Residential refuse collection
- ✓ Refuse disposal and landfill operations
- ✓ Street cleaning
- ✓ Commercial refuse collection
- ✓ Recycling services
- ✓ Litter control
- ✓ Environmental compliance

Responsibilities

- Provide environmental compliance monitoring and support for solid waste collection and disposal operations.
- Ensure sanitation services are planned and executed on schedule.
- Provide education and outreach services and other activities.
- Residential Refuse is responsible for the collection of residential refuse, yard waste and bulk items throughout the city.
- Refuse Disposal is responsible for handling and disposing of non-hazardous solid waste collected within the city in accordance with all applicable State and Federal environmental standards. This is accomplished through the operation of the Dean Forest Road Landfill (DFRL), the Bacon Park Transfer Station (BPTS), and ancillary programs such as yard waste processing and scrap tire and metal recycling.

- Street Cleaning is responsible for maintaining an acceptable level of cleanliness on all curbed and paved streets throughout the city. The department has four programs which include street sweeping, citation writing, front-end loader operation (cleaning areas that are inaccessible to street sweepers) and sign maintenance.
- The Commercial Refuse Division is responsible for collecting refuse from commercial and institutional establishments, collecting and disposing of construction and demolition waste, and maintaining a container repair facility that ensures all containers meet standards for cleanliness, safety and health regulations.
- The Recycling and Litter Services Division is responsible for residential curbside recycling, community and commercial drop-off recycling, special event recycling, public outreach and education, and litter control throughout the city.

Capital Improvement Planning

The City's Five-Year Capital Improvements Plan covering FY18 through FY22 totals \$183.5 million and includes 138 projects across all improvement categories. The first year of the five-year CIP, which is formally adopted by the City Council, totals \$64.6 million for FY18. Below is the breakdown of the FY18 Adopted capital budget by improvement category.

TOTAL FY18 CAPITAL BUDGET:
\$64,643,908

CAPITAL BUDGET OVERVIEW

PREPARATION

The five-year Capital Improvement Program (CIP) is updated annually and accounts for the acquisition, renovation, or construction of new or existing capital facilities and infrastructure. Anticipated funding sources are identified to support the program. The capital program is usually funded using a combination of current revenues, special taxes, bonds, and contractual payments. Development of the five-year capital plan is coordinated with development of the annual operating budget. Projects included in the first year of the plan are adopted as a part of the annual operating budget. The remaining years of the capital program serve as a guide for future planning and are reviewed and modified in subsequent years where applicable. Before the plan is updated, a review of current capital projects' progress and accomplishments is completed to gain insight that is used in future planning.

STRATEGIES

Budget strategies for development of the 2017-2021 Capital Improvement Program includes:

- Focusing the City's limited resources on legally mandated projects
- Maintaining infrastructure and capital assets to protect the public and avoid future financial liabilities
- Focusing available Capital dollars on projects necessary for the successful implementation of the City's Strategic Plan

Future capital planning actions will include:

- Continuing to focus on maintenance and Council priorities
- Updating the five-year plan annually to strategically fund infrastructure needs
- Continuing to review funding sources to support critical infrastructure needs

PROCESS

The capital budgeting process began in June 2017 with a request to capital project managers to update existing project details, including financial request areas, for all existing capital projects. The Office of Management and Budget then used the updated information as well as updated base budget projects to create a draft CIP which was presented to the City Manager and Executive Leadership. Special care was taken to update the plan once project requests were received from Strategic Goal Implementation Plan leads to ensure that as much as possible, available capital planning dollars are devoted to new capital expenditures that move the City towards meeting the goals of the Strategic Plan.

FY18 CIP Calendar Overview

July 2017	Update of Capital Requests from Project Managers
August 2017	Draft CIP Presented to City Manager and Executive Leadership Team
October	Update of Operational Cost Forecast Service Enhancement Proposals accepted for Strategic Plan Related Projects
November	CIP Updated during Budget Retreat at Direction of City Council

HISTORICAL CAPITAL FUNDING

In the last five years, the City has invested over \$300 million in capital projects in the community. Historical contributions to capital projects from several key funding sources are highlighted as well as various capital projects. The graphs that follow show historical contributions from the Water and Sewer Fund and the General Fund.

WATER AND SEWER FUND

Water and sewer rates are projected five years into the future in order to anticipate needs for operation and maintenance of the system and to fund the capital improvement/maintenance plan. The graph below shows budgeted historical contributions to capital projects from this funding source, including Industrial & Domestic Water Fund contributions:

GENERAL FUND

General Fund revenue supports general government projects. This source of funding can be used for any lawful project. For 2013 through 2017, the General Fund CIP contribution has been lower than needed due to uncertain economic conditions. The graph below shows budgeted contributions from the General Fund for various capital projects during the period 2013–2017:

The 2018 General Fund contribution is budgeted at \$6,801,908. During the 2018 Budget Process, the City Council created a greater focus on reinvesting in capital infrastructure, and growing available revenues to dedicate towards Strategic Plan related capital investments. While the 2018-2022 plan provides a stable outlook for investment, it does not provide for all recorded City needs or needed capital investments to meet the goals of the Strategic Plan.

2018-2022 CAPITAL PLAN OVERVIEW

The five year Capital Improvement Program revenue sources are projected to total \$183,505,008. The table below provides a breakdown of allocations by year. Revenue changes are as follows:

- The Civic Center Fund contribution more than doubles from the previous five-year plan, and is expected to contribute nearly \$6 million for capital improvements. Many of these expenditures have been delayed into out-years of the plan to allow additional time for facility planning as the facility is operationally in flux as they City moves toward the construction of a new 9,000 seat arena near the downtown area
- The Parking and Mobility Fund is scheduled to invest \$5.3 million in Capital Expenditures over the next five years. Nearly \$2 million in planned funding is scheduled for repair and restoration of existing parking facilities, which are aging and require additional upkeep
- 2018 includes a DSA Bond Issuance, which will be used to finance Parking Garages and improvements related to the Savannah River Landings development, a public-private partnership of the City

Five-Year Revenues by Source

Funding Source	2018	2019	2020	2021	2022	5-Year Total
General Fund	\$ 6,801,908	\$ 6,189,000	\$ 5,690,000	\$ 6,050,800	\$ 7,235,800	\$ 31,967,508

Sewer Fund	13,556,000	17,056,000	16,681,000	14,708,000	10,455,500	72,456,500
Water Fund	10,781,000	7,061,000	8,093,000	5,345,000	4,124,000	35,404,000
Total All Funding Source	\$ 64,643,908	\$ 32,228,000	\$ 33,129,000	\$ 29,028,800	\$ 24,475,300	\$183,505,008

EXPENDITURE SUMMARY

Capital Improvement Program expenditures for the five-year period are totaled to \$183,505,008.

Water and Sewer Improvements account for \$107,860,500 or 58.8% of planned capital project spending. Many of these projects prepare the City for compliance with new federal and state regulations regarding groundwater use and BOD discharge, which will take effect in the coming years. Other projects address routine maintenance and infrastructure replacement.

Street and Traffic Improvements together account for \$16,212,600 or 8.8% of planned capital spending. Planned projects include intersection improvements, bridge maintenance, street resurfacing, and sidewalk and curb repairs and maintenance.

Major **Public Building Improvements** include a \$24,000,000 investment to construct a parking garage at the Savannah River Landings project site in FY18. Other Public Building improvements include renovation and maintenance projects for parking garages throughout the City. Improvements in this category will account for \$31,855,000 or 17.4% of planned capital spending.

Park and Recreation Improvements, Cemetery Improvements, Square and Monument Improvements, and Community Development Improvements account for \$8,522,840 or 4.6% of capital spending. An investment of \$900,000 will be made in FY18 to purchase two additional vehicles for use on the City's newly initiated Public Transportation Circulator. Joseph Tribble Park, Highlands Park, and the Grant Center also receive funding for park and facility improvements. The Savannah Shines Project receives \$1.7 million in this plan for community development projects in a pre-determined neighborhood meeting specific program requirements.

Civic Center Improvements account for \$5,952,000 or 3.2% of total planned expenditures, and are primarily dedicated to replacement and renovation projects at the Civic Center.

New **Drainage** infrastructure will be installed to reduce flooding incidents as well as the continuation of ongoing rehabilitation of the City's storm sewers over the five-year period. These improvements account for \$4,125,000 or 2.2% of planned capital spending.

The **Other Projects** category accounts for \$8,977,068 or 4.9% and includes large technology upgrades including Phase I of the purchase of an Electronic Timekeeping System, implementation of a new Budget and Performance Management Software System, and the purchase of Code Compliance Software.

The table below provides a breakdown by category of planned spending during the five-year period:

Improvement Category	2018	2019	2020	2021	2022	5-Year Total
Cemetery	\$ 170,000	\$ 170,000	\$ 150,000	\$ 150,000	\$ 160,000	\$ 800,000
Civic Center	845,000	557,000	1,350,000	1,800,000	1,400,000	5,952,000
Community Development	3,366,840	0	500,000	0	0	3,866,840
Drainage	1,000,000	950,000	1,150,000	500,000	525,000	4,125,000
Park and Recreation	435,000	25,000	200,000	326,000	75,000	1,061,000
Public Buildings	25,655,000	500,000	850,000	300,000	4,550,000	31,855,000
Sewer	13,556,000	17,056,000	16,681,000	14,708,000	10,455,500	72,456,500
Squares and Monuments	450,000	595,000	645,000	605,000	500,000	2,795,000
Streets	3,337,000	730,000	1,565,000	1,150,000	1,330,000	8,112,000

Water	10,781,000	7,061,000	8,093,000	5,345,000	4,124,000	35,404,000
Other	3,348,068	3,634,000	695,000	600,000	700,000	8,977,068
Total by Improvement Category	\$ 64,643,908	\$ 32,228,000	\$ 33,129,000	\$ 29,028,800	\$ 24,475,300	\$183,505,008

2018 CAPITAL IMPROVEMENT PROJECT SUMMARIES

Projects funded in 2018 are listed below by Category with a brief description.

An "R" or "N" is shown by each project to indicate whether the cost is recurring or non-recurring. A recurring project is included in almost every budget and/or will have no significant impact on the operating budget. It is the City's goal to remove recurring projects from the Capital Budget in 2020. Instead, recurring projects will be accounted for within the operating budget of each year.

Each description includes the 2018 cost, five-year cost, funding source, service impact, and operating budget impacts where applicable.

Cemetery Improvements

Cemetery Monument Conservation		R
Preservation of dilapidated monuments.		
2018 Cost:	\$60,000	
Total 5 Year Cost:	\$360,000	
Funding Source:	Cemetery Lot Sales	
Service Impact:	Restore and Repair cemetery monuments and other dilapidated structures. No impact expected.	
Operating Impact:	Recurring Project - No impact expected	

Colonial Cemetery Lighting		N
Upgrade all lampposts, electrical wiring, and components in Colonial Park Cemetery.		
2018 Cost:	\$20,000	
Total 5 Year Cost:	\$90,000	
Funding Source:	Cemetery Lot Sales	
Service Impact:	Increase safety by upgrading lighting and all electrical components in Colonial Park Cemetery.	
Operating Impact:	Minimal expense offset expected through energy efficiency-No impact recorded	

Cemetery Master Plan		N
Drafting of in-depth cemetery master plan including all municipal cemeteries		
2018 Cost:	\$50,000	
Total 5 Year Cost:	\$140,000	
Funding Source:	Cemetery Lot Sales	
Service Impact:	Master plan developed including, at a minimum, an in-depth analysis of current operations, infrastructure, and industry trends.	
Operating Impact:	Part-Time Staff Required in Year 2 – General Fund FY19 - \$20,000 Personnel	

Cemetery Kiosk System		N
Installation of kiosks in municipal cemeteries		
2018 Cost:	\$30,000	
Total 5 Year Cost:	\$30,000	
Funding Source:	Cemetery Lot Sales	
Service Impact:	Kiosks in both Laurel Grove Cemeteries will provide customers the opportunity to search cemetery burial records	
Operating Impact:	FY22 - \$1,000 Equipment Maintenance	

Laurel Grove South Old Sections Survey		R
Survey and mapping of Laurel Grove South Cemetery		
2018 Cost:	\$10,000	
Total 5 Year Cost:	\$40,000	
Funding Source:	Cemetery Lot Sales	
Service Impact:	Improved record-keeping at Laurel Grove Cemetery	
Operating Impact:	Recurring Project - No impact expected	

Civic Center Improvements

Arena Air Handler Replacement		N
Replacement of four arena air handlers		
2018 Cost:	\$425,625	
Total 5 Year Cost:	\$425,625	
Funding Source:	Civic Center Fund	
Service Impact:	Necessary improvement to provide air circulation throughout the building	
Operating Impact:	Continued ability to rent arena space – No impact expected	

Ballroom Renovations		N
Perform various renovations to the Civic Center Ballroom		
2018 Cost:	\$245,000	
Total 5 Year Cost:	\$245,000	
Funding Source:	Civic Center Fund	
Service Impact:	Necessary improvement to continue use of ballroom area	
Operating Impact:	Continued ability to rent ballroom space – No impact expected	

Theater House Light Replacement		R
Replace theater house lighting		
2018 Cost:	\$174,375	
Total 5 Year Cost:	\$274,375	
Funding Source:	Cemetery Lot Sales	
Service Impact:	Replacement of aging light fixtures in Civic Center Theater House. Allows City to continue providing shows with adequate lighting.	
Operating Impact:	Continued ability to book and retain shows. Recurring Project - No impact expected	

Community Development Improvements

Savannah Shines Project		N
Public improvements that are part of a coordinated and concentrated neighborhood revitalization partnership that includes the City of Savannah, neighborhood associations, and others. Areas of concentration are expected to rotate every 18 to 24 months.		
2018 Cost:	\$1,681,840	
Total 5 Year Cost:	\$1,681,840	
Funding Source:	General Fund	
Service Impact:	Improved pedestrian safety, connectivity to parks, lighting and stormwater runoff in the Edgemere-Sackville neighborhood.	
Operating Impact:	Ongoing maintenance FY20 - \$20,000	

Waters Avenue Corridor Improvement		N
Continued streetscape improvements (Phase II) to Waters Avenue		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$500,000	
Funding Source:	General Fund	
Service Impact:	Improve streetscape and business environment in the area	
Operating Impact:	Recurring Project - No impact expected	

Public Transportation Circulator		N
Purchase of two additional buses to serve the downtown public transportation circulator routes		
2018 Cost:	\$900,000	
Total 5 Year Cost:	\$900,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Increased ability to provide continued service on the DOT route at 10-minute intervals throughout the service period	
Operating Impact:	Additional operating impacts to be offset by use of Convention Transportation Tax receipts. No impact expected	

Track & Infrastructure Work		N
Upgrade of streetcar tracks and infrastructure for operation of the River Street Streetcar		
2018 Cost:	\$285,000	
Total 5 Year Cost:	\$285,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	This work provides progress towards the operation of the Streetcar on River Street	
Operating Impact:	No impact expected – CAT will provide streetcar operation when the system becomes operational	

Drainage Improvements

Storm Sewer Rehabilitation		R
Rehabilitate deteriorating storm drains		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$2,500,000	
Funding Source:	General Fund	
Service Impact:	Ability to restore multiple small failures throughout the City as needed	
Operating Impact:	Recurring Project - No impact expected	

Stormwater Pump Station Controls		N
Controls upgrade at the DeRenne Stormwater Pump Station in order to replace aging equipment.		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$500,000	
Funding Source:	General Fund	
Service Impact:	Replace controls, sensors, and interfaces with Emerson SCADA equipment at the DeRenne Stormwater Pump Station to enable continued operation.	
Operating Impact:	No impact expected	

Park and Recreation Improvements

Playground Equipment Reserve		R
Serves as the playground equipment replacement fund		
2018 Cost:	\$25,000	
Total 5 Year Cost:	\$50,000	
Funding Source:	General Fund	
Service Impact:	Ability to replace an existing piece of equipment as needed at the City's 57 playgrounds	
Operating Impact:	Recurring Project - No impact expected	

Joe Tribble Park		N
Provide an improved parking area, enhanced lighting, security cameras, and a pond aeration system at Joe Tribble Park.		
2018 Cost:	\$410,000	
Total 5 Year Cost:	\$410,000	
Funding Source:	General Fund	
Service Impact:	Additional amenities will be available to users of Joe Tribble Park	
Operating Impact:	Existing park facility. No impact expected	

Public Buildings

Savannah River Landing Parking Garage		N
New parking garage to be constructed in the Savannah River Landing Development project area.		
2018 Cost:	\$24,000,000	
Total 5 Year Cost:	\$24,000,000	
Funding Source:	Bond Financing	
Service Impact:	Additional parking options available for downtown workers and visitors	
Operating Impact:	Impacts to Parking Fund only FY19 - \$90,000 Salaries and Wages Expense FY20 - \$350,000 Salaries and Wages Expense FY21 - \$520,000 Salaries and Wages Expense FY22 - \$520,000 Salaries and Wages Expense	

Fire Building Capital Maintenance		R
Fire station renovations		
2018 Cost:	\$150,000	
Total 5 Year Cost:	\$300,000	
Funding Source:	Fire Fee Fund	
Service Impact:	Funding available for small repairs at fire stations as needed	
Operating Impact:	Recurring Project - No impact expected	

Parking Garages Repair and Restoration		R
Repairs in all City-owned parking garages and lots		
2018 Cost:	\$700,000	
Total 5 Year Cost:	\$1,900,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Funding available for emergency repairs and small renovations at Parking Garages when needed	
Operating Impact:	Recurring Project - No impact expected	

Garage CCTV Upgrade		N
Upgrade camera system in parking garages and lots		
2018 Cost:	\$200,000	
Total 5 Year Cost:	\$400,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Ability to provide a secure environment for customers	
Operating Impact:	No impact expected	

Barr Street Parking Lot		N
Construction of parking lot on approximately 0.3 acres of City-owned property located at the corner of Barr Street and East Broughton.		
2018 Cost:	\$125,000	
Total 5 Year Cost:	\$125,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Increased parking availability for downtown workers	
Operating Impact:	No measurable revenue increase expected	
	Impacts to Parking Fund Only	
	FY19 - \$5,000 Maintenance Expense	
	FY20 - \$5,000 Maintenance Expense	
	FY21 - \$5,000 Maintenance Expense	
	FY22 - \$5,000 Maintenance Expense	

Wiring & Lighting Garage Improvements		N
Replace current light fixtures with energy saving LED lights		
2018 Cost:	\$180,000	
Total 5 Year Cost:	\$180,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Improved lighting and energy efficiency	
Operating Impact:	No impact expected	

Bryan Street Garage Renovation		N
To perform office space renovations and improvements to the Bryan Street Parking Garage		
2018 Cost:	\$300,000	
Total 5 Year Cost:	\$300,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Improved office space for employees and customers at Bryan Street Parking Garage	
Operating Impact:	No impact expected	

Sewer Improvements

204 Sewer Extensions		N
To provide sanitary sewer service to newly annexed areas along Highway 204		
2018 Cost:	\$200,000	
Total 5 Year Cost:	\$200,000	
Funding Source:	Sewer Fund	
Service Impact:	Provision of service in new areas	
Operating Impact:	New service fees are expected to offset operating costs. No impact expected	

Bacon Park Reuse Water System		N
Re-use water main and pumping station improvements		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$1,500,000	
Funding Source:	Sewer Fund	
Service Impact:	Extends the reuse water main south of the Bacon Park Golf Course so that additional irrigable sites may be served	
Operating Impact:	No impact expected	

Travis Field Water Reclamation Expansion		N
Expansion of the Travis Field Water Treatment Site		
2018 Cost:	\$1,000,000	
Total 5 Year Cost:	\$5,000,000	
Funding Source:	Sewer Fund	
Service Impact:	This project will increase the treatment capacity at the Travis Field site to 4 Million Gallons per Day under Phase I, and then to 8 Million Gallons per Day under Phase II.	
Operating Impact:	No impact expected	

Developer Oversizing		R
Enlarge or upgrade the sewer system or lift station to meet future system demands		
2018 Cost:	\$125,000	
Total 5 Year Cost:	\$625,000	
Funding Source:	Sewer Fund	
Service Impact:	Ensure future capacity in areas of potential growth	
Operating Impact:	Recurring Project - No impact expected	

Sewer Extensions		R
Install sanitary sewers in all areas where the City will provide future service		
2018 Cost:	\$130,000	
Total 5 Year Cost:	\$650,000	
Funding Source:	Sewer Fund	
Service Impact:	Support economic development in new service areas	
Operating Impact:	New service fees are expected to offset future operating costs- No impact expected	

Force Main Pigs		R
Perform maintenance pigging program to maintain system		
2018 Cost:	\$250,000	
Total 5 Year Cost:	\$1,250,000	
Funding Source:	Sewer Fund	
Service Impact:	Provide funding for maintenance of the system to retain system capacity	
Operating Impact:	Recurring Project - No impact expected	

Georgetown Nutrient Removal		R
Modify plant and/or processes in order to meet future limitations on nutrient loadings		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$2,500,000	
Funding Source:	Sewer Fund	
Service Impact:	Compliance with future regulations	
Operating Impact:	Reduces risk of future fines - No impact expected	

Large Tract Infrastructure Extension		R
Extend existing infrastructure to newly annexed areas		
2018 Cost:	\$100,000	
Total 5 Year Cost:	\$500,000	
Funding Source:	Sewer Fund	
Service Impact:	Support economic development of newly annexed areas that will increase the tax base and sewer revenue	
Operating Impact:	New service fees are expected to offset future operating costs - No impact expected	

Lift Station Monitoring		R
Place remote terminal units at lift stations for the SCADA system		
2018 Cost:	\$100,000	
Total 5 Year Cost:	\$500,000	
Funding Source:	Sewer Fund	
Service Impact:	Serve as an additional safety mechanism to monitor lift stations to avoid system failures	
Operating Impact:	Recurring Project - No impact expected	

Lift Station Rehab		R
Rehabilitate or replace pump stations currently obsolete and/or reaching capacity		
2018 Cost:	\$1,500,000	
Total 5 Year Cost:	\$8,000,000	
Funding Source:	Sewer Fund	
Service Impact:	Create more reliable pump stations with the capacity to serve future customers	
Operating Impact:	Recurring Project - No impact expected	

President Street Generator Upgrade		N
Replacement of existing generator at President Street Plant		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$1,500,000	
Funding Source:	Sewer Fund	
Service Impact:	Ensure continued service during power outages	
Operating Impact:	Replacement of existing equipment – No impact expected	

President Street TMDL Improvements		R
Improvements to the President Street to ensure compliance with TMDL limits		
2018 Cost:	\$1,250,000	
Total 5 Year Cost:	\$7,975,000	
Funding Source:	Sewer Fund	
Service Impact:	Upgrade plant and process at President Street WWTP in order to be compliant with upcoming TMDL limits	
Operating Impact:	Reduces risk of future fines - No impact expected	

SCADA Upgrade		R
Provide SCADA system hardware and software upgrades		
2018 Cost:	\$31,000	
Total 5 Year Cost:	\$154,500	
Funding Source:	Sewer Fund	
Service Impact:	Allow for prompt response to potential	
Operating Impact:	Recurring Project - No impact expected	

Sewer Line Rehabilitation		R
Install sanitary sewers in areas where the City will provide future service		
2018 Cost:	\$2,250,000	
Total 5 Year Cost:	\$11,250,000	
Funding Source:	Sewer Fund	
Service Impact:	Reduce sewer stoppages and cave-ins	
Operating Impact:	Recurring Project - No impact expected in five-year period	

Sewer Share of Paving		R
Replace damaged or deteriorated sewer lines prior to street paving projects		
2018 Cost:	\$90,000	
Total 5 Year Cost:	\$452,000	
Funding Source:	Sewer Fund	
Service Impact:	Allows off-schedule replacement of deteriorated sewer lines in conjunction with paving projects to create efficiency and cost savings on replacement projects	
Operating Impact:	Recurring Project - No impact expected	

Storm Water Separation		R
Provides funding for stormwater cross-connection removal from sanitary sewer system		
2018 Cost:	\$130,000	
Total 5 Year Cost:	\$650,000	
Funding Source:	Sewer Fund	
Service Impact:	Stormwater and I&I (infiltration and inflow) will be separated from the sanitary sewer system	
Operating Impact:	Results in reduction of future station and plant replacement and operational costs, along with reducing the immediate need for station and plant upgrade by eliminating extraneous flows. No impact expected	

Treatment Plant Capital Improvements		R
Makes modifications and improvements to wastewater treatment plants		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$2,500,000	
Funding Source:	Sewer Fund	
Service Impact:	Allow the City to continue to meet its discharge requirements under the NPDES permit	
Operating Impact:	Recurring Project - No impact expected	

Treatment Plant Capital Maintenance		R
Replace equipment, correct design deficiencies, and achieve other goals to meet discharge permit limits.		
2018 Cost:	\$350,000	
Total 5 Year Cost:	\$1,750,000	
Funding Source:	Sewer Fund	
Service Impact:	Allow the City to continue to meet its discharge requirements as required under the NPDES permit	
Operating Impact:	Recurring Project - No impact expected	

Treatment Plant Capital Expansion		N
Funding for expansion of the water treatment plant		
2018 Cost:	\$400,000	
Total 5 Year Cost:	\$2,000,000	
Funding Source:	Sewer Fund	
Service Impact:	Increased capacity for water treatment	
Operating Impact:	No impact expected in 5-Year Planning Period	

Turblex Blower Replacement		N
Replace blowers used for air circulation during the biological waste treatment process		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$2,000,000	
Funding Source:	Sewer Fund	
Service Impact:	New blowers will be safer, more energy efficient, and easier to maintain	
Operating Impact:	Energy savings will be used to offset rising electrical costs – No impact expected	

UV Disinfection		N
Replace aging chlorine system with UV disinfection		
2018 Cost:	\$1,000,000	
Total 5 Year Cost:	\$4,000,000	
Funding Source:	Sewer Fund	
Service Impact:	Provides for effective disinfection of treated effluent and reduces potential safety concerns associated with chlorine gas	
Operating Impact:	No impact expected	

Variable Frequency Drive (VFD)		N
Controls the flow of waste water to the water reclamation facility		
2018 Cost:	\$150,000	
Total 5 Year Cost:	\$300,000	
Funding Source:	Sewer Fund	
Service Impact:	Allows the operators to make process adjustments to effectively treat waste water	
Operating Impact:	No impact expected	

Wilshire EQ Pond Dredging		N
Removal of sediments to provide additional capacity for wastewater treatment		
2018 Cost:	\$1,500,000	
Total 5 Year Cost:	\$1,500,000	
Funding Source:	Sewer Fund	
Service Impact:	Continued ability to treat wastewater using the Wilshire Pond as part of the treatment process	
Operating Impact:	No impact expected	

Wilshire Nutrient Removal		R
Modifications to plant and/or processes in order to meet future limitations on nutrient loadings		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$2,500,000	
Funding Source:	Sewer Fund	
Service Impact:	Allow the City to continue to meet its discharge requirements under the NPDES permit	
Operating Impact:	Reduces risk of future fines - No impact expected	

Squares and Monuments Improvements

Entranceway and Median Improvements		N
Improve landscape of City entrances and medians		
2018 Cost:	\$75,000	
Total 5 Year Cost:	\$140,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Development of attractive, water-efficient, and safe landscapes for City entryways and major medians	
Operating Impact:	No impact expected	

Factors Walk Wall Stabilization		N
Stabilize the historic wall along Factor's Walk		
2018 Cost:	\$50,000	
Total 5 Year Cost:	\$50,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Improve aesthetics of Factor's Walk and maintain historical assets	
Operating Impact:	No impact expected	

Fountain Conservation		R
Preserve and maintain the City's fountains to ensure safe and efficient operation		
2018 Cost:	\$80,000	
Total 5 Year Cost:	\$205,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Preserve and improve the condition of fountains	
Operating Impact:	Recurring Project – No impact expected	

Monument Conservation		R
Repair, restore, and improve monuments in various locations		
2018 Cost:	\$75,000	
Total 5 Year Cost:	\$260,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Preserve and improve the condition of monuments	
Operating Impact:	Recurring Project – No impact expected	

Park, Square, Median and Irrigation Improvements		R
Make improvements to parks, squares, medians, and irrigation systems		
2018 Cost:	\$25,000	
Total 5 Year Cost:	\$185,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Thin our over-crowded vegetation, add landscaping, and improve appearances	
Operating Impact:	Recurring Project – No impact expected	

Public Monument Lighting		R
Install and repair lighting of public monuments		
2018 Cost:	\$25,000	
Total 5 Year Cost:	\$100,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Enhance nighttime appearance of monuments to promote tourism	
Operating Impact:	Increased electricity costs FY19 - \$500 Electricity FY20 - \$750 Electricity FY21 - \$1,000 Electricity FY22 - \$1,250 Electricity	

Square Lighting Upgrades		R
Improve lighting with the downtown squares		
2018 Cost:	\$25,000	
Total 5 Year Cost:	\$250,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Improve lighting in Downtown Historic District	
Operating Impact:	Recurring Project – No impact expected	

Square Renovation		R
Make improvements to the lighting, paving, landscaping and furnishing in squares		
2018 Cost:	\$75,000	
Total 5 Year Cost:	\$535,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Improve aesthetics of the historic squares	
Operating Impact:	Recurring Project – No impact expected	

Square Walkway Repairs		R
Repair brick walkways		
2018 Cost:	\$20,000	
Total 5 Year Cost:	\$320,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Repair brick walkways to provide increased mobility and safety for pedestrians	
Operating Impact:	Recurring Project – No impact expected	

Streets Improvements

Bridge Maintenance		R
Maintain and repair the City's bridges		
2018 Cost:	\$117,000	
Total 5 Year Cost:	\$1,092,000	
Funding Source:	General Fund	
Service Impact:	Maintain bridges throughout the City to increase public safety and avoid costly major repairs	
Operating Impact:	Recurring Project – No impact expected	

LMIG Resurfacing		R
Provide matching funds required by the State to receive grant money necessary to resurface City streets		
2018 Cost:	\$480,000	
Total 5 Year Cost:	\$2,400,000	
Funding Source:	General Fund	
Service Impact:	Provide a safe driving surface for users and extend the life of the roadway	
Operating Impact:	Recurring Project – No impact expected	

Repair/Install Curbs		R
Remove and replace curbing broken by tree roots or normal wear and tear		
2018 Cost:	\$150,000	
Total 5 Year Cost:	\$300,000	
Funding Source:	General Fund	
Service Impact:	Removed pedestrian and vehicle hazards and improved drainage along roadways	
Operating Impact:	Recurring Project – No impact expected	

Sidewalk Repairs		R
Demolish and replace hazardous sidewalk segments		
2018 Cost:	\$240,000	
Total 5 Year Cost:	\$480,000	
Funding Source:	General Fund	
Service Impact:	Ensure pedestrian safety and mobility and ensure ADA compliance	
Operating Impact:	Recurring Project – No impact expected	

Downtown Streetscape Improvements		N
Design and construct a streetscape plan to be initiated in the downtown area		
2018 Cost:	\$2,000,000	
Total 5 Year Cost:	\$2,000,000	
Funding Source:	Bond Financing	
Service Impact:	Improve aesthetics and the pedestrian experience in the downtown area	
Operating Impact:	Increased maintenance requirements	
	FY19 - \$5,000 Operating Supplies and Materials	
	FY20 - \$5,000 Operating Supplies and Materials	
	FY21 - \$5,000 Operating Supplies and Materials	
	FY22 - \$5,000 Operating Supplies and Materials	

Liberty Wheaton Bike Lane Project		N
Striping and pavement markings to create a bike lane on Liberty and Wheaton Streets		
2018 Cost:	\$150,000	
Total 5 Year Cost:	\$150,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Expands availability of bicycle infrastructure in Savannah	
Operating Impact:	No impact expected	

River Street Ramps Reconstruction		N
Repair stone ramps		
2018 Cost:	\$200,000	
Total 5 Year Cost:	\$290,000	
Funding Source:	Preservation Fee – General Fund	
Service Impact:	Repair stone ramps to increase pedestrian safety and prevent vehicle damage for those accessing River Street	
Operating Impact:	No impact expected	

Traffic Improvements

Benton Blvd at Spring Lakes Intersection Improvements		N
Improvements at the intersection of Benton Boulevard and Spring Lakes to potentially include installation of a traffic signal.		
2018 Cost:	\$700,000	
Total 5 Year Cost:	\$700,000	
Funding Source:	General Fund	
Service Impact:	Improve vehicular and pedestrian safety	
Operating Impact:	No impact expected	

Montgomery Street at Oglethorpe Intersection Improvements		N
Street improvements to improve accessibility to the Cultural Arts Center		
2018 Cost:	\$1,000,000	
Total 5 Year Cost:	\$1,000,000	
Funding Source:	Bond Financing	
Service Impact:	Improved accessibility to the Cultural Arts Center	
Operating Impact:	No impact expected	

Water Improvements

16" Water Line Extension along West River Street		N
Install a 16" water main in the West River Street area		
2018 Cost:	\$250,000	
Total 5 Year Cost:	\$250,000	
Funding Source:	Water Fund	
Service Impact:	Provide necessary water flow into the West River Street area	
Operating Impact:	No impact expected	

48" Waterline Replacement		N
Replacement of a section of the 48" steel raw water line		
2018 Cost:	\$2,500,000	
Total 5 Year Cost:	\$2,500,000	
Funding Source:	Water Fund	
Service Impact:	Provides for redundancy of raw water supply to I&D	
Operating Impact:	No impact expected	

Crossroads Booster Upgrade		N
Upgrade/replace pump equipment at the Crossroads Booster Station at the I&D Plant		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$1,250,000	
Funding Source:	Water Fund	
Service Impact:	Accommodate growth and future needs as well as maintenance and rehabilitation efforts	
Operating Impact:	No impact expected	

Dean Forest 24" to New Hampstead		N
Installation of 24" waterline from Dean Forest Road into New Hampstead		
2018 Cost:	\$250,000	
Total 5 Year Cost:	\$1,250,000	
Funding Source:	Water Fund	
Service Impact:	Provide necessary water flow into the developing New Hampstead area	
Operating Impact:	New service fees are expected to offset additional operational costs – No impact expected	

Dean Forest 24" to Savannah Port Authority Industrial Park		N
Installation of 24" waterline from Dean Forest Road into SPA		
2018 Cost:	\$250,000	
Total 5 Year Cost:	\$1,250,000	
Funding Source:	Water Fund	
Service Impact:	Improve water service and fire flows within Savannah Port Authority Industrial Park	
Operating Impact:	No impact expected	

Developer Oversizing		R
Enlarge or upgrade the sewer system or lift stations to meet future system demands		
2018 Cost:	\$200,000	
Total 5 Year Cost:	\$1,000,000	
Funding Source:	Water Fund	
Service Impact:	Ensure future capacity in areas of potential growth	
Operating Impact:	New service fees are expected to offset increased operational expenses – No impact expected	

East Savannah Water Line Replacement Phase I		N
Replacement of 8,000 feet of 2" galvanized steel waterlines with 6" PVC waterlines		
2018 Cost:	\$1,500,000	
Total 5 Year Cost:	\$3,000,000	
Funding Source:	Water Fund	
Service Impact:	Reduction of leaks and increased service level for customers	
Operating Impact:	No impact expected	

Expand I&D Phase II		N
Makes modifications and improvements to the I&D System		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$1,500,000	
Funding Source:	Water Fund	
Service Impact:	Provides for required changes to meet I&D permit requirements	
Operating Impact:	I&D fee charges are based upon full cost recovery of all operating and capital expenditures – no impact expected	

Extensions to Unserved Areas		R
Extend water mains to sparsely populated areas within the distribution system that are presently served by private well or are potential growth areas		
2018 Cost:	\$200,000	
Total 5 Year Cost:	\$1,000,000	
Funding Source:	Water Fund	
Service Impact:	Provide increased revenue as the customer base increases. Allows the City to continue to fulfill its obligation to provide services.	
Operating Impact:	Additional revenues as customer base grows	
	FY19 – (\$5,000) Water Revenues	
	FY20 – (\$5,000) Water Revenues	
	FY21 – (\$7,500) Water Revenues	
	FY22 – (\$7,500) Water Revenues	

Fire Hydrant Replacement Program		R
Replacement of fire hydrants throughout the City		
2018 Cost:	\$100,000	
Total 5 Year Cost:	\$500,000	
Funding Source:	Water Fund	
Service Impact:	Increased public safety due to replacement of lower-functioning or obsolete fire hydrants	
Operating Impact:	Recurring Project – No impact expected	

Groundwater Reductions		R
Accumulation of funds to respond to future groundwater withdrawal restrictions or re-engineered withdrawal processes		
2018 Cost:	\$1,000,000	
Total 5 Year Cost:	\$4,000,000	
Funding Source:	Water Fund	
Service Impact:	Gain compliance with future groundwater withdrawal regulations	
Operating Impact:	Recurring Project – No impact expected	

Hydro-Pneumatic Tank Replacements		R
Maintenance and replacement of hydro-pneumatic tanks		
2018 Cost:	\$50,000	
Total 5 Year Cost:	\$250,000	
Funding Source:	Water Fund	
Service Impact:	Provides for ongoing maintenance of water system pressure control tanks	
Operating Impact:	Recurring Project – No impact expected	

Large Tract Infrastructure		R
Extend existing infrastructure to newly annexed areas		
2018 Cost:	\$400,000	
Total 5 Year Cost:	\$2,000,000	
Funding Source:	Water Fund	
Service Impact:	Support economic development of newly annexed areas	
Operating Impact:	Unknown – Funds will be held and made available as annexations are approved. No impact Included	

Large Tract Water Supply		R
Initial construction costs of water and sewer infrastructure within large land tracts		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$2,250,000	
Funding Source:	Water Fund	
Service Impact:	Provide necessary infrastructure to large commercial and industrial development	
Operating Impact:	New service fees are expected to offset additional operating costs – No impact expected	

Megasite – New Hampstead 24" Water Main		N
Build a 24" water main to connect the Megasite to New Hampstead		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$2,500,000	
Funding Source:	Water Fund	
Service Impact:	Provide necessary infrastructure to accommodate growth in the area	
Operating Impact:	No impact expected	

Miscellaneous Water Line Improvements		R
Replace certain deteriorated and/or undersized water lines		
2018 Cost:	\$755,000	
Total 5 Year Cost:	\$3,960,000	
Funding Source:	Water Fund	
Service Impact:	Reduce water leaks in the system	
Operating Impact:	Recurring Project – No impact expected	

SCADA Improvements		R
Improve SCADA system hardware and software		
2018 Cost:	\$39,000	
Total 5 Year Cost:	\$209,000	
Funding Source:	Water Fund	
Service Impact:	Provide remote monitoring and control to allow for prompt response to potential problems	
Operating Impact:	Recurring Project – No impact expected	

Sludge Pond Dredging		R
Remove sludge from pond for ultimate disposal, and to create further capacity for water treatment		
2018 Cost:	\$400,000	
Total 5 Year Cost:	\$2,500,000	
Funding Source:	Water Fund	
Service Impact:	Creates additional capacity for continued water treatment	
Operating Impact:	Recurring Project – No impact expected	

Storage Tank Repainting		R
Repaint overhead storage tanks on Wilmington Island, Travis Field, and Savannah State University		
2018 Cost:	\$50,000	
Total 5 Year Cost:	\$250,000	
Funding Source:	Water Fund	
Service Impact:	Provide funding for maintenance and repainting of existing storage tanks when needed	
Operating Impact:	Recurring Project – No impact expected	

Valve Replacement Program		R
Replace or repair gaining or inaccurate valves		
2018 Cost:	\$85,000	
Total 5 Year Cost:	\$458,000	
Funding Source:	Water Fund	
Service Impact:	Lowers possibility of leaks, provides more accurate billing information	
Operating Impact:	Recurring Project – No impact expected	

Water Share of I&D VFD Upgrade		N
Controls the flow of waste water to the water reclamation facility		
2018 Cost:	\$500,000	
Total 5 Year Cost:	\$500,000	
Funding Source:	Water Fund	
Service Impact:	Allows the operators to make process adjustments to effectively treat waste water	
Operating Impact:	No impact expected	

Water Share of Paving		R
Replace damaged or deteriorated water lines prior to street paving projects		
2018 Cost:	\$102,000	
Total 5 Year Cost:	\$527,000	
Funding Source:	Water Fund	
Service Impact:	Allows off-schedule replacement of deteriorated water lines in conjunction with paving projects to create efficiency and cost savings on replacement projects	
Operating Impact:	Recurring Project – No impact expected	

Well Electrical Preventative Maintenance		R
Periodically clean, repair, and/or replace electrical power and control systems of 41 wells		
2018 Cost:	\$50,000	
Total 5 Year Cost:	\$250,000	
Funding Source:	Water Fund	
Service Impact:	Ensure that wells continue to perform as needed, maintain equipment to avoid costly repairs	
Operating Impact:	Recurring Project – No impact expected	

Well Preventative Maintenance		R
Perform preventative maintenance of 5 wells to ensure reliable operation 24 hours a day, 7 days a week		
2018 Cost:	\$100,000	
Total 5 Year Cost:	\$500,000	
Funding Source:	Water Fund	
Service Impact:	Provide wells that perform at 100% design capacity, maintain equipment to avoid costly repairs	
Operating Impact:	Recurring Project – No impact expected	

Other Improvements

Electronic Timekeeping Software – Phase I		N
Purchase and implementation of Phase I of an Electronic Timekeeping System, to eventually be implemented City-wide		
2018 Cost:	\$300,000	
Total 5 Year Cost:	\$300,000	
Funding Source:	General Fund	
Service Impact:	Enhanced ability to record work hours. Decreased reliance on manual time entry and risk for human error.	
Operating Impact:	General Fund Impacts Only FY20 – (\$5,000) Insurance by RM Reduction FY20 – (\$25,000) Overtime Reduction FY21 – (\$5,000) Insurance by RM Reduction FY21 – (\$25,000) Overtime Reduction FY22 – (\$5,000) Insurance by RM Reduction FY22 – (\$25,000) Overtime Reduction	

Budget and Performance Software		N
Purchase and implementation of a new Budget and Performance Software system		
2018 Cost:	\$700,000	
Total 5 Year Cost:	\$700,000	
Funding Source:	General Fund	
Service Impact:	Enhanced ability to track and report department performance towards the Strategic Plan. Ability to budget City dollars by activity to align with Strategic Plan.	
Operating Impact:	Ongoing software maintenance expense FY20 - \$400,000 FY21 – \$400,000 FY22 - \$400,000	

Public Communications Equipment Upgrades		N
Replacement of non or poor-working equipment in Council Chambers and Media Room		
2018 Cost:	\$45,000	
Total 5 Year Cost:	\$135,000	
Funding Source:	General Fund	
Service Impact:	Continued ability to provide televised coverage of Public meetings held in City facilities	
Operating Impact:	No impact expected	

Code Compliance Software Purchase		N
Purchase and implementation of a new Code Compliance Software system and expanded Leadership Training Series		
2018 Cost:	\$453,068	
Total 5 Year Cost:	\$453,068	
Funding Source:	General Fund	
Service Impact:	Increased efficiency for code enforcement officers while performing and reporting investigations, answering complaints, and enforcing blight violations.	
Operating Impact:	No impact expected	

Fire Apparatus		N
Purchase of one fire apparatus		
2018 Cost:	\$1,000,000	
Total 5 Year Cost:	\$1,000,000	
Funding Source:	Bond Financing	
Service Impact:	Allows for addition of one fire apparatus	
Operating Impact:	Fire Fund	

Gate Equipment & Software		N
Upgrade of gate equipment and software		
2018 Cost:	\$350,000	
Total 5 Year Cost:	\$350,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Enhanced customer service for parking customers	
Operating Impact:	No impact expected	

Recreational Dock Repairs		N
Maintain the docks for public use and safety		
2018 Cost:	\$150,000	
Total 5 Year Cost:	\$150,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Maintain the docks in a condition that gives optimum performance and service life	
Operating Impact:	Allows for continued use and rental of space - No impact expected	

Riverwalk Dock Repairs		R
Maintain the docks for public use and safety		
2018 Cost:	\$150,000	
Total 5 Year Cost:	\$150,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Maintain the docks in a condition that gives optimum performance and service life	
Operating Impact:	Allows for continued use and rental of space – No impact expected	

Visitor Center Parking Lot		N
Resurfacing of the visitor center parking lot		
2018 Cost:	\$150,000	
Total 5 Year Cost:	\$150,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Maintains parking area for future use	
Operating Impact:	No impact expected	

Visitor Wayfinding Signage		R
Design, purchase, and installation of wayfinding signage for visitors		
2018 Cost:	\$50,000	
Total 5 Year Cost:	\$250,000	
Funding Source:	Parking and Mobility Fund	
Service Impact:	Coordinated, use-friendly, visible navigation system and maps encourage visitors and residents to use parking facilities and engage in a pedestrian experience	
Operating Impact:	Recurring Project – No impact expected	

OPERATING IMPACTS SUMMARY

The summary below of operating impacts by fund has been incorporated into the City's long-range planning efforts to ensure ongoing fund availability for Capital Projects.

	FY18	FY19	FY20	FY21	FY22
General Fund	\$0	\$25,500	\$395,750	\$376,000	\$377,250
Water and Sewer Fund	\$0	(\$5,000)	(\$5,000)	(\$7,500)	(\$7,500)
Parking and Mobility Fund	\$0	\$95,000	\$355,000	\$525,000	\$525,000

BUDGET ORDINANCE

AN ORDINANCE TO ADOPT THE ANNUAL BUDGET FOR THE YEAR 2018 FOR THE VARIOUS GOVERNMENTAL FUNDS OF THE CITY, AND TO ADOPT THE FIVE YEAR CAPITAL IMPROVEMENT PLAN FOR THE CITY.

WHEREAS, the City Manager submitted the Preliminary 2018 Service Program and Budget to the Mayor and Aldermen on November 21, 2017, and the City Manager also submitted the Capital Improvement Program for 2018-2022 on November 21, 2017; and

WHEREAS, the City Manager's Proposed 2018 Service Program and Budget and Capital Improvement Program for 2018-2022 including recommended changes has been submitted to and reviewed by the Mayor and Aldermen on December 7, 2017; and

WHEREAS, the Preliminary 2018 Service Program and Budget was made available for public review on November 21, 2017, and availability of the Preliminary 2018 Service Program and Budget for public review and the time and place of the public hearing on the budget was advertised on November 21, 2017; and

WHEREAS, the Proposed 2018 Service Program and Budget was made available for public review on December 7, 2017; and

WHEREAS, the Mayor and Aldermen conducted public hearings on the Proposed 2018 Service Program and Budget on December 7, 2017, and December 21, 2017, to receive citizen input on the proposed budget; and

WHEREAS, the Mayor and Aldermen directed that the following revisions be made to the Preliminary 2018 Service Program and Budget, and are included in the Proposed 2018 Service Program and Budget:

- Implement a Fire Service Fee at 70% Cost Recovery to act as the primary revenue source for a Fire Service Fund
- Restore funding cuts in the amount of \$7,415,620 to include:
 - A 2% General Wage Increase for Employees in January with additional 1% increase to be considered at 2018 mid-year review
 - Partial restoration of Fire Service Reductions
 - Grass cutting and stump removal contracts
 - Community Partnerships Program and Cultural and Arts Investment Program Funding
 - Special Events, Sponsorships, and Community Celebrations Funding
 - Capital Improvements for 2018 including:
 - Budget & Performance Tracking Software
 - Stormwater Pump Station Rehabilitation
 - Joe Tribble Park Improvements
- Make service enhancements in the amount of \$7,219,310 to include:
 - Fire Fee Financial Hardship Program
 - Capital Improvements for 2018 to include:
 - Waters Avenue Streetscape
 - Savannah Shines Program

- Increase staffing via the following Police enhancements:
 - Berkshire Recommendations (12 Full-time Equivalents)
 - RMS/CAD Systems Analyst (1 Full-time Equivalent)
 - Office of Professional Standards (1 Full-time Equivalent)
 - Cold Case Unit (2.25 Full-time Equivalents)
- Mowing, Tree Pruning, and Stump Removal Contract Increases
- Establish a partnership with Savannah-Chatham County Public Schools in support of Savannah Renaissance Project

WHEREAS, the Mayor and Aldermen further directed that the following revisions be made to the Proposed 2018 Service Program and Budget:

- **General Fund**

- Reduce the allocation for the Savannah Renaissance Program within Other Governmental Services from \$2,201,600 to \$0
- Increase the allocation for the Police Department by \$663,375 for the purpose of making an additional payment towards vehicle purchases
- Increase the allocation for Other Governmental Services to provide a contract for EMT Training Service for Fire Department Personnel
- Increase the allocation for the Public Works and Water Resources Department by \$34,290 to conduct a Pavement Condition Assessment
- Increase the allocation for the Real Estate Services Department by \$50,000 to purchase Facilities Management Software
- Increase the allocation for Interfund Transfers by \$453,068 to accommodate a Transfer to the CIP Fund for the purchase of Code Compliance Software
- Increase the allocation for the Parks and Recreation Department by \$319,080 to provide extended hours at Community Centers
- Provide a 2% General Wage Increase for City Manager, City Attorney, and Acting Clerk of Council

THEREFORE, BE IT ORDAINED by the Mayor and Aldermen of the City of Savannah in Council assembled that:

Total appropriations	\$ 22,896,000

Auto Rental Tax Fund

Total estimated revenue	\$ 1,880,000
Total appropriations	\$ 1,880,000

Section 2. Appropriations and estimated revenues for the Capital Improvements Fund are made on a project-length basis, rather than on an annual basis and remain in effect until the project is completed and closed. Appropriations and estimated revenues for the Capital Improvements Fund are adopted as follows:

	<u>2018</u>
Capital Improvements Fund	
Open project appropriations at year beginning	\$ 697,807,245
Add: New appropriations for projects	64,190,840
Less: Appropriations for closed projects	(30,000,000)
Open project appropriations at year end	\$ 731,998,085

Section 3. In order to comply with requirements for generally accepted accounting principles regarding expenditure recognition, the appropriations set forth in Section 1 above for year 2018 shall be increased by the amount of any purchase order encumbrances open as of December 31, 2017.

Section 4. In order to comply with requirements of generally accepted accounting principles as set forth in Statement 54 issued by the Governmental Accounting Standards Board, the fund balance amounts reported in the City's special revenue funds, unless otherwise restricted, shall be constrained for the specific purpose for which the special revenue fund was created. These balances, though they may be combined with other funds for financial reporting purposes, shall maintain the committed status hereby designated.

Section 5. For purposes of administering the budget, the legal level of control is designated to be the Department, or Service Centers where appropriate, as set forth in Section 1 hereof, which organizational units are hereby designated as departments as that term is used in O.C.G.A. 36-81-1 et. seq.

Section 6. The capital improvement plan set forth in the Capital Improvements Program Recommendations 2018-2022 is hereby adopted for planning purposes.

The five year totals of the Capital Improvement Program Recommendations 2018-2022 follow.

		<u>2018 - 2022</u>
Community Development	\$	3,866,840
Cemetery Improvements		800,000
Civic Center Improvements		5,952,000
Drainage Improvements		4,125,000
Other Improvements		8,524,000
Park and Recreation Improvements		1,061,000
Public Building Improvements		31,855,000
Sanitation Improvements		0
Sewer Improvements		72,456,500
Squares and Monuments Improvements		2,795,000
Street Improvements		8,112,000
Traffic Improvements		8,100,600
Water Improvements		<u>35,404,000</u>
Total	\$	<u>183,051,940</u>

Annual appropriations for capital improvement projects will be necessary in future annual budgets in order to provide the actual funding for any project.

Section 7. All ordinances in conflict with this ordinance are hereby repealed to the extent of such conflict.

Debt Service Fund

LEGAL DEBT MARGIN

State statutes limit the amount of general obligation bonded debt a governmental entity may issue up to 10% of its total assessed valuation. The 2016 debt limitation for the City was \$512,145,531. As of December 31, 2016, the City had outstanding general obligation bonded debt totaling \$2,000,000.

DEBT AS A PERCENT OF ASSESSED VALUE

The debt policy of the City is that total long-term debt and major contractual obligations shall not exceed 8% of assessed valuation. The chart below illustrates long-term liabilities as a percentage of total assessed value of taxable property. Included are general obligation bonds, contractual obligations, as well as Sanitation and Civic Center debt. Excluded are parking services and water/sewer system debt because these are fully self-supporting enterprise activities. In 2016, the City's long-term debt/contractual obligations were only 1.14% of assessed value as measured by this indicator.

DEBT SERVICE AS A PERCENT OF TOTAL REVENUES

This indicator looks at debt service and major contractual payment obligations as a percentage of total General Fund revenues. General Fund debt service as well as debt service for the Civic Center and Sanitation Funds is included because these funds are historically subsidized by the General Fund. During the 2012-2016 period, the percentage remained below 5%. Increasing debt service reduces flexibility by adding to expenditure requirements.

BOND RATINGS

The City's bond rating is the primary factor in deciding the interest rate that will be paid on debt. It is also considered a measure of the City's overall financial strength. City policy states: *Good communication with bond rating agencies will be maintained and full disclosure on every financial report, as well as bond prospectus, will continue.*

The City's general obligation bonds ratings are further evidence of its financial strength. Such rankings mean the City's bonds are considered to be of good investment quality. The City's bond ratings are shown in the chart below.

General Obligation Credit Rating:	
Standard and Poor's	AA+
Moody's Investors Service	Aa2
Water and Sewer Debt Credit Rating:	
Standard and Poor's	AA+
Moody's Investors Service	Aa1

DEBT ISSUES

Tables on the following pages summarize outstanding debt issues and annual debt service requirements. Included are the City's obligations for the General, Water and Sewer, Sanitation, Mobility and Parking Services, and Community Development Funds. Fund revenues provide the resources to pay the debt service expenditures for each fund.

New bond projections are as follows:

- General Fund/Debt Service Fund – Issue final \$2.0 million for the construction of streetscape improvements for Broughton Street, River Street, and Bay Street. The \$2.0 million General Obligation issue in 2018 will complete the requested \$14.0 million in total funding for this project.
- General Fund/Debt Service Fund – Issue of \$13.5 million for the construction of the riverwalk extension and hardscape improvements to west River Street

SUMMARY OF OUTSTANDING DEBT ISSUES AND 2018 DEBT SERVICE SUMMARY

Issue	Purpose	Original Amount	Issue Date	Final Maturity	Amount Outstanding at 12/31/2017	2018 Debt Service Requirement
<u>General Fund Supported Obligations</u>						
DSA* Series 2009 A & B	Refunding DSA 1998 Series which funded storm drainage improvements	\$37,000,000	9/17/2009	8/1/2032	\$10,345,000	\$2,614,643
DSA* Series 2014	Refunding a portion of the DSA Series 2009B Bonds which funded storm drainage improvements	9,970,000	4/21/2014	8/1/2025	6,890,000	1,016,850

GLOSSARY OF KEY TERMS

Accounting System - The total set of records and procedures which are used to record, classify, and report information on the financial status and operations of an entity or fund.

Accrual Basis - Method of accounting in which transactions are recorded at the time they are incurred, as opposed to when cash is received or spent.

Activity - An organizational classification composed of related work programs aimed at accomplishing a major service or regulatory program for which a government is responsible. Activity expenditure functions relate to the primary purpose/service for which expenditures are made.

Adjusted Budget - The budget as adopted by the City Council and adjusted to show transfers into or out of it.

Ad Valorem Taxes - Taxes levied on real and personal property according to valuation of the property and the tax rate.

Appropriation - A specific amount of money authorized by City Council to make expenditures and incur obligations for specific purposes, frequently used interchangeably with expenditures.

Assessed Valuation - An established value for real and personal property for use as a basis in levying ad valorem taxes.

Balanced Budget - A budget in which planned revenues equals planned expenditures.

Base Budget - The base budget includes the approved expenditures required to provide the necessary resources to continue current work programs in support of approved goals and objectives. Service changes and capital improvements are not included in the base budget.

Bond - A written promise to pay a specified sum of money, called the par value or principal, at a specified date or dates in the future, together with periodic interest at a specified rate.

Budget - An annual financial plan embodying estimated expenditures for providing services and the proposed means of financing them.

Bureau - The primary organizational breakdown within many City funds. Each bureau serves a specific function or functions within the given fund entity.

Capital Budget - The appropriation of bonds or operating revenue for improvements to City facilities including buildings, streets, water/sewer lines, and parks.

Capital Expenditure - An addition to the value of a fixed physical asset, constructed or purchased, that has a useful life of ten years or more and cost \$5,000 or more.

Capital Improvement Program Projects (CIP Projects) - Construction, renovation or physical improvement projects costing more than \$5,000 are termed capital expenditures or CIP Projects. These projects may include the maintenance or renovation of an existing structure or the construction of a new facility.

Capital Outlay - Capital items are defined as tangible items such as tools, desks, machinery and vehicles costing more than \$5,000 each and having a useful life of more than one year.

Class Title - Job classification or title.

Commodities - Items of expenditure in the operating budget which, after use, are consumed or show a material change in their physical condition and which are generally of limited value and/or are characterized by rapid depreciation. Office supplies, postage, and small fixed assets are examples of commodities.

Community Development Block Grant (CDBG) - A federal domestic assistance grant to develop viable urban communities by providing decent housing and a suitable living environment as well as expanding economic opportunities for persons of low and moderate income.

Contingency - Those funds included in the budget for the purpose of providing a means to cover minor unexpected costs during the budget year.

Debt Retirement - Repayment of general long-term debt principal and interest.

Debt Service - Payments of principal and interest to lenders or creditors on outstanding debt.

Department - Bureaus are subdivided into departments. A department may refer to a single activity or a grouping of related activities.

Draw From Reserve For Open Purchase Orders - Withdrawal of funds previously set aside to cover encumbrances from the previous year.

Employee Benefits - Contributions made by the City to designated funds to meet commitments or obligations for employee fringe benefits. Included are the City's share of costs for social security and various pensions as well as medical and life insurance plans.

Encumbrance - Commitment of funds to be used for goods and services not yet delivered.

Enterprise Fund - A self-supporting fund designed to account for activities supported by user charges. In the City of Savannah, the enterprise funds are Water, Sewer, I & D Water, Mobility & Parking Services, Civic Center, Golf Course, and Sanitation.

Expenditure - The payment of cash or the incurring of a liability for the acquisition of goods and services.

Factor – An important contributor to an outcome.

Fiduciary Fund - Fiduciary funds are used to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds.

Fiscal Year - The accounting period for which an organization budgets is termed the fiscal year. In the City of Savannah, the fiscal year is the same as the calendar year.

Franchise Fee - A fee levied on utilities, as well as Mobility and Parking Services, for use of City rights-of-way.

Fund - A set of interrelated self-balancing accounts to record revenues and expenditures for the purpose of carrying out specific objectives.

Fund Balance - The excess of the revenues and other financing sources over the expenditures and other uses.

General Fund - The fund that accounts for all revenues and expenditures which are not accounted for in specific purpose funds. It finances the regular day-to-day operations of the City.

General Fund Contribution - Subsidy to a fund which is not supported by its own revenues. Several funds, such as Public Safety Communications and Civic Center, generally require this contribution.

General Obligation Bonds - Bonds used to finance a variety of public projects such as streets, buildings, and improvements; the repayment of these bonds is usually made from property taxes and these bonds are backed by the "full faith and credit" of the issuing government.

Generally Accepted Accounting Principles (GAAP) - A set of standard rules and procedures used to account for the receipt and expenditure of funds.

Goal - A measurable statement of desired conditions to be maintained or achieved.

Governmental Funds - These funds are used to finance the acquisition, usage, and balances of the City's expendable financial resources. The City utilizes the following types of governmental funds: the General Fund, Special Revenue Funds, Capital Improvement Projects Fund, and Debt Service Fund.

Grade - A measurement on the City's pay plan scale used to assign pay to job classifications.

Grant - An award of funding provided by a governmental unit or other type organization in aid or support of a particular governmental function or program.

HOME Program - A federal program that allocates funds for housing through block grants. These grants require non-federal matching funds.

I & D - Refers to the Industrial and Domestic Water Supply operations.

Indicator - A measure or combination of measures that allows the observer to know whether performance is in line, ahead of, or behind a specific service at a specific level.

Infrastructure - Physical assets such as streets and buildings.

Interfund Transfers - Amounts transferred from one fund to another, primarily for work or services provided.

Internal Services Fund - The Internal Services Fund is used to account for the financing of goods or services provided by one department of a government to other departments or agencies on a cost-reimbursement basis.

Local Option Sales Tax (LOST) - State legislation allows local governments to levy an additional sales tax in its jurisdiction. The City of Savannah currently collects a percentage of proceeds based on a 1% voter approved local option. The use of these funds is unrestricted.

Major Code - A major code is assigned to classify eight major groups of expenditures. The groups are: Personnel Services, Outside Services, Commodities, Interfund Services, Capital Outlay, Debt Service Charges, Interfund Transfers, and Other Expenses. Each group consists of a series of minor codes which have related functional characteristics.

Mandate – A legal requirement that a jurisdiction provide a specific service at a specific level.

Millage Rate - The tax rate on property. One mill equals \$1 per \$1,000 of assessed property value.

Minor Code - Classifies the type or description of items purchased or the services obtained within a major code. Examples include salaries, supplies, and professional services. This is the most detailed expenditure classification. A minor code is also known as the account code.

Modified Accrual Accounting - A basis of accounting in which revenues are recorded when collected within the current period or soon enough thereafter to be used to pay liabilities of the current period and expenditures are recognized when the related liability is incurred.

Objective - A decision about the amount of progress to be made within a specified time in reducing the gap between real conditions and ideal conditions described in the goal.

Operations Budget - Referred to as an operating budget. The operations budget is the portion of the budget that pertains to daily operations which provide basic governmental services. The operating budget contains appropriations for such expenditures as salaries, supplies, utilities, materials, travel and fuel.

Ordinance - A formal legislative enactment by the City Council which has the full force and effect of law within the boundaries of the City.

Organization Chart - A chart representing the authority, responsibility, and relationship among departmental entities within the organization.

Other Expenses - Items of expenditure primarily for payments and contributions to other City funds, public agencies, and private/non-profit agencies which sell services to or receive a contribution from the City.

Outside Services - Items of expenditure for services the City receives primarily from an outside company. Utilities, rent, travel, and advertising are examples of outside services.

Performance Measures - Specific quantitative measures of work performed within an activity or program. Also, a specific quantitative measure of results obtained through a program or activity.

Personnel Services - Items of expenditure in the operating budget for salaries and wages paid for services performed by City employees as well as the fringe benefit costs associated with City employment.

Program - An organized set of related work activities within a bureau or a department which are directed toward a common purpose or goal and represent a well-defined use of City resources. Each City department usually is responsible for a number of related service programs.

Projected – An estimation of revenues and expenditures based on past trends, current economic conditions, and future financial forecasts.

Property Tax - A tax levied on the assessed value of real and personal property. Generally, assessed value is 40% of market value.

Proprietary Funds - All assets, liabilities, equities, revenues, expenses, and transfers relating to the City's business and quasi-business activities are accounted for through proprietary funds. The City utilizes two types of proprietary funds: Enterprise Funds and Internal Services Fund.

Revenue - Money or income received by the City from external sources, such as taxes collected, or an amount received for performing a service.

Revenue Bonds - Bonds usually sold for constructing a project that will produce revenue for the government. That revenue is pledged to pay the principal and interest due on the bond.

Risk Management - The coordinated and continuous effort to minimize potential financial and human resource losses arising from workers compensation, liability, and property exposures.

Self-Insurance - The formal assumption or partial assumption of risks and the accounting of results. Specific accounts or funds are set aside to fund the risks; losses which do occur are charged against those accounts or funds.

Special Purpose Local Option Sales Tax (SPLOST) - A 1% voter approved addition to the sales tax to be used only for specified capital purposes.

Special Revenue Funds - Special Revenue Funds account for the proceeds of specific revenue sources, with the exception of special assessments, expendable trusts, or major capital projects. These funds are legally restricted to expenditures for specified purposes.

User Charges - The payment of a fee for direct receipt of a public service by the party benefiting from the service. Examples are water, sewer and residential refuse fees.

Vision Statement – A meaningful statement that describes the future of the organization as seen through the eyes of the customer, stakeholder, employee, and citizens.

Fund Appropriations

The following reports represent line item appropriations for all governmental and proprietary funds
