# GORDON COUNTY HISTORY

---

When Hernando Desoto marched through what is now eastern Gordon County in 1540, he found a rich land teeming with life. Rangel, a chronicler of the Spanish expedition through the Southeast, said this land was “one of the best and most abundant provinces” that was found. “In the barbacoas (corncribs) and fields there was a great quantity of maize and beans”, said Elvas, another chronicler. It was a charming and fertile land, with good cultivated fields stretching along the rivers. Gordon County was then the heart of what was called the Coosa chiefdom, which controlled a territory stretching from Tennessee to Alabama and dominated the native politics of Northwest Georgia. Desoto’s expedition changed all that, however. A smallpox epidemic brought by the Europeans decimated the native population, wiping out approximately 90 percent of the inhabitants. The survivors migrated southwest to escape the plague and became the tribe known today as the Creek Indians, abandoning Northwest Georgia to the Cherokee Indians.

The Cherokee Indians originally occupied all lands that would become Gordon County. The Gordon County area was home to New Echota, capital of the Cherokee Nation from 1825 to 1835. New Echota was the birthplace of the written Cherokee language and newspaper, the Cherokee Phoenix. Even while Cherokees remained on their homeland, the Georgia General Assembly enacted legislation in December 1830 that provided for surveying the Cherokee Nation and dividing it into sections, districts, and land lots. Subsequently, the Georgia legislature identified this entire area as “Cherokee County” (even though it never functioned as a county). An act of the General Assembly on December 3, 1832 divided the Cherokee lands into ten new counties - Cass (later renamed Bartow), Cherokee, Cobb, Floyd, Forsyth, Gilmer, Lumpkin, Murray, Paulding, and Union. Cherokee lands were distributed to whites in a land lottery, but the Georgia legislature temporarily prohibited whites from taking possession of lots on which Cherokees still lived.

It was not until December 29, 1835 that Georgia had an official basis for claiming the unceded Cherokee lands that included the future location of Gordon County. In the Treaty of New Echota, a faction of the Cherokees agreed to give up all Cherokee claims to land in Georgia, Alabama, Tennessee, and North Carolina and move west in return for \$5,000,000. Though a majority of Cherokees opposed the treaty and refused to leave, the United States and Georgia governments considered it binding. In 1838, U.S. Army troops rounded up the last of the 15,000 Cherokees in Georgia and forced them to march west in what came to be known as the infamous “Trail of Tears.”

Gordon County was created on February 13, 1850 by an act of the Georgia General Assembly. Gordon County was formed from portions of Cass County (later renamed Bartow County) and Floyd County. Gordon County’s original 1850 boundaries were changed numerous times between 1852 and 1877 during which time the Georgia legislature transferred portions of Cass (later Bartow), Floyd, Murray, Pickens, and Walker counties to Gordon County while transferring land from Gordon to Floyd and Murray counties.

Georgia’s 94<sup>th</sup> county as well as the City of Gordon located in Wilkinson County, Georgia were named for William Washington Gordon (1796-1842), the first Georgian to graduate from West Point Military Academy, the founder and president of Georgia’s first railroad, the Central Railroad and Banking Company, later known as the Central of Georgia Railroad,

and grandfather to Girl Scouts founder Juliette Gordon Lowe. A monument that commemorates William Washington Gordon is located on Wright Square in Savannah. The monument was designed by architects Henry Van Brunt and Frank M. Howe and was completed in 1883.

The act creating Gordon County provided that an election of county officers would be held on the first Monday in February 1851, after which the new justices of the inferior court would be authorized to select a site for the county seat, purchase land, and contract for construction of county buildings. In the late 1840s a settlement, known as Dawsonville (named for the owner of an early general store), developed along the Western & Atlantic Railroad that was located in the area that would become Gordon County. Dawsonville was renamed Calhoun following the death of U.S. Senator John C. Calhoun in 1850.

Rather than designate the location of the county seat, Gordon County's inferior court called an election to allow the voters to choose between Calhoun as the county seat or a site more centrally located in the county. Voters chose Calhoun so the inferior court designated Calhoun as the county seat in 1851. The Georgia General Assembly incorporated Calhoun as a city on January 12, 1852.

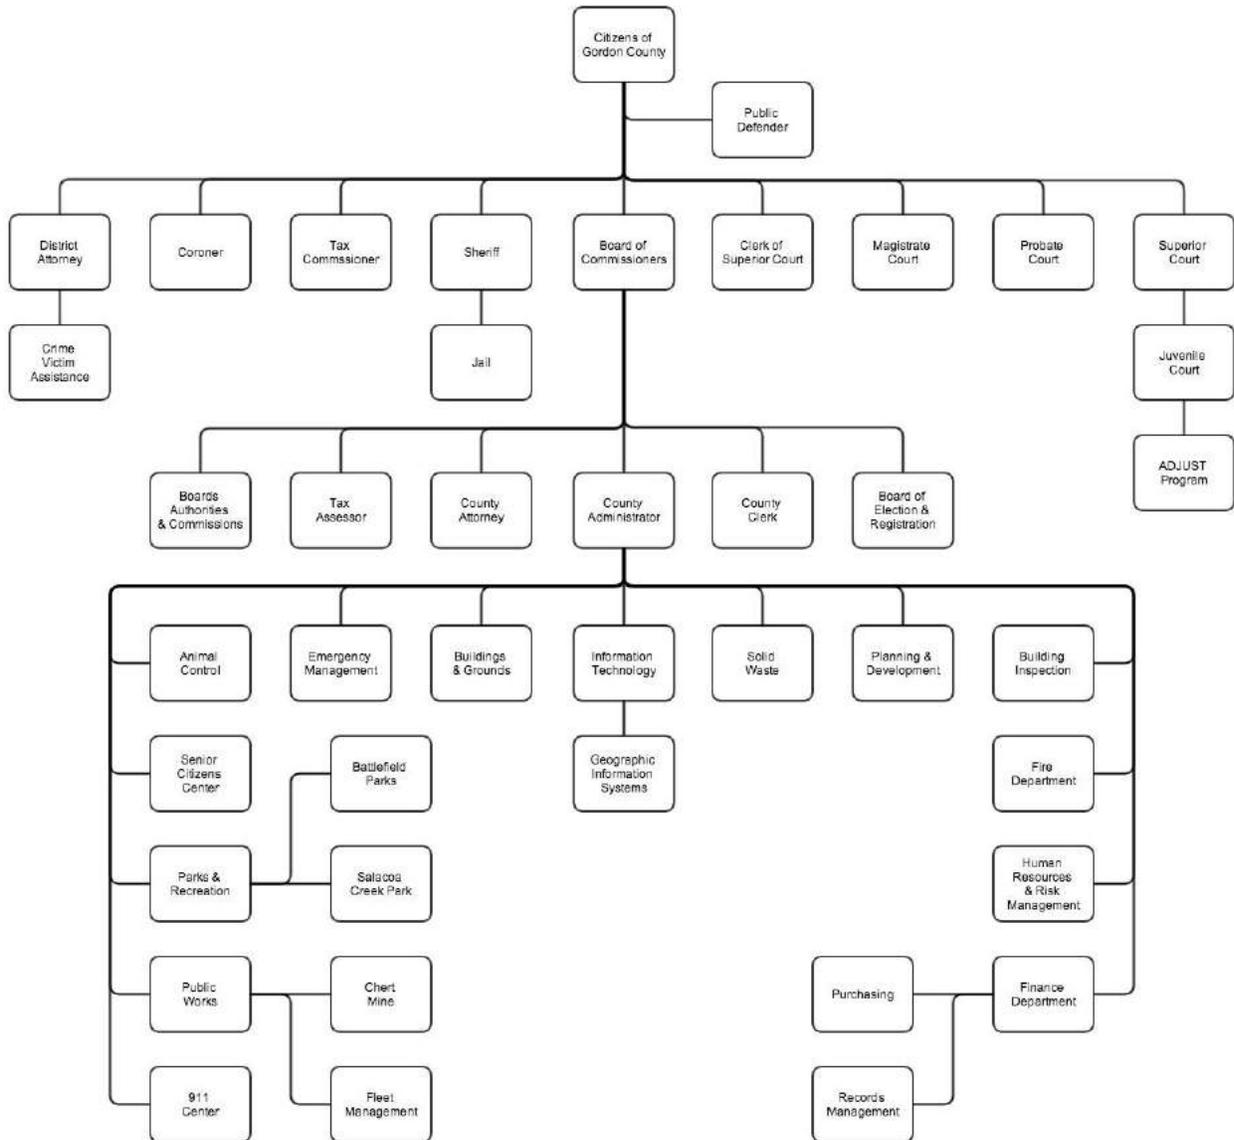

Gordon County constructed its first courthouse in 1852. The two story brick courthouse was destroyed by a severe storm in 1888. A new two story brick courthouse with a clock tower was built in 1889 and it lasted until it was torn down in 1961. The present courthouse was built in 1961.

**TO:** Board of County Commissioners

**SUBJECT:** FY 2018-19 Recommended Annual Budget

**DATE:** May 15, 2018

---

---

Presented herewith in accordance with section 36-81-1 et seq. of the Official Code of Georgia Annotated are the FY 2018-19 recommended annual budgets. These budgets represent the recommended plan for providing essential county services for the upcoming fiscal year that begins July 1, 2018 and ends June 30, 2019. These budgets include the collective input from the Board of Commissioners, all county department directors, elected officials, and outside agencies.

**BUDGET CLIMATE**

The FY 2018-19 recommended budgets were prepared during continued economic uncertainty with modest indications of recovery. The county's projected FY 2018-19 revenues have improved since the 2008 nationwide economic downturn. The county's tax digest and net taxes levied have increased slowly and steadily which has helped to offset the increase in Freeport exemption at 80%.

The county's building activity has been slow since 2008, but recent increases in the number of permits and lower unemployment are encouraging. During calendar year 2017, 86 single family home building permits were issued and 24 rezoning requests were submitted. During the previous 2016 calendar year, only 62 single family home building permits were issued and 31 rezoning requests were submitted. The county's unemployment rate has steadily decreased from an all-time high of 14% in January 2010 to the current rate of 4.6% in February 2018.

After evaluating these factors, as well as others, the recommended budgets were prepared based on the following criteria:

- A 2% cost-of-living allowance (COLA) for all employees effective July 1, 2018.
- No new full-time or part-time employees.
- No anticipated increased in county's health insurance coverage cost but individual stop loss was raised from \$115,000 to \$120,000.
- Replacement of vehicles due to high mileage and inoperability.
- The county continues to move forward with SPLOST funded projects.

## LOOKING FORWARD TO FY 2018-19

Gordon County remains in a strong economic position despite financial challenges that continue to exist due to a protracted recovery from the extended economic recession. The county has conservatively guarded against increased spending and has reduced its debt to the lowest level in many years.

The local economy continues to be relatively stable with some evidence of a rebound in growth in the manufacturing, industrial and housing sectors. Some local industries relocated out of Gordon County last year resulting in a substantial decline in industrial tax revenue. Gordon has been aggressively pursuing expansions of existing industry and locating new industry to fill this void. Several new and existing businesses and industries are beginning to invest in the county, but it will likely take several years to recover the revenue lost due to industry that has left the county.

Unemployment rates have declined to the lowest point in many years. As a result, there is a high demand for work ready employees with a need for affordable housing. The housing sector is experiencing a renewed interest in residential construction.

Gordon County will be moving to complete the remaining projects approved as part of the 2012 SPLOST. Construction of the new Animal Shelter is underway with expected completion in November 2018. The design of renovations and additions to the Courthouse and Courthouse Annex are complete with bids and construction pending completion of the second floor of the Government Plaza for temporary relocation of offices. The construction of a new Public Health Department will follow along with the completion of the other remaining 2012 SPLOST projects.

Gordon County voters approved the continuation of SPLOST collections to commence on May 1, 2018. The 2018 SPLOST will fund improvements to roads and bridges, public safety vehicles and equipment, capital improvements to infrastructure, and new construction of public buildings and recreation facilities. Implementation of those projects will commence as money is collected and according to the approved schedule.

In the upcoming year, Gordon County will continue to implement fiscally conservative financial practices as recovery from the economic recession continues. The county will continue to provide vital services, improve public safety and infrastructure, expand recreation, and encourage economic development. Looking forward, Gordon County will continue to carefully invest in programs that will improve the quality of life, safety, security and prosperity of our community.

## ***DEPARTMENT PROFILE***

The Sheriff Office's Judicial Bureau manages the 376 bed county jail. The jail is primarily a holding facility for men and women charged with a criminal offense waiting for a court appearance and for persons already sentenced but waiting for a transfer to a state or federal facility. The county jail also holds persons found guilty of certain misdemeanors and sentenced to one year or less. The county jail does not hold juveniles; they are transferred to a juvenile detention center in Rome or Dalton. This bureau also performs litter control along county and state rights-of-ways using county inmate labor.

## DEPARTMENT PROFILE

The Parks & Recreation Department was formed in April 2000 to serve the recreation needs of the citizens in the unincorporated area of the county and the cities of Calhoun, Resaca, Ranger, Fairmount, and Plainville. This department is responsible for organizing various leisure activities for those citizens including youth football, youth flag football, youth cheerleading, youth soccer, youth baseball, youth basketball, men’s and women’s basketball, T-ball, girls fast pitch softball, various fitness programs, summer day camps, and after school programs. In addition, this department is also responsible for managing Salacoa Creek Park and the 75 acre Sonoraville Recreation Complex. Since the Sonoraville Recreation Complex is the county’s only recreational facility under county ownership, the department must use and maintain numerous non-county owned facilities, including the Redbud Elementary School’s gym, two ball fields, and football field, Resaca’s two ball fields, and Plainville’s three ball fields and gym.

**FUND PROFILE**

The Fire-Rescue Department's primary funding source is the insurance premium tax. These proceeds are specifically earmarked to provide fire protection for the entire county. The revenues generated from the insurance premium tax do not cover all the Fire Fund's expenses; therefore, the General Fund must transfer funds to the Fire Fund to pay for expenditures not covered by the insurance premium tax.

The Fire-Rescue Department is responsible for protecting all unincorporated areas of Gordon County, and also provides coverage for the cities of Plainville, Resaca, Ranger, and Fairmount.

The Fire-Rescue Department provides fire suppression, medical first response, fire prevention through fire safety, and provides and installs smoke alarms for the citizens. The department conducts extensive in-house training to maintain fire, ems, and other required certifications and licenses for all employees. The department also works with other emergency service agencies by providing personnel and equipment to make up the NW GA Joint Hazardous Materials Team and Task Force 6 of the Georgia Search & Rescue teams.

The Fire-Rescue Department currently maintains 3 combination stations that utilize both career and paid per-call members, and seven paid per-call (unmanned) stations with various apparatus and equipment for protecting the citizens of Gordon County.

**FUND PROFILE**

The E-911 Special Revenue Fund receives revenues from a monthly \$1.50 surcharge placed on all wired telephones in the county, a monthly \$1.50 surcharge placed on all wireless telephones in the county (Phase I and II), a monthly \$1.50 surcharge placed on all VOIP telephones, and a contribution from the City of Calhoun to pay the salary and benefits of three of the twenty communication officer positions. These proceeds are specifically earmarked to fund the county-wide emergency telephone system that became operational during mid 1993. This department's certified communication officers receives and processes emergency and non-emergency telephone calls on a county-wide basis, dispatches emergency personnel from the Sheriff's Office, County Fire Department, Emergency Medical Services, County Animal Control, Calhoun Police Department, Calhoun Fire Department, Calhoun Animal Control, Fairmount Police, and assists the County Public Works Department, Calhoun Public Works Department, Georgia Department of Transportation, and the Georgia State Patrol regarding road hazards. This department also transfers emergency telephone calls to other jurisdictions as needed and maintains the county's Master Street Address Guide (MSAG) for the unincorporated area as well as for all cities within the county. Since the revenues generated from the telephone surcharges and the City of Calhoun's contribution do not cover all of the E-911 Fund's expenses, the General Fund must transfer funds to the E-911 Fund to pay for normal operating expenses.

SPLOST – 2005 Projects Fund (325) – this fund is used to account for the proceeds of the 1% SPLOST that was approved by the voters in November 2005 for a six year period effective April 1, 2006 through March 31, 2012 to construct a new county justice center, fire station, courthouse repairs, road improvements, and allocations to the cities for their capital projects.

During that referendum, a total of 11,149 citizens voted – 6,054 (54%) for the SPLOST and 5,095 (46%) against the SPLOST. At the time of the referendum, the county had 20,259 active voters. The county received 65%, Calhoun received 23%, and the other four cities each received 3% of the proceeds.

All full-time employees receive longevity pay of \$15 for each year of service.

## **DEFERRED COMPENSATION**

All full-time County employees may participate in Gordon County's 457 Deferred Compensation Plan administered by VOYA (formerly known as ING). In a Deferred Compensation Plan the employee may set aside funds for retirement and defer Federal and State taxes until time of withdrawal. However, FICA taxes may not be deferred and all contributions are subject to FICA. An employee must contribute at least 3% of his/her salary to qualify for a 5% County matching contribution. Several investment options are open to the employee including a daily guaranteed savings rate plan and investment in mutual funds. An employee under the age of 50 may defer up to \$18,500 for calendar year 2018 and \$24,500 for employees over the age of 50. This benefit is a payroll deduction and is fully funded with each payroll. An employee is eligible to participate in this plan after 30 days of employment.
