June 22, 2009
To the City Council and Citizens of Alpharetta:

We are pleased to present our recommended Annual Operating and Capital Budget for Fiscal Year 2010 (the "Budget") of the City of Alpharetta, Georgia. Our recommendations are based on direction provided at the Mayor \& Council Retreat as well as a thorough review of our current financial status, revenue trends, economic data, and our standard of providing top level service while maintaining our focus on keeping Alpharetta an affordable option for our citizens and stakeholders.

The City of Alpharetta, like many cities in our region and throughout the United States, is currently facing fiscal challenges as a result of the national and global recession. The economic downturn includes challenges in the form of falling real estate values and foreclosures, reductions in investment values, limited consumer/business credit availability, significant job losses, declining consumer confidence and corresponding reductions in consumer spending.

All of these factors have combined to limit revenue growth (e.g. local option sales taxes) and in many cases reduce revenues below prior year levels (e.g. business and occupational taxes, licenses and permits, investment earnings, etc.). In addition to stagnant or falling revenues, pension and healthcare costs continue to rise although the financial impact of these factors in future years will be mitigated through management initiatives including:
$\checkmark$ Closing the defined benefit pension plan to new hires effective July 1, 2009 and enrolling them in a defined contribution plan;
$\checkmark$ Increasing the accessibility of wellness programs including smoking cessation with the goal of improving employee health and lowering healthcare premiums; and
$\checkmark$ Shifting towards high-deductable healthcare plans that facilitate healthcare cost management and result in lower premiums while still providing top level healthcare to our employees and their families.

An additional management initiative aimed at improving the City's financial position both now and into the future involves the renegotiation of lease terms with Nestor Traffic Systems Incorporated to ensure revenue neutral operation of the red light camera system (i.e. no subsidy).

In light of the economic challenges and its impact on City resources, we have compiled a budget in line with our guiding principles that accomplishes the following:
$\checkmark$ Revenue neutral property tax estimates that currently include maintenance of the City's millage rate at 5.750 mills;
$\checkmark$ Continuation of the same high service levels our citizenry and stakeholders deserve and have come to expect from our City;
$\checkmark$ Alignment of departmental operating budgets to the City's short-term revenue outlook which is necessary to position the City for financial success in the future;
$\checkmark$ Continuation of funding renewal and replacement capital investment through the operating budget (e.g. Milling \& Resurfacing appropriations in an amount totaling \$900,000); and
$\checkmark$ Comprehensive review of City funds for better fiscal management (see point below on E-911 Fund).

## BUDGET PROCESS AND OVERVIEW

In response to the economic challenges, our businesses and citizens have tightened their budgets and are doing more with less. And so too shall the City of Alpharetta.

The City has been proactive in realigning its spending to match the current economic reality. Spending during FY 2009 has been limited to essential items only and vacancies are filled on a priority basis with emphasis on public safety officers on the street and 911 operators. Proactive fiscal management has positioned us to more effectively approach the challenges in the FY 2010 budget.

The Fiscal Year 2010 Budget process began with an update of the City's financial condition, which was presented to the Mayor and City Council during the January 2009 City Council retreat. During this update, a financial plan was established which prioritized the use of available fund balance to most effectively position the City for financial success in the future. This information was also shared with the City's department directors during budget kick-off meetings.

As provided monthly to the City Council through the Financial Management Reports, the Finance Department has closely monitored our revenue and
expenditure trends and indicated that spending would need to be reduced for FY 2010 to compensate for slowing/reduced revenue collections. Accordingly, the Finance Department analyzed departmental spending needs and calculated target budget reductions for each department.

City departments responded to the direction provided by the Finance Department and submitted base operating budgets (non-personnel) in line with current revenue estimates.

The FY 2010 Budget is balanced for all funds and totals \$83,418,369 with the breakdown by fund type as follows:

- General Fund:
- Special Revenue Funds:
- Debt Service Fund:
- Capital Project Funds:
- Solid Waste Fund:
- Risk Management Fund:

Total
\$ 55,639,612
5,794,397 (1)
9,545,332
8,177,290
2,587,352
1,674,386
\$83,418,369
(1) Amounts contained herein represent new appropriations for FY 2010. Unexpended FY 2009 appropriations for Council approved projects are re-appropriated annually pursuant to City policy.
(2) The Risk Management Fund is being established in FY 2010 to allow for the effective and efficient tracking of Risk Management activities. Risk Management activity was part of General Fund in prior years.

Several of the major points of the FY 2010 Budget are as follows:

- Alignment of revenue estimates with short-term collection trends (\$1.4 million reduction in General Fund revenues compared with FY 2009 Budget);
- A continuation of the FY 2009 base personnel level of 439 full-time equivalent positions;
- Suspension of the performance-based pay raise benefit;
- Coverage of major growth drivers including pension (12\% increase Citywide or $\$ 300,000$ ) and healthcare costs (4\% increase Citywide or $\$ 160,000$ ). Healthcare costs increased at a rate lower than the national average due to successful negotiations between the Finance Department and our insurance carrier Aetna;
- Significant reduction ( $-10 \%$ or $-\$ 1.4$ million) in departmental operating budgets, including controls on non-essential spending;
- Continuation of prior-year funding initiatives including:
- Rural Metro: \$138,300;
- Milling \& Resurfacing: \$900,000;
- Police Athletic League contribution: \$35,000;
- Friends of the Library contribution: $\$ 10,000$;
- Findings of a review of the E-911 Fund resulted in the transfer of one IT Systems Administrator position from the General Fund to the E-911 Fund as well as the implementation of a lease payment to the City for the call center space which effectively allows for the reallocation of General Fund resources.

Please refer to the Budget Narrative tab for a detailed narrative of the FY 2010 Budget including a detailed listing of personnel by department.

As set forth under Georgia law and the City of Alpharetta Code, citizen input is solicited during the process of adopting the budget through publicly advertised meetings as follows:

- May 18, 2009: Council Meeting
- June 1, 2009: Council Meeting
- June 15, 2009: Council Meeting (Public Hearing)
$1^{\text {st }}$ reading of Budget Ordinance
$1^{\text {st }}$ reading of Millage Rate Ordinance
E-911 Resolution
- June 22, 2009: Council Meeting (Public Hearing)
$2^{\text {nd }}$ reading of Budget Ordinance
$2^{\text {nd }}$ reading of Millage Rate Ordinance

## BUDGET ISSUES AND PRIORITIES

The FY 2010 Budget formalizes numerous key financial factors which have been themes for several years within the government:
$\checkmark$ Bond ratings;
$\checkmark$ Sustainability of existing services;
$\checkmark$ Cost of government;
$\checkmark$ Taxpayer savings;
$\checkmark$ Debt service payments/bond smoothing;
$\checkmark$ Maintaining an effective capital improvement program;
$\checkmark$ Funding recurring capital from operating budget; and
$\checkmark$ Proper use of fund balance.

## Bond Ratings

The City's AAA bond rating was reaffirmed by Moody's and Standard \& Poor's during April 2009 in conjunction with the sale of $\$ 8.6$ million (par) of General Obligation Refunding Bonds, Series 2009, and $\$ 5.9$ million (par) of Development Authority Revenue Refunding Bonds, Series 2009.

Alpharetta is one of only 83 cities in the United States (and one of two in Georgia) to earn an AAA bond rating. The AAA rating represents the highest rating available to municipalities and translates to significant savings to our citizens and stakeholders through reduced borrowing costs. The refundings identified above will save taxpayers over \$125,000 annually in reduced interest costs.

This rating demonstrates the strongest creditworthiness relative to other US municipal or tax-exempt issuers and reflects the City's current sound financial position as well as strong financial management practices guiding our ongoing decision making. These practices are supported by formal policies to guide budget and procurement practices, capital investment, and debt management. Other positive factors include a relatively strong economic base, moderate debt burden, and manageable capital needs. The FY 2010 Budget is mindful of these factors and the importance of maintaining the highest rating, not only for our citizens but also our bondholders.

## Sustainability of Existing Services

Governments in our regional area as well as across the country are experiencing significant budgetary shortfalls due to the economic recession and weak construction activity. Although many economic factors are largely outside of local government control, the City Council, City Administration, and City departments have displayed impressive financial stewardship over the years through an established philosophy of budgetary evaluation. This philosophy entails reviewing the needs of the City relative to a standard that services and associated costs should not be appropriated unless they are justified as strategic goals of the organization that serve to accomplish our guiding principles.

This philosophy is a foundation of our budget process as evidenced by the Finance Department's direction to departments that base operating budgets should be submitted in line with the City's reduced revenue trends. Departments responded with operating budget reductions averaging 10\% that maintain the same high level of services our citizens and stakeholders deserve. The readjusted departmental operating budgets are now in line with the City's short-term revenue outlook which is necessary to position the City for financial success in the future.

## Cost of Government

The City has historically acknowledged the need to provide a taxation rate commensurate with the government's level of service. The table below illustrates the annual millage rates levied by the City for the last 10 years.

| Fiscal Year | Operating <br> Millage Levy | Debt Service <br> Millage Levy | Total Millage <br> Levy | \% Increase <br> (Decrease) |
| :---: | :---: | :---: | :---: | ---: |
| 2010 est. | 4.215 | 1.535 | 5.750 | $0.0 \%$ |
| 2009 | 4.215 | 1.535 | 5.750 | $-8.0 \%$ |
| 2008 | 4.508 | 1.740 | 6.248 | $-5.3 \%$ |
| 2007 | 4.150 | 2.450 | 6.600 | $-5.7 \%$ |
| 2006 | 4.550 | 2.450 | 7.000 | $0.0 \%$ |
| 2005 | 4.700 | 2.300 | 7.000 | $0.0 \%$ |
| 2004 | 4.750 | 2.250 | 7.000 | $-3.2 \%$ |
| 2003 | 4.900 | 2.330 | 7.230 | $-3.3 \%$ |
| 2002 | 5.060 | 2.420 | 7.480 | $-5.1 \%$ |
| 2001 | 4.930 | 2.950 | 7.880 |  |

The FY 2010 Budget is based on a revenue neutral property tax levy that assumes continuation of the FY 2009 millage levy ( 5.750 mills) and no growth in property assessments.

The 2009 Legislative Session produced several laws that will influence the City's 2009 Digest which is the basis for FY 2010 tax revenue:
$\checkmark$ House Bill 233 - prohibits increases in property assessments through January 2011. Property must be reassessed at least once during this period and will be allowed to decrease in value, if applicable. Property that is sold during this period will not be reassessed. Property improvements and rezoning (at owner's request) will trigger reassessment at fair market value.
$\checkmark$ Senate Bill 55 - requires assessors to consider bank sales and foreclosures when determining the fair market value of property.

Early communication with the Fulton County Board of Assessors (the "BOA") indicates that digest values for North Fulton, including the City of Alpharetta, will be flat for 2009. However, a large number of appeals (25,000 in North Fulton) coupled with the effects of SB 55 could result in a reduction in the 2009 Digest.

As of the date of this letter, we have not received the 2009 Digest from the BOA as the digest cannot be submitted until the 2008 Digest is approved by the Revenue Commissioner and the Temporary Collection Order is lifted. Early estimates indicate receipt of the 2009 Digest in June.

## Taxpayer Savings

The millage rate estimated for FY 2010, coupled with the City's substantial Homestead Exemption of \$30,000 goes great lengths in keeping Alpharetta not only an affordable place to live, but also strategically positions us relative to neighboring areas. It should be noted that the $\$ 30,000$ Homestead Exemption our City offers is equivalent to a 1.0 mill reduction for the average homeowner.

In an effort to further reduce the tax burden on homeowners, the Mayor and City Council have acted to provide voters the option of increasing the homestead exemption to $\$ 40,000$ starting in FY 2011. Voters will have the option of approving the homestead exemption increase in the November 3, 2009 general election.

The increased homestead exemption will be phased in with the exemption increasing to $\$ 35,000$ effective FY 2011 with the remaining increase to
$\$ 40,000$ effective FY 2012. Additional tax savings for our homeowners from this measure is estimated at $\$ 250,000$ in FY 2011 and increasing to an annual savings of over \$500,000 by FY 2012.

## Debt Service Payments/Bond Smoothing

The City's primary method of funding large scale capital projects is through the issuance of general obligation bonds ("GO Bonds"). GO Bonds have been issued to fund numerous large scale projects including public safety facilities, parks and recreation facilities, and transportation improvements that continue to define Alpharetta as a desirable community in which to work and live.

The Debt Service Fund currently includes a fund balance reserve that when augmented with a base level of property tax revenues, investment earnings, and impact fees, is forecasted to be sufficient to cover annual debt service on the underlying bonds through maturity. Principal and interest payments for fiscal year 2010 are budgeted at \$9,530,332 with the following five-year forecast:

2011: \$9,588,815
2012: \$7,215,044
2013: \$2,164,026
2014: \$2,164,465
2015: \$2,157,586
Property tax revenues (as adjusted for full rollback) combined with fund balance reserve (Debt Service Fund), investment earnings, and impact fees are anticipated to generate sufficient funding for the debt service requirements identified above. Beginning in FY 2013, property tax revenues will decline significantly in accordance with the underlying debt service requirements.

## Maintaining an Effective Capital Improvement Program

The City's capital improvement program ("CIP") has the most visible and long-term effect on the quality of life for our stakeholders. Through an aggressive CIP, improvements to transportation, access to quality cultural and recreational opportunities, partnering with local businesses for continued economic development, and providing infrastructure and assets for public safety are afforded.

As part of the capital planning process for FY 2010, departments submitted capital initiative funding requests totaling over \$11.4 million of which \$5.2 million is recommended for funding with another $\$ 4.0$ million

| Capital Improvement Program by Funding Source |  |  |  |
| :---: | :---: | :---: | :---: |
|  | Requested | Funded |  |
| General Fund Oper ating Budget Milling \& Resurfacing | \$ 900,000 | \$ | 900,000 |
| Fund Balance (General Fund) Department Initiatives | 9,135,581 |  | 2,909,830 |
| Fund Balance (Capital Project Fun Department Initiatives | 754,960 |  | 754,960 |
| ABC Donation Sidewalk Improvements | 512,500 |  | 512,500 |
| DEA Fund |  |  |  |
| Electronic Fingerprinting Equip. | 65,000 |  | 65,000 |
| Tasers | 35,000 |  | 35,000 |
|  | \$ 11,403,041 | \$ | 5,177,290 |
| Reserve for Future Capital/One-time Initiatives |  |  | 4,000,000 |
|  |  | \$ | 9,177,290 | set aside for future capital/one-time initiatives.

## Funding Recurring Capital from Operating Budget

As previously indicated, the City has historically used available fund balance to pay for recurring capital initiatives. While this is an acceptable practice, it is more fiscally prudent to program appropriations in the operating budget for on-going renewal \& replacement of capital initiatives. The FY 2010 Budget builds on this practice through the annual operational funding for milling \& resurfacing of $\$ 900,000$. Milling \& resurfacing projects include the following:
$\checkmark$ Bridge Point Drive/Court (Old Milton Parkway to end)
$\checkmark$ Fairfax Subdivision (entire subdivision)
$\checkmark$ Marianna Lane (cul-de-sac to cul-de-sac)
$\checkmark$ Anna Lane (cul-de-sac to cul-de-sac)
$\checkmark$ North Point Parkway (Kimball Bridge Road to Old Milton Parkway)

As discussed at the Retreat, it is our recommendation that our City continue to strive towards programming capital investment in future operational budgets including fleet replacement and technology replacement.

## Proper Use of Fund Balance

General Fund - Based on audited financial statements for the year ended June 30, 2008, the City's unreserved fund balance was $\$ 22.8$ million. Of this amount, approximately $\$ 6.9$ million was appropriated in the FY 2009 Budget for capital initiatives and $\$ 9.0$ million has been designated as an emergency account based on a conservative policy of $18 \%$ of total appropriations (i.e. roughly $21 / 2$ months of operating expenditures). It has been the City's policy to utilize the remaining fund balance above the emergency requirement for one-time capital expenditures. Available capital/one-time initiative funding for FY 2010 totals \$6,909,830 and has been allocated as follows:

Drug Enforcement Agency ("DEA") Fund - The FY 2010 budget includes the funding of a new Electronic Fingerprinting Equipment system $(\$ 65,000)$ as well as the purchase of approximately 42 tasers $(\$ 35,000)$ under the City's taser acquisition program which is being split funded through City grants. Funding is provided through a carryforward of available fund balance within the DEA Fund.

In closing, our recommended budget is committed to continuing our focus on providing effective and efficient services to our citizens and stakeholders. We look forward to discussing the above recommendations as well as the other initiatives in the very near future.

Respectfully Submitted,

| Arthur G. Letchas | Robert J. Regus | Thomas G. Harris |
| :--- | :--- | :--- |
| Mayor | City Administrator | Finance Director |

## CAPITAL REQUESTS

# City of Alpharetta <br> FY 2010 Budget <br> Capital Initiatives 

## Executive Summary

Available Fund Balance:
General Fund \$6,909,830
Capital Project Fund $\quad 754,960$
Total Sources $\$ 7,664,790$
FY 2010 Recommended Capital Initiatives: \$3,664,790
Reserve for Future Capital/One-time Investment: 4,000,000
Total Uses: $\quad \$ 7,664,790$

## Recommended Capital Initiatives

## Engineering \& Public Works

Recurring Traffic Signal System Maintenance
\$75,000
This expenditure is for the continual maintenance and repair of vehicle detectors and traffic signal communications throughout the City. Vehicle detectors are required to be repaired and/or replaced in order to maintain traffic signal responsiveness.

## Recurring Traffic Control Equipment <br> \$150,000

Expenditure is for the replacement and repair of traffic signal parts and supplies. Purchase of this necessary equipment will provide ongoing maintenance to the City's existing traffic system.

## Recurring Traffic Striping and Signage

\$150,000
Expenditure is for the replacement and repair of traffic striping and traffic control signs. Purchase of this necessary equipment will provide ongoing maintenance to the City's existing traffic system.

Traffic Calming \& Intersection Safety Improvements
\$75,000 Identify and implement safety improvements in neighborhoods at high crash rate intersections. Additionally, funds will enable staff to implement necessary traffic calming measures within the City. Projects will consist of roadway striping, signage, channelization, and minor widening to mitigate existing safety deficiencies. Program will enhance public health and safety for users of the City's transportation system.

## Design Services

\$50,000
This initiative is for various design services associated with minor projects unable to be completed by City staff. Such services include structural designs and or evaluations, sub-surface geotechnical investigations, miscellaneous right-of-way/easement research. Utilizing experts in various fields enables City staff to make the appropriate decisions related to resolving construction issues. Additionally, the information gathered by the design professionals allows staff to properly design or fix issues in the field.

## Recurring Storm/Drainage Repair

\$175,000
This expenditure is for the continual maintenance and repair of small drainage work within the City. We are required by the state to maintain our existing storm sewer system. The stormwater inspections have shown approximately $15 \%$ of structures to be in need of repair (estimating 300 structures per year in need of repair). Smaller repairs such as grouting, paving inverts, and replacing tops will be handled through this account. Large projects will be submitted as separate capital initiative projects in future years. Additionally, the City provides annual maintenance as required by EPD on our 10 stormceptor units, our 8 oil/water separators and our City-owned detention ponds. With the completion of Westside Parkway at Prospect Park, the City will add 2 more stormceptors to the maintenance program. Additionally, funds in this account will go towards maintaining the City's detention ponds.

## Ranger Super Cab 4x2

\$23,000
This is the purchase of one replacement vehicle. The new vehicle will replace a 1993 Ford Ranger two wheel drive truck. This truck is 16 years old, and has 76,611 miles on it. The cost of the vehicle was $\$ 8,407.00$ when new, and to date has had repairs made in the cost of $\$ 3,774.20$. It currently needs the transmission repaired or replaced plus additional minor repairs estimated at approximately $\$ 2,000$.

## North Point Parkway Median Improvement

\$60,000
This expenditure is for the removal of approximately 34 Bradford Pear trees in medians along North Point Parkway between Kimball Bridge Road and Windward Parkway. These islands will be re-worked and planted with GDOT approved species. Design of the landscape plan will be accomplished by City staff. The existing trees are known to be susceptible to breakage in storms and they grow to a size that is outside of the safe limits dictated by GDOT for objects within the right-of-way. There exists a potential hazard along Windward Parkway if these trees are not removed in a timely manner. Tree planting costs totaling an additional $\$ 25,000$ will be funded through the City's Tree Replacement Fund.

Windward Parkway Median Improvement
\$60,000
This expenditure is for the removal of approximately 36 Bradford Pear trees in medians along Windward Parkway between Westside Parkway and Westfield Drive. These islands will be re-worked and planted with GDOT approved species. Design of the landscape plan will be accomplished by City staff. The existing trees are known to be susceptible to breakage in storms and they grow to a size that is outside of the safe limits dictated by GDOT for objects within the right-of-way. There exists a potential hazard along Windward Parkway if these trees are not removed in a timely manner. Tree planting costs totaling an additional $\$ 25,000$ will be funded through the City's Tree Replacement Fund.

The current vehicles traveling through this intersection on Douglas Road are exceeding the speed limit by approximately 15 mph , thus creating a dangerous situation. Installation of a roundabout will slow down the vehicles enabling the homeowners in the adjacent subdivisions an opportunity to safely exit their subdivision.

## Westside Parkway Project <br> \$275,000

Additional funding for the Westside Parkway Project is required due to a reduction in GDOT funding for ROW parcel condemnation costs.

Mid-Broadwell Road Sidewalk Phase III
\$350,000
The proposed sidewalk is along the north side of Mid-Broadwell Road from Fire Station No. 5 to the Wieland property. This project consists of approximately 1,100 linear feet of sidewalk. A challenge to this phase is constructing the sidewalk in such a fashion not to impact the existing wetlands. In some areas of the project there are only a few feet for the contractor to work to construct the sidewalk without impacting the wetlands. Additionally, a 54" concrete pipe will have to be extended as part of this project to install the sidewalk. Construction of the sidewalk is a continuation of the Mid-Broadwell Road Sidewalk Phase II project approved in the FY 2009 budget.

## Mid-Broadwell Road Sidewalk Phase IV

\$230,000
The proposed sidewalk is along the north side of Mid-Broadwell Road from the Wieland property to Bethany Road. This project consists of approximately 600 linear feet of sidewalk. Included within the scope of work is the installation of reinforced sidewalk and driveway aprons to enable utility companies to access their utilities without damaging the sidewalk. Construction of the sidewalk would be a continuation of the Mid-Broadwell Road Sidewalk Phase III project. This section is the final phase of the Mid-Broadwell Road sidewalk project.

## Webb Bridge Road Sidewalk

\$400,000
The proposed sidewalk is along the north side of Webb Bridge Road from the Westwind Subdivision to Lake Windward Drive and along the north side of Webb Bridge Road from Parkside Avenue to Webb Bridge Way (missing gap across the street from the Post Office). This section of sidewalk would provide connectivity for neighborhoods along Webb Bridge Road to Creekview Elementary School and Webb Bridge Middle School. Additionally, the sidewalk would help to minimize, if not eliminate, an existing erosion problem along the shoulder of the roadway. This project consists of approximately 1,750 linear feet of sidewalk.

## North Park Drainage - Water quality enhancement and fore bay $\quad \$ 465,000$

This is for the construction of additional enhanced swales along the drainage path to the pond in North Park and the construction of the off line fore bay to prevent/control further siltation in the pond. A separate account with approximately $\$ 175,000$ remaining dollars will be used for the pond dredging. The City has applied for a 319 grant in the amount of $\$ 310,691$ which can be applied to construction associated with water quality features but not the pond dredging. The pond at North Park has been accumulating silt over the years which have decreased the capacity of the pond. Dredging the pond will provide a short term solution, however to ensure excessive amounts of silt and sediment does not reach the pond water quality devices need to be installed to protect the pond and downstream waterways.

## F-150 4x2 Super Cab

\$32,000
This is the purchase of one replacement vehicle. The new vehicle will replace a 2001 Ford F-150 Extended Cab four wheel drive truck. This truck has 132,760 miles on it. The cost of the vehicle was $\$ 22,201.00$ when new, and to date has had repairs made in the cost of $\$ 8,743.29$. We are requesting replacement of this vehicle due to its mileage. This is the only vehicle Engineering / Public Works Department has assigned full time for clean up and maintenance of City right of ways, and therefore accumulates an average of 300 to 400 miles weekly. Switching from a four wheel drive vehicle to a two wheel drive will also save the City fuel and operating costs while still performing its daily functions. Maintenance costs on the current vehicle are escalating due to its age and mileage.

## Public Safety

## Cascade System

\$50,000
The request is for funds to replace the air compressor and filtration system that recharges the Self-Contained Breathing Apparatus (SCBA) bottles used by Fire. Use of SCBA is mandatory on fire scenes, certain hazardous material scenes and other incidents. The air bottles must be recharged. The current equipment has reached the end of its service life and become expensive to maintain, and must be replaced as soon as possible.

## Automobile Replacement

\$379,790
This is the scheduled replacement of police and fire cars. The cost includes up fitting the vehicles (installing emergency equipment such as lights, siren radio and camera). It does not include fire apparatus. The replacement need is driven by the age and mileage of the vehicles. Emergency response vehicles are replaced at approximately 100,000 miles; administrative vehicles are often run somewhat longer. The forecast need is 12 vehicles in FY10 and 26 in subsequent years.
The FY10 request consists of 12 Impalas @ a state contract price of \$21,012, 10 upfittings @ an estimated $\$ 5,510$ each, 8 mobile radios @ a state contract price of $\$ 3,927$, and 8 cameras at $\$ 4,766$ each. The vehicle contract price will be valid for model year 2010. The upfitting cost is current but will be bid for FY10. The radio and camera prices may not be valid into FY10, and $\$ 3,000$ was added to the total for price increases.

## Radio Replacement

\$80,000
This is the completion of the portable radio replacement/upgrade project begun in FY07. One year remains for the Police Department. The Fire Department was able to complete its purchases in FY09 with a grant. The replacement need is driven by the age of the radios in service today. The upgrade to digital is driven by the migration of interoperability from analog to digital. Without these radios, Alpharetta police and fire personnel cannot talk with personnel from other agencies in some situations. The request is for 21 portable radios, currently on state contract for $\$ 3,657.43$ each. The requested amount is intended to cover any increase in contract price, with the balance to be used for spare antennae and batteries.

## Off-Road Medical Response Vehicle

\$30,000
The request is for a gasoline-powered, off-road vehicle (such as a Gator) capable of carrying two EMT/Paramedics with Advanced Life Support equipment to a patient who cannot be easily accessed by a conventional vehicle, and is further capable of transporting the patient to a rendezvous point with an ambulance. Locations where this vehicle would be employed include the Greenway, other City parks and crowded areas during special events. Currently the Fire Department has no vehicle capable of meeting this need. Patients on the Greenway, for example, must be reached by driving a conventional Rescue truck along the Greenway. This presents a hazard to other Greenway users and lacks a patient transport capability. Sending an ambulance driven by a Rural Metro employee who is unfamiliar with the Greenway down the path multiplies this hazard. At other Parks and off-road sites, access to a patient by any conventional vehicle may not be possible at all. The relatively small investment requested would allow existing medical personnel and equipment to reach a patient nearly anywhere, and to expediently transport the patient to an ambulance staged on a nearby street.

## Recreation \& Parks

Expansion of Alpharetta Adult Activity Center
\$100,000
The FY2009 budget included $\$ 25,000$ for a conceptual design of future expansion. We are now requesting $\$ 100,000$ to cover the storage expansion for tables and chairs and parking expansion for 15-17 spaces. Possible future expansion would include expanded meeting/program space, additional restrooms and kitchen renovation. This request is generated from citizen input and meetings with members of the Alpharetta Golden Age Club. The R\&P Master Plan indicated the need to expand the programs and services for those ages 50 and older. The center as it is today does not have adequate storage space (chairs, tables, service carts, books, etc. are stacked against walls taking up much needed program space). With the new addition, fitness and wellness activities could be programmed as noted in the master plan. These programs would generate revenue to offset expenses. Possible funding from CDBG Funds.

## Greenway Expansion

\$35,000
This request represents funding for design/studies relating to the Greenway Expansion project. Connecting the Greenway from Windward Parkway to Union Hill Road will greatly enhance the value of the Greenway. This addition will expand the area used by the public for both recreational use and alternative transportation by approximately 1.75 miles. According to the citizen's survey: $66 \%$ of the respondents noted they would like an expansion of places to walk, bike or jog; 63\% of the respondents noted they would like an expansion of visual green spaces; $47 \%$ of the respondents noted they would like an expansion of natural open lands and wildlife habitat. This project overwhelmingly supports the citizens' survey. The Recreation and Parks Master Plan recommends walkability and connectivity as a major goal for the city. Future plans would be to work closely with Forsyth County for a connection to their greenway system.

North Park Playground Replacement
\$50,000
The playground at North Park Softball Fields is over 14 years old and it is hard to get replacement parts for the equipment. This playground no longer meets standards set by the Consumer Product Safety Commission and National Playground Safety Institute. Replacement would be similar to the playground installed at Cogburn Road Park and there could also be a water fountain installed at the playground.

## Wills Park Picnic Shelter Replacement

\$40,000
Replacement of one picnic shelter at Wills Park. While much of the park was updated 510 years ago, its shelters were not and are now in need of replacement. An additional shelter replacement will be requested in FY2011.

## Information Technology

## GIS Aerial Mapping <br> \$30,000

Aerial Mapping Project Including Planimetrics (required every 3 years). Planimetrics are features such as building footprints, parking lots, road edges, sidewalks, water bodies, tree canopies, etc. that are digitized using the aerial photography as the backdrop. This provides critical updates to the GIS basemap. The figures above are based on a partnership/joint project with the ARC. Should the joint project not move forward, the City's costs would total \$200,000 in FY 2011 and FY 2014.

## Capital Initiatives Not Recommended for Funding at this time

## Community Development

## Downtown New Road (Land Acquisition)

\$750,000
The acquisition of the Masonic Lodge property is needed to complete the roadway connection of the new downtown road from Old Milton Parkway to Milton Avenue. The roadway, itself, has already been designed and the funding of the roadway design and construction are already included in bond funds.

## Downtown Low Interest Loan

\$40,750
Loan buy down program used to incentivize downtown building renovations and improvements. This small City investment has incentivized eight private redevelopment projects in downtown over the past 10 years.

## Engineering \& Public Works

Old Roswell Road Drainage Improvement
\$150,000
Stormwater runs off Old Roswell Road into drainage swales and eventually into a 36" pipe under Warsaw Road. Approximately 1,100 linear feet of drainage swales need to be cleaned out and the 36 " pipe under Warsaw Road needs to have the sediment removed from the pipe. This maintenance expenditure needs to be accomplished before excessive erosion occurs and damages the roadway.

## Lantern Ridge Court Stormwater Improvements \$200,000

The project combines replacement of a failing corrugated metal pipe and replacement of a drop inlet on Lantern Ridge Court. Approximately 400 feet of 60 inch concrete pipe will be installed. If the pipe is not replaced, road failures due to sink-holes may occur on Lantern Ridge Court and Conventry Court. Additionally, this improvement was recommended in the Upper Foe Killer Creek Watershed Study.

## Painting of Mast Arms in the Downtown Area

\$100,000
This initiative is a phased project for the painting of the mast arms throughout the downtown area from green to black. Painting the mast arms to black would increase the aesthetics of downtown Alpharetta. The project will consist of sandblasting the mast arms and then applying an industrial paint. Depending on the size of the mast arms and the amount of traffic traveling through the intersection the average cost per intersection ranges between $\$ 8,000-\$ 10,000$. Painting the mast arms throughout the downtown area will improve the overall aesthetic of the City and provide a uniform appearance.

## Landscape Installation at GA 400 and Haynes Bridge Road \$300,000*

This project is a joint venture with the North Fulton CID and the City. The NFCID is contributing funds and managing the design of a landscape plan to improve the aesthetics of our community along the GA 400 corridor. This particular project will consist of planting various landscape materials along Haynes Bridge Road and within the ramps of GA 400. *The NFCID and their team will work with GDOT to obtain all necessary permits, it will be the City's responsibility to implement the installation and maintain the project once completed. Installation along this corridor will improve the aesthetics of our community.

Windward Pkwy and North Point Pkwy Intersection Improvement \$175,000
Improvement at this intersection will consist of installing an eastbound right turn lane onto North Point Parkway. Existing traffic patterns and planned development have created a need for a right turn lane. Constructing the turn lane will ease traffic congestion.

Morris Road and Old Milton Parkway Intersection Improvement \$450,000 Improving this intersection will consist of installing dual left turn lanes along Old Milton Parkway and a receiving lane along Morris Road to ease the current traffic congestion. Due to the increasing amount of development along Morris Road and Preston Ridge, traffic continually backs up on Morris Road. Construction of additional turn lanes onto Old Milton Parkway will help alleviate the congestion.

Broadwell Road and Rucker Road Intersection Improvements
\$300,000
Existing traffic patterns and planned development have created a need for intersection improvements. The proposed project consists of adding a right turn lane on Rucker Road onto Broadwell Road and a right turn lane on Broadwell Road onto Rucker Road. Constructing turn lanes onto Broadwell Road and Rucker Road will ease traffic congestion during the peak PM commute.

## Bethany Road and Mayfield Road Intersection Improvements \$500,000

Existing traffic patterns and planned development have created a need for intersection improvements. The proposed project consists of adding left turn lanes and a traffic signal or roundabout. Additionally, sidewalks and pedestrian crossings will be constructed within the limits of the project. Existing traffic volumes now warrant intersection improvements to properly handle the current traffic volumes.

## Bethany Road Sidewalk

\$450,000
The proposed sidewalk is along the east side of Bethany Road from Chelsey Lane to Mayfield Road. This project consists of approximately 2000 linear feet of sidewalk. Additionally, the sidewalk will provide connectivity from the Chelsey subdivision and Crabapple Trace Subdivision to downtown. Construction of the sidewalk would be a continuation of the Mid-Broadwell Road Sidewalk project. This section of sidewalk was included in the original scope of work for the mid-Broadwell Road Sidewalk Project, prior to the phasing of the project.

## Alpha Park Subdivision Drainage Study <br> \$75,000

Alpha Park is a relatively old subdivision within the City with inadequate drainage infrastructure. Numerous repairs are required within the subdivision, but a comprehensive analysis of the area is required to point out deficiencies within the drainage system prior to upgrading the storm sewer system. This subdivision routinely floods and citizens have been requesting assistance for many years. Without analyzing the subdivision one wouldn't know what size pipes are required for the subdivision and how upgrading the system would affect downstream residents. Additionally, the study will enable staff to accurately design a long term solution to the current problems.

## Rock Mill Park Educational Signage

\$28,000
This request is for a new kiosk and trailside educational signage for Rock Mill Park. The kiosk and sign stands originally installed at the park need to be updated to allow for variation of themes and topics. The new signage will enhance the park, visitor's experience, and provide for greater educational opportunities. The original plan was to have signs throughout the park depending on seasons to enable visitors to become more familiar with the surroundings year round. New signage will enable visitors to gain additional knowledge of the surroundings and allow for a more educational visit to the park.

## Rock Mill Park Observation Tower

\$60,000
This request is for the design and construction of an observation tower on the north end of Rock Mill Park, next to the green roof pavilion. The tower would allow visitors to view the green roof pavilion and view the park from a different perspective. This amenity will be an asset to the park and create an aesthetic, educational viewing opportunity.

## Green Program Trailer

 \$6,000This request is for a trailer and supplies that will be used for community events. It includes the purchase of a trailer, tents, tables, and chairs. Currently, these event setups require the use of several vehicles to transport items. Additionally, the trailer will be able to assist other departments with planning their events. Currently it takes several vehicles making a couple of trips to the event site to transport all of the necessary supplies for an event. Consolidating all of the necessary materials into a single trailer will minimize the amount of individuals for events as well as decrease the amount of vehicles on the roads.

## LED Emergency Lighting Upgrade

\$70,000
This is a request for funding to upgrade emergency lighting currently in use on Engineering / Public Works fleet vehicles. Existing strobe or halogen lighting will be replaced with more efficient, lower maintenance LED systems. The total cost will be divided over a two year period. The fleet's current lighting systems require that vehicles remain running while the emergency lighting is activated in order to prevent the battery from draining. LED lighting will reduce the strain on the vehicle's electrical system which will increase the vehicle's life and reduce maintenance costs. LED lighting systems themselves have no moving parts, requiring little or no maintenance costs. This request will allow us to comply with the City's no idle policy, which is part of the City's Green initiative. In addition, LED features will help maintain the safety of Engineering / Public Works employees as well as the safety of motorists.

## Environmental Education Program

\$10,000
This request will allow the continued development of a program that will allow a handson approach to environmental education. It will integrate Smart Board technology and environmental programs with a portable program. This will include the design and construction of a 3' x 5' portable watershed model to be used for educational purposes and associated equipment. The concept has been developed and lesson plans are in process. The equipment will include the Smart Board, projector, case, laptop, and watershed model. Educating the children within our school system is part of the Cities Green initiative campaign.

## Household Hazardous Waste \& Paint Collections (1-day event) \$30,000

Homeowners are faced with the problem of how to properly dispose of items such as pesticides, poisons, mercury, flammables, paints, and other caustic or dangerous items. Hiring a qualified vendor to collect the items would greatly benefit homeowners and protect local water resources. This type of collection is inline with the City's Green Initiative campaign. Providing a yearly collection of hazardous materials enables our Citizens to properly dispose items which could harm the environment.

## Adaptive Traffic Control

\$316,001
Manages the dynamic (on-line, real time) timing of signal phases at traffic signals, meaning that it tries to find the best phasing (i.e. cycle times, phase splits, etc.) for the current traffic situation. This request will augment existing funding for the program.

## Public Safety

## Remote Observation and Surveillance Equipment \$175,000*

This request is for mobile cameras and supporting equipment to be used through the city as needed to deter crime and provide video feeds to the Command Center from incident locations. One-Time expenses are the acquisition costs of equipment and construction of a video transmission capability (probably broadband). Operating Costs include repair, maintenance, service agreements and variable costs. This project has two separate but related goals. The first is to place surveillance cameras, monitored from headquarters, in locations where they will deter criminal activity. Some locations may be fixed and others temporary, using portable cameras. The second goal is to better manage incidents from the Command and Control Center by acquiring live video feeds from incident scenes. *The costs set forth herein represent Phase I of the Project. Additional funding will be requested in FY 2011.

## Fire Station Ventilation System

The project is the installation of ventilation systems in Fire Stations 1, 2, 3 and 4 to ventilate vehicle exhaust. The equipment consists of hoses that are fitted to exhaust pipes and a fan to vent the exhaust outside the buildings. Fire personnel perform maintenance on Fire apparatus in the engine bays of the station, and conduct training that requires the vehicles to be running. In good weather these operations can be performed outdoors, but weather often forces them indoors. When that happens the engine exhaust must be vented. Without an appropriate system the only way to do this is to leave the bay doors open, which results in large heating/cooling losses. Stations 5 and 6 have a filtering system which works moderately well but is not energy-efficient. The proposed system would vent exhaust to the outside without loss of heated or cooled ambient air in the stations.

Refinish Floors in Fire Stations 1 - 4
\$130,000
The project is refinishing the floors in all or part of Fire Stations 1, 2, 3 and 4 with a surface that will be significantly safer to walk on and will increase the effective life of the floors while reducing maintenance expense for the life of the buildings. The finish on much of the flooring in these stations today can be slippery when wet (or when someone's footwear is wet) and is susceptible to stains and premature deterioration. This is a safety issue for our own personnel and for visitors such as tour groups and voters.

## Recreation \& Parks

## Land Acquisition

\$1,400,000
As stated in the updated master plan, we are to aggressively pursue the acquisition of land as it becomes available. Available land is very limited and will only become harder to find and more expensive to purchase. Development would be determined by citizen's input.

## Webb Bridge Park Paving

\$100,000
The parking lots are currently paved with pervious asphalt. The project would include removing loose gravel, repaving with a $1.5^{\prime \prime}$ thickness of Type E asphalt and then restriping. The resurfacing material would improve the structural adequacy of existing paving and provide a like-new appearance for striping. It would provide a safer walking service for all users of the Park. Included in this total is the cost to add speed bumps along the main park road.

## Wills Park Paving

\$100,000
The parking lot at Wacky World is cracked and eroding away. The lot at the Pool is cracking. The lot at Fields A-D is pervious asphalt. The project would include removing loose gravel on 66,000 square feet and milling 46,100 square feet then re-paving with a 1.5 " thickness of Type E asphalt and re-stripe. The resurfacing material would improve the structural adequacy of existing paving and provide a like new appearance for striping. This would enhance the facility and provide minimum maintenance for several years.

## Information Technology

Network Hardware Modernization Phase $2 \quad \$ 130,000$
To provide a reliable and robust data network capable of supporting critical applications and systems necessary to provide effective and efficient data services. Relation to Other Projects: Provides the "digital highway" for all City of Alpharetta applications including: Public Safety OSSI, Video Services for ITS and Public Safety, GIS Systems for Public Safety/Engineering and Public Works/Community Development, and Voice Over IP (VOIP) Telephony System.

## BUDGET NARRATIVE

# City of Alpharetta FY 2010 Budget Narrative 

## Budget Rollup: All Funds

The FY 2010 Budget is balanced for all funds and totals \$83,418,369 with the breakdown by fund type as follows:

- General Fund:
- Special Revenue Funds:
- Debt Service Fund:
- Capital Project Funds:
- Solid Waste Fund:
- Risk Management Fund:

Total

$$
\$ 55,639,612
$$

5,794,397 (1)
9,545,332
8,177,290 (1)
2,587,352
1,674,386 (2)
\$83,418,369
(1) Amounts contained herein represent new appropriations for FY 2010. Unexpended FY 2009 appropriations for Council approved projects are reappropriated annually pursuant to City policy.
(2) The Risk Management Fund is being established in FY 2010 to allow for the effective and efficient tracking of Risk Management activities.

## FY 2010 Budget: General Fund

Revenues: FY 2010 General Fund revenues are forecasted to contract by -2.9\%, or - $\$ 1.4$ million, compared to Amended FY 2009. The following table compares major revenue categories within the General Fund:

|  | FY 2009 AMENDED BUDGET |  | FY 2010 RECOMMENDED BUDGET |  |  | \$ <br> Variance | $\%$ <br> Variance |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Revenues: |  |  |  |  |  |  |  |
| Property Taxes: |  |  |  |  |  |  |  |
| Current Year | \$ | 16,620,000 | \$ | 17,100,000 | \$ | 480,000 | 2.9\% |
| Motor Vehicle |  | 1,003,285 |  | 800,000 |  | $(203,285)$ | -20.3\% |
| Prior Year/Delinquent |  | - |  | 234,208 |  | 234,208 | 100.0\% |
| Local Option Sales Taxes |  | 10,950,000 |  | 11,100,000 |  | 150,000 | 1.4\% |
| Other Taxes: |  |  |  |  |  |  |  |
| Franchise Fees |  | 5,173,836 |  | 5,480,000 |  | 306,164 | 5.9\% |
| Insurance Premium Taxes |  | 1,950,000 |  | 1,950,000 |  | - | 0.0\% |
| Alcohol Beverage Taxes |  | 1,250,000 |  | 1,200,000 |  | $(50,000)$ | -4.0\% |
| Other Taxes |  | 1,725,000 |  | 1,430,000 |  | $(295,000)$ | -17.1\% |
| Licenses \& Permits |  | 1,997,500 |  | 1,325,000 |  | $(672,500)$ | -33.7\% |
| Intergovernmental |  | 76,252 |  | 76,252 |  | - | 0.0\% |
| Charges for Services |  | 3,145,057 |  | 2,680,000 |  | $(465,057)$ | -14.8\% |
| Fines \& Forfeitures |  | 3,536,500 |  | 3,200,000 |  | $(336,500)$ | -9.5\% |
| Interest |  | 710,000 |  | 235,000 |  | $(475,000)$ | -66.9\% |
| Other Revenues |  | 91,511 |  | 139,322 |  | 47,811 | 52.2\% |
| Other Financing Sources: |  |  |  |  |  |  |  |
| Interfund Transfer (Hotel/Motel Fund) |  | 1,375,000 |  | 1,230,000 |  | $(145,000)$ | -10.5\% |
| Total Operating Revenues | \$ | 49,603,941 | \$ | 48,179,782 | \$ | $(1,424,159)$ | -2.9\% |
| Budgeted Fund Balance |  | 6,923,912 |  | 7,459,830 |  |  |  |
| Total Revenues | \$ | 56,527,853 | \$ | 55,639,612 |  |  |  |

The following section provides brief narratives on major variances within the revenue categories detailed in the table above.

- Property Taxes: Minimal growth is anticipated as the forecast includes a revenue neutral property tax levy that assumes continuation of the FY 2009 millage levy ( 5.750 mills) and no growth in property assessments. FY 2010 is the first year the City appropriated prioryear/delinquent tax collections although the City historically receives in excess of $\$ 250,000$ annually.
- Local Option Sales Taxes ("LOST"): Minimal growth of $1.4 \%$ is forecasted for FY 2010 from a budget-to-budget standpoint. However, actual collections are estimated at $\$ 11.6$ million in FY 2009. The City has included a -5.0\% reduction in the FY 2010 Budget to insulate from further erosion in consumer/business spending.
- Franchise Fees: Growth of $5.9 \%$ is forecasted for FY 2010 from a budget-to-budget standpoint. However, Actual collections are estimated at $\$ 5.7$ million in FY 2009. The City has included a -4.0\% reduction in the FY 2010 Budget to insulate from reduced franchise revenues (e.g. reduced electricity and gas usage, etc.).
- Other Taxes: Reductions of $-17.1 \%$ are forecasted due to the weakened economy (e.g. real estate sector, banking sector, etc.). Specific revenue sources include: Intangibles Taxes (reduced $-\$ 100,000$ to $\$ 285,000$ ); Real Estate Transfer Taxes (reduced $-\$ 60,000$ to $\$ 90,000$ ); Business and Occupational Taxes (reduced -\$60,000 to \$800,000); Financial Institution Taxes (reduced -\$75,000 to $\$ 255,000$; etc.
- Licenses \& Permits: Reductions of -33.7\% are forecasted due to the weakened economy (e.g. real estate sector, retail and service sector, etc.). Specific revenue sources include: Development Permits and Related Fees (reduced $-\$ 170,000$ to $\$ 120,000$ ); Building Permit Fees (reduced - $\$ 385,000$ to $\$ 615,000$ ); Occupancy Permit Fees (reduced -\$66,000 to \$104,000); etc.
- Charges for Services: Reductions of $-14.8 \%$ are forecasted due to the weakened economy (e.g. real estate sector, retail and service sector, etc.) and the reduction in consumer spending. Specific revenue sources include: Fire Plan Review Fees (reduced -\$186,500 to $\$ 188,500$ ); Planning and Development Fees and Charges (reduced $-\$ 61,500$ to $\$ 68,500$ ); Special Event Program Fees (reduced in excess of $-\$ 70,000$ ); etc.
- Fines and Forfeitures: Reductions of $-9.5 \%$ are due primarily to reduced Red Light Camera Fines resulting from recent state law changes affecting the timing of street lights as well as the underlying success of the system at deterring the running of red lights. Specifically, Red Light Camera Fines are forecasted at \$600,000 for FY 2010 and represent a reduction of -\$435,000 compared to the FY 2009 budget. It should be noted that the City anticipates a likewise reduction in Red Light lease costs due to revised agreement that provides for revenue neutral operations. Offsetting the decline in Red Light Camera Fines is increased collections for Municipal Court Fines (increase of $\$ 100,000$ to $\$ 2.6$ million).
- Hotel/Motel Taxes (interfund transfer): Reductions of -10.5\% are due primarily to reduced business spending on travel and training.

Expenditures: FY 2010 General Fund expenditures have been reduced by $-2.7 \%$, or - $\$ 1.4$ million, compared to Amended FY 2009. The following table compares departmental appropriations within the General Fund (please refer to the departmental summaries included herein for detailed budgetary analysis).

|  | FY 2009 <br> AMENDED BUDGET |  | FY 2010 RECOMMENDED BUDGET |  | $\begin{gathered} \$ \\ \text { Variance } \end{gathered}$ |  | $\begin{gathered} \text { \% } \\ \text { Variance } \end{gathered}$ |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Expenditures (by Department): |  |  |  |  |  |  |  |
| Mayor and Council | \$ | 268,037 | \$ | 286,597 | \$ | 18,560 | 6.92\% |
| City Administration |  | 1,465,559 |  | 1,326,076 |  | $(139,483)$ | -9.52\% |
| Legal Services |  | 400,000 |  | 400,000 |  | - | 0.00\% |

| Total Expenditures | \$ | 56,527,853 | \$ | 55,639,612 |  |  |  |

Notes:
(1) The Risk Management Fund is being created in FY 2010. FY 2009 activity is recorded within the General Fund. For presentation purposes, all Risk Management activity has been included together.
(2) Capital Project Fund(s) transfer includes a $\$ 4$ million reserve for future capital/one-time initiatives.

## Meeting the Internal Needs of Operating Departments

As provided monthly to the City Council through the Financial Management Reports, the Finance Department has closely monitored our revenue and expenditure trends and indicated that spending would need to be reduced for FY 2010 to compensate for slowing/reduced revenue collections. Accordingly, the Finance Department analyzed departmental spending needs and calculated target budget reductions for each department.

City departments responded to the direction provided by the Finance Department and submitted base operating budgets (non-personnel) in line with current revenue estimates.
Several of the major points of the FY 2010 Budget are as follows:

- Alignment of revenue estimates with short-term collection trends (\$1.4 million reduction in General Fund revenues compared with FY 2009 Budget);
- A continuation of the FY 2009 base personnel level of 439 full-time equivalent positions;
- Suspension of the performance-based pay raise benefit;
- Coverage of major growth drivers including pension (12\% increase Citywide or $\$ 318,000$ ) and healthcare costs (4\% increase Citywide or $\$ 170,000$ ). Healthcare costs increased at a rate lower than the national average due to successful negotiations between the Finance Department and our insurance carrier Aetna;
- Significant reduction (-10.4\% or $-\$ 1.4$ million) in departmental operating budgets, including controls on non-essential spending;
- Continuation of prior-year funding initiatives including:
- Rural Metro: \$138,300;
- Milling \& Resurfacing: \$900,000;
- Police Athletic League contribution: \$35,000;
- Friends of the Library contribution: \$10,000;
- Findings of a review of the E-911 Fund resulted in the transfer of one IT Systems Administrator position from the General Fund to the E-911 Fund as well as the implementation of a lease payment to the City for the call center space which effectively allows for the reallocation of General Fund resources.

The following table provides a comparison of personnel by fiscal year at the department level.

|  | Actual <br> FY 2008 | (1) <br> Actual <br> FY 2009 | (2) <br> Recommended FY 2010 |
| :---: | :---: | :---: | :---: |
| Detail by Department: General Fund |  |  |  |
| Mayor \& Council | 7.0 | 7.0 | 7.0 |
| City Administration | 6.5 | 7.0 | 7.0 |
| City Clerk | 2.0 | 2.0 | 2.0 |
| Community Development | 21.0 | 21.0 | 21.0 |
| Engineering/Public Works | 60.0 | 62.0 | 62.0 |
| Finance Department | 21.0 | 24.0 | 25.0 |
| Public Safety | 217.0 | 218.0 | 218.0 |
| Human Resources | 6.0 | 3.0 | 3.0 |
| Municipal Court | 9.0 | 9.0 | 9.0 |
| Internal Audit | 1.0 | 1.0 | 1.0 |
| Recreation \& Parks | 51.0 | 51.0 | 51.0 |
| Information Technology | 12.0 | 13.0 | 11.0 |
| subtotal | 413.5 | 418.0 | 417.0 |
| E-911 Fund (Special Revenue Fund) |  |  |  |
| Public Safety | 20.0 | 20.0 | 20.0 |
| Information Technology | - | - | 1.0 |
| subtotal | 20.0 | 20.0 | 21.0 |
| Solid Waste Fund (Enterprise Fund) |  |  |  |
| Finance | 1.0 | 1.0 | 1.0 |
| Full-Time-Equivalent (FTE) Positions | 434.5 | 439.0 | 439.0 |

## Notes

(1) FY 2009 included the addition of 4.0 full-time-equivalent ("FTE") positions to the City's personnel count pending funding availability. Funded positions include 1.0 FTE for a Civil Engineer (Engineering/Public Works Department) and 0.5 FTE for a Logistic Officer (Public Safety Department; part-time to full-time). Unfunded positions include 1.0 FTE for a GIS Specialist (Engineering/Public Works Department), 0.5 FTE for a part-time Administrative Assistant I (Public Safety Department), and 1.0 FTE for a Network Analyst II (Information Technology Department). Unfunded positions are included in the City's personnel authorization but will not be hired unless a funding source is identified. Additionally, City Administration includes the reclassification of a part-time seasonal position to a part-time Special Events Coordinator (no fiscal impact).
(2) Total FTE authorization includes the unfunded 2.5 FTE discussed in footnote \#1.

The departmental base budgets are discussed below and detailed further under the respective departmental tab of this document.

## Mayor and City Council

The Fiscal Year 2010 Budget for Mayor and City Council totals \$286,597 and represents an increase of $6.9 \%$, or $\$ 18,560$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased 9.1\%, or $\$ 19,860$, due primarily to increases in pension and group insurance costs. The Maintenance \& Operations category decreased $-2.6 \%$ due to the absence of computer replacements for the upcoming year. The annual discretionary expense appropriation will remain at $\$ 5,000$ for Council Members and \$9,000 for the Mayor.

Base level personnel for FY 2010 total 7.0 full-time-equivalents ("FTE") and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| Mayor | FY 2009 | FY 2010 | Variance |
|  | 1.0 | 1.0 | - |
| Councilperson Post 1 | 1.0 | 1.0 | - |
| Councilperson Post 2 | 1.0 | 1.0 | - |
| Councilperson Post 3 | 1.0 | 1.0 | - |
| Councilperson Post 4 | 1.0 | 1.0 | - |
| Councilperson Post 5 | 1.0 | 1.0 | - |
| Councilperson Post 6 | 1.0 | 1.0 | - |
|  | 7.0 | 7.0 | - |

## City Administration

The FY 2010 Budget for City Administration totals \$1,326,076 and represents a decrease of $-9.5 \%$, or $-\$ 139,482$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category decreased $-3.5 \%$, or $-\$ 34,288$, primarily due to more accurate budgeting of salary and benefits.
Base level personnel for FY 2010 total 7.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| City Administrator | FY 2009 | FY 2010 | Variance |
|  | 1.0 | 1.0 | - |
| Assistant City Administrator | 1.0 | 1.0 | - |
| Executive Assistant | 1.0 | - | $(1.0)$ |
| Executive Office Coordinator | - | 1.0 | 1.0 |
| Grants Administrator | 1.0 | 1.0 | - |
| Special Events Coordinator | 1.0 | 1.0 | - |
| Special Events Manager | 1.0 | 1.0 | - |
| Web Administrator | 1.0 | 1.0 | - |

The Maintenance \& Operations category decreased approximately -21.6\%, or -\$105,194, due primarily to the following activity:

- reduction in forecasted printing cost of $-\$ 14,500$ due to the online posting of the future editions of the City Speaker;
- reduction in forecasted professional development and travel costs of $-33.4 \%(-\$ 3,463)$ and $-80 \%(-\$ 10,869)$ respectively, due to control measures that limit travel/training to essential requirements only;
- reduction of $-\$ 58,552$ due to completion of the $150^{\text {th }}$ Sesquicentennial Celebration and elimination of related costs;
- reductions in equipment rental, advertising, general supplies, food/meals and promotions of -\$34,424 collectively;
- reduction in forecasted maintenance contracts due to the creation of an Information Technology ("IT") professional services account to more efficiently track technology related expenditures; and
- reallocation of computer replacements to the newly created IT computer refresh account to more efficiently track annual computer replacements. For FY 2010, the IT computer refresh includes the replacement of (1) workstation, (1) laptop, and VM Ware.

## City Clerk

The FY 2010 Budget for the City Clerk totals \$423,018 and represents an increase of $35.1 \%$, or $\$ 109,856$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased $5.7 \%$, or $\$ 12,126$, primarily due to increases in pension and group insurance costs.

Base level personnel for FY 2010 total 2.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| City Clerk | FY 2009 | FY 2010 | Variance |
|  | 1.0 | 1.0 | - |
| Administrative Assistant I | 1.0 | - | $(1.0)$ |
| Assistant City Clerk | - | 1.0 | 1.0 |

The Maintenance \& Operations category increased approximately 96.5\%, or $\$ 97,730$, due primarily to the following activity:

- increase in professional fees of $223.8 \%(+\$ 100,000)$ for the upcoming city election; and
- elimination of forecasted professional development and travel, totaling -\$2,550, due to control measures that limit travel/training to essential requirements only.

## Community Development Department

The FY 2010 Budget for Community Development totals \$2,118,403 and represents a decrease of $-0.3 \%$, or $-\$ 7,383$ compared to FY 2009. Specifically, the Salary \& Benefits category increased $0.6 \%$, or $\$ 10,547$, primarily due to increases in pension and group insurance costs.
Base level personnel for FY 2010 total 21.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| Administrative Assistant II | FY 2009 | FY 2010 | Variance |
| Boards Administrator | 3.0 | 3.0 | - |
| Building Inspector | 1.0 | 1.0 | - |
| Building Official | 5.0 | 5.0 | - |
| Building Plans Examiner | 1.0 | 1.0 | - |
| Code Enforcement Officer | 2.0 | 2.0 | - |
| Director | 4.0 | 4.0 | - |
| Economic Development Coordinator | 1.0 | 1.0 | - |
| GIS Specialist | 1.0 | 1.0 | - |
| Planning Technician | - | 1.0 | 1.0 |
| Recording Secretary | 1.0 | - | $(1.0)$ |
| Zoning \& Plans Administrator | 1.0 | 1.0 | - |

The Maintenance \& Operations category decreased $-5.0 \%$, or $-\$ 17,930$, due primarily to the following activity:

- recent conversion from portable radios to cell phones resulted in an $\$ 8,300$ increase in cell phone costs with a corresponding reduction in maintenance costs of $-\$ 2,628$ (net increase of $\$ 5,672$ ). The projected cell phone costs are reflected in the IT professional services account;
- reduction in forecasted professional development of $-32.1 \%$, or $-\$ 4,580$, due to control measures that limit travel/training to essential requirements only;
- reduction in forecasted uniform costs of $-58.0 \%$, or $-\$ 4,140$, based on current year to date expenditures at the time of the budget preparation;
- reduction in professional fees of $-39.7 \%$, or $-\$ 26,249$, including the reallocation of approximately $\$ 15,000$ in record processing and storage costs to the newly created IT professional services account; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For FY 2010, the forecasted IT computer refresh includes the replacement of (1) workstation, (1) laptop, and VM Ware.

## Engineering/Public Works Department

The FY 2010 Budget for Engineering and Public Works totals \$7,542,377 and represents a decrease of $-5.0 \%$, or $-\$ 394,082$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased $1.2 \%$, or $\$ 51,081$, primarily due to increases in pension and group insurance costs.

Base level personnel for FY 2010 total 62.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | :--- | :--- | ---: |
|  | FY 2009 | FY 2010 | Variance |
| Administrative Assistant I | 1.0 | 1.0 | - |
| Administrative Assistant II | 1.0 | 1.0 | - |
| Arborist | 1.0 | 1.0 | - |
| Civil Engineer | 4.0 | 3.0 | $\mathbf{1 . 0}$ |
| Construction Inspector | 2.0 | 2.0 | - |
| Construction Manager | 1.0 | 1.0 | -- |
| Deputy Director of Engineering/PW | 1.0 | 1.0 | - |
| Director of Engineering/PW | 1.0 | 1.0 | - |
| Engineering Technician | 5.0 | 5.0 | - |
| Environmental Education Coordinator | 1.0 | 1.0 | - |
| Fleet Coordinator | 1.0 | 1.0 | -- |
| GIS Specialist | 1.0 | 1.0 | - |
| Land Disturbance Activity Inspector | 3.0 | 3.0 | -- |
| Office Manager | 1.0 | 1.0 | - |
| Public Works Crew Leader | 7.0 | 7.0 | - |
| Public Works Supervisor | 3.0 | 3.0 | - |
| Public Works Technician | 7.0 | 7.0 | - |
| Public Works Technician I | 7.0 | 7.0 | -- |
| Public Works Technician II | 9.0 | 9.0 | - |
| Senior Engineer | 2.0 | 3.0 | 1.0 |
| Senior Operations Manager-PW | 1.0 | 1.0 | - |
| Senior Engineering Technician | 1.0 | 1.0 | - |
| Water Resources Technician | 1.0 | 1.0 | - |
|  | 62.0 | 62.0 | - |

The Maintenance \& Operations category decreased $-12.3 \%$, or $-\$ 445,163$, due primarily to the following activity:

- reduction in forecasted professional development and travel of $-47.4 \%(-\$ 11,266)$ and $-73.9 \%(-\$ 7,088)$, respectively, due to control measures that limit travel/training to essential requirements only;
- reduction of forecasted milling and resurfacing of $-25.0 \%$, or -\$300,000;
- reduction in equipment rental, advertising, general supplies, food/meals and promotions of -\$60,146 collectively; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For FY 2010, the forecasted IT computer refresh
includes the replacement of (8) workstations, (9) laptops, and VM Ware.

## Finance Department

The FY 2010 Budget for Finance totals \$2,859,994 and represents an increase of $2.1 \%$, or $\$ 58,930$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased $6.2 \%$, or $\$ 123,288$, due primarily to the transfer-in of one (1) position (i.e. Records Manager) from the Information Technology Department coupled with increases in pension and group insurance costs.

Base level personnel for FY 2010 total 25.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
|  | FY 2009 | FY 2010 | Variance |
| Accountant | 4.0 | 4.0 | - |
| Accounting \& Operations Manager | 1.0 | 1.0 | - |
| Accounts Payable Technician | 1.0 | 1.0 | - |
| Accounts Rec./Collections Rep. | 1.0 | 1.0 | - |
| Administrative Assistant II | 1.0 | - | $(1.0)$ |
| Budget \& Procurement Analyst | 1.0 | 1.0 | - |
| Budget \& Procurement Manager | 1.0 | 1.0 | - |
| Chief Accountant | 1.0 | 1.0 | - |
| Controller | 1.0 | 1.0 | - |
| Customer Service Coordinator | 1.0 | 1.0 | - |
| Director of Finance | 1.0 | 1.0 | - |
| Financial Services Manager | 1.0 | 1.0 | - |
| Financial Services Representative | 1.0 | 1.0 | - |
| Office Manager | - | 1.0 | 1.0 |
| Payroll Coordinator | 1.0 | 1.0 | - |
| Records Manager | - | 1.0 | 1.0 |
| Senior Budget \& Procurement Analyst | 2.0 | 2.0 | - |
| Tax Billing Coordinator | 1.0 | 1.0 | - |
| Treasury/Deposit Program Coordinator | 1.0 | 1.0 | - |
| HRIS/Compensation Administrator | 1.0 | 1.0 | - |
| Safety/Risk Administrator | 1.0 | 1.0 | - |
| Benefits Manager | 1.0 | 1.0 | - |

The Maintenance \& Operations category decreased -7.9\%, or -64,358, due primarily to the following activity:

- reduction in forecasted professional development and travel of $-41.6 \% ~(-\$ 21,731)$ and $-48.3 \% ~(-\$ 10,847)$, respectively, due to control measures that limit travel/training to essential requirements only;
- reduction in professional fees, vehicle repair and maintenance, building rental, advertising, and food/meals of -\$21,975 collectively;
- reallocation of equipment repair/maintenance and communications costs to the newly created IT professional services account to more efficiently track technology related expenditures. IT professional services totals \$138,108 for FY 2010; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For FY 2010, the forecasted IT computer refresh includes the replacement of (3) workstations, (2) laptops, and VM Ware.

## Public Safety Department

The FY 2010 Budget for Public Safety totals \$22,384,288 and represents a decrease of $-0.6 \%$, or $-\$ 139,877$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased $2.2 \%$, or $\$ 402,697$, due primarily to increases in pension and group insurance costs.

Base level personnel for FY 2010 total 218.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
|  | FY 2009 | FY 2010 | Variance |
| Accreditation Manager | 1.0 | 1.0 | - |
| Administrative Assistant I | 2.5 | 2.5 | - |
| Administrative Assistant II | 2.5 | 2.5 | - |
| Battalion Chief | 4.0 | 4.0 | - |
| Captain | 32.0 | 32.0 | - |
| CERT Program Manager | 1.0 | 1.0 | - |
| Data Entry Clerk | 0.5 | 0.5 | - |
| Deputy Director of Public Safety | 1.0 | 1.0 | - |
| Director of Public Safety | 1.0 | 1.0 | - |
| Emergency Mgmt Program Coord (Lt.) | 1.0 | 1.0 | - |
| Evidence Technician | 2.0 | 2.0 | - |
| Firefighter/Paramedic | 17.0 | 17.0 | - |
| Field Training Officer | 10.0 | 10.0 | - |
| Fingerprint Technician | 0.5 | 0.5 | - |
| Fire Apparatus Engineer | 23.0 | 23.0 | - |
| Fire Logistics Officer | 1.0 | 1.0 | - |
| Fire Marshal (Battalion Chief) | 1.0 | 1.0 | - |
| Fire Prevention Officer | 3.0 | 3.0 | - |
| Firefighter II | 19.0 | 19.0 | - |
| Jail/Court Liaison | 1.0 | 1.0 | - |
| Lieutenant | 14.0 | 14.0 | - |
| Officer | 70.0 | 70.0 | - |
| Public Information Officer | 1.0 | 1.0 | - |
| Public Safety Admin. (Battalion Chief) | - | 1.0 | 1.0 |
| Public Safety Deputy Administrator | 1.0 | - | $(1.0)$ |
| Records Clerk | 1.0 | 1.0 | - |
| Records Supervisor | 1.0 | 1.0 | - |
| Research Analyst | 1.0 | 1.0 | - |
| School Crossing Guard (8 PT) | 4.0 | 4.0 | - |
| Training Coordinator (Captain) | 1.0 | 1.0 | - |
|  | 218.0 | 218.0 | - |
|  |  |  | - |

The Maintenance \& Operations category decreased $-12.5 \%$, or $-\$ 542,574$, due primarily to the following activity:

- reduction in forecasted professional development and travel of $-11.1 \% ~(-\$ 10,849)$ and $-25.0 \% ~(-\$ 20,342)$, respectively, due to control measures that limit travel/training to essential requirements only;
- reduction in advertising, printing, general supplies, food/meals, and non-recurring of -\$108,879 collectively;
- reduction in forecasted machinery investment of -88.9\% (-\$120,018) and small equipment of $-67.5 \%(-\$ 127,594)$;
- reallocation of maintenance contracts and communications costs to the newly created IT professional services account to allow for more efficient tracking of technology related expenditures. IT professional services totals \$481,740 in FY 2010; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For FY 2010, the forecasted IT computer refresh includes the replacement of (73) workstations/laptops as well as VM Ware.

## Human Resources

The FY 2010 Budget for Human Resources totals \$402,174 and represents a decrease of $-6.9 \%$, or $-\$ 29,946$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased 2.2\% due primarily to increases in pension and group insurance costs.

Base level personnel for FY 2009 total 3.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
|  | FY 2009 | FY 2010 | Variance |
| Administrative Assistant II | 1.0 | 1.0 | - |
| Employment/Recruitment Manager | 1.0 | 1.0 | - |
| Senior HR Administrator | 1.0 | 1.0 | - |
|  | 3.0 | 3.0 | - |

The Maintenance \& Operations category decreased -17.3\%, or $-\$ 35,066$, due to the following activity:

- reduction in forecasted professional development and travel of $-68.5 \%(-\$ 11,434)$ and $-81.2 \%(-\$ 5,175)$, respectively, due to control measures that limit travel/training to essential requirements only;
- reduction in employee recruitment, advertising, general supplies, food/meals, and non-recurring costs of -\$16,938 collectively;
- reallocation of equipment repair and maintenance, communications, and a portion of maintenance contracts to the newly created IT professional services to allow for more efficient tracking of technology related expenditures. IT professional services totals \$10,514 in FY 2010; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For Fiscal Year 2010, the forecasted IT computer
refresh includes the replacement of (1) workstations, (1) laptops, and VM Ware.

## Municipal Court

The FY 2010 Budget for Municipal Court totals \$964,790 and represents an increase of $1.7 \%$, or $\$ 16,386$, compared to FY 2009. Specifically, the Salary \& Benefits category increased $5.3 \%$, or $\$ 31,257$, due primarily to increases in pension and group insurance costs.

Base level personnel for FY 2009 total 9.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| Court Clerk/Dir. of Court Services | FY 2009 | FY 2010 | Variance |
|  | 1.0 | 1.0 | - |
| Deputy Clerk I | 2.0 | 1.0 | $(1.0)$ |
| Deputy Clerk II | 4.0 | 5.0 | 1.0 |
| Deputy Clerk III | 1.0 | 1.0 | - |
| Judge | 1.0 | 1.0 | - |
|  | 9.0 | 9.0 | - |

The Maintenance \& Operations category decreased approximately $-4.2 \%$, or $-\$ 14,871$, due primarily to the following activity:

- reduction in forecasted professional development and travel of $-73.9 \%(-\$ 5,650)$ and $-69.0 \%(-\$ 6,690)$, respectively, due to control measures that limit travel/training to essential requirements only;
- reduction in printing, general supplies, and food/meals of -\$7,454;
- reallocation of computer replacements to the newly created IT computer refresh account to allow for more efficient tracking. For FY 2010, the forecasted IT computer refresh includes the replacement of (8) workstations and VM Ware.

## Internal Audit

The FY 2010 Budget for Internal Audit totals \$150,044 and represents an increase of $1.7 \%$, or $\$ 2,490$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased $3.0 \%$, or $\$ 4,150$, due primarily to increases in pension and group insurance costs.

Base level personnel for FY 2010 total 1.0 FTEs and represent the following:

Internal Auditor

The Maintenance \& Operations category decreased $-23.4 \%$, or $-\$ 1,660$, due to a reduction in anticipated expenses for the upcoming year.

## Recreation and Parks Department

The FY 2010 Budget for Recreation and Parks totals \$6,759,012 and represents a decreased of $-3.4 \%$, or $-\$ 237,113$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category remained relatively flat at $0.1 \%$, or $\$ 3,050$, with reductions in seasonal salaries offsetting pension and group insurance cost increases.

Base level personnel for FY 2010 total 51.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| Administrative Assistant I | 2.0 | FY 2010 | Variance |
|  | 2.0 | - |  |
| Administrative Assistant II | 1.0 | 1.0 | - |
| Athletic Coordinator | 4.0 | 4.0 | - |
| Arts Coordinator | 1.0 | 1.0 | - |
| Customer Service Representative | 5.0 | 5.0 | - |
| Deputy Director of Recreation/Parks | 1.0 | 1.0 | - |
| Director | 1.0 | 1.0 | - |
| Equestrian Center Manager | 1.0 | 1.0 | - |
| Facility Technician | 3.0 | 3.0 | - |
| Office Manager | 1.0 | 1.0 | - |
| Park Services Manager | 1.0 | 1.0 | - |
| Parks Maintenance Technician | 11.0 | 11.0 | - |
| Parks Maintenance Technician I | 2.0 | 2.0 | - |
| Parks Maintenance Technician II | 5.0 | 5.0 | - |
| Parks Supervisor II | 4.0 | 4.0 | - |
| Program Coordinator | 4.0 | 4.0 | - |
| Recreation Supervisor II | 4.0 | 4.0 | - |
|  | 51.0 | 51.0 | - |

The Maintenance \& Operations category decreased $-7.4 \%$, or $-\$ 240,163$, due primarily to the following activity:

- reduction in forecasted professional development and travel costs of $-43.4 \% ~(-\$ 11,181)$ and $-34.1 \% ~(-\$ 20,182)$, respectively, due to control measures that limit travel/training to essential requirements only;
- recent conversion from portable radios to cell phones resulted in an \$17,951 increase in cell phone costs with a corresponding reduction in maintenance costs of $-\$ 4,766$ (net increase of $\$ 13,185$ ). The projected cell phone costs are reflected in the IT professional services account
- reallocation of communications, and a portion of maintenance contracts as well as equipment repair and maintenance to the newly created IT professional services account to allow for more efficient tracking in the future. IT professional services totals \$96,787 in FY 2010; and
- reduction in advertising, general supplies, food/meals, and promotions of -\$72,710 collectively;
- reduction in forecasted printing cost of $-\$ 11,000$ due to the online posting of the future editions of the Leisure Guide as part of the overall printing reduction of -\$40,047; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For Fiscal Year 2010, the forecasted IT computer refresh includes the replacement of (1) workstations, (2) laptops, and VM Ware.

## Information Technology Department

The FY 2010 Budget for Information Technology totals \$1,318,623 and represents a decrease of $-12.4 \%$, or $-\$ 185,926$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category decreased -9.4\%, or $-\$ 105,382$, due primarily to the transfer-out of one (1) position (i.e. Records Manager) to Finance and one (1) position (i.e. IT Systems Administrator) to the E-911 Fund.

Base level personnel for FY 2010 total 11.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| Director | FY 2009 | FY 2010 | Variance |
| GIS Coordinator | 1.0 | 1.0 | - |
| GIS Manager | 1.0 | 1.0 | - |
| IT Project Manager | 1.0 | 1.0 | - |
| Network Analyst I | 1.0 | 1.0 | - |
| Network Analyst II | 1.0 | 1.0 | - |
| IT Systems Administrator | 2.0 | 1.0 | $(1.0)$ |
| Network Manager | - | 1.0 | 1.0 |
| Records Manager | 1.0 | 1.0 | - |
| Systems Analyst II | 1.0 | - | $(1.0)$ |
| Systems Manager | 3.0 | 2.0 | $(1.0)$ |

The Maintenance \& Operations category decreased $-20.9 \%$, or $-\$ 80,544$, due primarily to the following activity:

- reduction in forecasted professional development and travel of $-25.6 \%(-\$ 8,600)$ and $-69.2 \%(-\$ 6,750)$, respectively, due to control measures that limit travel/training to essential requirements only;
- reduction in printing, general supplies, uniforms, and food/meals of -\$2,296 collectively;
- reallocation of communications, and a portion of maintenance contracts as well as equipment repair and maintenance to the newly created IT professional services to allow for more efficient tracking of technology related expenses. IT professional services totals \$149,260 in FY 2010;
- Allocation of additional maintenance contract costs across appropriate departmental budgets throughout the General Fund; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For FY 2010, the forecasted IT computer refresh includes the replacement of (2) workstations for \$2,600, \$22,000 in servers, and \$827 for VM Ware.

## E-911 Fund

The FY 2010 Budget for the E-911 Fund totals \$2,283,987 and represents a decrease of $-3.9 \%$, or $-\$ 93,364$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category increased 13.9\%, or \$193,560, due primarily to the transfer-in of one (1) position (i.e. IT Systems Administrator) from the Information Technology Department coupled with increases in pension and group insurance costs. The IT Systems Administrator works solely on E-911 activities.
Base level personnel for FY 2010 total 21.0 FTEs and represent the following:

|  | FTEs |  |  |
| :--- | ---: | ---: | ---: |
| Communications Officer | FY 2009 | FY 2010 | Variance |
|  | 12.0 | 12.0 | - |
| Communications Shift Supervisor | 4.0 | 4.0 | - |
| Sr. Communications Officer | 4.0 | 4.0 | - |
| IT Systems Administrator | - | 1.0 | 1.0 |
|  | 20.0 | 21.0 | 1.0 |

The Maintenance \& Operations category decreased $-29.2 \%$, or $-\$ 286,924$, due primarily to the following activity:

- reduction in forecasted professional development and travel of $-47.6 \%(-\$ 6,800)$ and $-50.0 \%(-\$ 4,000)$, respectively, due to control measures that limit travel/training to essential requirements only;
- increase in forecasted communications of $\$ 119,080$ primarily due to the change in wireless subscriptions (phase II);
- reallocation of a portion of communications, maintenance contracts, and equipment repair and maintenance to the newly created IT professional services to allow for more efficient tracking of technology related expenses. IT professional services totals \$96,104 in FY 2010; and
- reallocation of computer replacements to the newly created IT computer refresh account to better track annual computer replacements. For Fiscal Year 2010, the forecasted IT computer refresh includes the replacement of (8) workstations and VM Ware.

## Solid Waste Fund

The FY 2010 Budget for the Solid Waste Fund totals \$2,587,352 and represents an increase of $0.6 \%$, or $\$ 14,331$, compared to the FY 2009 budget. Specifically, the Salary \& Benefits category decreased -26.9\%, or $-\$ 19,669$, due to employee turnover and varying group health coverage estimates (position has been filled since establishment of the FY 2009 budget and resulted in reduced costs)
Base level personnel for FY 2010 total 1.0 FTE and represent the following:

The Maintenance \& Operations category increased $1.4 \%$, or $\$ 34,000$, due to an increase in forecasted printing and general supplies costs related to sanitation billing.

## Risk Management Fund

The FY 2010 Budget for Risk Management totals \$1,674,386. The Risk Management Fund is being created in FY 2010 to allow for the effective and efficient tracking of Risk Management activities.

Personnel (full-time-equivalent) (2)
418.0

Notes:
(1) The Risk Management Fund was initially created in fiscal year 2010. Prior activity was recorded within the General Fund. For presentation purposes, all Risk Management activity has been included together
(2) Personnel count for fiscal year 2010 includes the transfer of one IT Systems Administrator position to the E-911 Fund to better reflect job responsibilities. Works; part-time Administrative Assistant I - Public Safety; and a Network Analyst II - Information Technology)

Notes:
1 Variance is due to converting from portable radios to cell phones, approx $\$ 8300$ increase in cell phone costs with a corresponding reduction in maint costs of $\$ 2628$. Net increase of $\$ 5672$. Now, cell phone costs are reflected in IT Prof Svcs.
2 Computer replacement includes: 1 workstation for $\$ 1300$ and 1 laptop for $\$ 1550$
3 Variance is due primarily to the creation of a IT Professional Services account for more accurate tracking of expenditures.
4 Variance is due to reduction of approximate $\$ 4000$ in uniform based on year-to-date actual expenditures at the time of the budget preparation
5 Variance is due primarily to the reallocation of record processing and storage costs to the IT Professional Services account. \$15k of record related costs moved to IT Professional Services account

Notes
1 Variance is due primarily to FY10 Budget Cuts in training
2 Variance is due primarily to the creation of a IT Professional Services account for more accurate tracking of expenditures
3 Variance is due primarily to the replacement of computers based in the IT refresh schedule.
Variance is due primarily to the cut of YMCA program ( $-\$ 7 \mathrm{~K}$ ).
5 Variance is due primarily to the creation of a Small Equipment Account for items under $\$ 5 \mathrm{~K}$.
6 Variance is due to addition of Records Management position moved from the IT department.

Notes
1 Variance is due primarily to the creation of a IT Professional Services account for more accurate tracking of expenditures.
2 Computer replacement includes: (73) workstations and laptops
3 Variance is due primarily to the following: approx $\$ 14,750$ reduction in fire stations, $\$ 1300$ reduction in special events, $\$ 5000$ reduction in incident response, $\$ 190$ reduction in criminal investigations, and $\$ 1500$ reduct
4 Variance is due primarily to the creation of the Small Equipment account for equipment purchases of less than $\$ 5000$. In addition, IT Computer Refresh account was created for computer replacements.
5 Variance is due to the elimination of $\$ 6000$ recruitment advertisements

## Notes

1 Variance is due primarily to the creation of a IT Professional Services account for more accurate tracking of expenditures.
2 Computer replacement include: (1) laptop for \$1550, (2) workstations at \$1300 each, and VM Ware
3 Variance is due primarily to the creation of a IT Professional Services account for more accurate tracking of expenditures. Includes the conversion of portable radio to cell phones, approx $\$ 17,951$ in additional cell phones costs with a corresponding reduction in maintenance costs of $\$ 4766$. Net increase of $\$ 13,185$, now reflected as
$4 \quad$ Variance due to a reduction to conserve funding for operational needs
5 Variance is due to: an $\$ 11 \mathrm{~K}$ reduction in the printing of the Leisure Guides and general reduction of printing projects. Fewer Leisure Guides will be printed, but it will be able online to res

[^4]2 Variance is due primarily to the creation of a IT Professional Services account for more accurate tracking of expenditures.
3 Variance is due to primarily the IT related maintenance contracts being spread out among the departments
4 Variance is due primarily to the replacement of computers based in the IT refresh schedule, an account was made solely for the refresh schedule.

[^0]:    (1) The Risk Management Fund is being created in FY 2010. FY 2009 activity is recorded within the General Fund. For presentation purposes, all Risk Management activity has been included together.
    (2) Capital Project Fund transfer includes a $\$ 4$ million reserve for future capital/one-time initiatives.

[^1]:    Notes:
    (1) Taser initiative includes the acquisition of approximately 100 tasers with an estimated total cost of $\$ 83,000$. Funding is split between the DEA Fund $(\$ 35,000)$ and Grant Funding $(\$ 48,000)$.

[^2]:    Notes
    1 Variance is due to primarily that none of the Mayor or Council members computer are up for replacement based on the IT refresh schedule.

[^3]:    Notes
    $1 \quad$ Variance is due primarily to FY10 Budget Cuts in training.
    2 Variance is due primarily to the creation of a IT Professional Services account for more accurate tracking of expenditures.

[^4]:    Notes
    1 Variance is due primarily to FY10 Budget Cuts in training.

[^5]:    Notes
    1 Variance is due primarily to reserve for prior year claims.
