SUBJECT: FY 2021 Budget

DATE: August 21, 2020

In accordance with State Law, we are pleased to present this adopted budget which represents the plan for providing needed County services for the upcoming fiscal year. The budget contains the collective input from all County department heads, elected officials, and outside agencies. As mandated by State Law, the proposed budget is a balanced budget for the General Fund, Special Revenue Funds, and Capital Projects Funds. In addition, although not required by State Law, the proposed budget also includes the County's Enterprise Funds.

The General Fund generates revenues from taxes, licenses and permits, charges for services, fines and forfeitures, investment income and other sources. In turn, these revenues are used to fund the operations of the County offices including the constitutional officers' offices and those County operations that cannot entirely support themselves from their own revenues such as Fire and Rescue and E911 Special Revenue Funds and the Solid Waste Management Fund. The Catoosa County Board of Commissioners established a 2020 general maintenance and operation millage rate of 6.418 which is the calculated rollback rate.

The adopted General Fund budget is \$34,200,174. This includes a \$3 million transfer from Fund Balance to a new Capital Projects Fund, which will be used to fund vital projects that aren't funded through the Special Local Option Sales Tax (SPLOST). The General Fund budget before the transfer to the Capital Projects Fund is \$31,200,174 which is an increase of \$2.6 million (9.26%) over the prior year budget. Projected revenue increased \$2.6 million due to increases in taxes \$1.4 million, licenses and permits \$651 thousand, intergovernmental \$576 thousand, and fines and forfeitures \$13 thousand which were partially offset by a reduction in charges for services \$3 thousand and miscellaneous revenues \$30 thousand. General Fund expenditures increased \$2.6 million due to increases in general government \$556 thousand, judicial \$79 thousand, public safety \$877 thousand, public works \$258 thousand, culture and recreation \$354 thousand, housing and development \$175 thousand, and operating transfers out \$512 thousand which were partially offset by a reduction in health and welfare of \$168 thousand.

The other funds included in the proposed budget are: Special Revenue, Capital Projects, and Enterprise. Special Revenue Funds are used to account for all financial resources that are legally or administratively restricted for special purposes. The two largest Special Revenue Funds are the Fire and Rescue Fund and the E911 Fund. Capital Projects Funds are used to account for financial resources that are used for the acquisition or construction of capital assets other than those financed by other

funds. The two largest Capital Projects Funds are the 2019 SPLOST Fund and the new Capital Projects Fund. Enterprise Funds are used to account for all County operations that are financed and operated in the same manner as private enterprises – on a self-supporting basis. The largest Enterprise Fund is the Solid Waste Management Fund.

In the subsequent pages are fund summaries and detailed line item budgets. The FY2020 actuals included in the line item detail are for ten months and thus would need to be annualized when making comparisons to the current proposed budget.

CATOOSA COUNTY, GEORGIA

BUDGET PROCESS

Catoosa County adopts an annual balanced budget for the General Fund, each Special Revenue Fund and each Capital Projects Fund as required by the Georgia Code O.C.G.A. § 36-81-3 and 36-81-5. Although not required by State law, the County also adopts a balanced budget for each Enterprise Fund. The budgets are adopted at the source level for revenues and the legal level of budgetary control for expenditures which is the fund/department level.

Planning Process

The County's fiscal year begins October 1 and closes on September 30 of the following year. The budgetary process begins in late May with budget planning meetings. The County Manager, Chief Financial Officer, and Finance Director (collectively the Budget Team) develop a working list of revenue and expenditure assumptions based on short-term economic and demographic factors. They also review other planning processes for any budget considerations. In early June, the Team communicates with the departments to explain expectations for the upcoming budget year and distributes budget documents. Information requested from the departments includes:

- operating budget requests for the upcoming year
- explanations of any requests in excess of the prior year's approved budget
- various detailed information
- personnel requests for the upcoming year
- capital requests

Review Process

Budget documents are completed and submitted by the departments to the Budget Team by late June. This is the Level 1 Requested Budget. The Budget Team reviews the Level 1 requests and develops questions and comments. The Team then holds meetings with each department head, elected official and constitutional officer during June and early July to discuss the requests.

Budget Workshops

After the internal meetings are concluded, the Board of Commissioners determines if and when budget work sessions will be held in July. These work sessions promote transparency in the budget process and allow the Commissioners a chance to hear directly from various department heads and elected officials about their budget needs. At the conclusion of the budget work sessions, changes are made to the budget requests as needed and the revised budget becomes the Level 2 Proposed Budget.

Public Input and Publication

As required by the Georgia Code O.C.G.A. § 36-81-5, during the week that the proposed

budget is presented to the Board of Commissioners and at least one week prior to the public hearing, a statement is published in the newspaper containing the following information:

- A statement that the proposed budget is available for public review.
- A statement that the proposed budget is being submitted to the Board of Commissioners. The date and time of the presentation is noted.
- The date, time and place of the public hearing on the proposed budget.
- The date, time and place of the adoption of the budget.

Following the publication and sometime in early August, the proposed budget is presented to the Commissioners at a public meeting. The public hearing soon follows. As required by State law, the hearing must be held at least one week prior to the adoption of the budget. The hearing is designed to allow public input on the budget before its final adoption. After the public hearing, all comments are considered and any necessary revisions to the budget are made.

Budget Adoption

In mid-August, the required notice having already been advertised, the budget resolution is drafted and presented to the Board of Commissioners for adoption as required by the Georgia Code O.C.G.A. § 36-81-6. Adoption of the budget requires the affirmative vote of a majority of commissioners present and voting at the meeting at which a quorum is present. Once the budget is adopted, a copy is placed on file in the Finance Office, on the County's website, and on the UGA Carl Vinson Institute of Government website as required by State law (<https://ted.cviog.uga.edu/financial-documents>).
